

PHYSICAL THERAPIST ASSISTANT PROGRAM

APPLICATION INSTRUCTIONS

ADMISSION CRITERIA

To be considered for admission to the Physical Therapist Assistant (PTA) program, each student must meet the following criteria:

- ☐ Eligibility for admission to Arkansas Tech University-Ozark Campus
- ☐ Completion of platform coursework with a minimum 2.75 grade-point average (GPA); conditional acceptance may be granted to those students who are in the process of completing remaining platform coursework. Failure to maintain a 2.75 GPA upon completion of remaining platform coursework may lead to forfeiture of PTA program admission offer;
- ☐ Be at least 18 years of age;
- ☐ Completion of at least **8** total volunteer hours between two different therapy settings (example—4 hours in an outpatient therapy clinic and 4 hours completed in a pediatric therapy clinic, etc.) with a PT or PTA with rating scale completed and turned in with application packet. **PT or PTA must seal the form in an envelope after completing and sign across the seal.**
- ☐ Completion of PTA Program Application for Admission;
- ☐ Achieve a minimum TEAS Composite Score of 63%
- ☐ Typed Essay on the following topic: An original essay reflecting on the American Physical Therapy Association's vision statement, "**transforming society by optimizing movement to improve the human experience.**" Expand on your understanding of PT as a unique healthcare profession. You can use your clinical observation experience or another personal experience to explain what you feel your role as a PTA will be and what you hope to add to the field of physical therapy. **Essay must be no more than 2 pages, typed, double-spaced, Times New Roman, 12-point font.**

READ THE FOLLOWING INSTRUCTIONS CAREFULLY.

1. **Each applicant must apply for admission to Arkansas Tech University-Ozark Campus (if not currently attending) before applying to the PTA Program.** Application information may be obtained by contacting the Office of Student Services in person or through the following:

Office of Student Services
Arkansas Tech University-Ozark Campus
1700 Helberg Lane
Ozark, AR 72949
(479) 667-2117
www.atu.edu/ozark

2. The following are required for application:
 - PTA Program Application for Admission;
 - Acknowledgement of Essential Functions form;
 - Understanding of Clinical Participation Requirements form;
 - Clinical Observation rating scale (to be filled out by the supervising PT or PTA after clinical observation). This must be done during the application period; October to March.
 - Submit an original essay reflecting on the American Physical Therapy Association's vision statement, **"transforming society by optimizing movement to improve the human experience."** In the essay, expand on your understanding of PT as a unique healthcare profession. You can use your clinical observation experience or another personal experience to explain what you feel your role as a PTA will be and what you hope to add to the field of physical therapy. Essay must be no more than 2 pages, typed, double-spaced, Times New Roman, 12-point font.
3. Each applicant is responsible for verifying that all of the following requested information has been completed and submitted to the Allied Health Administrative Assistant by **March 1st**. All application items requested should be submitted as a complete packet or physically brought to the Allied Health Administrative Assistant in the Health Education Building. Applicants are responsible for items sent separately.

THE INFORMATION CONTAINED IN THIS APPLICATION PACKET IS SUBJECT TO CHANGE AT THE DISCRETION OF THE PTA PROGRAM.

Physical Therapist Assistant Program
Attn: Allied Health Admin
Arkansas Tech University-Ozark Campus
1700 Helberg Lane
Ozark, AR 72949

4. Once the application period is complete, the Allied Health Administrative Assistant will send out closed TEAS test dates as well as registration and payment information via email. **This test will be given at Arkansas Tech University-Ozark Campus after the March 1 application deadline.**

PTA PROGRAM DESCRIPTION

The Physical Therapist Assistant (PTA) program at Arkansas Tech University-Ozark Campus is a course of study leading to the attainment of an Associate of Applied Science degree upon completion of 28 hours of platform coursework and 40 hours of technical coursework. The PTA program curriculum includes platform coursework, which must be completed prior to enrollment in the technical phase. The technical phase will include 3 consecutive semesters of study starting in August and continuing until August of the following year. Students will be required to maintain a 3.0 GPA average and demonstrate satisfactory skill competency during the technical phase in order to meet program requirements for graduation.

The PTA program at Arkansas Tech University-Ozark Campus has been granted accreditation status by the Commission on Accreditation in Physical Therapy Education of the American Physical Therapy Association (1111 N. Fairfax St., Alexandria, VA 22314; telephone: 703-706-3245; email: accreditation@apta.org; website: www.captconline.org).

