Survey of Western Political Thought

Describe the change you want to make: (e.g., delete the prerequisite, modify the course description)

Add a PHIL cross-listing to the course

Answer the following Assessment questions:

- a. If this course is mandated by an accrediting or certifying agency, include the directive. If not, state not applicable.

Not applicable.

- b. Explain the rationale for the cosmetic course change.

What political scientists term political theory is essentially what philosophers call social and political philosophy. The course in question introduces terms (power, justice, liberty, equality, etc.) that lay the foundation for more in-depth study in upper-level political theory and social and political philosophy coursework. In addition, all the other political theory courses which we offer--Classical Political Thought, Modern Political Thought, and American Political Thought--already have a PHIL/POLS cross-listing. Thus, in order to be consistent, we wish to furnish Survey with a PHIL/POLS cross-listing, too.

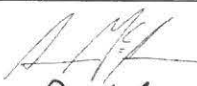

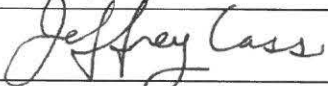

If this course will affect other departments, a Departmental Support Form for each affected department must be attached. The form is located on the Curriculum forms web page at [http://www.atu.edu/registrar/curriculum\\_forms.php](http://www.atu.edu/registrar/curriculum_forms.php).

<b>PROGRAM TITLE:</b> Religious Studies Minor
Outline change in program: (reorganization of courses listed in matrix, adding a footnote to a course, adding or deleting a course from a list, etc.)  Eliminate PHIL 2023 Buddhist Philosophy from the list of required courses, and replace it with HIST 1503 World History to 1500. Currently the minor lists "ANTH 2003 Cultural Anthropology OR HIST 1503 World History to 1500," so the change would make both ANTH 2003 and HIST 1503 required courses for the minor.
Answer the following Assessment questions: a. If this course is mandated by an accrediting or certifying agency, include the directive. If not, state not applicable.  Not applicable.  b. Explain the rationale for the cosmetic course change.  Currently there is no faculty member available who has the requisite expertise to teach Buddhist Philosophy.

If this course will affect other departments, a Departmental Support Form for each affected department must be attached. The form is located on the Curriculum forms web page at [http://www.atu.edu/registrar/curriculum\\_forms.php](http://www.atu.edu/registrar/curriculum_forms.php).

## Religious Studies

The minor in religious studies is designed to provide students with the opportunity to learn about religion in cross-cultural and historical perspectives. The required courses are designed to provide a comparative perspective on world religions and to develop an appreciation of both the origins and contemporary expressions of different religions. This minor is particularly well suited for students in the humanities and social sciences as well as students in other disciplines who want to deepen their understanding of the role of religion in contemporary life.

**Students must have a minimum of 2.00 grade point average in the required 18 hours to be eligible for a religious studies minor:**

- ANTH 2003 Cultural Anthropology OR HIST 1503 World History to 1500
- HIST 4503 History of Christianity
- PHIL 2013 Religions of the World
- ~~PHIL 2023 Buddhist Philosophy~~
- PHIL 3053 Philosophy of Religion
- SOC 4073 Sociology of Religion

## Department of History & Political Science

### **Pre-Law Pre-Professional Program**

Accredited law schools have not, in general, adopted specific requirements for pre-law courses. However, in most cases, courses of value to those planning the study of law include: history, economics, political science, philosophy, psychology, sociology, English composition, and literature, as well as courses in the natural sciences, mathematics, and accounting. A broad cultural background is of prime importance.

Rather than attempt to prescribe the specific contents of courses to be taken by pre-law students, Arkansas Tech University considers the individual intellectual interests of students of prime importance, encouraging development of the ability to read and comprehend accurately, rapidly, and thoroughly; to think logically; to analyze and weigh situations and materials; to speak and write clearly; and to develop a critical approach and mature study habits.

The pre-professional curriculum is not a major in itself. Pre-law students must declare a major for graduation selected from any degree currently offered at Arkansas Tech University. Among general electives in the chosen major, or in excess of the 120 hours required for graduation, **pre-law students are urged to take the courses listed below** to prepare them for the LSAT and law school.

Many pre-law students choose to major in history or political science, and pre-law advisors are located in the Department of History and Political Science. Students should consult these listed pre-law advisors regardless of their chosen major, as these advisors specifically help students design a good pre-law curriculum.

Outline change in program: (e.g., list changes in program such as (1) delete three hours of elective and (2) add three hours of approved major electives)

1. Change FIN 3023 Financial Institutions and Markets from Spring Semester (Junior Year) to Fall Semester (Senior Year).

- b. Explain the rationale for the cosmetic program change.  
FIN 4023 Portfolio Management is a prerequisite for FIN 4033 Financial Modeling, but both are listed in the Fall Semester (Senior Year). We therefore need to move FIN 4033 to the Spring Semester (Senior Year). Then, to balance the teaching load of upper-division Finance courses, we need to move

FIN 3023 from the spring semester to the fall semester by switching semesters with MKT 3043.
