

STUDENT SUCCESS CENTER

ARKANSAS TECH UNIVERSITY - OZARK CAMPUS

What is the Student Success Center?

The Student Success Center provides academic and student support to Arkansas Tech University Ozark students through peer tutoring, individual student success & career advising meetings, mentorship programs, accommodations, and workshops.

We are here to help you succeed at Tech!

Student Success & Disability Services Coordinator

Hello! I'm Mrs. Marana Fulmer-Gale, the Student Success and Disabilities Coordinator. I have a Bachelor's degree in Biology and a Master's degree in Student Affairs Administration. I have two beautiful cats: Nugget and Toulouse and I enjoy reading, videogames, and good conversations. I am excited to meet and work with all of you. Stop by my office and say "Hi!"

Accommodations & Testing Services

Student accommodations are managed by the Disability Services Coordinator at the ATU Ozark Campus. We are committed to an inclusive educational environment and actively promote the removal of barriers to help our students thrive. We work with each student to formulate a plan unique to their circumstances by taking into account their learning history and personal experiences.

Students must self-disclose their disability status and formally seek accommodations through the Disability Services Coordinator.
