

VITICULTURE

Arkansas Tech University - Ozark Campus is seeking accreditation approval for a Technical Certificate in Viticulture. Students will not be enrolled in the Viticulture program until candidacy for accreditation status has been achieved through the Arkansas Department of Higher Education.

The Technical Certificate in Viticulture allows the learner to demonstrate the application of specific agricultural knowledge, techniques, and theories to improve vineyard health. Students completing this technical certificate will be prepared for entry to mid-level positions in the grape growing industry. The Altus vineyards and wineries, due to their proximity to the Ozark Campus, provide employment and internship opportunities. Students will also have access to entrepreneurial support along with professional growth opportunities for those currently employed.

Viticulture

Curriculum in Viticulture Technical Certificate (Pending Approval)

Course Number	Course Name	Semester Hours
1st Semester		
BUS 1303	Intro to Computers	3
BUS 1003	Business English	3
or ENGL 0303	Foundational Composition	
or ENGL 1013	Composition I	
BUS 1023	Business Mathematics	3
or MATH 0903	Intermediate Algebra or Higher Math	
BIOL 2134	Principles of Botany	4
VIN 1113	Intro to Viticulture and Vineyard Establishment	3
Total		16
2nd Semester
