WELCOME FROM THE SGA PRESIDENT

Dear Fellow Students,

It is a pleasure to welcome you to Arkansas Tech University! The Arkansas Tech University Student Government Association is proud to serve you as your elected government officials. You are the future of this University, and it is beyond exciting to see the impact your generation is going to have within the University, the community, and the world. Your voice as a student is the most important asset here at Arkansas Tech University, and we know that you will use your power for the betterment of this age and ages to come. The world is at a pivotal moment in human history, and never before has there been such an opportunity to serve and to make an impact.

Hectic is a good word for the time that we are currently living through; however, I applaud you for your resilience through the COVID-19 pandemic. I remember being in your shoes as an incoming freshman, with dreams, wonders, and fears about what the future holds. I am sure that many of you are thinking, “Do I have what it takes to get through college?”. Let me tell you: you are beyond capable of succeeding here at Arkansas Tech.

College is a wondrous part of the journey through life, and I pray that you will fill it with joyous memories. I encourage you to be thankful at all times of the blessings in life, it is easy to think about all of the things that are wrong; however, a positive attitude is a key to a successful future. Arkansas Tech holds a lot of treasure for those who are willing to participate. Tech’s student organizations yield many treasures to its participants (those willing to participate). Do not be afraid to seize risks and fail gloriously. Step out of your former comforts and embrace new possibilities. Whether you join a club/organization, asking a professor to lunch, talking to someone new, or participating in an intramural sport find enjoyment in daring yourself to embark on a new adventure. College is a time to evolve yourself into the friend, student, or leader you want to be. Remember, “The greatest among you shall be his servant.” Forge memories that fill you with pride and stories to pass on to your children.

Included in this handbook is your guide to life here at Arkansas Tech. It includes the student code of conduct, campus facilities, student organizations, and much more. If you have any questions that are not covered by this handbook, feel free to ask any member of our staff/faculty, or older students. If I can be of help any way, reach out to me at ntidmore@atu.edu. I would love to get to know you and be a guide.

With great joy, welcome to the Arkansas Tech Family.

Sincerely,

Noah Tidmore
Student Government Association President

**Freshman Leadership Experience**
Freshman Leadership Experience serves as the starting point for students seeking to gain and increase their leadership skill set. Open to only thirty-six (36) incoming freshmen, this program will actively engage students in a variety of leadership experiences that will create an advantage prior to their first day of class.
A half-day program, held in the spring and early summer, where freshmen learn about their chosen discipline and meet with an advisor to register for their fall term classes. Students and their guests will also have the opportunity to ask questions of student leaders and discover ways to enrich their college experience by getting involved in campus activities.

**TECH Connect**
A four-day program, held just before classes begin in August, where students become more familiar with campus, learn about involvement opportunities and meet other new students while connecting with current student leaders. Freshmen Convocation, a unique ceremony led by our president, Dr. Robin E. Bowen, is a highlight of the TECH Connect program and an exciting opportunity for students and their families to celebrate the start of their college journey.

**TECH Connect: Transfer**
A one-day program, held just before classes begin in August, designed for the unique needs of transfer students. This program will leverage the previous college knowledge that transfer students bring while highlighting the unique experiences and opportunities that TECH has to offer.

**First-Generation Student Services**
Almost one-third of the Arkansas Tech student body is the first in their family to attend college. While being the first to do anything can be a bit scary, going off to college is also a major life milestone. Being a first-generation student is a very proud accomplishment! We recognize that students will face unique experiences as they begin this exciting journey and there are many resources here at Arkansas Tech that can help student connect and thrive on campus.

There are many ways to define the term "first-generation." At Arkansas Tech University we define first-generation students as those whose parents or legal guardian did not graduate from a four-year institution. First-generation students may be the very first person in their families to attend a four-year university, or they may have older siblings who have attended college. Thousands of students at Arkansas Tech consider themselves first-generation students.

For more information, please visit: [www.atu.edu/firstgen/](http://www.atu.edu/firstgen/)

**Outdoor Recreation**
Outdoor Recreation provides students the opportunity to engage in the many natural resources that the River Valley and Arkansas have to offer. At no charge, students can reserve and check out high quality mountain bikes, kayaks, canoes, road bikes, tents, and hammocks. Additionally, a bike repair shop is available for students. Outdoor Recreation also offers a variety of excursions throughout each semester that include rock climbing, zip lining, rafting trips, canoe trips, paintball, and hiking trips. Students can also find a growing selection of Club Sports sponsored by Outdoor Recreation.
Registered Student Organizations
Arkansas Tech has over 100 Registered Student Organizations. These organizations are run by students who produce their own programming and initiatives to fulfill their individual purposes. This is an opportunity for students to apply what they have learned in the classroom to real world experiences. theLink website provides students an opportunity to review and explore each active Registered Student Organizations on campus.

Civic Engagement
Civic engagement is defined as making a difference in the life of our communities and developing the necessary knowledge, skills, values, and motivation to make that difference. We want our students to learn how to cultivate a higher quality of life in their community through both political and non-political avenues. This office creates programs that empower our students to take action and create positive changes within their current and future communities.

Community Engagement
We offer multiple service opportunities throughout each semester. These include Green & Gold Give Back, monthly Action Days, Alternative Spring Break, and the $100 Solution. Each of these programs is designed to get you connected with the community to make a difference.

Political Engagement
Political engagement is just as important as non-political activities when working towards a positive change. Each academic year, the Office of Civic Engagement offers voter registration drives to help students prepare for voting, along with political and social justice educational workshops. These programs help students understand how policies are created and how these systems work together to effect change.

Spirit Squads
The University has two Spirit Squads: Tech Cheer and the Golden Girls dance team. The Tech Cheer squad is composed of up to sixteen members. The Golden Girls dance team is composed of up to fourteen members. The squads are selected each spring to serve for the following academic year. Tech Cheer participates in all home and selected away football, basketball, and volleyball games. The Golden Girls participate and perform at all home football and basketball games. Both squads participate in pep rallies throughout the year as well as campus and community related events.

Student Activities
Fully engaging students in their college experience requires not only academic experiences but also a diverse offering of activities and programs that meet their social and personal needs of students.

Student Activities meets these needs by providing various events throughout the year to include comedians, movies, dances, educational speakers, spirit programs, and many more! There are also numerous leadership opportunities available through the Student Activities Board.

(479) 968-0329
Kristy Davis, LPC, Associate Dean for Student Wellness, kdavis51@atu.edu
http://www.atu.edu/hwc/counseling

ATU Counseling Services is dedicated to providing the highest quality preventative education and confidential counseling services for students. We aim to remove barriers to academic success and promote the holistic well-being of the campus community.

Individual, group, and couples counseling services are provided to students depending on their needs as assessed by the counselor. The counseling services are provided to students at no charge. Counseling Services offers short-term, intermittent therapy. Short-term counseling is a good option when you have specific concerns that can be addressed in a few sessions. This might be personal concerns such as stress, anxiety, mild to moderate depression, anger, loneliness, relationship concerns, identity concerns, adjustment to college and life transitions. If a student needs further counseling beyond the scope of Tech Counseling Services, a referral to a local counselor will be provided. Counseling and/or assessment received outside of Tech Counseling Services will be at the expense of the student.

All communications between the counselor and client, including counseling records, are confidential and are not released without the signed consent of the client. Counseling records are not part of the University record and no one outside Counseling Services has access to these records. There are some exceptions to confidentiality which will be explained during the first counseling session.

It is preferred that students seek services by scheduling an appointment with a counselor. Appointments can be scheduled by calling 479-968-0329. The HWC Administrative Assistant will collaborate with the student to schedule the appointment at a time that coordinates both with the student and counselor schedule.

Counseling Services is located in the Health and Wellness Center in the Doc Bryan Student Services Center, Suite 119. Office hours are Monday-Friday, 8 a.m. – 5 p.m., twelve months per year excluding official University holidays. The University community may contact the office by calling (479) 968-0329.

Arkansas Tech University is committed to providing equal opportunities for higher education to academically qualified individuals with disabilities. Tech is subject to and endorses both the ADA Amendments Act of 2008 and Section 504 of the Rehabilitation Act of 1973.

Students who request accommodations should submit information describing their disability, their past use of accommodations, and the likely impact of the disability on their educational experiences to Disability Services. Types of helpful documentation supportive of such requests include medical records, psycho-educational testing reports, and school records. If students do not have this documentation readily available, they are encouraged to meet with a Disability Services staff member to discuss other ways to demonstrate a connection between their condition and any academic barriers they anticipate in the University environment.

The Office of Disability Services will consider all forms of documentation including student self-report, observation and interaction with the student, and external information from outside sources such as professionals who have diagnosed or treated the condition. External information can be a valuable tool for helping the Disability Services staff member understand the student’s barriers, identify strategies for success, and assign reasonable accommodations which facilitate access.

Students seeking disability services should follow these steps accordingly:

- **Step 1.** Complete an online application: https://denali.accessiblelearning.com/ATU/ApplicationStudent.aspx. An alternate format of this application is available upon request.
- **Step 2.** Schedule an appointment with the Disability Services Office in order to discuss the impact of your disability on your educational experience and develop an accommodation plan.
- **Step 3.** Students who are eligible for accommodations will receive a Notice of Eligibility via their One Tech email.
account outlining the adjustments for which they are approved. Upon receipt of this notification, students may log in to the AIM student portal and request accommodations specific to their courses. Students may print their Notification of Accommodation letters for hand delivery to their instructors or have the notification delivered directly to faculty via One Tech email.

Students are encouraged to make arrangements to meet privately with faculty to ensure the notification is acknowledged and that both parties understand the approved accommodations. Students may be asked to share how their disability impacts their ability to participate in academic programs and activities and should be prepared to discuss this information. In no instance is a student required to reveal the nature of their disability or provide documentation of their disability to anyone other than the Office of Disability Services.

Most adjustments are available for the duration of the student’s academic career. Students must renew their accommodations via the AIM student portal at the beginning of each semester.

**Diversity and Inclusion**

Dr. Danielle Brooks, Assistant Dean for Diversity and Inclusion, nbrooks3@atu.edu

The Department of Diversity and Inclusion (DDI) is guided by the Tech commitment to diversity and inclusion (1) to promote a diverse, inclusive campus climate for all students, (2) to advocate and support success for underrepresented students, (3) to provide educational trainings, and (4) to celebrate the diverse cultures within our community of learners.

DDI focuses on enhancing the experiences of students within underrepresented populations. While creating a campus environment and culture that celebrates inclusiveness and multiculturalism, DDI aims to impact students from their first year to graduation. DDI is the home to diversity trainings, workshops, events, and programs designed to strengthen cultural competency. The hallmark of DDI’s ‘equity over equality’ philosophy aims to move ATU towards inclusive excellence.

**Financial Aid**

Brown Hall, Suite 206  
(479) 968-0399  
Niki Schwartz, Director  
fa.help@atu.edu  
http://www.atu.edu/finaid

The University provides financial aid for students in the form of employment, scholarships, loans, and grants. Students who need financial assistance should contact the Student Financial Aid Office. Tech participates in current federal assistance programs, except the federal Teach Grant. Information and application forms are available from the Financial Aid Office.

To be eligible for student financial aid from federally funded programs, a student must be in good standing and making satisfactory progress.

The Arkansas Tech University academic policy for students receiving financial aid may be found below or at https://www.atu.edu/finaid/SAP.php

**Policy**

This policy will be applied automatically without favor or prejudice. With the exception of certificate and clock hour programs, all federal aid recipients’ progress is reviewed annually at the end of each spring semester, after a term with grades of all F, with academic suspension from the university, upon the receipt of each new financial aid application, and after a student’s full withdrawal from a semester. Students in certificate or clock hour programs are
reviewed at the end of each semester, upon the receipt of each new financial aid application, and upon a student’s full withdrawal from a semester.

**Pace**

Both graduate and undergraduate students are required to pass 67% of all attempted hours, this is called pace. Pace is calculated as shown: Hours passed ÷ hours attempted = 67% or greater. NOTE: Accepted transfer hours are counted as both attempted and passed and are considered in this calculation.

Incomplete, repeat, withdrawn, non-credit, and audit classes are counted as hours attempted but do not increase hours passed. For repeated courses, only the grade from the best attempt is calculated into a student’s cumulative grade point although all grades and all attempts are recorded on the student’s academic record. Students may not repeat a course in which the highest grade possible has already been earned. For Pass/Fail (No Credit) hours, only passed hours are counted as both attempted and passed. Classes for which a student receives no credit, can cause a student to be in violation of the pace section of the policy.

Federal financial aid will pay for only one repeat of a class where a grade of D or better has been earned. If an incomplete grade is not replaced by a passing letter grade by the end of the next regular semester it will become a grade of F and will be considered in the next regular determination of policy progress.

Hours taken during high school (concurrent classes) will be counted on the basis of attempted hours and cumulative GPA.

