Vehicle Registration

Registration shall be accomplished at the time of regular registration for fall and spring semesters at the Department of Public Safety or online. Colors and spaces and times specified. Only one hangtag may be registered per person. Vehicles with non-color-coded license plates will be denied access to the campus map.

Visitors and non-color-coded license plate vehicles granted access to the campus map, must be accompanied by a person with an authorized hangtag. All visitors must be authorized by the Arkansas Tech University for the duration of the visit. Visitors are always welcome on campus and may park in any non-disabled parking space.

Parking Regulations

Arkansas Tech University does not assume responsibility for damages to any vehicle, including said vehicle on or off campus and times specified. Only one hangtag may be registered per person. Parking is available for all members of the university community. All parking regulations and traffic laws and State Highway Commission regulations must be followed. The responsibilities for payment of fines incurred for traffic violations will rest with the owner and/or operator of the vehicle. Persons violating these regulations stated in the Parking Regulations. All appeals must be made in writing, and the appeal form is on the campus map. Appeals should be done online. Go to One Tech, Follow the “Parking/Fine/Access” link and the appeal form is on the campus map.

Violations
