## Certificate of Proficiency

### Pharmacy Technician

(15 Semester Credit Hours)

The Certificate of Proficiency in Pharmacy Technician is a course of study that will prepare students to assist pharmacists with dispensing information and processing prescriptions. Most states and employers require pharmacy technicians to be certified/registered with an official board of pharmacy. Many job postings for pharmacy technicians prefer individuals who are currently enrolled in a pharmacy technician school or are already certified.

Graduates of this program will be eligible to sit for the Pharmacy Technician Certification Exam.