**Required Grade Point Average**

**First Undergraduate Degree**

All students must have a minimum cumulative grade point average of 2.0 at the end of their fourth and all subsequent undergraduate semesters or “equivalent transfer semesters,” with the exception of certificate and clock hour students. (Transfer students will be assigned “equivalent transfer semesters” based on the number of hours accepted by the Registrar’s Office.) Adjustments to a student’s official cumulative grade point are not made for courses transferred from other colleges or universities.

Certificate and clock hour students must have a cumulative GPA of at least a 2.0 at the end of their second and all subsequent semesters.

**Subsequent Undergraduate Credentials or Teacher Certification**

Students must maintain a 2.0 cumulative GPA.

Any student who fails to meet the required 2.0 GPA will be reinstated once the required GPA is met. However, financial aid will not be paid retroactively for any aid lost because of this requirement.

It is the student’s responsibility to notify the Financial Aid Office when they have increased their GPA.

**Graduate Degree - GPA**

Students must maintain a 3.0 cumulative GPA.

No appeal will be granted for anyone in violation of the required cumulative GPA.

**Maximum Time to Degree**

A student must receive a bachelor’s degree by the end of 180 attempted credit hours, an associate’s degree by the end of 90 attempted credit hours, and a certificate by the end of 45 attempted credit hours. Allowances will be made for semesters involving required remedial course work and programs requiring additional hours. Clock hour students must complete their program by the end of 150% of the published length of the program.

A graduate degree must be completed by the end of 54 attempted hours. Students seeking only a graduate certificate must earn the certificate within 23 attempted hours.

All semesters attended will be counted whether a student received financial aid during the semester or not.
Subsequent Credentials or Teacher Certification
Any subsequent associate’s degree must be completed by the end of 45 additional attempted hours. Any subsequent bachelor’s degree must be completed by the end of 70 additional attempted hours. Graduate students must have any subsequent graduate degrees completed within 54 additional attempted hours.

Institutional Academic Suspension
Any student whose name appears on the institutional suspension list will not be eligible to receive aid for their next period of enrollment, even if they re-enroll with the approval of the appropriate college dean.

It is the student’s responsibility to notify the Financial Aid Office when they are no longer on the suspension list.

Academic Clemency
Students granted academic clemency will have all semesters attended counted on the basis of attempted hours and will have a “financial aid GPA” based on all hours completed and will not receive aid until the financial aid GPA reaches at least a 2.0.

Changing Majors
When a student changes majors they are required to continue meeting all sections of this policy. If the major change causes the student to exceed the maximum number of hours attempted, they may appeal. The cumulative grade point average will still be considered as the student’s grade point.

Withdrawals/All F Grades
Federal regulations require a calculation to determine how much aid, if any, must be returned to the federal programs when a student withdraws or receives grades of all F. Academic progress will also be calculated on any student who receives grades of all F for any term.

Students who must repay funds will be notified by the Financial Aid Office of the amount within forty-five days of grades posting.

Appeal
Any appeal of this policy must follow the instructions on the appeal form and be submitted to the Financial Aid Office as directed on the form. If applicable, attach any relevant documentation to the appeal. The appeal must be submitted prior to the deadlines listed below in order to be processed before the beginning of the term. A maximum of 2 appeals may be submitted. A student must attend without financial aid for a period of one academic year to be eligible to appeal for a third time.

DEADLINE FOR APPEAL: FALL—JULY 27; SPRING—JANUARY 5
The decision of the appeal committee is final.

Students granted a successful appeal will be placed on an academic plan which will be monitored each semester throughout the course of the plan. Individual students will be reviewed within the semester if notification of a grade change is received by the Financial Aid Office.

Financial aid will not be paid retroactively for any semester’s lost eligibility.

Academic Scholarship Appeals & Deferments
A student who fails to retain his or her academic scholarship due to extreme extenuating circumstances may appeal for a reinstatement. Students may also appeal for a deferment due to military service, medical conditions, and internships. A letter containing details of the circumstances and supporting documentation should be mailed to Alisa Wanievski, Associate Director for Academic Scholarships, Office of Admissions, Brown Hall, Suite 104, Russellville, AR 72801. The letter should also contain the student’s ID number and return mailing address. The student will receive a letter containing the Institutional Scholarship Appeals Committee’s decision. Please note that this process only applies to ACADEMIC scholarships awarded by the Office of Admissions.

Questions regarding other scholarships should be directed to the following offices:

All Arkansas Tech University students are eligible to use the services of the Health and Wellness Center (HWC). The HWC does not intend to replace the student’s primary care physician, but to provide the services necessary to maintain and restore the student’s health. Services provided are designed to help students maintain their health through education and prevention and to restore their health when necessary by treatment of illness, injury, or stress.

The HWC is staffed by Advanced Practice Nurses (APRN’s), Registered Nurses (RN’s), Licensed Professional Counselors (LPC’s), and an Administrative Assistant. The hours of operation are 8 a.m. to 5 p.m. Monday-Friday. The HWC provides confidential information and services. The nursing staff treats minor injuries and illnesses, dispenses nonprescription medication, provides health education, and provides prescriptions as necessary. If the nursing staff is unable to treat a student, a referral to a local healthcare provider is arranged. The counseling staff provides individual, couples, and group counseling (see Counseling Services for more information). There is no additional charge beyond the health services fee for most services within the HWC. A list of additional charges can be provided at the HWC.

Charges from outside health care providers are not covered by the HWC; therefore, students are encouraged to purchase health insurance.

Family Educational Rights and Privacy Act

The Family Educational Rights and Privacy Act of 1974 (FERPA) assures confidentiality of education records containing information directly related to a presently enrolled student, a former student, or alumni. Absent certain specific exceptions, in order for Arkansas Tech University to honor a verbal or written request for information from a student’s education records by anyone other than the student, a signed authorization form from the student must be on file.

Authorization forms can be found by visiting www.atu.edu/ucounsel/. If a student wishes to authorize the release of information to a parent or guardian, he or she may complete the Disclosure to Parent form at http://www.atu.edu/ucounsel/documents/FERPA_Disclosure_Parent.pdf. Completed forms should be returned to the Registrar’s Office located in the Brown Hall, Suite 307.

If the student wishes to authorize the release of information to someone other than a parent or legal guardian, he or she may complete the General Release Form at http://www.atu.edu/ucounsel/documents/FERPA_General_Release.pdf. Completed forms should be returned to the Registrar’s Office located in Brown Hall, Suite 307.

Directory Information

The Family Educational Rights and Privacy Act of 1974 (FERPA) protects the privacy of individual students by placing restrictions on the disclosure of information contained in a student’s University record(s). However, the institution, according to FERPA, may make public “directory information” about a student. According to the provisions of FERPA, an enrolled student has the right to withhold the disclosure of directory information and may request the non-disclosure of information at any time.

Directory information at Arkansas Tech University consists of the student’s name, hometown, electronic mail address, major field of study, enrollment status (undergraduate or graduate, full-time, or part-time), date of birth, dates of attendance, participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees, honors, and awards received. SAFETY, SECURITY, AND TRAFFIC

Department of Public Safety
(479) 968-0222
Chief Joshua McMillian, Associate Dean for Public Safety/Chief of Public Safety, dps@atu.edu
http://www.atu.edu/psafe

Law Enforcement Authority
Department of Public Safety (DPS) officers are law enforcement officers of the State of Arkansas and are professionally trained and certified by the Arkansas Commission on Law Enforcement Standards and Training. DPS law enforcement authority comes from Arkansas State Statute 25-17-304 which confers upon the president of a state institution of higher education the right to create a university agency with the same powers and authority as any municipal, county, or state police agency in Arkansas. DPS officers have complete police authority to apprehend and arrest anyone involved in illegal acts on campus and areas immediately adjacent to the campus. If any minor offenses involving a violation of Arkansas Tech University rules and regulations are committed by a university student, DPS officers may also refer the individual to the Department of Student Conduct.

Law Enforcement Jurisdiction
All service drives, alleyways, parking lots, any real or personal property owned or controlled by Arkansas Tech University and which is physically located within the Russellville city limits or elsewhere, shall fall under the jurisdiction of DPS. DPS works closely with other federal, state, and local law enforcement agencies including the Russellville Police Department, Pope County Sheriff’s Office, Arkansas State Police, Fifth Judicial Task Force, Ozark Police Department, and Franklin County Sheriff’s Office. DPS also maintains Mutual Aid Agreements, under the laws of Arkansas, with the Pope County Office of Emergency Management, Russellville Police Department, Pope County Sheriff’s Office, and surrounding agencies. This agreement allows each department to provide assistance when necessary, for the purpose of investigating alleged criminal incidents. All members of the campus community are encouraged to cooperate fully with police personnel for their safety and convenience of everyone.

Reporting Emergencies and Crimes
To maximize safety on campus, DPS strongly encourages anyone with knowledge about any crime, suspicious activity, or unsafe actions or conditions on campus to make an immediate and accurate report to DPS in person or by telephone. Reporting does not mean you must take legal action; however, it may help law enforcement stop further incidents as well as help keep the community informed about criminal activity. All crimes should be reported to DPS to aid in providing timely warnings or emergency notifications to the community when appropriate and for inclusion in the annual crime statistics disclosure.

Call 911 in an emergency if you are the victim of or witness to a crime and need police, fire, or medical assistance. In non-emergency incidents reports can be made in person at the Department of Public Safety, located at 716 N El Paso Avenue, Russellville, AR, 72801 or call (479) 968-0222 to speak with an officer. Arkansas Tech University students requiring non-emergency medical care and counseling services may contact the ATU Health and Wellness Center at (479) 968-0329.

Emergency Alerts
The University is committed to the safety and well-being of its faculty, staff, students, and visitors to the campus. Upon the confirmation of a significant emergency or dangerous situation that poses an immediate threat to the health or safety of students or staff occurring on the campus, a notification will be made without delay to the University community. The University initiates the notification to the community using the ATU Alert system. Emergency messages will be sent out via text messaging, email, phone calls, desktop notification, digital signage, ALERTUS notification system for large gathering areas, and RSS feed on the university website at www.atu.edu.

Security of and Access to Campus Facilities
The ATU campus is made up of a variety of facilities, primarily student residences and academic/administrative buildings. Academic/administrative facilities are open during normal business hours (8:00 AM to 5:00 PM) to faculty,
staff, students, and University guests. After-hours access to locked academic and administrative buildings is restricted to authorized persons holding keys or electronic access cards for the facilities. After-hours access is limited to those who have authorization through their status as students, faculty, staff, or visitors in connection with special events or invitation. This access is granted through the ATU Card Office and/or DPS. Public Safety Officers conduct routine patrols of campus buildings to evaluate and monitor security related matters.

Residence halls are for the use and enjoyment of the residents of the building and their guests. Students residing in a residence halls are given keys and/or an electronic access card to their residence halls. All residence halls except University Commons, Vista Place Apartments, and Stadium Suites, have an electronic card reader on the exterior entrances. Exterior doors remain locked 24 hours a day. Interior hallway doors are to be locked at all times. Access to the individual rooms is limited to the residents and authorized University employees who must follow procedures established to protect the safety of the residents. Public Safety Officers and Residence Life staff monitor security in the residential facilities and encourage building residents to report suspicious or unusual activity.

Security Awareness and Crime Prevention Programming

The safety awareness programs and crime prevention programs at ATU are based upon the dual concepts of eliminating or minimizing criminal opportunities whenever possible and encouraging students and employees to be responsible for their own security and the security of others.

DPS in cooperation with other University organizations and departments, is responsible for presenting security awareness and crime prevention programs to the campus community annually and more often depending on the program type. The Department of Public Safety in collaboration with other University departments offer crime prevention programs throughout the year to raise awareness for a variety of topics including, but not limited to, suicide prevention, sexual assault, dating violence, harassment, and hazing prevention.

DPS conducts the following security awareness and/or crime prevention programs for students each year: Residence Life Staff Training, CRASE (Civilian Response to Active Shooter Events), Emergency Preparedness Month, which includes CPR/AED certification course, weather spotting course, Emergency Preparedness Expo, and new employee orientation. Through programs such as these, students and employees are reminded to follow these preventative procedures:

- Report all crimes and/or suspicious activities to the Department of Public Safety.
- Protect personal property such as cell phones, iPads, laptop computers, and other valuable belongings by marking them with an identification number. Record all serial numbers and brand names.
- Lock residence hall room doors and car doors at all times.
- Do not prop doors open for any reason.
- Walk in well-lighted areas at night.
- Contact the Tech Safety Transport after hours for transportation on campus by calling (479) 968-0222 instead of walking alone at night.
- Do not leave books, jewelry, purses, wallets, cell phones, textbooks, backpacks, or other valuables unattended.

