

Admissions, Academic Standards, and Student Honors Committee

January 27, 2017

Minutes from Email Meeting

The Admissions, Academic Standards, and Student Honors Committee conducted an electronic meeting on January, 2017. Members include:

Dr. Fatima Ferguson (ED)  
Dr. Glen Bishop (EAS)  
Dr. Joshua Fisher (AH)  
Dr. Zhi Tao (BA)  
Dr. Shauna Escobar (NHS)  
Jennifer Saxton (eTech)  
Ms. Tammy Weaver, Registrar  
Ms. Shauna Donnell, Admissions

All members responded to the email with vote and comments.

I. APPROVAL OF MINUTES

A. No minutes to approve

II. NEW BUSINESS

- A. IMSSO requested consideration for addition of the Pearson test of English Academic (PTE) for international students to determine English proficiency. Motion approved by electronic vote.
- B. Admissions presented a new concordance table for SAT and new score recommendations for ACCUPLACER. The scores will be used for admission purposes and placement into mathematics and English courses. Motion approved by electronic vote.

**Subject:** Proposals to Consider  
**Attachments:** email meeting 2017.pdf

Admissions, Academic Standards, and Student Honors Committee:

Attached are two proposals submitted to the committee for review and approval. Since it is very hard to find a common time to meet, Dr. Fisher agreed that we consider reviewing these proposals and approve via email.

Yasushi Onodera, IMSSO, has requested consideration for addition of the Pearson test of English Academic (PTE) for international students to determine English proficiency. In addition, we have a new concordance table for SAT and new score recommendations for ACCUPLACER. These scores are used for admission purposes and placement into mathematics and English courses.

After review, please email me your approval. If you have any questions, please contact me. Thanks.

# MEMORANDUM

**TO:** Dr. Mohamed Abdelrahman, Vice President for Academic Affairs  
Dr. David Underwood, Associate Vice President for Academic Affairs  
Mrs. Tammy Weaver, Registrar

**FROM:** Yasushi Onodera, Director of International and Multicultural Student Services

**DATE:** January 25, 2017

**RE:** Addition of Pearson Test of English Academic

In an effort to better serve prospective international students through the application process at the university, the International and Multicultural Student Services Office would like to propose adding the *Pearson Test of English Academic* (PTE) as an acceptable form of English proficiency for admission to the university's undergraduate and graduate programs. In addition to the PTE, the university will continue accepting the *International English Language Testing System* (IELTS) and the *Test of English as a Foreign Language* (TOEFL), and *EIKEN Test in Practical English Proficiency* as forms of English proficiency exams.

As one of the world's leading computer based test of English for international students, the PTE is currently accepted in the State of Arkansas by the University of Arkansas, the University of Arkansas-Fort Smith, and Arkansas State University, as well as out of state institutions such as Texas A&M, the University of Michigan, the University of Chicago, the University of Southern California.

The grading scale for the PTE has been researched and set to parallel the three other exams at the university.

	IELTS	TOEFL (iBT)	EIKEN	PTE
Undergraduate	5.5	61	2A	42
Graduate	6.5	79	Pre-1	58

Estimates of concordance between PTE Academic and TOEFL iBT / IELTS (pp. 49-50)

[http://pearsonpte.com/wp-content/uploads/2014/07/PTEA\\_Score\\_Guide.pdf](http://pearsonpte.com/wp-content/uploads/2014/07/PTEA_Score_Guide.pdf)

IELTS/TOEFL/PTE score comparison to Arkansas institutions

	ATU	U of A	UAFS	ASU
IELTS UG	5.5	6.5	5.5	5.5
IELTS Graduate	6.5	6.5	--	6.0
TOEFL UG	61	79	61	61
TOEFL Graduate	79	79	--	79
PTE UG	42	58	45	43
PTE Graduate	58	58	--	56

Please advise if I can provide any additional information or if any additional steps are required for approval.

I look forward to your feedback.

Sincerely,

Yasushi Onodera

Director, International and Multicultural Student Services

MR/mr

**Subject:** Next Generation ACCUPLACER Update

**Importance:** High

Good news! We have Next Generation ACCUPLACER scores in place. It will take approximately two weeks for our Testing Center to have the Next Generation ACCUPLACER ready for proctoring. As soon as they are ready, they will share proctoring dates with this group.

In addition, we currently understand that all off-site proctoring will have to be under a university umbrella and that high schools will not be qualified separately to proctor the exam. It will be summer or fall before our Testing Center will be prepared to offer any off-site proctoring opportunities. They are also investigating the option of offering any cost breaks to those off-site groups. For now, the cost of the exam is \$30.00 per examination.

Included below are system codes for data entry, admit ranges, and guidelines for registration placement. For data entry, you should not have to worry about confusing the scores on SOATEST, because the ranges are different from the old exam. The matrix has been updated and can be used to guide unconditional and conditional admission decisions. The most difficult part about the Next Generation ACCUPLACER, will be communicating to the students that set math exams are associated with enrollment in specific math courses. The banded summary provided by our Mathematics Department will help us articulate to students the differences in remediation and course placement.

If you have questions, please let me know.  
 --Shauna

Test Code	Description	Minimum Score	Maximum Score	Admissions Checklist Request Item
AC6	NextGen Accuplacer Writing	180	315	
AC7	NextGen Accuplacer Arithmetic	180	315	
AC8	NextGen Accuplacer QuanAlgebra	180	315	
AC9	NextGen Accuplacer Reading	180	315	
AC10*	NextGen Accuplacer Composite	180	315	TS177

\*AC10 will be calculated using either math score, if both are reported, use the highest. The math exam does not change the admission cut-off requirements.

Examination	Content Area	Remediation Minimum	Composite for Unconditional Admission	Automatic Conditional Admission
ACT	English	19	19	15-18
	Math	19		
New SAT (1600)	Reading	19	990	830-980
	Ev-Based Read/Writ Math	510		

Old SAT (2400)	Writing	450	1330	1060-1370
	Math	460		
Next Generation ACCUPLACER	Reading	470	246	229-245
	Writing	247		
	Arithmetic (MATH 1003 placement)	251		
	Quantitative Reasoning/Algebra (MATH 1113 placement)	263		
	Reading	246		

Below are the approved placement guidelines for registration.

Here are the recommended bands for MATH 0803 and MATH 1003, only used for the Arithmetic test:

- 1) Below 236, placed into MATH 0803
- 2) 236-250, placed into corequisite course MATH 1003/0803
- 3) Above 250, placed into MATH 1003.

Here are the recommended bands for MATH 0903 and MATH 1113, only used for the Quantitative Reasoning, Algebra, and Statistics test:

- 4) 262 and below – placed into Math 0903
- 5) 237 – 262 – placed into Math Coreq (1113/0903)
- 6) 263 and above – placed into Math 1113

The Arithmetic exam does not allow placement in MATH 0903 or MATH 1113. The Quantitative Reasoning, Algebra, and Statistics test does not allow placement into MATH 0803 and MATH 1003.

**Subject:** Next Generation ACCUPLACER Update  
**Importance:** High

Good news! We have Next Generation ACCUPLACER scores in place. It will take approximately two weeks for our Testing Center to have the Next Generation ACCUPLACER ready for proctoring. As soon as they are ready, they will share proctoring dates with this group.

In addition, we currently understand that all off-site proctoring will have to be under a university umbrella and that high schools will not be qualified separately to proctor the exam. It will be summer or fall before our Testing Center will be prepared to offer any off-site proctoring opportunities. They are also investigating the option of offering any cost breaks to those off-site groups. For now, the cost of the exam is \$30.00 per examination.

Included below are system codes for data entry, admit ranges, and guidelines for registration placement. For data entry, you should not have to worry about confusing the scores on SOATEST, because the ranges are different from the old exam. The matrix has been updated and can be used to guide unconditional and conditional admission decisions. The most difficult part about the Next Generation ACCUPLACER, will be communicating to the students that set math exams are associated with enrollment in specific math courses. The banded summary provided by our Mathematics Department will help us articulate to students the differences in remediation and course placement.

If you have questions, please let me know.

--Shauna

Test Code	Description	Minimum Score	Maximum Score	Admissions Checklist Request Item
AC6	NextGen Accuplacer Writing	180	315	

AC7	NextGen Accuplacer Arithmetic	180	315	
AC8	NextGen Accuplacer QuanAlgebra	180	315	
AC9	NextGen Accuplacer Reading	180	315	
AC10*	NextGen Accuplacer Composite	180	315	TST7

\*AC10 will be calculated using either math score, if both are reported, use the highest. The math exam does not change the admission cut-off requirements.

Examination	Content Area	Remediation Minimum	Composite for Unconditional Admission	Automatic Conditional Admission
ACT	English	19	19	15-18
	Math	19		
	Reading	19		
New SAT (1600)	Ev-Based Read/Writ	510	990	830-980
	Math	500		
Old SAT (2400)	Writing	450	1330	1060-1320
	Math	460		
	Reading	470		
Next Generation ACCUPLACER	Writing	247	246	229-245
	Arithmetic (MATH 1003 placement)	251		
	Quantitative Reasoning/Algebra (MATH 1113 placement)	263		
	Reading	246		

Below are the approved placement guidelines for registration.

Here are the recommended bands for MATH 0803 and MATH 1003, only used for the Arithmetic test:

- 1) Below 236, placed into MATH 0803
- 2) 236-250, placed into corequisite course MATH 1003/0803
- 3) Above 250, placed into MATH 1003.

Here are the recommended bands for MATH 0903 and MATH 1113, only used for the Quantitative Reasoning, Algebra, and Statistics test:

- 4) 262 and below – placed into Math 0903
- 5) 237 – 262 – placed into Math Coreq (1113/0903)
- 6) 263 and above – placed into Math 1113

The Arithmetic exam does not allow placement in MATH 0903 or MATH 1113. The Quantitative Reasoning, Algebra, and Statistics test does not allow placement into MATH 0803 and MATH 1003.

**Subject:** RE: Admissions, Academic Standards, and Student Honors Committee

I will pull the materials together and email to all. If anyone has lots of questions, we can decide later if we need a face-to-face meeting. I feel the requests are pretty simple to understand.

Thanks.

Tammy

Tammy,

Why don't why try the e-mail meeting. It's so hard to find a suitable time when everybody can meet these days. Thanks.

Peace.

Dr. Joshua Fisher  
Assistant Professor of Art  
Arkansas Tech University

**Subject:** Admissions, Academic Standards, and Student Honors Committee

Dr. Fisher:

It looks like we have some business for the Admissions, Academic Standards, and Student Honors Committee to consider. Yasushi Onodera, IMSSO, has requested consideration for addition of the Pearson test of English Academic (PTE) for international students to determine English proficiency. In addition, we have a new concordance table for SAT and new score recommendations for ACCUPLACER.

Would you want me to compile the information for distribution and hold an email meeting or schedule a face-to-face meeting? Thanks.

**Subject:** Admissions, Academic Standards, and Student Honors committee

Faculty and Administrative Members:

The Admissions, Academic Standards, and Student Honors Committee will hold its organizational meeting on Thursday, August 18, 2016, at 1:00 p.m. in R.C. Brown Hall Room 147.

You are receiving this email because you were either on the committee last year and are completing your term or you were newly elected to this committee this past spring. The two students on this committee have not yet been appointed by the SGA.

I ask that the individual who is voted chair of the committee email me afterwards and let me know.

Thanks,  
Pat

Dr. Dan Bullock resigned his position with Arkansas Tech University and this leaves your committee short one member. Dr. Glen Bishop had also been nominated for this college position last spring by his college, and he has agreed to assume the vacancy.

Therefore, the individuals receiving this email are now the members of this committee for 2016-17, including the students (Karie Freeman and Blair Miller).

Thanks,  
Pat
