MOVE -IN DAY:

STEP 1:

- Check in with the hall staff located in the hall lobby
- Pick-up room keys

STEP 2:

- Move in your stuff

STEP 3:

- Review your Roommate Agreement at roompack.com

We will have move-in crew available to help you move in on **Saturday from 7:00 AM- 2:00 PM**

In order to get assistance by the move-in crew, you must arrive during your assigned time. If you need special assistance with moving in, please contact Residence Life at 479-968-0376 or by email at housing@atu.edu by 5:00 PM on Monday, August 12th, 2019.

WHO IS MY ROOMMATE:

You can find your assigned roommate by logging into the housing portal.

I requested a specific roommate:

If both of you confirmed each other as roommates, formed a roommate group, and chose the same room in the housing portal, you should be assigned together as roommates.

I did not request a specific roommate:

If you did not request a specific roommate, the student listed may have used your profile questions to determine a good match and could very well become one of your best friends.

SHOULD I CONTACT MY ROOMMATE:

Yes. You are encouraged to contact your roommate over the summer months if you do not already know them. Use this opportunity to find out what you have in common, discuss study habits, and extra-curricular interests. In order to maximize room space and prevent duplication, plan to coordinate with your roommate regarding who will bring which items at move-in.
