Dear Shelia,

Your request for Faculty Development funding to attend the ArkAHPERD Convention was not approved. There were quite a large number of requests this time with a limited amount of money. I wish we had enough money to fund all of the request this year but that is not the case. I accepted the Professional Development Committee recommendations of which ones should be approved or not approved. Attached is a copy of your request. You may want to consider turning the request for funding into the University Faculty Development Committee which, as of date, Dr. Sid Womack chairs.

Sincerely,

A handwritten signature in cursive script that reads "Glenn Sheets".
