**Assignments:**

- A. All students are expected to enroll in Blackboard on the first day of class each semester for further instructions.
- B. The student is expected to meet with the course instructor the week that classes start, to review expectations.
- C. The student is responsible to review skills calendars for upcoming skills practice/check-offs. The student will gather all supplies needed for skill practice/check-off and then prepare the skills lab, the day prior to the practice/check-off. A supply list for each skill can be found hanging on the wall of the skills supply closet. This is the student's responsibility to keep up with when there is an event per the calendar. ***The instructor is not responsible for notifying students in advance of scheduled events.***
- D. Once the skills practice/check-off is completed, the student is to clean all supplies and return them to the supply closet. It is also the student's responsibility to straighten the skills lab at this time (folding linen, making beds, changing out full sharps containers for new one, etc.)
- E. If you cannot set up/ clean up the lab on the same day of an event, the student **MUST** contact the instructor **at least 24hrs prior to** the event.
- F. Once all skills practice/check-offs are completed, the student is responsible to check with skills instructors for a list of projects that need to be completed by finals week.

**Communication:**

*Communication and organization are a vital part of this course.* Please use blackboard for course related communication. Students are required to check the course daily in order to be up-to-date on course announcements and/or changes in schedule. Please contact faculty directly for emergent situations or issues. Faculty will acknowledge your communication within 24 hours on weekdays. If your communication is over a weekend, please note that faculty will respond on Monday by 5 pm.

The student is expected to conduct himself/herself in a professional manner during the independent study activities. *If for any reason the student is not following policy/procedures, the student may be called in to discuss the issues with the Level Faculty and/or may be required to withdraw from the course.*
