

**Arkansas Tech University
Student Government Association**

*Resolution 036
April 24th, 2019*

REQUEST THAT THE STUDENT GOVERNMENT CREATE A COMMITTEE TO INVESTIGATE THE IDEA OF CREATING AN HONOR CODE SYSTEM.

WHEREAS: The Student Government approved the new academic integrity policy, and

WHEREAS: Arkansas Tech University exists for the purpose of educating students and granting degrees to all students who complete graduation requirements, and

WHEREAS: Arkansas Tech University requires the highest standards of academic integrity and conduct from all students, and

WHEREAS: Having an honor code system instead of an academic integrity policy holds the students to a higher standard and makes the commitment personal, and

WHEREAS: Arkansas Tech University will be the first public university in the state of Arkansas to have an honor code system, and

WHEREAS: Implementing an honor code system on campus will require a student led initiative, and

THEREFORE, BE IT RESOLVED, The Student Government will create a committee to investigate the idea of creating an honor code system for Arkansas Tech University.
