**Our Mission**

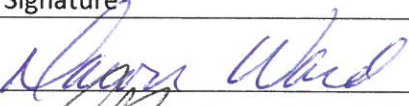

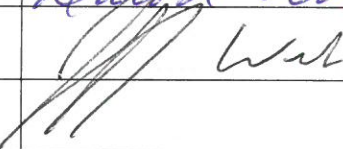

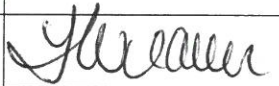

Arkansas Tech University, a state-supported institution of higher education, is dedicated to nurturing scholastic development, integrity, and professionalism. The University offers a wide range of traditional and innovative programs which provide a solid educational foundation for life-long learning to a diverse community of learners.

Provide an answer for each question. Your answers are to be typed single spaced.

- a. If this course is mandated by an accrediting or certifying agency, include the directive. If not, state not applicable. N/A
- b. Explain the rationale for the course deletion. There are too many UL Art History Elective options for students and through assessment it has come to light that this is preventing students from repeating an UL art history course in a timely matter to improve their grade or to obtain a passing grade. The rotation of courses taught also exceeds the 2 year schedule for repetition required by Arkansas Tech and the 3 year rotation required by the NASAD accrediting institution.
