

# CAMPUS RESOURCES FOR GRADUATE STUDENTS

# JERRY CARES

Just like any family, university families face tough issues together. We share in the responsibility of working together to ensure that we have a safe and supportive learning and working environment, free from sexual misconduct, hazing, alcohol and drug abuse, and any other negative behaviors that are counterproductive to the environment needed for us all to feel valued and respected. The Jerry Cares program offers resources to equip and empower students with the tools, training, and resources to take necessary action.

# THE GREEN & GOLD CUPBOARD

The Green and Gold Cupboard exists to fight hunger right here at home by providing healthy, nutritious food to all members of the Tech community, including students, faculty, and staff.

The GGC is open to anyone with a valid Tech ID, including all current faculty, staff, and students at ATU and the ATU Ozark campus. We welcome requests for food and donations any time during our regular open hours.

# DIVERSITY AND INCLUSION

The Department of Diversity and Inclusion (DDI) focuses on enhancing and supporting the experiences of students within underrepresented populations and marginalized groups. DDI is the primary support to several registered student organizations and presents training, workshops, and cultural celebration events designed to support the success of underserved students and strengthen the cultural competency of the campus community.

# VETERAN SERVICES

Whether you're a veteran, a dependent, or currently serving, the Office of Veteran Services is here for you. Come in for assistance with benefits, questions and concerns, or even just to utilize the Veteran's Lounge. We are here to guide you through your journey of higher education.
