5. Department of Music
 - a. Addition of statement to Music Department catalog page; and
 - b. Addition of statement in course descriptions, Musical Performance section.
6. Department of Social Sciences and Philosophy
 - a. Change the course description of HIST 2513, Sources and Methods in History;
 - b. Change the title of POLS 3083, Political Parties and Elections, to Political Parties and Interest Groups, and change the course description;
 - c. Add POLS 2513, Sources and Methods in Political Science, to the course descriptions;
 - d. Add POLS 3113, Congress and the Presidency, to the course descriptions;
 - e. Add POLS 3123, American Political Behavior, to the course descriptions;
 - f. Add POLS 3063, Political Philosophy, to the course descriptions and cross-list with PHIL 3063, Political Philosophy;
 - g. Change the title of HIST 4043, American Constitutional Law to 1941, to American Constitutional Development, change the course description, and remove the cross-listing with POLS 4043;
 - h. Delete POLS 4063, American Constitutional Law 1941-Present: Civil Liberties and Civil Rights, from the course descriptions;
 - i. Change the title of POLS 4043, American Constitutional Law to 1941, to American Constitutional Law, change the course description, and remove the cross-listing with HIST 4043;
 - j. Revise the curriculum in Pre-Law and indicate that this curriculum is “Suggested”;
 - k. Add a prerequisite for HIST 2003, U.S. History to 1865, requiring minimum ACT scores of 19 in English and Reading or successful completion of ENGL 1013 or equivalent;
 - l. Add a prerequisite for HIST 2013, U.S. History since 1865, requiring minimum ACT scores of 19 in English and Reading or successful completion of ENGL 1013 or equivalent;
 - m. Add a prerequisite for POLS 2003, American Government, requiring minimum ACT scores of 19 in English and Reading or successful completion of ENGL 1013 or equivalent; and
 - n. Add a prerequisite for GEOG 2013, Regional Geography of the World, requiring minimum ACT scores of 19 in English and Reading or successful completion of ENGL 1013 or equivalent.
7. Department of Speech, Theatre, and Journalism
 - a. Add JOUR 1911/1921, 2911/2921, 3911/3921, and 4911/4921, Multimedia Practicum, to the course descriptions;
 - b. Change the course description of TH 3513, Stagecraft Technique; and
 - c. Add TH 4511/4521, Practicum in Set Construction and Lighting, to the course descriptions;
 - d. Add TH 4611/4621, Practicum in Costume and Makeup, to the course descriptions;
 - e. Add TH 4821/4831, Practicum in Directing, to the course descriptions; and
 - f. Add TH 3711/3721 and TH 4711/4721, Practicum in Stage Management, to the course descriptions.

8. Department of Biological Sciences
 - a. Fisheries and Wildlife Curriculum: Change course number and title of FW 4053, Fish and Wildlife Administration, to FW 3053, Fisheries and Wildlife Administration, modify prerequisites, and change the course description; move FW 4003, Principles of Wildlife Management, from the junior year to the senior year; move FW 3053, Fisheries and Wildlife Management, from the senior year to the junior year; change the public speaking requirement from SPH 2003, Public Speaking, to Public Speaking (SPH 2003 or alternate); eliminate unnecessary text (modifiers) from listed courses ~~Applied Physics, Calculus for Business and Economics, Computer Science Elective~~; change the recommended computer science course from COMS 2003, Microcomputer Applications, to COMS 1003, Introduction to Computer Based Systems; eliminate footnote 3; combine footnotes 4, 5, and 6, and renumber footnotes accordingly; and change the course number of BIOL 4224, Herpetology, to BIOL 3224, cross-list as FW 3224, and change the course description;
 - b. Add BIOL 4881-4, Advanced Topics in Biology, to the course descriptions;
 - c. Change Computer Science Elective with its footnote recommendation of COMS 2003, Microcomputer Applications, to Computer Science (COMS 1003 or alternate) in the Biology curriculum;
 - d. Change Computer Science Elective with its footnote recommendation of COMS 2003, Microcomputer Applications, to Computer Science (COMS 1003 or alternate) in the Biology-Environmental curriculum;
 - e. Delete BUAD 2043, Principles of Word Processing, from the Medical Assistant curriculum and add COMS 2003, Microcomputer Applications; and
 - f. Medical Technology Curriculum: Add BIOL 1011, Orientation to the Biological Sciences; add BIOL 2004, Basic Human Anatomy and Physiology; add computer science three-hour elective with footnote recommending COMS 1003 or alternate; delete BIOL 2004, Basic Human Anatomy and Physiology, BIOL 3074, Human Physiology, and BIOL 3134, Invertebrate Zoology, from the list of Biology options; add CHEM 2204, Organic Physiological Chemistry, to the list of Chemistry options; delete electives currently listed to account for required course additions listed above.
9. Department of Nursing
 - a. Add NUR 3892, Clinical Competency I, and NUR 4892, Clinical Competency II, to the course descriptions.
10. Department of Physical Sciences
 - a. Delete MCEG 1002, Engineering Graphics, from the Geology Curricula, Professional and Environmental Options; add two hours to Electives in Professional Option; and add two hours to Electives (Geology, Mathematics, Biology, Chemistry) in Environmental Option; and
 - b. Change footnotes for Physical Science and Environmental Science curricula as follows: General Option: Footnote 2 to read "Excluding MATH 3003, MATH 3033, MATH 4113, PHSC 1013, and PHSC 1021"; Physics Option: Footnote 3 to read "Excluding MATH 3003, MATH 3033, and MATH 4113"; and Environmental Science: Footnote 2 to read "Excluding MATH 3003, MATH 3033, and MATH 4113"; and
 - c. Add GEOL 1004, Essentials of Earth Science, to the list of courses satisfying the Physical Science General Education Science requirements.

11. Department of Electrical Engineering
 - a. Change course number of ELEG 2134, Digital Logic Design, to ELEG 2133, change the course description, add corequisite of ELEG 2131, and update prerequisite to COMS 2104 (renumbered from 2103 for current catalog);
 - b. Add ELEG 2131, Digital Logic Design Lab, to the course descriptions and required curriculum;
 - c. Delete ELEG 4111, Digital Systems Laboratory, from the course descriptions;
 - d. Delete ELEG 3223, Microcontrollers, from the course descriptions;
 - e. Change course description of ELEG 2103, Electric Circuits I, to include “or consent of instructor”;
 - f. Change course description of ELEG 2113, Electric Circuits II, to include “or consent of instructor”;
 - g. Change the course description of ELEG/MCEG 1012, Introduction to Engineering, to delete the current prerequisites and add a corequisite of “MATH 1113 or any higher level mathematics course”; and
 - h. Electrical Engineering Curriculum: Change the footnote relating to Technical Electives; change the footnote relating to Engineering Electives; ~~must choose electrical engineering course for major requirements for the following courses: ELEG/MCEG 1012, Introduction to Engineering, ELEG/MCEG 3003, Engineering Modeling & Design, and ELEG/MCEG 4202, Engineering Design;~~ replace ELEG 2134, Digital Logic Design, with ELEG 2133, Digital Logic Design, and ELEG 2131, Digital Logic Design Lab.
12. Department of Mechanical Engineering
 - a. Change Footnote 3 requiring a minimum of six hours of 4000-level engineering electives to a minimum of three hours;
 - b. Change the course description of MCEG/ELEG 1012, Introduction to Engineering, to delete the current prerequisites and add a corequisite of “MATH 1113 or any higher level mathematics course”; add MCEG 3503, Basic Nuclear Engineering, as a prerequisite for MCEG 3512, Radiation Detection Laboratory; and add MATH 3153, Applied Statistics I, as a prerequisite for MCEG 4423, Machine Component Design; and
 - c. Change MCEG 4423, Machine Component Design, from a corequisite to a prerequisite for MCEG 4493, Mechanical Design Project; change the corequisite for MCEG 4202, Engineering Design, from MCEG 3413, Fundamentals of Mechanical Design, to MCEG 4423, Machine Component Design; and delete MCEG 4443, Heat Transfer, as a corequisite for MCEG 4442, Mechanical Laboratory II.

III. Old Business

- A. Production/Presentation of Faculty Senate minutes
- B. Grade Inflation – presentation by Dr. Eldon Clary
- C. Recycling Initiative

IV. Open Forum

V. Announcements and Information Items

VI. Adjournment
