Profile Settings

The first time you login click on My Profile and review all of the settings on your account. If any setting needs to be updated please send an email to your Account Manager and ask to have the setting corrected/updated prior to placing your first order.

If your phone number or email are incorrect you can **edit** that information. Please review the **Ship To** information as that is an area specifically assigned for this program.

Internet ordering quick guide

Placing your order online

- 1) Begin by creating your cart
- 2) **Search** for the product(s) you wish to order, you can:
 - a. Search for product using key words or manufacturer part numbers by entering the information in the search space provided at the top of the page in the gray toolbar and then clicking

- b. If you know the item number(s) for the product(s) you wish to add to your cart select

Order By Item

in the upper toolbar to enter the item number/numbers and quantities of the product you wish to order all in one page

- 3) Select  to add your desired product to your shopping cart

- 4) Select  to verify/view items in your cart.

- 5) You can verify items in your cart then select  OR 

- 6) If you choose to  complete any required information

- You will then see your shipping detail
- Your ship to has been defaulted (if you have the option to order for other locations you will see the **Change button and you can change the information**).
- You will see an order confirmation number once your order is completed. You will also get an email confirmation.
- Once you have placed an order you may track the progress of filling and shipping using the **Order**