PLATFORM COURSEWORK

Students will be required to complete 28 hours of platform coursework with a minimum 2.75 GPA prior to admission to the technical phase of the PTA program. Applicants with platform coursework completed at other institutions should have their official transcripts sent to the Office of Student Services for review. The platform coursework includes the following:

2026-2027 Academic Year Platform Courses

PREFIX	NUMBER	TITLE	CREDIT HRS
HSCI	1123	*Human Anatomical Structure I	3
HSCI	1113	*Medical Terminology	3
BST	1303	Introduction to Computers	3
PSY	2003	General Psychology	3
ENGL	1013	*Composition I	3
MATH or MATH	1113 1003	*College Algebra OR *Quantitative Literacy	3
BIOL or PHSC & PHSC	1014 1013 1021	*Introduction to Biological Science with lab *Introduction to Physical Science and *Physical Science Laboratory	4
HSCI	1243	*Human Anatomical Structure II	3
ENGL	1023	*Composition II	3
		TOTAL PLATFORM HOURS	28
		Classes with an * must be passed with a “C” or better	

Important Academic Year Information: Students completing the Physical Therapist Assistant platform coursework during the 2026–2027 academic year will complete the courses listed above.

Beginning with the 2027–2028 academic year, Introduction to Computers and General Psychology will no longer be required. U.S. History will replace Introduction to Computers, and American Government will replace General Psychology.

2027-2028 Academic Year Platform Courses

PREFIX	NUMBER	TITLE	CREDIT HRS
HSCI	1123	*Human Anatomical Structure I	3
HSCI	1113	*Medical Terminology	3

HIST or HIST or HIST	1903 2003 2013	Survey of American History OR United States History to 1877 OR United States History since 1877	3

		Classes with an * must be passed with a “C” or better	

Substitution and/or waiving of platform coursework will be at the discretion of the PTA program director in accordance with the policies and procedures of Arkansas Tech University-Ozark Campus.

TECHNICAL COURSEWORK

Students must apply to the technical phase of the program following completion of the prerequisite coursework. Admission to the technical phase is competitive due to limited enrollment. Satisfactory completion of the technical coursework will enable a student to graduate with an Associate of Applied Science degree and apply for state licensure as a PTA. The technical phase of the program includes a combination of classroom/laboratory study and 14 total weeks of required clinical education. During the classroom/laboratory portion of the program, students will have the opportunity to learn physical therapy procedures and practice specific procedures on fellow PTA students. Students will be expected to participate in all class and laboratory activities as both a demonstration subject and a simulated patient for their classmates. The clinical education portion of the program consists of working with patients in a clinical facility as a student for 40 hours per week while under the supervision of a clinical instructor. Clinical education sites are located in various cities and towns throughout the area, and some may even require lodging due to their distance from Arkansas Tech University-Ozark Campus. Students will be responsible for all travel associated with clinical education. In addition, each student will be responsible for all meals and lodging associated with clinical education, unless provisions are made by the clinical education site to which they are assigned.

Projected technical coursework will include the following:

PREFIX	NUMBER	TITLE	CREDIT HRS
PTA	1122	Clinical Kinesiology	2
PTA	1121	Clinical Kinesiology Lab	1
PTA	1132	Pathological Conditions	2
PTA	1243	Principles of Physical Therapy	3

PTA	2221	Neurological Lifespan Concepts Lab	1
PTA	2234	Clinical Experience II (5 weeks)	4
PTA	2235	Clinical Experience III (6 weeks)	5
		TOTAL TECHNICAL PROGRAM HOURS	40

ADMISSIONS CRITERIA

In order to be considered for admission to the PTA program, each student must meet the following criteria:

- Eligibility for admission to Arkansas Tech University-Ozark Campus;
- Completion of platform coursework with a minimum 2.75 GPA; conditional acceptance may be granted to those students who are in the process of completing remaining platform coursework. Failure to maintain a 2.75 GPA upon completion of remaining platform coursework may lead to forfeiture of PTA program admission offer;
- Prerequisite courses must be completed by the end of Spring semester before the program begins;
- Completion of at least **8** total hours of observation between **two** physical therapy settings;
- Completion of PTA program Application for Admission;
- Completion of appropriate TEAS testing with minimum TEAS Composite Score of 63%;
- Be at least 18 years of age.

CLASS SIZE

The PTA program admits 18 students per cohort. This cohort size is established by the program and supports the faculty, facilities, and resources necessary to meet the educational requirements and standards established by the Commission on Accreditation in Physical Therapy Education (CAPTE).

