Session Descriptions

APEX Center

Do you have an action plan for your academic success? Come by our session to embrace a growth mindset and learn about our programs like academic coaching, peer tutoring, group study sessions, that can help you accomplish your academic goals.

Diversity & Inclusion

Stop by our session to celebrate our campus diversity and learn how to get involved with our programming efforts from social justice training to cultural celebrations and RSOs that represent diversity and inclusiveness across campus.

First-Generation Students

Will you be the first in your family to graduate from college? Stop by to meet other first-gen students, learn about campus resources specifically for you and celebrate the start of this amazing journey.

Health and Wellness

Whether you need a doctor to treat an illness or a conversation to help you through a stressful situation, staying healthy is an important part of student success. Come learn about all the services available at the Health and Wellness Center.

Library

Yes, we have books and computers, but do you know about all of the other awesome things the library can do? Come to our session to learn how our resources and services support the needs of our students.

Testing and Disability Services

Do you have questions about how disability accommodations work in college? Or have you thought about taking a CLEP test for college credit? Bring your questions to this session and learn about how the Office of Testing and Disability Services can help.

Veterans Services

Are you a veteran or military-dependent? Stop by this session to connect with our staff, learn more about your benefits, and discover all the fun events happening in the Veterans Lounge this year.