The Annual Security and Fire Safety Report

This report includes statistics for the previous three years (2017, 2018, and 2019) containing reported Clery reportable crimes and fires that occurred: (1) on-campus; (2) in certain off-campus buildings or property owned or controlled by Arkansas Tech University; and (3) on public property within, or immediately adjacent to and accessible from, the campus. The report also includes institutional policies about campus security and policies addressing domestic violence, dating violence, sexual assault, and stalking. In accordance with the Clery Act, the Arkansas Tech University Russellville Campus (ATU Russellville) and the Arkansas Tech University Ozark Campus (ATU Ozark) are each defined as separate campuses and the 2020 Annual Security and Fire Safety Report contains information for both campuses (Russellville and Ozark). The complete 2020 Annual Security and Fire Safety Report can be found as a digital version at http://www.atan.edu/psafe/cleryreport.php.
Parking and Traffic Regulations
A complete list of parking and traffic information may be located at https://www.atu.edu/psafe/park-info.php. The regulations include information on the following important topics:

Accessible Parking
As required, a number of parking slots have been set aside for use by permanently disabled individuals only. Each space has been marked with signs and/or blue and white paint on the space. If these spaces are full, you may park in any color zone but not in spaces marked as loading zones, timed parking, and reserved as long as you display your valid disability license plate or placard. Vehicles found illegally parked in these spaces are subject to towing and impoundment fees. Only individuals who have been issued, and are displaying, a disability license plate or placard issued by the State of Arkansas are permitted to park in spaces marked with blue and white stripes. Vehicles must also have valid Tech hangtag. License plates, decals, and placards may be obtained from the State Revenue Office at 105 South Rochester, Russellville, AR. For information, call (479) 968-1526. Transfer of a disability license or placard is a violation of the Arkansas state law. The offender will be ticketed accordingly. Persons requesting temporary disability status for parking must be authorized by the ATU Health and Wellness Center located in Doc Bryan and, if eligible, then obtain a special temporary hangtag from DPS. You will then be eligible to park in the areas marked RED or handicapped space only for the dates specified.

Ticket Appeals
All appeals will be dealt with according to the rules and regulations stated in the Parking Booklet. All appeals must be made within three school days. Appeals made after three school days will not be considered. All faculty, staff, and student appeals should follow the stated procedures. Appeals should be done online. Go to OneTech, Purchase Parking permit and the appeal form is on the same page.

Traffic and Parking Committee
The Traffic and Parking Committee reviews and conducts hearings on all appeals concerning traffic tickets, informs students of changes in policies and regulations, and recommends methods of improving traffic and parking conditions on campus.

The committee is composed of the following members:

1. One (1) Student Affairs staff member.
2. One (1) Department of Public Safety advisor (non-voting member).
3. One (1) representative from either the Residence Hall Association or the Student Government Association.
4. One (1) student at-large. (Students serving in this capacity must be full-time, in good academic standing, and demonstrate satisfactory conduct history.)

The Traffic and Parking Committee will meet regularly at announced times to hear appeals on tickets. Appeals of tickets can be submitted online through your OneTech account (click on the Student tab, select the Purchase Parking Permit link, and complete the appeal) or filed in person with the Department of Public Safety within three (3) business days of receipt of the ticket.

Students can appear in person before the Traffic and Parking Committee to speak on their own behalf or their written appeal will be read if they are not present. The decisions of the Traffic and Parking Committee are final and can be viewed online through your OneTech account (click on the Student tab, select the Purchase Parking Permit link, and select the appealed ticket). Students may also go before the Traffic and Parking Committee with materials concerning any other traffic and parking-related problems.

Tech reserves the right to restrict or revoke the use of an automobile to any student if the use of that vehicle is thought to be detrimental to the academic achievement of the student or if the student has abused the privilege of operating a vehicle on or off campus.

Confiscation
Illegally possessed, used, manufactured, sold, or distributed substances, ingredients, or paraphernalia may be confiscated. The University may request, as a condition of presence on University property or participation in University activities, production of other items where the University reasonably determines that they are or contain evidence of a violation of this policy.

Use of Alcohol/Drugs as a Defense to Policy Violations
The use of drugs or alcohol will not serve as a defense to violations of University policies, including this policy.

Title IX Amnesty Policy
As the policy relates to incidents covered under Title IX, the University may offer amnesty to parties and witnesses to encourage reporting and participation in the process. See the following excerpt from the Equal Opportunity, Harassment (Sexual Misconduct), and Nondiscrimination Policy and Procedures:

To encourage reporting and participation in the process, ATU maintains a policy of offering parties and witnesses amnesty from minor policy violations – such as underage consumption of alcohol or the use of illicit drugs – related to the incident.

Amnesty does not apply to more serious allegations such as physical abuse of another or illicit drug distribution. The decision not to offer amnesty is based on neither sex nor gender, but on the fact that collateral misconduct is typically addressed for all students within a progressive discipline system, and the rationale for amnesty – the incentive to report serious misconduct – is rarely applicable to a Respondent with respect to a Complainant.

ATU maintains a policy of amnesty for students who offer help to others in need. Although policy violations cannot be overlooked, ATU may provide purely educational options with no official disciplinary finding, rather than punitive sanctions, to those who offer their assistance to others in need.

Disciplinary Sanctions
Students violating the University policy on alcohol or other drugs are subject to sanctions up to and including expulsion from the University and referral for prosecution. Any employee violating any criminal drug statute while in the work place will be subject to discipline up to and including termination. The University may notify parents or guardians of students under age 21 who are found to be in violation of the drug or alcohol policies as set forth in the Student Code of Conduct.

Harassment (Sexual Misconduct) Prevention Program and Policy Information
Arkansas Tech University is committed to cultivating a culture of respect in which students can thrive in their educational pursuits. All forms of harassment (sexual misconduct) are in opposition to the values and standards of the community and are strictly prohibited. University members who commit harassment (sexual misconduct), are subject to University disciplinary action as well as possible criminal action. Harassment (sexual misconduct) includes, but is not limited to, sexual assault, domestic violence, dating violence, stalking, sexual exploitation, and sexual harassment. The complete Equal Opportunity, Harassment (Sexual Misconduct), and Nondiscrimination Policy and Procedures are located in Article III, Section F of the Student Code of Conduct in this document.
Awareness and Prevention Programs
As part of our commitment to an educational environment free from sexual misconduct, the University coordinates and presents awareness and prevention programming throughout each academic year. Collaborative efforts in Student Affairs enables the University to offer regular programs focused on reducing incidences of sexual misconduct for students, faculty, and staff. Examples of educational outreach and training programs related to sexual misconduct include:

- Harassment (sexual misconduct) training during New Student Orientation.
- Mandatory annual completion of EverFi’s online Sexual Assault Prevention training, a course designed to increase awareness of harassment (sexual misconduct), hone bystander intervention skills, and help students know where to go for help.
- The Title IX Office presents online and in-person educational programs and trainings that focus on bystander intervention, survivor support, and healthy relationships.
- The Title IX Office and Registered Student Organizations host relevant guest speakers.
- Counseling Services provides a variety of related educational programs and literature.
- The Department of Public Safety provides safe rides after dark on campus to students as well as self-defense programming.
- The Jerry Cares campaign in the Division of Student Affairs raises awareness of a variety of safety initiatives, including harassment (sexual misconduct).

Tips for Preventing Harassment (Sexual Misconduct)
We all have a part to play in the fight against sexual and relationship violence. The following are some things to keep in mind as you interact with peers or sexual/romantic partners.

- Always ask first. Listen for your partner’s response, and take both verbal and nonverbal signs of reluctance or refusal seriously. If the response is not clear, ask again. Mixed messages from your partner are a clear indication that you should stop and talk about it. You have a responsibility to respect your partner’s timeline for sexual activities with which they are comfortable.
- Respect the wishes of the person you are interacting with. Even if the person you are with initially gives permission, consent can be withdrawn at any time.
- Remember that prior sexual activity does not equal future consent. Consent must be obtained during every encounter and for every sexual act.
- Realize that drugs and alcohol are no excuse to have sex. Alcohol and other drugs impair judgment and communication, making it difficult to obtain consent. Additionally, it is against the law to engage in sexual activity with someone who is incapacitated or incapable of saying “no.”
- Trust your instincts. If you are uncomfortable or sense that you are in danger, leave as soon as you are able. In an emergency, you should always call 911.
- Be a role model and engage respectfully with others in the Arkansas Tech University community. Set high standards for your friend group and the larger University community, and model the conduct you expect from others.
- Be a leader. If you see concerning behavior, don’t be afraid to intervene if it is safe to do so, and don’t be afraid to contact Public Safety to assist. Speak out against harmful stereotypes and behaviors in conversations with peers and offer help to community members who may need it.
- Some students have a more difficult time reading social cues than others. If you are one of these people, it might be important that you rely less on non-verbal cues and practice good verbal communication with your peer...
Love Shouldn’t Hurt
If you or someone you know are experiencing relationship or sexual violence, help is available through campus and community resources listed in the section below.

Some red flags of abuse include:
- Controlling behavior
- Excessive or threatening contact through text messages, telephone calls, or other forms of communication
- Obsessive jealousy
- Physical violence such as hitting, slapping, punching, kicking, etc.
- Put downs and name-calling
- Sexual pressure
- Isolating their partner from friends and/or family
- Threatening to leave or take their own life

Some warning signs someone is being abused include:
- Making excuses for a partner’s bad behavior
- Making excuses for injuries
- Fear of a dating partner
- Isolation from friends and/or family
- Skipping out on class, work, or social gatherings for no clear reason
- Noticeable changes in eating or sleeping patterns
- Alcohol and/or other drug abuse
- Loss of self-confidence
- Constantly checking in with their partner
- Depression and/or anxiety
- Drastic personality changes

Reporting Harassment (Sexual Misconduct)
Arkansas Tech University strongly encourages reporting any form of harassment (sexual misconduct), including sexual assault, but we also recognize that the decision to report sexual or relationship violence is a deeply personal choice for survivors. Reports of harassment (sexual misconduct) can be made to the Title IX Office (www.atu.edu/titleix), and criminal reports can be made to the Department of Public Safety.

Whether you decide to report the misconduct or not, the University wants to ensure that you are supported. We urge you to speak about what happened with someone you trust who can support you emotionally and help you develop a plan. This person could be a friend, family member, pastor, mentor, advocate from the Ozark Rape Crisis Center, counselor in the Health and Wellness Center, Title IX Coordinator, or someone else who will be able to support you during this time. The Arkansas Tech University Department of Public Safety is available to help 24 hours a day, 7 days a week by dialing 911 or calling (479) 968-0222 for the Russellville Campus and (479) 508-3359 for the Ozark Campus.

Medical Assistance
Medical assistance can be obtained by dialing 911 or going directly to the hospital. Emergency Room staff at St. Mary’s
Regional Medical Center in Russellville and Mercy Hospital in Ozark are equipped with the supplies necessary to collect and preserve forensic evidence (sometimes called a “rape kit”). They are also able to treat any possible injuries, provide preventative treatment for sexually transmitted infections, and offer other health services.

If you have experienced a sexual assault, try not to:

• Shower or bathe  
• Go to the bathroom  
• Wash your hands or face  
• Wash clothing, sheets, or other surfaces where the assault occurred  
• Brush your teeth

Remember: You have up to 72 hours after the assault to have potential evidence collected. Just because you have evidence collected does not mean that you are required to pursue criminal charges or a complaint. Preservation of evidence does, however, keep the option open for you while you make your decision.

During business hours (8 a.m. to 5 p.m. Monday-Friday), we strongly encourage you to contact Amy Pennington, Arkansas Tech University’s Title IX Coordinator, by phone (479-968-0407), email (apennington@atu.edu), or in person at the Doc Bryan Student Services Center, Suite 233 located at 1605 Coliseum Drive. The Title IX Coordinator and other members of the Title IX team are able to offer supportive and protective measures as well as ensure you are connected with helpful resources.

Confidential counseling services are available through the Arkansas Tech University Health and Wellness Center in the Doc Bryan Student Services Center, Suite 119. Article III: General Conduct Expectations

A. Jurisdiction of the University

The Student Code of Conduct applies to the conduct of any University student that occurs 1) on University premises, or 2) at any University sponsored event or activity. In addition, the University may take action under the Student Code of Conduct based upon the off-campus behavior of a student if that behavior constitutes a safety or security threat to the campus and 1) directly affects any other University student, 2) substantially affects the University community or its objectives or 3) violates local, state, or federal law. Concurrently enrolled high school students who fail to comply with the Student Code of Conduct may be subject to program dismissal as outlined in the Concurrent Enrollment Handbook.

Each student is responsible under the Student Code of Conduct for his or her conduct occurring at any time prior to being awarded an applicable degree, even if the University does not discover the conduct until after awarding the degree. The Student Code of Conduct also applies to any student conduct that occurs during any interim period:

1. before classes have begun or after classes have ended;
2. during which the student’s enrollment temporarily ceases.