CLINICAL OBSERVATION

Applicants must complete at least **8** hours total of clinical observation in two physical therapy settings (inpatient, outpatient, pediatric, etc.) with one PT or PTA and submit the Clinical Observation Verification form and grading rubric. The purpose of the clinical observation requirement is to provide prospective students with a better understanding of the physical therapy profession and the role of the PTA. Applicants are encouraged to abide by the following guidelines when completing the clinical observation requirement:

1. Call clinical sites in order to arrange an appointment for observation. Explain to the supervising PT or PTA regarding your intention to apply to a PTA program. Also explain to the therapist that you would like to observe either a PT or PTA at their facility.
2. Dress appropriately for your observation appointment. Appropriate dress includes closed-toed shoes, slacks (khakis are acceptable) and a collared shirt or nice blouse. Avoid jeans, T-shirts, sandals, excessive perfume and hats. In addition, visible tattoos may need to be concealed and body piercings (other than a single-stud type earring) may need to be removed. The clinical facility has the right to send you away if your appearance is considered inappropriate.
3. Be punctual for your observation appointment. If you can't make the appointment, please be sure to call the clinical facility to cancel and reschedule as necessary.
4. Maintain confidentiality. Students must remember never to mention a patient's name, medical diagnosis or treatment when outside of the facility.
5. Be courteous and pay attention to the treatment procedures you are observing. Also remember to thank the supervising PT or PTA for allowing you to observe in their facility.

The student is responsible for ensuring that the completed Clinical Observation form and rubric is included with the other application materials.

ADMISSIONS ESSAY

Submit an original essay reflecting on the American Physical Therapy Association's vision statement:

"Transforming society by optimizing movement to improve the human experience."

In your essay, discuss your understanding of physical therapy as a unique health care profession and how physical therapy contributes to improving an individual's ability to participate in meaningful activities and daily life. You may use your clinical observation experience, employment, volunteer experience, or another personal experience to support your discussion.

Your essay should address the following:

- Your understanding of physical therapy and its unique role within health care
- Your understanding of the role of the physical therapist assistant (PTA) within the physical therapy team
- An experience that has influenced your interest in physical therapy
- How you hope to contribute to the profession as a future PTA
- Essay must be no more than 2 pages, typed, double-spaced, Times New Roman, 12-point font, and be original work by the applicant

Criterion	1 – Poor	2 – Fair	3 – Good
Understanding of Physical Therapy – 25%	Demonstrates little understanding of PT or provides inaccurate/inappropriate descriptions of the profession.	Demonstrates a basic understanding of PT and its role in improving movement and function.	Demonstrates a clear understanding of PT's role in optimizing movement, function, participation, and quality of life and identifies characteristics that distinguish PT within health care.
Understanding of the PTA Role & Experience – 25%	Provides little or no relevant experience or demonstrates limited understanding of the PTA role.	Provides at least one relevant experience and demonstrates a basic understanding of the PTA's role.	Effectively connects one or more relevant experiences to a clear understanding of the PTA's role within the PT/PTA team and patient care.
Quality of Writing – 25%	Frequent errors in grammar, spelling, sentence structure, or word usage interfere with communication.	Generally clear writing with some errors that do not significantly interfere with communication.	Clear, professional writing with appropriate grammar, spelling, sentence structure, and word usage.
Organization & Coherence – 25%	Ideas are difficult to follow, poorly organized, or lack clear connections to the topic.	Ideas are generally organized and understandable, but connections between experiences and understanding of PT may be limited.	Ideas are well organized, cohesive, and clearly connected. Experiences are effectively used to demonstrate the applicant's understanding of PT and the PTA role.

Originality Criterion: The essay must represent the applicant's original work. Essays determined to have been previously submitted, substantially copied from another source, or written by someone other than the applicant may be excluded from consideration in the admissions process.

TEAS EXAM

The TEAS is scheduled by the Allied Health Administrative Assistant after the application deadline. An email with available test dates will be sent to the email address provided on the application. Prior to taking the TEAS, applicants will be required to register and pay a testing fee at atitesting.com. The TEAS is a computerized test and therefore test scores will be immediately available. Test results will then be forwarded to the Physical Therapy Assistant program office and the Office of Student Services. Acceptance of TEAS results from online testing and/or at locations other than Arkansas Tech University- Ozark Campus are allowed, providing the results meet additional requirements. For more information regarding TEAS test policies and procedures, please visit the following link: <https://www.atu.edu/ozark/teas/index.php>

SELECTION CRITERIA

Due to the limited spots available for each class of PTA students, the PTA Program must use a method of ranking each candidate according to the candidate's qualifications. The following will be used in the selection process:

TEAS score:	70% of overall selection score
Essay:	15% of overall selection score
Clinical Observation Rating form	15% of overall selection score

The three components are combined to determine the applicant's overall selection score, with the percentages above totaling 100%.

