Student Government Association****Label:** SGA Bill 018**Date introduced:** 10/7/2020**Author(s):** President Tidmore**Committee:** N/A**Draft:** Final**Bill to Amend the constitution by adding a legislative process for senators**

Whereas, There is currently no process for senators to go through in order to make legislation and present legislation to the student senate.

Whereas, SGA encourages all senators to make legislation, so that we can give more influence into the hands of our senators.

Whereas, SGA wants to make sure that the legislation process for senators is done in a organized fashion.

Whereas, SGA wants to make sure that legislation is fitting to the constitution.

Whereas, an effective way to make sure that legislation is fitting to the constitution is to have it sent through our Secretary of Internal Affairs.

Whereas, to help the Secretary of Internal Affairs and the Senators, there should be a checklist for each piece of legislation to go through.

Therefore, be it enacted by the Senate of the Student Government Association of Arkansas Tech University:

Will add part K to article 2 section D paragraph 1

Be it further enacted, part K will state, "Shall be responsible for making sure that each piece of legislation has been properly written and has met the standards of the legislation checklist. The legislation checklist shall be prepared by the Secretary of Internal Affairs within each academic year."