The Student Code of Conduct also applies to the student’s conduct:

3. if the student withdraws from the University, or leaves its premises, while a disciplinary matter is pending;
4. retroactively as of the student’s first admission application date if the student at any time has enrolled at the University.

B. Application of the Student Code of Conduct to Registered Student Organizations

As a condition of Registered Student Organization status at Tech, groups agree to abide by the Student Code of Conduct, as well as by all other applicable University policies and local, state and, federal laws. Registered Student Organizations are herein referred to as “RSOs and/or RSO.”

1. Charging a Registered Student Organization

RSOs can generally be held responsible for violations of the Student Code of Conduct when:

a. One or more officers or authorized members/representatives, acting in the scope of their organizational capacities, commit a violation;

b. One or more of its members commit a violation after the action that constitutes the violation was approved by a vote of the organization or was part of a committee assignment of the organization;

c. A violation occurs at an activity funded by the organization;

d. A violation occurs as a result of an event sponsored by the organization;

e. One-tenth or more members of an organization or its officers permit, encourage, aid, or assist in committing a violation;

f. One-tenth or more members of an organization or its officers fail to report to appropriate University authorities knowledge or information about a violation;

g. One-tenth or more members of an organization or its officers issue a casual or formal invitation to another member to participate in a violation;

h. One or more members of alumni commit a violation in the name of the organization;

i. One or more members of an organization fail to satisfactorily complete the terms of any disciplinary penalty related to an organizational violation;

j. One or more members of an organization commit a violation while attending a function as a representative of the University including, but not limited to, competitions, conferences, and conventions;

k. One or more members willingly witness or observe a violation of the Student Code of Conduct and choose
2. **Jurisdiction and Authority**
   a. Students, who are members of an RSO involved in a violation of the Student Code of Conduct, may be subject to discipline both as a member of the RSO and as an individual.
   b. The Assistant Dean for Student Conduct or designee shall be the conduct advisor for cases involving general RSOs.
   c. The Assistant Dean for Student Conduct or designee shall be the conduct advisor for all cases involving social Greek organizations.
   d. The Assistant Dean for Residence Life or designee shall be the conduct advisor for all cases involving students contracted for housing with the Department of Residence Life who violate the Student Code of Conduct or housing rules and regulations.
   e. Under the direction of the Coordinator of Fraternity and Sorority Life, Greek governing councils (i.e., Interfraternity Council, College Panhellenic Council) shall be responsible for hearing cases for social Greek organizations affiliated with their respective council where their governing documents provide jurisdiction for incidents that do not involve a violation of the Student Code of Conduct. Registered social Greek organizations who violate the Student Code of Conduct may be subject to disciplinary action both as a member of the governing council and within the University's conduct body.
   f. The Student Conduct Administrator will maintain jurisdiction over all cases involving RSOs where there is a possible violation of the Student Code of Conduct including, but not limited to, actions that may violate University policy and/or local, state, or federal law; when there is a conflict of interest with one of the aforementioned conduct advisors; when the incident involves multiple violations; and/or all other incidents with possible sanctions.

3. **Interim Disciplinary Action**
   Information about interim disciplinary action is referenced in the Student Code of Conduct, Article IV, Section E.

4. **Conduct Bodies and Procedures**
   In determining whether or not an RSO violated the Student Code of Conduct, all conduct advisors and/or the conduct body shall make a decision as to whether or not the information presented establishes by a preponderance of evidence in support of the allegations, indicating that the information presented would lead a reasonable person to conclude that it was more likely than not that the RSO violated the cited University regulations. Upon receipt of a complaint alleging a violation of the Student Code of Conduct by an RSO, the Student Conduct Administrator or designee will fully investigate the charge. Pending the outcome of the investigation, the following means shall be utilized to resolve allegations of RSO misconduct:
   a. **Preliminary Conference**
      Alleged violations of the Student Code of Conduct shall require a preliminary conference with the president or primary contact of the accused RSO and a conduct advisor. In the preliminary conference, the conduct advisor shall review conduct procedures and all available information with the RSO president or primary contact to determine whether or not a decision can be made regarding the RSO’s responsibility without a formal hearing. The following procedures apply to preliminary conferences:
      i. The accused RSO’s president or primary contact on record shall be notified that he/she needs to schedule a preliminary conference and shall be required to attend the scheduled preliminary conference. The accused RSO president or primary contact shall have no less than five (5) business days from the date of the notification to schedule the preliminary conference.
      ii. If the RSO president or primary contact agrees that the RSO should accept responsibility for the violation(s) and the recommended sanctions, an informal resolution agreement may be prepared and
signed by the president or primary contact, on behalf of the RSO, and the conduct advisor. A signed informal resolution agreement shall constitute an acceptance of the finding and sanctions with no subsequent proceedings.

iii. The RSO president or primary contact has three (3) business days from the date of signing the informal resolution agreement to reconsider the agreement and request a formal hearing.

iv. If the RSO president or primary contact disagrees with the charge(s) and sanction(s), the matter shall be referred to the Student Affairs Conduct Board for a formal hearing.

v. If the RSO president or primary contact fails to attend the preliminary conference, the case will be scheduled for a formal hearing.

5. Alternate Conflict Resolution
   In some instances, when requested, Student Affairs may elect to enact an alternative conflict resolution pathway to address disputes within the RSO community that do not involve a violation of the Student Code of Conduct. At these times, an arbiter may be appointed by the Student Conduct Administrator. All parties must agree to the conflict resolution pathway and to be bound by the decision agreed to within the pathway with no right to appeal.

6. Academic Misconduct Cases
   Information about academic misconduct cases is referenced in the Student Code of Conduct, Article V, Section F.

7. Hearing Procedures
   Information about hearing procedures are referenced in the Student Code of Conduct Article IV, Section C.

8. Appeals
   Information about the appeal process is referenced in the Student Code of Conduct, Article IV, Section F.

9. Disciplinary Sanctions
   The University cannot foresee all violations of the Student Code of Conduct. As such, RSOs may be subject to disciplinary action when their behavior is disruptive to the operation of the University. The following sanctions may be imposed by a conduct body upon any RSO found to have violated the Student Code of Conduct (multiple sanctions may be imposed):

   a. Censure. A censure is an official statement that the RSO has violated a University regulation, and serves as a formal reprimand. A censure also indicates that future violations will likely result in a more serious level of sanctioning.

   b. Disciplinary Probation. Disciplinary probation is a serious encumbrance on the RSOs good standing in the University community. Disciplinary probation will last at least one semester and any subsequent violations during the probationary period will be viewed as both a violation of University regulations and a violation of the probation. At the end of the disciplinary probation period, all lost privileges shall be restored. If more than three (3) disciplinary probation sanctions are imposed on an RSO, within a five (5) year period, the RSO will be banned from the University community. Disciplinary probation is not a pre-condition to imposition of more serious sanctions.

   c. Deferred Suspension. Deferred suspension is a notice to an RSO that their actions are of such a serious nature that removal from the University for a period of time is recommended. The University will defer the suspension as long as the RSO meets all requirements set by the conduct body or conduct advisor. Any future violations would result in immediate removal from the University for an indefinite period of time with the possibility of additional sanctions. At the end of the deferred suspension period, all lost privileges and eligibility shall be restored. No more than one deferred suspension shall be imposed on an RSO prior to the RSO being banned from the University community. While an RSO is serving a deferred suspension, they may not represent the University in any official capacity, such as intercollegiate events or major extracurricular...
activities including, but not limited to, campus recreation and homecoming activities.

d. **Disciplinary Suspension.** Disciplinary suspension establishes a fixed period of time during which the RSO may not participate in any academic, extracurricular, or other activities of the University. At the end of the suspension period, the RSO may be again registered only upon the recommendation of the Dean of Students.

e. **Indefinite Dismissal.** Indefinite dismissal denies the RSO the right to participate in any academic, extracurricular, or other activities of the University. This is a permanent ban from the University community.

f. **Restrictions.** A restriction takes away a privilege that the RSO may or may not otherwise have had including, but not limited to:

   i. the ability to host guests on campus;
   ii. the ability to reserve space on campus;
   iii. the ability to attend athletic events;
   iv. the ability to host/sponsor/co-sponsor specified events/activities;
   v. the ability to sponsor or place a student on any University election ballot;
   vi. the ability to have contact with specified individuals or RSOs in the University community;
   vii. the ability to host/sponsor/co-sponsor off-campus events/activities with or without alcohol present.

g. **Educational Sanctions.** The conduct body may also impose educational sanctions that promote learning and understanding. These sanctions may be developed as necessary by a conduct body including, but not limited to:

   i. Sponsorship of an education program;
   ii. Attendance at educational programs;
   iii. Requirement of members to complete the TIPS for the University training program or other educational training programs;
   iv. Attendance in conflict management training;
   v. Educational service hours;
   vi. Attendance in ethics workshop/training;
   vii. Reflective exercises.

h. **Restitution.** RSOs may be required to restore any lost or damaged property and/or pay compensation for loss, injury, damage to or misappropriation of University property. This may take the form of appropriate service and/or monetary or material replacement.

   i. **Monetary Fines.** A penalty imposed by the conduct body involving the collection of fees from the RSO.

### C. Conduct Rules and Regulations

Any student or RSO found to have committed or attempted to commit the following misconduct is subject to the disciplinary sanctions outlined in Article IV, Section D and Article III, Section B, 9.

1. Acts of dishonesty including, but not limited to:

   a. Furnishing false information or false reports to any University official, faculty member, or office;
   b. Forgery, alteration, unauthorized use or misuse of any University document, record, or instrument of identification;
c. Tampering with the election of any University RSO or campus vote;

d. Possible violations of the Academic Dishonesty Policy or the Academic Misconduct Policy are administered separately through academic channels as outlined in Article V of the Student Code of Conduct. Certain behaviors may violate both the Academic Dishonesty/Misconduct Policies and the Student Code of Conduct. In these cases, one process or both processes may be utilized.

2. Material disruption or obstruction of teaching, research, administration, disciplinary proceedings, other University activities, including its public service functions on or off campus, or other authorized non-University activities, when the conduct occurs on University premises.

3. Attempted or actual theft of property of the University, services of the University, property of a member of the University community or other personal or public property.

4. Unauthorized possession, duplication or use of keys to any University premises, or unauthorized entry to or use of University premises. Failure to report a lost key issued by the University to proper officials.

10. Harassment, defined as unwelcome conduct that is severe and pervasive and substantially interferes with the learning, working, or living environment, and which would detrimentally affect a reasonable person under the circumstances. Harassment is extreme, outrageous, or persistent acts or communications that are intended or reasonably likely to harass, intimidate, or humiliate another. Whether the alleged conduct constitutes prohibited harassment depends on the entire circumstances, including the nature, frequency, type, and duration of the conduct.

e. The term "hazing" as defined in this section does not include customary athletic events or similar contests or competitions and is limited to those actions taken and situations created in connection with initiation into or affiliation with any organization.

Any such use or possession is a violation of the Student Code of Conduct. Specifically, Act 740 of 2017 provides that the Arkansas Medical Marijuana Amendment of 2016 does not permit a person to possess, smoke, or otherwise engage in the medical use of marijuana on the grounds of a college or university. The University may notify parents or guardians of students under age 21 who are found to be in violation of this policy.

Students owning firearms and/or other prohibited hunting materials should make arrangements for storage of these weapons off campus.

D. Digital Millennium Copyright Act (DMCA) Violation, Procedures and Policy

Arkansas Tech University recognizes that downloading and sharing copyrighted material online without permission is both illegal and unethical. In compliance with the Digital Millennium Copyright Act of 1998, Arkansas Tech is obligated, based on federal regulations, to address and resolve any cases of copyright infringement brought to our attention via the procedures listed below:

1. The Office of Information Systems is made aware of copyright infringement through use of file sharing or peer-to-peer (P2P) software or through a Notice of Claimed Infringement, which includes the violation type, IP address, and IP port number. The port is turned off immediately when notification is made to Office of Information Systems personnel.

2. Office of Information Systems personnel links the IP information to a user.
3. In cases involving student users, Office of Information Systems personnel sends the student name, T#, residence hall room location or alternate location of activity (if applicable), email address, "material in question" (Notice of Claimed Infringement), and date of activity to the Student Conduct Administrator.

4. A student conduct case is created and assigned to a conduct advisor. The case is adjudicated in accordance with Article IV of the Student Code of Conduct, during which the student acknowledges policies on copyright infringement and illegal downloading by signing a Notice of Illegal Downloading of Copyrighted Material form. Internet access provided by Arkansas Tech is deactivated until the student completes the conduct process.

5. If found responsible for violating the policy, the student may receive sanctions including, but not limited to:
   a. 1st Offense: Loss of Internet access from Arkansas Tech University for a minimum of 10 weeks or until the end of the semester, whichever is longer; Educational sanctions; $75 monetary fine.
   b. 2nd Offense: Loss of scholarship eligibility; Loss of student employment eligibility; Loss of Internet access from Arkansas Tech University for the remainder of the semester.
   c. 3rd Offense: University suspension for 1 (one) full semester.

