B. FUNDING REQUESTS AND UTILIZATION GUIDELINES

Faculty may request funding for as many virtual and/or in-person conferences as desired, so long as the total amount requested for the year does not exceed \$1,500.

Faculty may apply before receiving notification of acceptance for conference presentations, but funds awarded will not be released until a notification of acceptance is submitted.

Faculty must utilize the funds in accordance with their approved application. Any funds not used as specified must be returned to the Professional Development Grant.

The proposal is clearly articulated in this regard, specifically, and goes beyond what is expected.	Proposal contains a clear statement related to professional growth and meets the basic criteria.	Proposal contains a statement that only loosely mentions professional growth; however, the statement is unclear, vague, and/or lacks focus.	Benefit not stated, not obvious.

The opportunity provides individual benefit but has vague or weak connections to ATU's scholarship, reputation, or mission. Broader impact is minimal or not clearly described.