Example of PTA Admissions Scoring

Using the defined ranking system, the highest scores will be selected with the necessary number of alternates identified in the same manner. An example of the scoring follows:

Scenario 1: Student scores 72 on TEAS; 7 on Essay; and 30 on Observation.

Ranking Areas	Maximum Score	Student Score	Percentage of Ranking	Calculation	Maximum Possible Points	Points
<i>TEAS Exam</i>	100	72	70% or .70	$(72/100) * 70$	70	50.4
<i>Essay</i>	12	7	15% or .15	$(7/12) * 15$	15	8.75
<i>Observation</i>	30	30	15% or .15	$(30/30) * 15$	15	15.0
TOTAL			100%		100	74.15

Scenario 2: Student scores 53 on TEAS; 11 on Essay; and 25 on Observation.

Ranking Areas	Maximum Score	Student Score	Percentage of Ranking	Calculation	Maximum Possible Points	Points
<i>TEAS Exam</i>	100	53	70% or .70	$(53/100) * 70$	70	37.1
<i>Essay</i>	12	11	15% or .15	$(11/12) * 15$	15	13.75
<i>Observation</i>	30	25	15% or .15	$(25/30) * 15$	15	12.5
TOTAL			100%		100	63.35

In the case of a tie in the application score for applicants, the following criteria will be utilized as tie-breakers (the criteria are arranged in order of importance):

1. Cumulative GPA for all college coursework completed prior to the application deadline;
2. Number of platform hours completed prior to application deadline;
3. Date of submission of completed PTA program application materials.

SELECTION PROCESS

Offers of admission for available spaces will be made to the qualified applicants with the highest overall ratings. All applicants will be notified by the PTA program of their admission status. Applicants accepted into the program must notify the PTA program office as soon as possible of their decision to accept or decline the offer.

of admission. Applicants who decline admission or are not accepted for admission may reapply for admission the following year. In the event an opening for a student becomes available, then applicants from the alternate list will be admitted according to individual ranking.

FINANCIAL AID

Students requesting information regarding financial aid are encouraged to contact the Financial Aid Office as follows:

Financial Aid Office
1700 Helberg Lane
Ozark, AR 72949
479-667-2117

NONDISCRIMINATION STATEMENT

Arkansas Tech University-Ozark Campus does not discriminate on the basis of color, sex, sexual orientation, gender identity, race, age, religion, national origin, or disability, in any of its practices, policies, or procedures. This includes, but is not limited to, admission, employment, financial aid, or educational service. Arkansas Tech University-Ozark Campus complies with all applicable state and federal laws including, but not limited to, Title VI and Title VII of the Civil Rights Act of 1964 as amended, the Age Discrimination in Employment Act of 1967 as amended, Title IX of the Educational Amendment of 1972, Section 504 of the Rehabilitation Act Amendments of 1974, the Civil Rights Restoration Act of 1987, the Americans with Disabilities Act of 1990, and the Civil Rights Act of 1991. A copy of the Affirmative Action Plan, including specific responsibilities and provisions for implementation and compliance will be made available upon request. Responsibility for implementation and compliance with this Affirmative Action policy has been delegated to the Affirmative Action officer, e-mail affirmative.action@atu.edu

PROJECTED PROGRAM COSTS

Estimated costs for enrollment in the technical phase of the PTA program are as follows:

- Approximately \$7,765 for tuition and fees;
- Approximately \$1,200 for textbooks and supplies;
- \$15 for a campus parking permit;
- Approximately \$50 for TB testing;
- Approximately \$90 for Hepatitis B vaccinations.

The above-projected costs are subject to change.

CRIMINAL BACKGROUND INVESTIGATION

Students admitted to the PTA program will be expected to obtain criminal background checks following entry into the program. Criminal background checks may be a requirement for attendance at some of the clinical education sites affiliated with the PTA program. Based upon the results of these checks, an affiliated clinical education site may determine not to allow a particular student's presence at a facility. In addition, a criminal background may preclude licensure or employment following graduation. Students are responsible for the associated costs and delivery of background results to the clinical facility requesting the information.