6. The student is responsible for the removal of any illegally downloaded material. If Arkansas Tech University officials receive notification of another violation, the student will be held accountable for the second offense, even if the same material from the original violation is detected due to the student’s failure to remove the illegally downloaded material.

7. The conduct advisor notifies Office of Information Systems personnel of the date when the student’s Internet access can be reactivated. Permission for re-activation will not be granted until the student signs the Notice of Illegal Downloading of Copyrighted Material form and completes all assigned sanctions.

E. Off-Campus Conduct

If a student engages in conduct or is charged only with an alleged off-campus violation of local, state, or federal laws, but not with any other violation of the Student Code of Conduct, disciplinary action may be taken and sanctions imposed if that behavior constitutes a safety or security threat to the campus and 1) directly affects any other University student, 2) substantially affects the University community or its objectives, or 3) allegedly violates local, state, or federal law.

University disciplinary proceedings may be instituted against a student who engages in conduct or is charged with violation of a law that is also a violation of the Student Code of Conduct if both violations result from the same factual situation, without regard to the pendency of civil litigation in court or criminal arrest and prosecution. Proceedings under the Student Code of Conduct will be conducted independently of any pending civil or criminal proceedings off-campus.

When a student is charged by local, state, or federal authorities with a violation of law, the University will not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense is also the subject of a proceeding before a conduct body under the Student Code of Conduct, however, the University may advise off-campus authorities of the existence of the Student Code of Conduct and of how such matters will be handled internally within the University community. The University will cooperate fully with law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators. Individual students and faculty members, acting in their personal capacities, remain free to interact with governmental representatives as they deem appropriate.

If a complaint is brought forward to the University regarding an alleged violation of the Student Code of Conduct occurring off-campus, the same safety and security threat assessment and subsequent decision matrix (as described above) will be used to determine if disciplinary action may be taken or sanctions imposed. This includes alleged violations of the Equal Opportunity, Harassment (Sexual Misconduct), and Nondiscrimination Policy and Procedures, which upon meeting the threshold outlined in this policy, would be evaluated under Process B.
F. Equal Opportunity, Harassment (Sexual Misconduct), and Nondiscrimination Policy and Procedures

The following Equal Opportunity, Harassment (Sexual Misconduct), and Nondiscrimination Policy and Procedures (herein after “Policy”) were adopted by Arkansas Tech University (herein after “ATU”) following the release of new Title IX regulations by the U.S. Department of Education. Officially published on May 19, 2020, the new Title IX regulations are effective and enforceable on August 14, 2020.

This Policy will be effective on August 14, 2020, and it replaces the existing Sexual Harassment Policy, the Sexual Misconduct Policy and Procedures, and the Non-Discrimination Policy.

Complaints received prior to August 14, 2020, will follow the appropriate ATU policy published for the 2019-2020 academic year. All complaints received on or after August 14, 2020, will follow the policy and procedures outlined in this document.

1. Glossary

A complete glossary defining key terms used throughout this Policy is located in Appendix A. To ensure accurate interpretation of this Policy, please refer to Appendix A and review the meaning of key terms.

2. Rationale for Policy

ATU is committed to providing a workplace and educational environment, as well as other benefits, programs, and activities that are free from discrimination, harassment, and retaliation. To ensure compliance with federal and state civil rights laws and regulations, and to affirm its commitment to promoting the goals of fairness and equity in all aspects of the educational program or activity, ATU has developed policies and procedures that provide a process for those involved in an allegation of discrimination or harassment on the basis of protected class status, and also for allegations of retaliation.

3. Applicable Scope

The purpose of this Policy is the prohibition of discrimination. When an alleged violation of this anti-discrimination policy is reported, depending on the type of allegation, it will be investigated using ATU’s “Process A” or “Process B” as detailed below.

When the Respondent is a member of the ATU community, a grievance process may be available regardless of the status of the Complainant, who may or may not be a member of the ATU community. This community includes, but is not limited to, students, student organizations, faculty, administrators, staff, and third parties such as guests, visitors, volunteers, invitees, and campers. The procedures below may be applied to incidents, to patterns, and/or to the campus climate, all of which may be addressed and investigated in accordance with this Policy.

4. Title IX Coordinator and Affirmative Action/Equal Opportunity Officer

At ATU, multiple individuals work together to oversee implementation of best-practice policies and procedures to support students, staff, and faculty.

- Amy Pennington serves as the Title IX Coordinator and oversees gender-based discrimination compliance.
- Kristy Davis serves as the ADA/504 Coordinator and oversees disability compliance for students.
- Christina Stolarz serves as the Affirmative Action/Equal Employment Opportunity Officer (AA/EEO) and oversees protected class discrimination, excluding gender, disability compliance for employees, and ATU’s Affirmative Action and Equal Employment Opportunity plan.

For the purpose of this Policy, ATU defines “student” as any individual who is currently enrolled, full-time or part-time, in any non-credit or credit courses pursuing undergraduate, graduate, post-graduate/professional studies, or concurrent high school. This includes an individual who has been notified of acceptance for admission but has yet to be enrolled for study.
5. **Independence and Conflict-of-Interest**

Amy Pennington, AVP/Dean of Students and Title IX Coordinator, manages the Title IX team and acts with independence and authority free from bias and conflicts of interest. As the Title IX Coordinator, Amy Pennington oversees gender-based discrimination resolutions under this Policy as well as Process A and Process B. The members of the Title IX Team are vetted and trained to ensure they are not biased for or against any party in a specific case, or for or against Complainants and/or Respondents, generally.

Christina Stolarz, Director of Human Resources and AA/EEO Officer/Deputy Title IX Coordinator acts with independence and authority free from bias and conflicts of interest. As the AA/EEO Officer, Christina Stolarz oversees protected class discrimination resolutions under this Policy, specifically those in Process B.

Reports of misconduct or discrimination committed by the Title IX Coordinator, Amy Pennington, or the AA/EEO Officer, Christina Stolarz, should be reported to Dr. Robin Bowen, ATU President, or designee. Reports of misconduct or discrimination committed by any other Title IX Team member should be reported to Amy Pennington.

In case of emergency or for immediate assistance, please dial 911.

ATU has also classified many employees as Responsible Employees. These employees are mandated to share any report or knowledge they have that a member of the ATU community is experiencing harassment, discrimination, and/or retaliation with the Title IX Coordinator. The section titled “Responsible Employees” details which employees have this responsibility and their duties.

2. Report online, using the reporting form posted at https://cm.maxient.com/reportingform.php?ArkansasTechUniv&layout_id=2. Anonymous reports are accepted via this reporting mechanism but can give rise to a need to investigate. ATU tries to provide supportive measures to all Complainants, which is impossible with an anonymous report. Reporting carries no obligation to initiate a formal response. ATU respects Complainant requests to dismiss complaints unless there is a compelling threat to health and/or safety.

A formal complaint means a document submitted or signed by the Complainant or signed by the Title IX Coordinator alleging a policy violation by a Respondent and requesting that ATU investigate the allegation(s). A complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information in the section immediately above, or as described in this section. As used in this paragraph, the phrase “document filed by a Complainant” means a written document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by ATU) that contains the Complainant’s physical or digital signature, or otherwise indicates that the Complainant is the person filing the complaint and requests that ATU investigate the allegations. If notice is submitted in a form that does not meet this standard, the Title IX Coordinator will contact the Complainant to ensure that it is filed correctly.

8. **Supportive Measures**

ATU will offer supportive measures to the parties upon notice of alleged harassment, discrimination, and/or retaliation.

Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the parties to attempt to restore or preserve access to ATU’s education program or activity, including measures designed to protect the safety of all parties or ATU’s educational environment as well as deter harassment, discrimination, or retaliation.

The Title IX Coordinator or the AA/EEO Officer will make supportive measures available to the parties upon receiving notice or a complaint. At the time that supportive measures are offered, ATU will inform the Complainant, in writing, that they may file a formal complaint with ATU either at that time or in the future, if they have not done so already. The Title IX Coordinator or the AA/EEO Officer will work with the Complainant to ensure that their wishes are taken into account with respect to the supportive measures that are planned and implemented.

ATU will strive for as minimal an academic/occupational impact on the parties as possible. ATU will implement measures in a way that does not unreasonably burden the other party.

These actions may include, but are not limited to:

- Referral to counseling, medical, and/or other healthcare services
- Referral to community-based service providers
- Visa and immigration assistance
- Student financial aid counseling
- Education to the institutional community or community subgroup(s)
- Altering campus housing assignment(s)
- Altering work arrangements for employees or student-employees
- Safety planning
- Providing campus safety escorts
- Providing transportation accommodations
- Implementing contact limitations (no contact directives) between the parties
- Academic support, extensions of deadlines, or other course/program-related adjustments
- Campus ban letters
- Timely warnings
- Class schedule modifications, withdrawals, or leaves of absence
- Increased security and monitoring of certain areas of the campus
- Any other actions deemed appropriate by the Title IX Coordinator or the AA/EEO Officer

Violations of no contact directives will be referred to appropriate student or employee conduct processes for enforcement.
9. **Emergency Removal**

ATU can act to remove a Respondent entirely or partially from its education program or activities on an emergency basis when an individualized safety and risk analysis has determined that an immediate threat to the physical health or safety of any student or other individual justifies removal. This risk analysis is performed by the Title IX Coordinator and/or the AA/EEO Officer in conjunction with the CARE Team, the campus behavioral intervention team, using its standard objective violence risk assessment procedures.

In all cases in which an emergency removal is imposed, the student, employee, or two (2) representatives from a student organization will be given notice of the action and the option to request a show cause meeting with Amy Pennington, AVP/Dean of Students and Title IX Coordinator, or Christina Stolarz, Director of Human Resources and AA/EEO Officer/Deputy Title IX Coordinator, prior to such action/removal being imposed, or as soon thereafter as reasonably possible, to show cause why the action/removal should not be implemented or should be modified.

This meeting is not a hearing on the merits of the allegation(s), but rather is an administrative process intended to determine solely whether the emergency removal is appropriate. When this meeting is not requested within 24-hours of the issuance of the notice, objections to the emergency removal will be deemed waived. A Complainant and their Advisor may be permitted to participate in this meeting if the Title IX Coordinator or the AA/EEO Officer determines it is equitable to do so. This section also applies to any restrictions that a coach or athletic administrator may place on a student-athlete arising from allegations related to Title IX. There is no appeal process for emergency removal decisions.

A Respondent may be accompanied by an Advisor of their choice when meeting with the Title IX Coordinator or the AA/EEO Officer for the show cause meeting. The Respondent will be given access to a written summary of the basis for the emergency removal prior to the meeting to allow for adequate preparation.

The Title IX Coordinator or the AA/EEO Officer has sole discretion under this Policy to implement or stay an emergency removal and to determine the conditions and duration. Violation of an emergency removal under this Policy will be grounds for discipline, which may include expulsion or termination.

ATU will implement the least restrictive emergency actions possible in light of the circumstances and safety concerns. As determined by the Title IX Coordinator or the AA/EEO Officer these actions could include, but are not limited to:

- removing a student from a residence hall,
- temporarily reassigning an employee,
- restricting a student’s or employee’s access to or use of facilities or equipment,
- allowing a student to withdraw or take grades of incomplete without financial penalty,
- authorizing an administrative leave, or;
- suspending a student’s participation in extracurricular activities, student employment, student organizational leadership, or intercollegiate/intramural athletics.

At the discretion of the Title IX Coordinator or the AA/EEO Officer, alternative coursework options may be pursued to ensure as minimal an academic impact as possible on the parties.

10. **Promptness**

All allegations are acted upon promptly by ATU once it has received notice or a formal complaint. Complaints can take 60-90 business days to resolve, typically. There are always exceptions and extenuating circumstances that can cause a resolution to take longer, but ATU will avoid undue delays within its control.

Any time the general timeframes for resolution outlined in ATU procedures will be delayed, ATU will provide written notice to the parties of the delay, the cause of the delay, and an estimate of the anticipated additional
time that will be needed as a result of the delay.

11. Privacy

Every effort is made by ATU to preserve the privacy of reports. Unless required by law or this Policy, ATU will not share the identity of any individual who has made a report or complaint of harassment, discrimination, or retaliation; any Complainant, any individual who has been reported to be the perpetrator of sex discrimination (gender discrimination), any Respondent, or any witness, except as permitted by the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. 1232g; FERPA regulations, 34 CFR part 99; or as required by law; or to carry out the purposes of 34 CFR Part 106, including the conducting of any investigation, hearing, or grievance proceeding arising under these policies and procedures.

ATU reserves the right to determine which ATU officials have a legitimate educational interest in being informed about incidents that fall within this Policy, pursuant to the Family Educational Rights and Privacy Act (FERPA).

