GUIDELINES FOR PROFESSIONAL DEVELOPMENT GRANTS

The Professional Development Fund was established in 2005 at Arkansas Tech University to enhance individual and departmental efforts for professional growth and development through Professional Development Grants (PDG).

Guidelines for 2022-23 Academic Year

Eligibility:

All faculty including tenured and tenure-track as well as instructors may apply. We are not accepting applications from visiting faculty at this time.

Grants will be awarded for three primary purposes:

1. presentations at a professional conference
2. attendance at a professional conference
3. faculty research endeavors (must have been approved by the IRB first, if applicable)

Faculty may request funding for as many virtual and/or in-person conferences as desired, so long as the total amount requested for the year does not exceed **\$1,500**.

There will be application sessions beginning in November 2022. Sessions will continue until all funds have been allocated. Applications will be reviewed on a first-come, first-serve basis. Please check the announcements and website for each session's deadline. Faculty may apply before receiving notification of acceptance for conference presentations, but funds awarded will not be released until a notification of acceptance is submitted.

The required elements of the proposal (see A – C below) should be 12-point type. All pages must be numbered. Submit the signed PDF to pdg-frg@atu.edu.
