Transfer Credit
from University of Arkansas Rich Mountain
Course Information from the UA Rich Mountain Catalog & Student Handbook 2018 - 2019

Arkansas Tech University (TECH) course numbers beginning with a zero (e.g. ENGL 0303, Foundational Composition) are developmental courses. Placement in these courses is in accordance with the state-mandated student assessment and placement standards. A grade of "C" or better is required to successfully complete developmental courses. Developmental courses do not provide credit toward any degree.

In order to meet the College of Business baccalaureate degree requirements, all transfer students must take in residence a minimum of fifty percent of the College of Business courses required for the degree. Please refer to the current catalog for more information.

Nursing courses will be evaluated by the Admissions and Progression Committee for each student on an individual basis.

Lower division courses may transfer to satisfy upper division classes at TECH but will not satisfy requirement for upper division hours.