Only a small group of officials who need to know will typically be told about the complaint. This may include, but is not limited to: Human Resources, Division of Student Affairs, ATU Department of Public Safety, and the CARE Team. Information will be shared as necessary with Investigators, DecisionMakers, witnesses, and the parties. The circle of people with this knowledge will be limited as much as possible to preserve the parties’ rights and privacy.

ATU may contact parents/guardians to inform them of situations in which there is a significant and articulable health and/or safety risk, but will usually consult with the student first before doing so.

Confidentiality and mandated reporting are addressed more specifically below.

12. Jurisdiction of ATU

This Policy, and the procedures in Process A, apply to the education program and activities of ATU. Specifically, they apply to conduct that takes place on the campus or on property owned or controlled by ATU, at ATU-sponsored events, or in buildings owned or controlled by ATU’s recognized student organizations. The Respondent must be a member of ATU's community in order for ATU’s policies to apply.

This Policy, and the procedures in Process A and Process B, can also be applicable to off-campus misconduct that effectively deprives someone of access to ATU’s educational program. ATU may also extend jurisdiction to off-campus and/or to online conduct when the Title IX Coordinator determines that the conduct affects a substantial ATU interest.

2 For the purpose of this Policy, privacy and confidentiality have distinct meanings. Privacy means that information related to a complaint will be shared with a limited number of employees who “need to know” in order to assist in the assessment, investigation, and resolution of the report. All employees who are involved in ATU’s response to notice under this Policy receive specific training and guidance about sharing and safeguarding private information in accordance with state and federal law. The privacy of student education records will be protected in accordance with the Family Educational Rights and Privacy Act (“FERPA”), as outlined in ATU’s FERPA policy. The privacy of employee records will be protected in accordance with Human Resources policies. Confidentiality exists in the context of laws that protect certain relationships, including those who provide services related to medical and clinical care, mental health providers, counselors, and ordained clergy. The law creates a privilege between certain health care providers, mental health care providers, attorneys, clergy, spouses, and others, with their patients, clients, parishioners, and spouses. ATU has designated individuals who have the ability to have privileged communications as Confidential Resources. More information about Confidential Resources, can be found in this Policy. When information is shared by a Complainant with a Confidential Resource, the Confidential Resource cannot reveal the information to any third party except when an applicable law or a court order requires or permits disclosure of such information. For example, information may be disclosed when: (i) the individual gives written consent for its disclosure; (ii) there is a concern that the individual will likely cause serious physical harm to self or others; or (iii) the information concerns conduct involving suspected abuse or neglect of a minor under the age of 18, elders, or individuals with disabilities. Non-identifiable information may be shared by Confidential Resources for statistical tracking purposes as required by the federal Clery Act. Other information may be shared as required by law.
A substantial ATU interest includes:

a. Any situation in which it is determined that the Respondent poses an immediate threat to the physical health or safety of any student or other individual or the ATU campus.

If the Respondent is unknown or is not a member of the ATU community, the Title IX Coordinator or the AA/EEO Officer will assist the Complainant in identifying campus and local resources and supportive measures available and, when criminal conduct is alleged, in contacting local or campus law enforcement if the individual would like to file a police report.

In addition, ATU may take other actions as appropriate to protect the Complainant against third parties, such as barring individuals from ATU property and/or events.

All vendors serving ATU through third-party contracts are subject to the policies and procedures of their employers and to these policies and procedures to which their employer has agreed to be bound by their contracts.

When the Respondent is enrolled in or employed by another institution, the Title IX Coordinator or the AA/EEO Officer can assist the Complainant in liaising with the appropriate individual at that institution, as it may be possible to allege violations through that institution’s policies.

Similarly, the Title IX Coordinator or the AA/EEO Officer may be able to assist and support a student or employee Complainant who experiences discrimination in an externship, study abroad program, or other environment external to ATU where harassment or nondiscrimination policies and procedures of the facilitating or host organization may give recourse to the Complainant.

13. **Time Limits on Reporting**

There is no time limitation on submitting complaints to the Title IX Coordinator or the AA/EEO Officer. However, if the Respondent is no longer subject to ATU’s jurisdiction or significant time has passed, the ability to investigate, respond, and provide remedies may be more limited or impossible.

Acting on complaints significantly impacted by the passage of time (including, but not limited to, the rescission or revision of policy) is at the discretion of the Title IX Coordinator or the AA/EEO Officer, who may document allegations for future reference, offer supportive measures and/or remedies, and/or engage in informal or formal action, as appropriate.

When a complaint is affected by significant time delay, ATU will apply the policy and procedures in place at the time the complaint is made.

14. **Online Harassment and Misconduct**

The policies of ATU cover online manifestations of any of the behaviors prohibited by this Policy, when those behaviors occur in, or have an effect on, ATU’s education program or activities or uses ATU networks, technology, or equipment.

Online posting or other electronic communication by students, including cyber-bullying, cyber-stalking, cyber-harassment, etc., occurring completely outside of ATU’s control (e.g., not on ATU networks, websites, or between ATU email accounts) will be subject to this Policy only when such online conduct can be shown to cause a substantial in-program disruption.

Otherwise, such communications are considered speech protected by the First Amendment. Supportive measures for Complainants will be provided, but protected speech cannot legally be subjected to discipline.

Off-campus harassing speech by employees, whether online or in person, may be regulated by ATU only when such speech is made in an employee’s official or work-related capacity.

15. **Policy Definitions**

A. **Policy on Nondiscrimination**

ATU adheres to all federal and state civil rights laws and regulations prohibiting discrimination in public...
institutions of higher education.

ATU does not discriminate against any employee, applicant for employment, student, or applicant for admission on the basis of:

- Color
- Sex
- Sexual orientation
- Gender identity
- Race
- Age
- National origin
- Religion
- Veteran status
- Genetic information
- Disability
- or any other protected category under applicable local, state, or federal law, including protections for those opposing discrimination or participating in any grievance process on campus or with the Equal Employment Opportunity Commission.

This Policy covers nondiscrimination in both employment at the University and access to University educational opportunities. Any member of the ATU community whose acts deny, deprive, or limit the educational or employment opportunities of any member of the ATU community, guest, or visitor on the basis of that person’s actual or perceived membership in the protected classes listed above is in violation of ATU policy on nondiscrimination.

When brought to the attention of the AA/EEO Officer, any such discrimination will be addressed by ATU according to the grievance process described in Process B.

**B. Policy on Disability Discrimination and Accommodation**

ATU is committed to full compliance with the Americans With Disabilities Act of 1990 (ADA), as amended, and Section 504 of the Rehabilitation Act of 1973, which prohibit discrimination against qualified persons with disabilities, as well as other federal and state laws and regulations pertaining to individuals with disabilities.

Under the ADA and its amendments, a person has a disability if they have a physical or mental impairment that substantially limits a major life activity.

Kristy Davis, Associate Dean for Student Wellness, has been designated as ATU’s ADA/504 Coordinator responsible for overseeing efforts to comply with these disability laws, including responding to reports of any allegation of noncompliance or discrimination based on disability. Any complaints submitted electronically or reported to other individuals alleging discrimination based upon disability will be forwarded to Kristy Davis.

Grievances related to disability status and/or accommodations will be addressed using Process B in this Policy. ATU will maintain these records in the Health and Wellness Center for a period of at least seven (7) years.

i. **Students with Disabilities**

ATU is committed to providing qualified students with disabilities with reasonable accommodations and support needed to ensure equal access to the academic programs, facilities, and activities of ATU.

All accommodations are made on an individualized basis. A student requesting any accommodation should first contact Ashlee Leavell, Assistant Dean for Student Wellness and Deputy Title IX Coordinator, who coordinates services for students with disabilities at sleavell8@atu.edu. Students may also submit a request

The staff in the Disability Services Office reviews documentation provided by the student and, in consultation with the student, determines which accommodations are appropriate for the student’s particular needs and academic program(s) in accordance with ATU’s applicable policies.

ii. **Employees with Disabilities**

Pursuant to the ADA, ATU will provide reasonable accommodation(s) to all qualified employees with known disabilities when their disability affects the performance of their essential job functions, except when doing so would be unduly disruptive or would result in undue hardship to ATU.

An employee with a disability is responsible for submitting a request for an accommodation to Christina Stolarz, Director of Human Resources and AA/EEO Officer/Deputy Title IX Coordinator, and providing necessary documentation at cstolarz@atu.edu. The Director of Human Resources will work with the employee’s supervisor to identify which essential functions of the position are affected by the employee’s disability and what reasonable accommodations could enable the employee to perform those duties in accordance with ATU’s applicable policies.

C. **Policy on Discriminatory Harassment**

Students, staff, administrators, and faculty are entitled to an employment and educational environment that is free of discriminatory harassment. ATU’s harassment policy is not meant to inhibit or prohibit educational content or discussions inside or outside of the classroom that include germane but controversial or sensitive subject matters protected by academic freedom.

The sections below describe the specific forms of legally prohibited harassment that are also prohibited under ATU policy. When speech or conduct is protected by academic freedom and/or the First Amendment, it will not be considered a violation of ATU policy. All policies encompass actual and/or attempted offenses.

i. **Discriminatory Harassment**

Discriminatory harassment constitutes a form of discrimination that is prohibited by ATU policy. Discriminatory harassment is defined as unwelcome conduct by any member or group of the community on the basis of actual or perceived membership in a class protected by policy or law.

ATU does not tolerate discriminatory harassment of any employee, student, visitor, or guest. ATU will investigate harassment when reported.

A hostile environment is one that unreasonably interferes with, limits, or effectively denies an individual’s educational or employment access, benefits, or opportunities. This discriminatory effect results from harassing verbal, written, graphic, or physical conduct that is severe or pervasive and objectively offensive.

When discriminatory harassment rises to the level of creating a hostile environment, ATU may also impose sanctions on the Respondent through application of Process B in this Policy.

ATU reserves the right to address offensive conduct and/or harassment that 1) does not rise to the level of creating a hostile environment, or 2) that is of a generic nature and not based on a protected status. Addressing such conduct will not result in the imposition of discipline under ATU policy, but may be addressed through respectful conversation, remedial actions, education, and/or other informal resolution mechanisms.

ii. **Sexual Harassment**

The U.S. Department of Education’s Office for Civil Rights (OCR), the Equal Employment Opportunity Commission (EEOC), and the State of Arkansas regard Sexual Harassment, a specific form of discriminatory harassment, as an unlawful discriminatory practice.

---

ATU has adopted the following definition of Sexual Harassment in order to address the unique environment of an academic community.

Acts of sexual harassment may be committed by any person upon any other person, regardless of the sex, sexual orientation, and/or gender identity of those involved.

Sexual Harassment, as an umbrella category, includes the offenses of sexual harassment, sexual assault, domestic violence, dating violence, and stalking, and is defined as:

Conduct on the basis of sex/gender or that is sexual satisfies one or more of the following:

1. **Quid Pro Quo:**
   a. an employee of ATU,
   b. conditions the provision of an employment or educational benefit, aid, or service of ATU,
   c. on an individual’s participation in unwelcome sexual conduct.

2. **Sexual Harassment:**
   a. unwelcome conduct,
   b. determined by a reasonable person,
   c. to be so severe, and
   d. pervasive, and,
   e. objectively offensive,
   f. that it effectively denies a person equal access to ATU’s education program or activity.\(^4\)

3. **Sexual assault, defined as:**
   a. **Sex Offenses, Forcible:**
      • Any sexual act directed against another person,
      • without the consent of the Complainant,
      • including instances in which the Complainant is incapable of giving consent.
   b. **Forcible Rape:**
      • Penetration,
      • no matter how slight,
      • of the vagina or anus with any body part or object, or
      • oral penetration by a sex organ of another person,
      • without the consent of the Complainant.
   c. **Forcible Sodomy:**
      • Oral or anal sexual intercourse with another person,
      • forcibly,
      • and/or against that person’s will (non-consensually), or

---

4 Unwelcomeness is subjective and determined by the Complainant (except when the Complainant is below the age of consent). Severity, pervasiveness, and objective offensiveness are evaluated based on the totality of the circumstances from the perspective of a reasonable person in the same or similar circumstances (“in the shoes of the Complainant”), including the context in which the alleged incident occurred and any similar, previous patterns that may be evidenced.
• not forcibly or against the person’s will in instances in which the Complainant is incapable of giving consent because of age\(^5\) or because of temporary or permanent mental or physical incapacity.

d. Sexual Assault with an Object:
• The use of an object or instrument to penetrate,
• however slightly,
• the genital or anal opening of the body of another person,
• forcibly,
• and/or against that person’s will (non-consensually),
• or not forcibly or against the person’s will in instances in which the Complainant is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.

e. Forcible Fondling:
• The touching of the private body parts of another person (buttocks, groin, breasts),
• for the purpose of sexual gratification,
• forcibly,
• and/or against that person’s will (non-consensually),
• or not forcibly or against the person’s will in instances in which the Complainant is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.

f. Sex Offenses, Non-forcible:
• Incest:
  1. Non-forcible sexual intercourse,
  2. between persons who are related to each other,
  3. within the degrees wherein marriage is prohibited by Arkansas law.
• Statutory Rape:
  1. Non-forcible sexual intercourse,
  2. with a person who is under the statutory age of consent of 14.

