AGENDA

I. Call meeting to order

II. Approval of Minutes

III. Consider changes in Technical Certificate and Associate of Applied Science degree curriculum requirements as follows:

Automotive Service Technology

Beginning with Fall 2007 semester, in the curriculum requirements for both the Technical Certificate and Associate of Applied Science degree in Automotive Service Technology:

X   Change the course number for Introduction to Automotive Drive Trains from AST 1202 to AST 1113 and increase the semester credit hours from 2 to 3

X   Change the course number for Advanced Automotive Drive Trains from AST 1212 to AST 1223 and increase the semester credit hours from 2 to 3

X   Delete ELT 1222 Basic Electronics for Trades and Industry (this course content will be incorporated into other courses)

Computer Information Systems

Beginning with Fall 2007 semester, in the curriculum requirements for the Technical Certificate in Computer Information Systems:

X   Delete CIS 1133 Microcomputer Applications

X   Create and require CIS 1143 Introduction to Digital Logic and cross list this course with ELT 1113 Introduction to Digital Logic

X   Change course number for Networking I from CIS 1123 to CIS 1153 and cross list this course with ELT 1153

X   Change course number for Networking II from CIS 1223 to CIS 1253 and cross list this course with ELT 1253

X   Cross list CIS 1103 Programming I with ELT 1103 Programming I (both changing

X   course number to 1113)

        Change the course title for CIS 2153 from Microsoft Programming to C++ Programming

Beginning with Fall 2007 semester, in the curriculum requirements for the Associate of Applied Science degree in Computer Information Systems:

X   Delete BUS 1063 Legal Environment for Business Technology

X   Add CIS 1143 Introduction to Digital Logic

X   Change course number for Networking I from CIS 1123 to CIS 1153 and cross list this course with ELT 1153

X   Change course number for Networking II from CIS 1223 to CIS 1253 and cross list this course with ELT 1253

Collision Repair Technology

Beginning with Fall 2007 semester, in the curriculum requirements for both the Technical Certificate and the Associate of Applied Science degree in Collision Repair Technology:

X   Delete CRT 1105 Basic Metal Repair

X   Create and require CRT 1113 Metal Repair I

X   Create and require CRT 1213 Metal Repair II

X   Delete CRT 1202 Industrial Safety in Collision Repair Technology (this course content will be incorporated into all other courses)

X   Delete CRT 1205 Body and Frame Alignment

X   Create and require CRT 1123 Body and Frame Alignment I

X   Create and require CRT 1223 Body and Frame Alignment II

X   Change the course number for Air Brushing from CRT 1312 to CRT 1313 and increase the semester credit hours from 2 to 3

X   Delete CRT 1405 Painting

X   Create and require CRT 1133 Painting I

X   Create and require CRT 1233 Painting I

X   Delete CRT 1505 Color Matching

X   Create and require CRT 1143 Color Matching I

X   Create and require CRT 1243 Color Matching II

X   Change the course number for Internship from CRT 2904 to CRT 2903 and decrease the semester credit hours from 4 to 3

X   Delete ELT 1222 Basic Electronics for Trades and Industry (this course content will be incorporated into other courses)

Industrial Control Systems

Beginning with Fall 2007 semester, in the curriculum requirements for both the Technical Certificate and the Associate of Applied Science degree for Industrial Control Systems:

X   Change the course number and title from ELT 1102 Basic Programming to ELT 1113 Programming I and cross list this course with CIS 1113 Programming I

X   Change the course number for Basics of Industrial Automation from ELT 2107 to ELT 2116 and reduce the semester credit hours from 7 to 6

X   Change the course number for Computer System Components from ELT 2204 to 2203 and reduce the semester credit hours from 4 to 3

X   Change the course number for Semiconductors II from ELT 2212 to ELT 2213 and increase the semester credit hours from 2 to 3

X   Delete ELT 2214 Computer Interfacing and Networking

X   Create and require ELT 1153 Networking I and cross list this course with CIS 1123 Networking I

X   Create and require ELT 1253 Networking II and cross list this course with CIS 1223 Networking II

X   Delete ELT 2215 Computer Troubleshooting

X   Create and require ELT 1303 PC Maintenance and cross list this course with CIS 1303 PC Maintenance
