Justification/Rationale for NUR 4991

Relationship to Student Learning Outcomes:

By the completion of this course, the learner progresses toward student learning outcomes 1, 3 and 5.

Course Objectives:

Upon completion of this course, the student will be able to:

1. Discuss the indications and adverse effects of each category of medication.
2. Identify nursing considerations for each category of medication.
3. Identify common medications utilized in each category of medication.
4. Utilize knowledge of pharmacokinetics when administering medications.
5. Provide appropriate patient education regarding prescribed medications.

Relationship to General Objectives:

This upper division professional nursing course provides opportunities for the student to integrate knowledge and skills from the general education component with nursing theories and concepts. The course serves as a review that integrates all general education outcomes with the Department of Nursing outcomes.

Teacher Roles:

Evaluator, Facilitator, Resource Person and Supporter.

Student Roles:

Learner, Communicator and Researcher.

Textbook information:

Frandsen, G., & Pennington, S. (2018) Abrams' Clinical Drug Therapy: Rationales for Nursing Practice, 11th Edition. ISBN: 9781496347961

Attendance Policy:

This is an on-line course utilizing Blackboard and other online resources. The student will work alone and in groups to meet all course requirements by the posted deadline. The class will not have a designated meeting time.

Evaluation:

1. Grading Scale

A = 90 - 100

B = 80 - 89

C = 75 - 79

D = 68 - 74

F = 67 and below

2. A grade of "C" or above must be achieved in every nursing course in order to progress in the Nursing Program. There will be no rounding of grades. All tests and other assignments will be carried to the hundredth. A 74.5%-74.99% will not round at the end of the semester to a 75%.

3. You must complete all quizzes, unit tests, and final with a cumulative weighted grade of 75% to successfully pass the course.

4. A semester grade of "I" or "Incomplete" will be given to those students whose work is incomplete because of illness or other circumstances beyond the student's control. This grade will be assigned at the discretion of the instructor according to the amount of time missed, the ability of the student to complete the necessary assignments, and the quality of the student's previous work. (See Student Handbook)

- 5. Failure to meet course requirements will result in an "Incomplete" grade for the course.
- 6. Examinations will be taken at designated times. If a student cannot take the examination at the scheduled time, he/she is responsible for contacting the instructor prior to scheduled testing to make arrangements for making up the examination with the instructor and will be scheduled on the first day the student returns to class.
- 7. Students with special needs or disabilities will inform the instructor at the beginning of the course. Any testing conducted at the testing center will be according to class test date schedule. No exceptions.

9. Course Grade

Weekly Quizzes.....	30%
Course Assignments.....	50%
Comprehensive Final Exam.....	<u>20%</u>
