

**EXAMINATION
WEEK
Ozark Campus
Spring 2026**

The schedule for examination week for the spring semester is listed below. The purpose of the schedule is to aid faculty and students by providing adequate time for administration and completion of examinations administered in the classroom for full-term courses.

Students who have more than three examinations on any one day may request relief from the instructor(s) involved. In rare circumstances when the matter remains unresolved the student should contact the Program Chair in which the course is offered no later than April 24, 2026 to request a change in the date and/or time of the exam due to the scheduling conflict. The rescheduled exam must be taken no later than the end of the examination period for the spring 2026 semester.

Final examinations for all online courses will be announced by the instructor. Cohort programs to include Cosmetology, PTA, OTA, CVT, PN, RN, and Paramedic will set their own final exam schedule to work within the program schedule. All exams will be held during the final examination period.

NOTE: In compliance with Board of Trustee policy all full and part-time faculty are to give end-of-course examinations in accordance with the schedule outlined below. Exams for laboratory, internship, and other special courses approved by the Vice Chancellor of Academic Affairs may be given during the last week of classes. Deviations from this schedule must be approved by the Vice Chancellor of Academic Affairs, as per the Faculty Handbook.
