16. ALTERATION OF ORIGINAL RFQ (BID) DOCUMENT: the original written or electronic language of the RFQ shall not be changed or altered except by approved written addendum issued by the ATU Purchasing Department. Bid must be typed or printed in ink. Late bids will not be considered.

19. SIGNATURE: Failure to sign bid will disqualify it. Person signing bid should show title or authority to bind his/her firm in a contract. "Signature" means a manual, electronic or digital method executed or adopted by a party with the intent to be bound by or to authenticate a record that is:

- (a) unique to the person using it;

- (c) under the sole control of the person using it
- (d) linked to data in a manner that, if the data are changed, the electronic signature is invalidated

21. AMENDMENTS: Bid cannot be altered or amended after bid opening except as permitted by regulation.

22. NO BID: It is no longer necessary to return a "No Bid" response to the University. Bidder may be removed from the List of Bidders for failure to submit a response to three (3) consecutive bid invitations on any one bid class and/or sub-class.

This RFQ does not in any way commit the University to contract for the commodities/services listed herein.

24. AWARD: Any contract resulting from this RFQ shall be awarded with reasonable promptness by written notice to the lowest responsible, responsive bidder. A written Purchase Order mailed or otherwise furnished to the successful bidder within the time of acceptance specified in the RFQ results in a binding contract without further action by either party. The effective date of the purchase order shall be the date it is mailed or otherwise furnished by the University to the address of the bidder indicated in his bid. Vendor is to immediately initiate action to comply with the requirements of the PO that, by reference, will incorporate all the requirements contained in the original Request for Quotation.

The University reserves the right to award "individually", by "groups", "all or none" or by any other method as deemed in the best interest of the University.

In the event all bids exceed available funds, as certified by the appropriate fiscal officer, the Agency Procurement Official is authorized, in situations where time or economic considerations preclude re-solicitation of work of a reduced scope, to negotiate an adjustment of the bid price, including changes in the bid requirements, with the lowest responsive responsible bidder in order to bring the bid within the amount of available funds.

25. ASSIGNMENT: Any contract entered into pursuant to this RFQ is not assignable nor the duties thereunder delegable by either party without the written consent of both parties of the original contract.

26. DELIVERY REQUIREMENTS: No substitutions or cancellations are permitted without prior written approval by the ATU Purchasing Department. Delivery shall be made during ATU work hours only, 8:00 a.m. to 400 p.m. Monday through Friday, unless prior approval for other delivery has been obtained from the University. Packing memorandum shall be enclosed with each shipment.

27. BACKORDERS OR DELAY IN DELIVERY: Backorders or failure to deliver within the time required may be considered default of the contract. Contractor must give written notice to the Purchasing Department of the reason and the expected delivery date. If reason is not acceptable, contractor is in default. The Purchasing Department has the right to extend delivery if reasons appear valid. If date is not acceptable, the University may buy elsewhere and any additional cost will be borne by the Contractor. *Consistent failure to meet delivery without a valid reason may result in removal from the Bidder's List or suspension of eligibility for award.*

28. LIQUIDATED DAMAGES: Liquidated damages imposed by ATU against the contractor for failure to meet delivery schedule shall be one percent (1%) of the invoice amount for each working day beyond the specified delivery time. The contractor shall be relieved of delays due to causes beyond his control, such as Acts of God, national emergency, strikes or fire. The contractor must notify ATU in writing on a timely basis of such developments stating reason, justification and extent of delay. When time does not allow for reprinting or reordering, acceptance of an inferior commodity may result in a liquidated damage of up to 20% of the invoice price or \$500.00, whichever is smaller.

29. DEFAULT: All commodities furnished will be subject to inspection and acceptance of the University after delivery. Backorders, default in promised delivery or failure to meet specifications authorizes the Purchasing Department to cancel this contract or any portion of same and reasonably purchase commodities elsewhere and charge full increase, if any, in cost and handling to defaulting contractor.

30. INVOICING: The contractor shall be paid upon completion of all of the following:

- (1) delivery and acceptance of the commodities or services;
- (2) submission of a properly itemized invoice that reflects the contract/purchase order number, item(s), quantity and pricing;
- (3) return of all mechanicals, negatives, disks, etc. to the ordering department
- (4) the proper and legal processing of the invoice by the University.

