**Whereas**, it is hard for senate to understand each piece of legislation as it is presented in the senate group.

**Whereas**, we want all of our student senate to know each piece of legislation that has passed through significantly.

**Whereas**, the best way to do this, is to have a time where the senate is able to read through the legislation and to have it presented one week prior to voting.

**Therefore, be it enacted by the Senate of the Student Government Association of Arkansas Tech University:**

We will amend the SGA constitution by adding paragraph 4 to Article 3 Section C

**Be it further enacted**, paragraph 4 shall state, "All legislation must first be presented to the student senate in meeting and be distributed to the senate to be readthrough. Voting shall take place on each piece of legislation the meeting after it has been presented. So that the senate will have time to collect their opinions."
