Date introduced: 2/23/2022

Author(s): Secretary Hiland

Committee: NA

Draft: Final

Reworking the payment of Wonder Week Design

Whereas, due to a miscommunication from the previous Secretary of Student Development, the agreed upon amount to be paid to Bryce Prince for the designing of a Wonder Week logo was not the correct total,

Whereas, according to the original agreement, the amount to be paid is \$305.00,

Whereas, an additional \$105.00 is to be added to the payment in order to satisfy the original agreement struck between Secretary Holmes and Bryce Prince,

Therefore, be it enacted by the Senate of the Student Government Association of Arkansas Tech University:

The Student Government Association raise the amount of payment from \$200.00 to \$305.00 in order to satisfy the original amount agreed upon with Bryce Prince for commissioning a design.
