Course Dates (complete only if different from regular full-term dates) / / to / /

The student must be in good academic standing to be eligible to enroll in Special Problems, Independent Study, or Research courses. The student must bring this completed form, with all signatures required below, to the Registrar's Office for processing; registration in this course may only be completed during regular periods of registration.

The Course Prefix and Number, Instructor's name and T-number, and instructional method must be provided by department offering the course. To use this form, the course must already exist in the catalog as an Independent Study, Special Problem, Directed Research, Thesis Research, or Undergraduate Research course.

Table with 7 columns: Prefix, Number, Instructional Method, Instructor, Instructor T-number, Section, CRN

†FACE, WEB, MT49, MT99, INDV

*Section number and CRN will be assigned by the Registrar's Office.

FACE (100% classroom instruction), WEB (100% online instruction), MT49 (mixed technology with 1-49% online instruction), MT99 (mixed technology with 50-99% online instruction), INDV (non-web classes that do not meet on ATU campus with individualized instruction)

Enter the course title as it should appear on the student's transcript (25 character maximum, including spaces and punctuation):

Grid for entering course title
