## FALL 2019 ROAD MAP

To request an accommodation for this event, please contact Campus Life at [campuslife@atu.edu](mailto:campuslife@atu.edu) or (479) 968-0276 at least 10 days in advance.

# ON TRACK

## WHAT IS ON TRACK?

On Track is a co-curricular experience designed to enhance student development beyond the classroom setting, encourage students to network socially among peers, and to include students in traditional and signature university events. Each semester, a map of events and activities will be available to students categorized by interests.

## GET LICENSED

All students are auto-licensed for the program. Visit theLink at [atu.presence.io](http://atu.presence.io) and login with your OneTech username and password. Click Opportunities at the top right corner and then Experiences. Click the On Track icon to learn about the program and how you can complete tracks listed below. The Road Map is our full event list and can be found at [www.atu.edu/ontrack](http://www.atu.edu/ontrack).

## COMPLETION

A student completes a track by fulfilling three (3) options offered as part of the track in any given semester. Most tracks will have over six (6) opportunities for fulfillment each semester. A student will have the most well-rounded experience by choosing different tracks to participate in each semester; however, criteria for each track does change every semester, so a student can participate in the same track more than once.

**Active Mind and Body**  
is designed to assist students in

understanding wellness concepts and experience activities that will help them develop habits to maintain a healthy mind and body.

**Aspiring Leader**  
is designed to help develop foundational

leadership and social skills for the ensuing years of collegiate life.

**Advance to Career**  
is designed to hone students' skills in

preparation for the "real world" through career-focused programming by utilizing the student involvement experience.

**Elevated Citizen**  
is designed to facilitate active

citizenship for students to understand their role in the local and global community.

**Global Focus**  
is designed to expose students to a

variety of situations and topics that they may experience as a member of a global population allowing students to become more culturally aware

**Leader Identified**  
is designed to cultivate leadership

skills and reflect on experiences to prepare for future opportunities.

**Unite**  
is designed with the goal of

connecting students with student involvement opportunities throughout campus and helping students become more diverse leaders.

**Graduate Scholar**  
is designed to engage graduate students on

campus and to encourage scholarly development as well as provide opportunities for professional development.  
*(For Graduate Students Only)*

# ARE YOU ON TRACK TO... D.C.? SAN DIEGO, CA?

## Undergraduate Student

Students, who choose to complete all seven (7) tracks, become eligible to apply for an all-expenses paid trip following the completion of the last track. For specific application details, please visit [www.atu.edu/ontrack](http://www.atu.edu/ontrack). Trips will be taken in May following graduation.

Destinations will vary from year to year in order to give students different opportunities to practically apply what they have learned while participating in On Track programs. Students, who are selected to travel, will be actively exposed to leadership practices, cultural heritage, community service, professional networking, and other college and university campuses that are part of the destinations they visit.

In May 2020, Arkansas Tech students who have gone above and beyond to participate in the co-curricular experience will be On Track to Washington, D.C. and San Diego, CA.

These cities are rich in opportunities and have a number of activities for students to immerse themselves in during their stay! Some popular attractions include:

### Washington, D.C.