DRUG AND ALCOHOL TESTING

Drug and alcohol testing may be a requirement for attendance at some of the clinical education sites affiliated with the PTA program. Based upon the results of these checks, an affiliated clinical education site may determine not to allow a particular student's presence at a facility. The student is responsible for the costs associated with any drug and alcohol testing required for attendance at a particular clinical education site. In addition, the student is also responsible for submission of testing results to the clinical education facility requesting the information.

STUDENT HEALTH AND PHYSICAL EXAMINATION

Students admitted to the PTA program will be expected to provide health information and participate in a physical examination to be performed by a physician, physician's assistant or nurse practitioner. The purpose of the physical examination is to determine the student's ability to safely perform the physical demands expected of a PTA. The purpose of the Health Information form is to enable the student an opportunity to provide pertinent information to the PTA program which may affect the student's ability to safely participate in laboratory and clinical education activities.

HEALTH REQUIREMENT/ VACCINATION

Clinical sites may have requirements in addition to those required by the university. This may include the Flu or COVID vaccination. Failure to comply with this additional requirement may result in the inability to complete the clinical coursework for the program.

ESSENTIAL FUNCTIONS FOR THE PHYSICAL THERAPIST ASSISTANT

Successful participation in the PTA program includes the ability to perform essential functions, which are necessary for delivery of physical therapy services in a safe, ethical, legal manner. The essential functions are expected to be demonstrated, with or without reasonable accommodation, by students participating in the PTA program. Upon reviewing the Essential Functions for the PTA student included in this packet, the candidate will complete the Acknowledgment of Essential Functions for the Physical Therapist Assistant Student form and indicate whether or not that student can perform the essential functions. Prior to admission to the program, the student is responsible for providing written documentation of any disabilities, along with evidence for the need for accommodation. Requests for accommodations will be forwarded to the Disability Coordinator for Arkansas Tech University. The university will then decide if reasonable accommodations can be made for that particular student.

Essential Function	Capabilities Expected
Motor Skills	The student should possess sufficient motor capabilities in order to provide safe and effective physical therapy procedures. Capabilities required include, but are not limited to: • Ability to assist and protect patients who are walking, exercising or performing other activities; • Ability to adjust, move, position and lift patients and equipment; • Ability to perform pushing, pulling, bending, twisting, reaching, standing, kneeling, sitting, walking and crawling; • Ability to provide cardiopulmonary resuscitation (CPR); • Ability to manipulate equipment including adjustment of dials, gauges, small nuts/bolts and various equipment settings; • Sufficient endurance to move about a clinical setting steadily throughout an 8-hour workday.
Sensory Skills	The student should possess sufficient sensory abilities in order to competently assess and monitor patients. Capabilities required include, but are not limited to: • Sufficient visual ability to recognize and interpret facial expressions and body language, identify normal and abnormal patterns of movement, to read or set parameters on equipment, to discriminate color changes, recognize a patient's physiological status and assess the patient's environment; • Sufficient auditory ability to recognize and respond to verbal communication, auditory timers, equipment alarms and effectively use devices for measurement of blood pressure; • Sufficient tactile ability to palpate pulses; detect and assess changes or abnormalities in skin texture, skin temperature, muscle tone, and joint movement.

Communication	The student should possess sufficient ability to communicate effectively and competently in the English language with others using appropriate verbal and written methods. Capabilities required include, but are not limited to: • Ability to read at a level of competency that allows one to safely perform the essential functions of an assignment; • Ability to write in a legible manner; • Ability to present information about physical therapy procedures and services to patients, family members and other health care professionals. • Ability to recognize, interpret and respond to nonverbal behavior of self and others; • Ability to interpret and communicate information regarding the status, safety and rehabilitation of patients.
Behavior	The student should possess sufficient ability to exercise good judgment, develop therapeutic relationships with patients and others, work in stressful situations, and tolerate close physical contact with patients and co-workers. Capabilities required include, but are not limited to: • Ability to work with multiple patients and colleagues at the same time; • Ability to work with others under stressful conditions; • Ability to work with individuals of varying socioeconomic, ethnic and cultural backgrounds; • Ability to act in the best interests of patients.
Critical Thinking	The student should possess sufficient ability to comprehend and process information in a timely manner. Capabilities required include, but are not limited to: • Ability to collect and interpret data related to patients and physical therapy services; • Ability to prioritize multiple tasks, process information and make decisions; • Ability to apply knowledge from education to the provision of physical therapy services; • Ability to observe, measure and interpret normal and abnormal patient responses to physical therapy interventions, and appropriately modify treatment interventions; • Ability to act safely and ethically in the physical therapy lab and clinic.