4. Dating Violence, defined as:
   a. violence,
   b. on the basis of sex,
   c. committed by a person,
   d. who is in or has been in a social relationship of a romantic or intimate nature with the Complainant.
   i. The existence of such a relationship shall be determined based on the Complainant’s statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. For the purposes of this definition—

\(^5\) Per state law.
ii. Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.

iii. Dating violence does not include acts covered under the definition of domestic violence.

5. Domestic Violence, defined as:
   a. violence,
   b. on the basis of sex,
   c. committed by a current or former spouse or intimate partner of the Complainant,
   d. by a person with whom the Complainant shares a child in common, or
   e. by a person who is cohabitating with, or has cohabitated with, the Complainant as a spouse or intimate partner, or
   f. by a person similarly situated to a spouse of the Complainant under the domestic or family violence laws of Arkansas, or
   g. by any other person against an adult or youth Complainant who is protected from that person’s acts under the domestic or family violence laws of Arkansas.

To categorize an incident as Domestic Violence, the relationship between the Respondent and the Complainant must be more than just two people living together as roommates. The people cohabitating must be current or former spouses or have an intimate relationship.

6. Stalking, defined as:
   a. engaging in a course of conduct,
   b. on the basis of sex,
   c. directed at a specific person, that
      i. would cause a reasonable person to fear for the person’s safety, or
      ii. the safety of others; or
      iii. suffer substantial emotional distress.

For the purposes of this definition—
   1. Course of conduct means two or more acts, including, but not limited to, acts in which the Respondent directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person’s property.
   2. Reasonable person means a reasonable person under similar circumstances and with similar identities to the Complainant.
   3. Substantial emotional distress means significant mental suffering or anguish that may but does not necessarily require medical or other professional treatment or counseling.

**ATU Consensual Relations Policy**

Sexual relations between employees and those with whom they also have an academic evaluative or supervisory relationship are fraught with the potential for exploitation. The respect and trust accorded a professor or staff member by a student, as well as the power exercised by the professor, or other staff member, in an academic or evaluative role, make voluntary consent by the subordinate suspect. Even when both parties have previously consented, circumstances could change and conduct that was once welcome could become unwelcome and the development of a sexual relationship renders both the employee and the institution vulnerable to possible later allegations of sexual harassment in light of the significant power differential that exists between individuals in unequal positions.
In their relationships with students, members of the faculty, as well as employees whose position may be perceived as one of authority, are expected to be aware of their professional responsibilities and to avoid apparent or actual conflicts of interest, favoritism, or bias. When a sexual relationship exists, effective steps should be taken to ensure unbiased evaluation or supervision takes place.

An employee, whether faculty or staff, should not develop a dating or sexual relationship with a student whenever the employee is in a “position of authority”, real or perceived, over that student. An employee is in a “position of authority” whenever he or she is that student’s teacher, or when the employee is either evaluating or supervising the student. This includes resident assistants and students over whom they have direct responsibility. The “position of authority” may also include formally advising the student or when that student is a major in the employee’s department or college.

A supervisor, whether faculty or staff, should also not develop a dating or sexual relationship with an employee when the supervisor has a “position of authority”, real or perceived, with respect to the employee.

Should a dating or sexual relationship develop or exist, the person with the greater position of authority must consult with an appropriate supervisor immediately. Failure to self-report such relationships may result in disciplinary action. The supervisor, with advice from University Counsel, shall develop a mechanism to ensure that objective evaluation is achieved, that conflicts of interest are avoided, and that the interest of the other individual and University are fully protected. This will likely result in the removal of the employee from the supervisory or evaluative responsibility, or shift the individual out of being supervised or evaluated by someone with whom they have a consensual relationship.

A TU reserves the right to impose any level of sanction, ranging from a reprimand up to and including suspension or expulsion/termination, for any offense under this Policy.

### iii. Force, Coercion, Consent, and Incapacitation

The State of Arkansas defines consent as follows: There is a lack of consent if a person engages in a sexual act with another person by forcible compulsion or with a person who is incapable of consent because he or she is physically helpless, mentally defective or mentally incapacitated, or because of a victim’s age. Arkansas Code §§ 5-14-103; 5-14-125.

- “Mentally defective” means that a person suffers from a mental disease or defect that renders the person:
  - incapable of understanding the nature and consequences of a sexual act; or
  - unaware a sexual act is occurring. Note: a determination that a person is mentally defective shall not be based solely on the person’s IQ. Arkansas Code §§ 5-14-101(4).
- “Mentally incapacitated” means that a person is temporarily incapable of appreciating or controlling the person’s conduct as a result of the influence of a controlled or intoxicating substance:
  - administered to the person without the person’s consent; or
  - that renders the person unaware a sexual act is occurring. Arkansas Code §§ 5-14-101(5).
- “Physically helpless” means that a person is:
  - unconscious;
  - physically unable to communicate a lack of consent; or
  - rendered unaware that a sexual act is occurring. Arkansas Code §§ 5-14-101(7)
- A nursing home patient was unable to communicate lack of consent and, thus, was “physically helpless” within meaning of statute for attempted rape purposes; victim was blind, unable to speak, and confined to bed or wheelchair, and victim could only grunt, raise her hand, and shake her head from side to side to communicate. Dabney v. State, 1996, 930 S.W.2d 360, 326 Ark. 382.

Note: When criminality of conduct depends on a victim’s being incapable of consent because he or she is mentally defective or mentally incapacitated, it is an affirmative defense that the actor reasonably believed that the victim was capable of consent. Arkansas Code §§ 5-14-102(e) - The existence of forcible
As used in the offenses above, the following definitions and understandings apply:

**Force:** Force is the use of physical violence and/or physical imposition to gain sexual access. Force also includes threats, intimidation (implied threats), and coercion that is intended to overcome resistance or produce consent (e.g., “Have sex with me or I’ll hit you,” “Okay, don’t hit me, I’ll do what you want.”). Sexual activity that is forced is, by definition, non-consensual, but non-consensual sexual activity is not necessarily forced. Silence or the absence of resistance alone is not consent. Consent is not demonstrated by the absence of resistance. While resistance is not required or necessary, it is a clear demonstration of non-consent.

**Coercion:** Coercion is unreasonable pressure for sexual activity. Coercive conduct differs from seductive conduct based on factors such as the type and/or extent of the pressure used to obtain consent. When someone makes clear that they do not want to engage in certain sexual activity, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.

**Consent is:**
- knowing, and
- voluntary, and
- clear permission
- by word or action
- to engage in sexual activity.

Individuals may experience the same interaction in different ways. It is the responsibility of each party to determine that the other has consented before engaging in the activity.

If consent is not clearly provided prior to engaging in the activity, consent may be ratified by word or action at some point during the interaction or thereafter, but clear communication from the outset is strongly encouraged.

For consent to be valid, there must be a clear expression in words or actions that the other individual consented to that specific sexual conduct. Reasonable reciprocation can be implied. For example, if someone kisses you, you can kiss them back (if you want to) without the need to explicitly obtain their consent to being kissed back.

Consent can also be withdrawn once given, as long as the withdrawal is reasonably and clearly communicated. If consent is withdrawn, that sexual activity should cease within a reasonable time.

Consent to some sexual contact (such as kissing or fondling) cannot be presumed to be consent for other sexual activity (such as intercourse). A current or previous intimate relationship is not sufficient to constitute consent.

The existence of consent is based on the totality of the circumstances evaluated from the perspective of a reasonable person in the same or similar circumstances, including the context in which the alleged incident occurred.

**Incapacitation:** A person cannot consent if they are unable to understand what is happening or is disoriented, helpless, asleep, or unconscious, for any reason, including by alcohol or other drugs. As stated above, a Respondent violates this Policy if they engage in sexual activity with someone who is incapable of giving consent.

Compulsion in a rape case does not depend on the quantum of force that is applied but rather on whether the act is consummated against the victim’s will. Hillman v. State, 569 S.W.3d 372 (Arkansas 2019), which is applicable to criminal prosecutions for sex offenses in Arkansas but may differ from the definition used on campus to address policy violations.
It is a defense to a sexual assault policy violation that the Respondent neither knew nor should have known the Complainant to be physically or mentally incapacitated. “Should have known” is an objective, reasonable person standard that assumes that a reasonable person is both sober and exercising sound judgment.

Incapacitation occurs when someone cannot make rational, reasonable decisions because they lack the capacity to give knowing/informed consent (e.g., to understand the “who, what, when, where, why, or how” of their sexual interaction).

Incapacitation is determined through consideration of all relevant indicators of an individual’s state and is not synonymous with intoxication, impairment, blackout, and/or being drunk.

This Policy also covers a person whose incapacity results from a temporary or permanent physical or mental health condition, involuntary physical restraint, and/or the consumption of incapacitating drugs.

iv. Other Civil Rights Offenses

In addition to the forms of sexual harassment described above, which are covered by Title IX, ATU additionally prohibits the following offenses as forms of discrimination that may be within or outside of Title IX when the act is based upon the Complainant’s actual or perceived membership in a protected class.

• Sexual Exploitation, defined as: taking non-consensual or abusive sexual advantage of another for their own benefit or for the benefit of anyone other than the person being exploited, and that conduct does not otherwise constitute sexual harassment under this Policy. Examples of Sexual Exploitation include, but are not limited to:
  • Sexual voyeurism (such as observing or allowing others to observe a person undressing or using the bathroom or engaging in sexual acts, without the consent of the person being observed)
  • Invasion of sexual privacy.
  • Taking pictures, video, or audio recording of another in a sexual act, or in any other sexually-related activity when there is a reasonable expectation of privacy during the activity, without the consent of all involved in the activity, or exceeding the boundaries of consent (such as allowing another person to hide in a closet and observe sexual activity, or disseminating sexual pictures without the photographed person’s consent), including the making or posting of revenge pornography
  • Prostituting another person
  • Engaging in sexual activity with another person while knowingly infected with human immunodeficiency virus (HIV) or a sexually-transmitted disease (STD) or infection (STI), without informing the other person of the infection
  • Causing or attempting to cause the incapacitation of another person (through alcohol, drugs, or any other means) for the purpose of compromising that person’s ability to give consent to sexual activity, or for the purpose of making that person vulnerable to non-consensual sexual activity
  • Misappropriation of another person’s identity on apps, websites, or other venues designed for dating or sexual connections
  • Forcing a person to take an action against that person’s will by threatening to show, post, or share information, video, audio, or an image that depicts the person’s nudity or sexual activity
  • Knowingly soliciting a minor for sexual activity
  • Engaging in sex trafficking
  • Creation, possession, or dissemination of child pornography
  • Threatening or causing physical harm, extreme verbal, emotional, or psychological abuse, or other conduct which threatens or endangers the health or safety of any person; and,
  • Discrimination, defined as actions that deprive, limit, or deny other members of the community of
educational or employment access, benefits, or opportunities.

Violation of any other ATU policies may constitute a Civil Rights Offense when a violation is motivated by actual or perceived membership in a protected class, and the result is a discriminatory limitation or denial of employment or educational access, benefits, or opportunities.

Sanctions for the above-listed Civil Rights Offenses range from reprimand up to and including suspension or expulsion/termination.

16. Retaliation

Protected activity under this Policy includes reporting an incident that may implicate this Policy, participating in the grievance process, assisting in providing information relevant to an investigation, and/or acting in good faith to oppose conduct that constitutes a violation of this Policy.

Acts of alleged retaliation should be reported immediately to the Title IX Coordinator or the AA/EEO Officer. ATU is prepared to take appropriate steps to protect individuals who fear that they may be subjected to retaliation.

It is prohibited for any member of ATU’s community to take materially adverse action by intimidating, threatening, coercing, harassing, or discriminating against any individual for the purpose of interfering with any right or privilege secured by law or policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this Policy and procedure.

Charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, constitutes retaliation.

The exercise of rights protected under the First Amendment does not constitute retaliation.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this Policy and procedure does not constitute retaliation, provided that a determination regarding responsibility, alone, is not sufficient to conclude that any party has made a materially false statement in bad faith.

17. Responsible Employees

Many ATU employees are mandated to report actual or suspected discrimination or harassment to the Title IX Coordinator immediately, though there are some limited exceptions. The employees are called Responsible Employees and include the following:

- President
- Chancellor
- Vice Presidents
- Chief Officers
- Associate Vice Presidents
- Assistant Vice Presidents
- Academic Dean
- Academic Department Heads and Program Chairs
- Dean of Students
- Associate Deans
- Assistant Deans
- Area Coordinators
Specific names associated with each of these positions can be located on the Title IX website.

