

PEER TUTORING

SUBJECTS COVERED

**DEVELOPMENTAL
READING/WRITING**

COMP I

COMP II

TECHNICAL MATH

**BEGINNING, INTERMEDIATE, AND
COLLEGE ALGEBRA**

In addition, to the subjects explicitly tutored our staff is able to assist with most general education subjects and provide instruction in basic computer fundamentals and campus resources.

FALL 2020 CONSIDERATIONS

The health and safety of our students and staff in the Student Success Center is paramount during these unprecedented times. The SSC will only be able to accommodate 7 persons, including staff, during this time.

In compliance with ATU - Ozark Campus policy students must wear a mask at all times while in the student success center.

We are working diligently to provide virtual tutoring and support options throughout the semester. The SSC has the tools and technology for students to be able to connect with our staff from TAS 140 if needed.

COMING SOON

Online appointment scheduling.
