Important

ATU committee members will evaluate submittals and create a short list of firms. These firms will be interviewed and/or invited for presentations.

Fees will be negotiated with the successful firm. If Arkansas Tech is unable to negotiate a satisfactory fee for the services to be provided, negotiations will be formally terminated. Arkansas Tech will then undertake negotiations with the next most qualified firm.

Responses **must** be received from firms licensed in Arkansas. Out-of-state firms should joint venture, align, or associate with an in-state firm or apply for licensing as coordinated with the Arkansas State Board of Architects (www.arkansas.gov/arch, 501-682-3171).

The University reserves the right to reject any or all proposals for any reason it may determine to be in the best interest of Arkansas Tech and to waive any irregularities therein.

The University will not be held responsible for any costs incurred by the consultant for work performed in the preparation of the Request for Qualifications and for any work performed prior to the issuance of a contract. Any resulting contract will be governed by the laws of the State of Arkansas.

MINORITY BUSINESS POLICY: It is the policy of the State of Arkansas and this university that Minority Business Enterprises shall have the maximum opportunity to participate in the State Procurement process. Therefore, the University encourages all minority businesses to compete for, win, and receive contracts for goods, services, and construction. Also, the State encourages all companies to subcontract portions of any state contract to Minority Business Enterprises. If contractors are unable to include minority owned businesses as subcontractors, they may explain the circumstances preventing minority exclusion.
