ANNOUNCEMENT OF PRELIMINARY WINNERS & RUNNERS-UP

ANNOUNCEMENT & CORONATION OF MISS TECH 2026

Miss Arkansas 2025 Kennedy Holland

Kennedy Holland was crowned Miss Arkansas 2025 at the Robinson Center in Little Rock on Saturday, June 14, 2025.

Kennedy, 20 at the time of her crowning, is a student at the University of Central Arkansas and the daughter of Katie and Sean Holland of Greenwood.

Holland represented the Natural State at the Miss America competition in fall 2025. Throughout her year of service, she is promoting her community service initiative, Compassion Legacy, which focuses on advocating for and funding adaptive recreational spaces.

Through this effort, Holland is committed to creating inclusive environments where individuals of all abilities can enjoy safe, accessible and enriching recreational opportunities.

In addition to earning the state title, Kennedy was awarded more than \$36,000 in scholarships to support her educational and professional pursuits.

She was also recognized with numerous additional honors, including the Overall Service Above Self Award, the Journalism and Mass Communication Profession Scholarship sponsored by KARK Channel 4 and many preliminary awards in recognition of her performance throughout the competition.

Miss Tech 2025 Sophie Puckett

Sophie Puckett of Jonesboro was crowned the 69th Miss Tech during the 2025 Miss Arkansas Tech University scholarship pageant at Witherspoon Auditorium.

Daughter of Bob and Laura Puckett, Puckett was an 18-year-old sophomore at ATU at the time of her crowning. She is pursuing a Bachelor of Science degree in biology pre-medicine with a minor in psychology.

Puckett won the Nona Dirksmeyer Memorial Talent Award, Kristen Hayes Dance Award, Naomi Shure Gillett On-Stage Conversation Award and the Red Carpet Award during the Miss Tech pageant.

"It's a great feeling, and I'm so proud to represent Arkansas Tech," said Puckett. "When I

visited ATU for the first time at Time Out for Tech, I immediately felt like it was home. It felt like a community. I knew I would have friends and family to support me. I felt hope here. That's why I came to Arkansas Tech."

Puckett's community service initiative is "H.O.P.E. - Helping Other People Every day". Her goal is to "encourage Arkansans and ATU students that by taking advantage of daily opportunities to volunteer, we can bring hope to our campus and our city."

At the 2025 Miss Arkansas pageant, Puckett was awarded the preliminary Alpha Health and Fitness Scholarship and the Ebony Mitchell Alpha Grace, Impact and Resilience Scholarship.

Miss Tech Judges

Carly Copeland Ashlock is serving as a judge for Miss Arkansas Tech 2026 on the 10th anniversary of winning the title in 2016. Carly competed at Miss Arkansas three times as Miss Johnson County 2015, Miss Arkansas Tech 2016 and Miss Arkansas Valley 2017. She graduated from Arkansas Tech University with a Bachelor of Science degree in elementary education in 2019 and a Master of Arts degree in multimedia journalism in 2021. With help from the Miss Arkansas organization, Carly graduated debt free with her bachelor's and master's degree. She is a retail consultancy manager at Mars United Commerce. She lives in Fayetteville with her husband, Aaron, and the love of their life, their mini golden doodle, Rosie.

Laura Daven is a graduate of Ouachita Baptist University. She has judged Miss Arkansas preliminaries for the past 44 years. Laura has worked as a youth advisor and mentor for young people, helping them further their academic and career development. An avid sports fan and a patron of the arts, Laura and her husband Tim reside in Little Rock. They are the proud parents of three adult children and they have four grandchildren.

Leslie Miller Harris is a graduate of Arkansas Tech University and former Miss Tech who competed in the Miss Arkansas pageant three times. While at Tech, she served as the Student Government Association president, was a member of Delta Zeta and received the Margaret Young Award for outstanding female senior. Leslie later earned a master's degree from the Clinton School of Public Service and taught at the high school level for several years. Today, she is a homeschooling mother of three with a passion for child-led, play-based learning. She is also an avid runner, having completed 15 half-marathons in three countries. Leslie lives in coastal North Carolina, where her husband, Zach, also a Tech alumnus, is a gastroenterologist.

Brandy O'Neal Rinke has been involved in the Miss America system for more than 20 years and with pageants in general for more than 30 years. She has two bachelor's degrees from Arkansas Tech University and two master's degrees from the University of Central Arkansas. She is a former Miss Franklin County, Miss Petit Jean Valley and Miss Arkansas Tech University. She is a three-time interview award winner and two-time Miss Arkansas contestant. She is the assistant principal at Trinity Catholic School in Fort Smith and resides in Alma with her husband and children.

Mikey Tongko is an international figure skating gold medalist, coach and choreographer based in Las Cruces, N.M. He serves as a news anchor for KRWG News22 in southern New Mexico. His roots in performance extend into the pageant world, having choreographed for talent-winning dancers for Miss Arkansas Tech and Miss Petit Jean Valley in the mid-2000s. Those experiences refined his ability to recognize standout stage presence, technique and emotional connection. He is honored to support contestants as they share their stories and shine.

Dr. Jim Collins Co-Master of Ceremonies

Dr. Jim Collins is retired from a 34-year career as professor of horticulture in the Department of Agriculture at Arkansas Tech University. On Aug. 3, 2021, Arkansas Tech dedicated the Dr. James "Jim" Collins Agriculture Classroom in his honor.

He was selected as the 2010 Miss Arkansas executive director of the year and the Miss Tech Pageant was named 2013 pageant of the year by the Miss Arkansas organization.

Jim lives a simple life with his dogs, Harvey and Tallulah. He is a personal friend of Jerry the Bulldog.

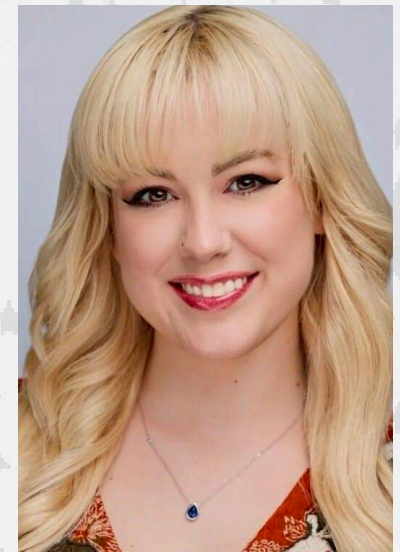

Haven Brock LaCour Co-Master of Ceremonies

Haven Brock LaCour, Miss Arkansas Tech University 2015, graduated from ATU with a Bachelor of Science degree in early childhood education and a Master of Education degree in special education. She is a special education teacher, which allows her to advocate for autism awareness.

Haven gives of her time and talent in special needs ministry at her church and through mentoring young women in the Miss Arkansas organization. She serves on the board of directors for the Miss Greater Little Rock/Metro/Saline scholarship pageant.

She resides in Bentonville with her husband, Chance.