Invoices must be sent to the ATU Accounts Payable Office as shown on the purchase order. *Itemized sales tax shall be shown on the invoice.*

31. CANCELLATION: Either party may cancel any contract or item award for cause by giving a five (5) day notice of intent to cancel. If a contract is cancelled due to a request for increases in pricing or failure to perform, that contractor will be removed from the bidders/vendors list for a period up to twenty-four (24) months.

- (a) Cause for the University to cancel will include, but is not limited to, cost exceeding current market prices for comparable purchases, request for increase in prices during the period of the contract or failure to perform to contract conditions. The contractor will be required to honor all purchase orders that were prepared and dated prior to the date of expiration or cancellation. Cancellation by the University does not relieve the contractor of any liability arising out of a default or nonperformance.
- (b) Cause for the vendor to cancel a contract will include, but is not limited to, the items(s) being discontinued and unavailable from the manufacturer or non-payment of invoices by the University

32. OTHER REMEDIES: In addition to the remedies outlined herein, the contractor and the University have the right to pursue any other remedy permitted by law or in equity.

All disputes regarding any resultant contract shall be submitted to the Arkansas Claims Commission for adjudication in accordance with A.C.A. § 19-10-201 et seq.

33. LACK OF FUNDS: The University may cancel this contract to the extent funds are no longer legally available for expenditures under this contract. The contractor may file a claim with the Arkansas Claims Commission for the actual expense of goods and/or services.

34. DISCRIMINATION: In order to comply with the provisions of Act 954 of 1977, relating to unfair employment practices, the bidder agrees as follows:

- (a) Bidder will not discriminate against any employee or applicant for employment because of race, sex, color, age, religion, handicap or national origin;
- (b) In all solicitations or advertisements for employees, the bidder will state that all qualified applicants will receive consideration without regard to race, color, sex, age, religion, handicap or national origin;
- (c) Bidder will furnish such relevant information and reports as requested by the Human Resources Commission for the purpose of determining compliance with the statute;
- (d) Failure of the bidder to comply with the statute, rules and regulations promulgated hereunder and this non-discrimination clause shall be deemed a breach of contract and it may be cancelled, terminated or suspended in whole or in part;

- (e) Bidder will include the provisions of Items (a) through (d) in every subcontract so that such provisions will be binding upon such subcontractor or vendor.

35. EQUAL EMPLOYMENT OPPORTUNITY POLICY: Act 2157 of 2005 of the Arkansas Regular Legislative Session requires that ANY business or person responding to a Request for Quotation (Bid) submit their most current Equal Employment Opportunity Policy (EEO Policy) to the University.

36. ETHICAL STANDARDS: It shall be a breach of ethical standards for a person to be retained, or to retain a person, to solicit or secure a University contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, except for retention of bona fide employees or bona fide established commercial selling agencies maintained by the contractor for the purpose of securing business.

37. ANTITRUST ASSIGNMENT: As part of the consideration for entering into any contract pursuant to this RFQ, the bidder named on the front of this RFQ, acting herein by the authorized individual, its duly authorized agent, hereby assigns, sells and transfers to the University all rights, title and interest in and to all causes of action it may have under the antitrust laws of the United States or this State for price fixing, which causes of action have accrued prior to the date of this assignment and which relate solely to the particular goods or services purchased or produced by this State pursuant to this contract.

38. CONTRACT & GRANT DISCLOSURE AND CERTIFICATION: Any contract or amendment to any contract executed by the University that exceeds \$25,000 shall require the contractor to disclose information as required under the terms of Executive Order 98-04 and the regulations pursuant thereto. Failure of any person or entity to disclose or any violation of any rule, regulation or policy promulgated by the Arkansas Department of Finance & Administration pursuant to this order shall be considered a material breach of the terms of this contract. The material breach of the terms shall subject the party failing to disclose, or in violation, to all legal remedies available to the University under the provisions of existing law.

39. SOVEREIGN IMMUNITY: Nothing in any agreement resulting from the RFQ shall be construed to waive the sovereign immunity of the State of Arkansas or any entity thereof, including Arkansas Tech University.
