INSIDE TRACK

2011 Move-In Day Edition

MAKING THE MOST OF THE 'BIG DAY'

Please make plans to attend the PARENT WELCOME SESSION at 1:30 on Saturday, August 20th, 2011, in **Witherspoon Auditorium** (located between Paine Hall and Pendergraft Library and Technology Center). Arkansas Tech University President Dr. Robert C. Brown, along with Vice President of Student Services Susie Nicholson, would like to welcome you to the University. This will be for the parents only – students should not attend.

Afterwards, if parents would like any of their questions answered regarding health services, safety and security issues, or other topics, representatives from these areas will be on hand. The entire session will only take about an hour and will be well worth your time!

WHAT TO DO FOR LUNCH?

Chambers Dining Hall will be open from 11:30 a.m. until 1:30 p.m. for you and your student. You can come and go at **ANY TIME**. This is **free** to you and your student, so take this opportunity to have lunch with your student's roommate's family without the hassle and cost of leaving campus.

Baswell Techionary, the newest building on our campus will also open during this time. This new food court features Which Wich, Chick-fil-A, Build Your Own Burger, Yan Can Cook, and smoothie and coffee bars, all at regular prices. In addition, several local eating establishments are close by.

A Mentalist! Movies! Pep Rally! All this and more awaits all new students who turn out for Tech Connect from Saturday, August 20th through Tuesday, August 23rd. We have planned an exciting first week to help the class of 2015 feel comfortable making TECH their home away from home. The Tech Connect schedule is full of opportunities to make new friends and explore what it means to be a student at Arkansas Tech University. Kickoff time for Tech Connect is at 4 p.m. on Saturday, August 20th, in the residence halls. Check out the full schedule at:
