Miss Arkansas 2024

Camille Cathey

Camille Cathey of Wynne won the title of Miss Arkansas 2024 at the 86th Miss Arkansas Scholarship Pageant, which took place at the Robinson Center in Little Rock.

She represented Arkansas at the Miss America competition and is making appearances across the Natural State promoting her personal platform of "Proudly

Volunteer," the American Heart Association and speaking in support of the goals of the Miss Arkansas and Miss America system.

Cathey is the daughter of Crystal and Dr. Jake Cathey of Wynne. She is a 2024 graduate of the University of Alabama with a degree in communications studies and a law student at the University of Arkansas School

of Law.

For her talent she performed a vocal to "If I Had My Way." She was also Miss Arkansas' Teen 2018.

She took home a total of \$46,150 in scholarships from all the awards she won at Miss Arkansas 2024.

Miss Tech 2024

Kate Manuel

Kate Manuel of Green Forest was crowned the 68th Miss Tech during the 2024 Miss Arkansas Tech University scholarship pageant at Witherspoon Auditorium.

Daughter of Emma and Alexander Manuel and Noel Ramirez, Manuel was a 20-year old junior at ATU at the time of her crowning. She is pursuing a Bachelor of Science degree in elementary education.

Manuel won the Nona Dirksmeyer Memorial Talent Award, the Lindsey Ahrens McCrary Vocal Award, the On-Stage Interview/Community Service Initiative Award, the Zachary McClure Denison Leadership Award, the evening wear competition and the Dr. Jim Collins Miss Congeniality Award during the Miss Tech pageant.

"It feels amazing," said Manuel moments after winning. "I am so grateful to God. This is something I've been working on for the past three years. I told God I wouldn't doubt him, and now I'm here.

"It was a lot of hard work, a lot of dedication and a lot of long nights," continued Manuel. "My motivation is myself. I know that I'm the only one who can accomplish my own dreams, so I had to."

Manuel's community service initiative is "Si Se Puede: Empowerment Through Education."

Her goal is to expose minority students to information about scholarship opportunities that can help them pursue higher education.
