Lifhacks

Upcycle a Picture Frame!

The glass portion of a picture frame can be used like a dry erase board. Use a dry-erase marker to write on the glass and use a tissue or cloth to wipe away. It's both fashionable and functional!

Create a Cleaning Schedule!

Just like a class schedule, a cleaning schedule can help you stay organized. Sit down and list every day of the week and then assign a task to each day. For example, you could designate Thursdays as laundry days or Saturdays as dusting days. You can find weekly schedule templates online or even make your own.

Most importantly, have fun!
