

Jamie Scaggs

Jamie is a Hospitality Administration intern at the Botanical Garden of the Ozarks.

"I picked the Botanical Garden of the Ozarks because they were offering an internship doing exactly what I wanted to be doing. I wanted to help in the process of and gain experience in planning, organizing, and working events, and so far that's exactly what I'm getting to do."

Jamie has really enjoyed building relationships with the staff and volunteers at the garden. "I also love the fact that they trust me enough to give me my own large tasks for the signature fundraiser the garden hosts every year!"
