GENERAL GUIDELINES

Only Procurement Services has the authority to issue purchase orders. Requisitions are "requests" for commodities or services, and do NOT constitute a legal order. Orders placed by an individual without a purchase order are the financial responsibility of that individual.

If a mandatory State of Arkansas Contract exists for a commodity, the University **MUST** order through that contract (see list on Procurement website for exceptions).

All printing – regardless of the dollar amount – must be bid. Printing is defined as "commercial printer's ink, using a commercial printing press, produced on paper". This does NOT include xerographic or digital copies.

Purchases must not be "split" to avoid a bid situation. If requisitions from two or more departments are received for the same commodity, bids will be issued if the total exceeds the Small Order limit.

CONTRACTS AND AGREEMENTS

Only the following individuals have contractual authority for the University. *Any contract or agreement MUST be signed by one of them and MUST be reviewed by University Counsel.* No one else can legally bind the University and guarantee payment.

Russellville Campus:

President
Chief of Staff
VP for Administration & Finance
Assoc. VP Admin and Finance
Procurement Director

Ozark Campus:

a. Request for Proposal

 An RFP is a form of solicitation used when award is based on a variety of factors including but not limited to cost. Contact Procurement for direction on how to complete an RFP and other options for formal solicitation.

b. Minority Owned Business

- AR Act 1080 allows for double the bid limit to be spent with a minority-owned business and defines minority-owned business as those being 51% or more owned by a lawful permanent resident of the state who is:
 - African American
 - Hispanic American
 - o American Indian
 - Native American
 - o Disabled Veteran

c. Existing Contracts

• ATU may be able to use existing contracts from the State of Arkansas, intergovernmental contract, and purchasing consortiums.

Things to Remember

- Contact Procurement for assistance if you are working on a complex purchase, including purchases with a contract or solicitation.
- ATU designates the ability to sign contracts to certain officers. Find the Signature Authority Delegation list here.
- Dollar thresholds are based on a single procurement or overall contact spend. Artificially dividing procurements to avoid the bid process is a violation of AR State Law.
- See atu.edu/purchasing for complete ATU Procurement policy and State of Arkansas Procurement Law. If you have a unique situation not covered in this quick reference guide, contact Procurement for assistance at 479-968-0269 or purchasing@atu.edu.

Tips for Efficient Procurement Processing

Procurement and Travel Services Young Building East End 203 West O Street Russellville, AR 72801

What are the two ways that goods or services may be purchased for ATU?

purchasing@atu.edu 479-964-0583 ext 3554

The Pcard or purchase order are the only two ways that goods or services may be purchased for the University.

Who may purchase items for the University?

The Agency Purchasing Official, APO, is the sole purchasing authority for the University. The APO's signature is applied to each vendor's copy of a PO and the Pcard program operates under the APO's supervision.

How is a purchase order produced? A requisition is entered at the departmental level **before** the purchase is made. Once the requisition has been approved via electronic approvals it lands in Procurement and is processed into a PO.

Is the department responsible for placing orders using a PO?

No, Procurement sends the vendor a copy of the PO to place the order.

As an employee, why do I need to request a requisition be entered for a purchase?

Many faculty members do not hold PCards. A requisition is required to be entered and a PO in place before any order is placed that is not on a PCard.

I ordered something without a PO in place or Pcard. What do I do? Ordering something without a PO or PCard creates an After the Fact (ATF) purchase. You will be required to complete an After the Fact form as well as a requisition. Remember, If the process is followed, and the PO is in place beforehand then Procurement does the ordering for you.

Does using the AFT form allow me to avoid entering a requisition? No. A requisition is still required.

What is the significance of the ATF form?

The completion of the ATF form and after the fact scenarios alert Finance and your supervisors to the fact that the procurement process has not been followed and funds have been committed without proper approvals in place. Repeated submission of these forms may be indicative of a more serious situation and may require the attention of University administration. Any individual making a purchase without a PO in place or PCard in hand is assuming a personal obligation to the vendor for whom he/she may be held personally liable.

Will all approved ATF forms sent to Procurement result in a PO being issued?

No, an After the Fact may be denied after review by Procurement Services and/or other Finance offices. In this case other funds will need to be used for the purchase.
