## About Arkansas Tech University:

One of America's 10 fastest-growing universities in our category in 2013, 2014 and 2015, Arkansas Tech has seen its enrollment increase by 184 percent since 1997. We are the fastest-growing university in our state and one of the three largest institutions of higher learning in Arkansas. With more than 12,000 students, Arkansas Tech is large enough to serve a diverse community of learners and passionate about maintaining its institutional heritage of providing for the individual needs of each student. **We are the Tech Family.**

## About the Department of Campus Life:

Campus Life at Arkansas Tech University is seeking high-energy, student-focused individuals interested in making a positive impact in the lives of our students. While academic achievement leading to graduation is the reason for attending Arkansas Tech University, the experiences that students have outside the classroom prove to have a lifelong impact.

## Our Commitment to Graduate Assistants working in Campus Life:
