If this is a deletion or other minor change, describe and give rationale.

This request is to have POLS 3253: Classical Political Thought cross-listed as PHIL 3253. Political theory is a field shared by the disciplines of philosophy and political science, and the plan is for the class to be taught on an alternate basis by a Political Science faculty member and by a Philosophy faculty member. This action would be consistent with the cross-listing of Modern Political Thought (PHIL/POLS 3063).

- I. Catalog description: An examination of the major contributions to political thought during the Classical Age, the Medieval Era, and the Renaissance. Completion of POLS 2253 recommended.
