Bill for purchasing Items to promote student activity for Arkansas Tech Events

Whereas, SGA is highly involved in student life, especially student recreation.

Whereas, previously SGA has had a heavy hand in promoting and carrying out student led events.

Whereas, SGA is a leading factor in bringing more students to sporting events and other student led activities.

Whereas, SGA is still involved in said activities, SGA could do more to fund and facilitate the aforementioned events and activities..

Therefore, be it enacted by the Senate of the Student Government Association of Arkansas Tech University:

The Spirit Committee proposes a bill that would allow SGA to purchase, via an allotment of \$225.33 for items such as banners, miniature footballs, ATU merchandise, etc. This would not only benefit SGA in providing equipment that would be used to help bring and retain students at the upcoming homecoming game.
