

**Arkansas Tech University - Ozark**  
**Curriculum Committee Meeting**  
November 21, 2005

AGENDA

- I. Approval of Minutes
- II. Consider recommended changes to By-Laws to have a 5-member Committee due to the small total number of faculty.
- III. Consider recommended changes for the following departments:

Applied Laboratory Technology (changes to be effective Spring 2005)

- 1. Change course number for Introduction to Applied Microbiology from ALT 1303 to ALT 1104
- 2. Change course number for Internship from ALT 1103 to ALT 1903
- 3. Change course number for Food Grades and Standards from ALT 2701 to ALT 1212
- 4. Delete COM 2102 Technical Writing and Speaking from required course work

Paramedic/Emergency Medical Services (changes to be effective Summer I 2005)

- 1. Change course number for Anatomy and Physiology from EMTP 1104 to EMTP 1222
- 2. Change course number for Paramedic Field Internship II from EMTP 1502 to EMTP 1504

- III. Acceptance of Previously Completed hours toward an AAS degree