In order to make informed choices, it is important to be aware of confidentiality and mandatory reporting requirements when consulting campus resources. On campus, some resources may maintain confidentiality and are not required to report actual or suspected discrimination or harassment. They may offer options and resources without any obligation to inform an outside agency or campus official unless a Complainant has requested the information be shared.

If a Complainant expects formal action in response to their allegations, reporting to an Official with Authority (the names of the Officials with Authority are provided in this Policy) can connect them with resources to report crimes and/or policy violations, and these employees will immediately pass reports to the Title IX Coordinator (and/or police, if desired by the Complainant), who will take action when an incident is reported to them.

The following sections describe the reporting options at ATU for a Complainant or third-party (including parents/guardians when appropriate):

a. **Confidential Resources**

If a Complainant would like the details of an incident to be kept confidential, the Complainant may speak with:

- On-campus licensed professional counselors
- On-campus health service providers
- Off-campus (non-employees):
  - Licensed professional counselors and other medical providers
  - Local rape crisis counselors
  - Domestic violence resources
  - Local or state assistance agencies
  - Clergy/chaplains
  - Attorneys

All of the above-listed individuals will maintain confidentiality when acting under the scope of their licensure, professional ethics, and/or professional credentials, except in extreme cases of immediacy of threat or danger or abuse of a minor/elder/individual with a disability, or when required to disclose by law or court order.

ATU employees who are confidential and who receive reports within the scope of their confidential roles will timely submit anonymous statistical information for Clery Act purposes unless they believe it would be harmful to their client or patient.

At ATU confidential reports can be made to these employees, the licensed counselors and health care professionals staffed in the Health and Wellness Center. For more information on the Health and Wellness Center please visit [https://www.atu.edu/hwc/](https://www.atu.edu/hwc/).

You may also contact a licensed counselor or health care provider directly. A contact list is provided below:

**Counseling Services:**
b. **Responsible Employees and Formal Notice/Complaints**

Responsible employees (including student employees), with the exception of those who are designated as Confidential Resources, must promptly share with the Title IX Coordinator all known details of a report made to them in the course of their employment.

Responsible employees must also promptly share all details of behaviors under this Policy that they observe or have knowledge of, even if not reported to them by a Complainant or third-party.

Complainants may want to carefully consider whether they share personally identifiable details with non-confidential Responsible Employees, as those details must be shared with the Title IX Coordinator.

Generally, disclosures in climate surveys, classroom writing assignments or discussions, human subjects research, or at events such as “Take Back the Night” marches or speakouts do not provide notice that must be reported to the Title IX Coordinator by employees, unless the Complainant clearly indicates that they desire a report to be made or a seek a specific response from ATU.

Supportive measures may be offered as the result of such disclosures without formal ATU action.

Failure of a Responsible Employee, as described above in this section, to report an incident of harassment or discrimination of which they become aware is a violation of ATU policy and can be subject to disciplinary action for failure to comply.

Though this may seem obvious, when a Responsible Employee is engaged in harassment or other violations of this Policy, they still have a duty to report their own misconduct, though ATU is technically not on notice when a harasser is also a Responsible Employee unless the harasser does in fact report themselves.

Finally, it is important to clarify that a Responsible Employee who is a target of harassment or other misconduct under this Policy is not required to report their own experience, though they are, of course, encouraged to do so.

18. **When a Complainant Does Not Wish to Proceed**

If a Complainant does not wish for their name to be shared, does not wish for an investigation to take place, or does not want a formal complaint to be pursued, they may make such a request to the Title IX Coordinator and/or the AA/EEO Officer, who will evaluate that request in light of the duty to ensure the safety of the campus and to comply with state or federal law.

The Title IX Coordinator has ultimate discretion over whether ATU proceeds when the Complainant does not wish to do so, and the Title IX Coordinator may sign a formal complaint to initiate a grievance process upon completion of an appropriate violence risk assessment.

The Title IX Coordinator’s decision should be based on results of the violence risk assessment that show a compelling risk to health and/or safety that requires ATU to pursue formal action to protect the community.

A compelling risk to health and/or safety may result from evidence of patterns of misconduct, predatory conduct, threats, abuse of minors, use of weapons, and/or violence. ATU may be compelled to act on alleged employee misconduct irrespective of a Complainant’s wishes.
The Title IX Coordinator must also consider the effect that non-participation by the Complainant may have on the availability of evidence and ATU’s ability to pursue a formal grievance process fairly and effectively.

When the Title IX Coordinator executes the written complaint, they do not become the Complainant. The Complainant is the individual who is alleged to be the victim of conduct that could constitute a violation of this Policy.

When ATU proceeds, the Complainant (or their Advisor) may have as much or as little involvement in the process as they wish. The Complainant retains all rights of a Complainant under this Policy irrespective of their level of participation. Typically, when the Complainant chooses not to participate, the Advisor may be appointed as proxy for the Complainant throughout the process, acting to ensure and protect the rights of the Complainant, though this does not extend to the provision of evidence and testimony.

Note that ATU’s ability to remedy and respond to notice may be limited if the Complainant does not want ATU to proceed with an investigation and/or grievance process. The goal is to provide the Complainant with as much control over the process as possible, while balancing ATU’s obligation to protect its community.

In cases in which the Complainant requests confidentiality/no formal action and the circumstances allow ATU to honor that request, ATU will offer informal resolution options, supportive measures, and remedies to the Complainant and the community, but will not otherwise pursue formal action.

If the Complainant elects to take no action, they can change that decision if they decide to pursue a Formal Complaint at a later date. Upon making a Formal Complaint, it will be investigated and resolved through these procedures. Delays may cause limitations on access to evidence, or present issues with respect to the status of the parties.

19. Federal Timely Warning Obligations

Parties reporting sexual assault, domestic violence, dating violence, and/or stalking should be aware that under the Clery Act, ATU must issue timely warnings for Clery crimes, occurring within the Clery geography, reported to them that pose a serious or on-going threat to the campus community.

ATU will ensure that a Complainant’s name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the potential danger.

20. False Allegations and Evidence

Deliberately false and/or malicious accusations under this Policy are a serious offense and will be subject to appropriate disciplinary action. This does not include allegations that are made in good faith but are ultimately shown to be erroneous or do not result in a policy violation determination.

Additionally, witnesses and parties knowingly providing false evidence, tampering with or destroying evidence, or deliberately misleading an official conducting an investigation can be subject to discipline under ATU policy.

21. Amnesty for Complainants and Witnesses

The ATU community encourages the reporting of misconduct and crimes by Complainants and witnesses. Sometimes, Complainants or witnesses are hesitant to report to ATU officials or participate in grievance processes because they fear that they themselves may be in violation of certain policies, such as underage drinking or use of illicit drugs at the time of the incident. Respondents may hesitate to be forthcoming during the process for the same reasons.

It is in the best interests of the ATU community that Complainants choose to report misconduct to ATU officials, that witnesses come forward to share what they know, and that all parties be forthcoming during the process.

To encourage reporting and participation in the process, ATU maintains a policy of offering parties and witnesses amnesty from minor policy violations – such as underage consumption of alcohol or the use of illicit drugs – related to the incident.

Amnesty does not apply to more serious allegations such as physical abuse of another or illicit drug distribution. The decision not to offer amnesty is based on neither sex nor gender, but on the fact that collateral misconduct
is typically addressed for all students within a progressive discipline system, and the rationale for amnesty – the incentive to report serious misconduct – is rarely applicable to a Respondent with respect to a Complainant. Sometimes, students are hesitant to assist others for fear that they may get in trouble themselves. For example, an underage student who has been drinking or using marijuana might hesitate to help take an individual who has experienced sexual assault to the Department of Public Safety. ATU maintains a policy of amnesty for students who offer help to others in need. Although policy violations cannot be overlooked, ATU may provide purely educational options with no official disciplinary finding, rather than punitive sanctions, to those who offer their assistance to others in need.

22. Federal Statistical Reporting Obligations

Certain campus officials – those deemed Campus Security Authorities – have a duty to report the following for federal statistical reporting purposes (Clery Act):

a. All “primary crimes,” which include homicide (criminal homicide-murder and non-negligent manslaughter, manslaughter by negligence), sexual assault (rape, fondling, incest, statutory rape), robbery, aggravated assault, burglary, motor vehicle theft, and arson;

b. Hate crimes, which include any bias motivated primary crime as well as any bias motivated larceny/theft, simple assault, intimidation, or destruction/damage/vandalism of property;

c. VAWA-based crimes, which include sexual assault, domestic violence, dating violence, and stalking; and

d. Arrests and referrals for disciplinary action for weapons-related law violations, liquor-related law violations, and drug abuse-related law violations.

All personally identifiable information is kept private, but statistical information must be shared with the Department of Public Safety regarding the type of incident and its general location (on or off-campus or in the surrounding area, but no addresses are given) for publication in the Annual Security Report and Fire Safety Report and daily crime log.

Campus Security Authorities include: student affairs/student conduct staff, public safety staff, coaches, athletic directors, residence life staff, student activities staff, human resources staff, advisors to student organizations, and any other official with significant responsibility for student and campus activities. A complete list of employees who serve as a CSA can be obtained by contacting the Department of Public Safety.

23. Preservation of Evidence

The preservation of evidence in incidents of sexual assault is critical to potential criminal prosecution and to obtaining restraining orders, and particularly time-sensitive. Complainants should consider preserving evidence by taking the following actions:

1. Seek forensic medical assistance at a local hospital, ideally within 72-120 hours of the incident (sooner is better). In Russellville, Saint Mary’s Regional Medical Center is located at 1808 West Main Street. In Ozark, Mercy Hospital is located at 801 West River.

2. Avoid showering, bathing, washing hands or face, or douching, if possible, but evidence may still be collected even if you do.

3. Try not to urinate.

4. If oral sexual contact took place, refrain from smoking, eating, drinking, or brushing teeth.

5. If clothes are changed, place soiled clothes in a paper bag (plastic destroys evidence).

6. Seeking medical treatment can be essential even if it is not for the purposes of collecting forensic evidence.

7 VAWA is the Violence Against Women Act, enacted in 1994 codified in part at 42 U.S.C. sections 13701 through 14040.
During the initial meeting between the Complainant and the Title IX Coordinator, the importance of taking these actions will be reiterated, if timely.

**PROCESS A**

**INTERIM RESOLUTION PROCESS FOR ALLEGED VIOLATIONS OF THE POLICY ON EQUAL OPPORTUNITY, HARASSMENT (SEXUAL MISCONDUCT), AND NONDISCRIMINATION (KNOWN AS PROCESS A)**

1. **Overview**

   ATU will act on any formal or informal notice/complaint of violation of the Equal Opportunity, Harassment (Sexual Misconduct), and Nondiscrimination Policy and Procedures that is received by the Title IX Coordinator\(^8\), the AA/EEO Officer, or any other Official with Authority by applying these procedures, known as Process A.

   The procedures below, Process A, apply only to qualifying allegations of sexual harassment (including sexual assault, dating violence, domestic violence, and stalking, as defined above) involving students, staff, administrator, or faculty members.

   If other policies are invoked, such as policies on protected class harassment or discrimination above, please see Appendix C for a description of the procedures applicable to the resolution of such offenses, known as Process B.

   Process B can also apply to sexual harassment (including sexual assault, dating violence, domestic violence, and stalking, as defined above) when jurisdiction does not fall within Process A, as determined by the Title IX Coordinator.

   The procedures below may be used to address collateral misconduct arising from the investigation of or occurring in conjunction with reported misconduct (e.g., vandalism, physical abuse of another). All other allegations of misconduct unrelated to incidents covered by this Policy will be addressed through procedures described in the student, staff, and faculty handbooks.

2. **Notice/Complaint**

   Upon receipt of a notice or complaint to the Title IX Coordinator of an alleged violation of the Policy, the Title IX Coordinator initiates an initial assessment to determine the next steps ATU needs to take.

   The Title IX Coordinator will initiate at least one of three responses:

   1. Offer supportive measures because the Complainant does not want to file a formal complaint; and/or
   2. An informal resolution (upon submission of a formal complaint); and/or
   3. A Formal Grievance Process including an investigation and a hearing (upon submission of a formal complaint).

   ATU uses the Formal Grievance Process to determine whether or not this Policy has been violated. If so, ATU will promptly implement remedies designed to ensure that ATU is not deliberately indifferent to harassment or discrimination, their potential recurrence, or their effects.

3. **Initial Assessment**

\(^8\) Anywhere this procedure indicates “Title IX Coordinator,” ATU may substitute a trained designee.
Following receipt of a notice or complaint of an alleged violation of this Policy, the Title IX Coordinator engages in an initial assessment, typically within one (1) to five (5) business days. The steps in an initial assessment can include:

- If notice is given, the Title IX Coordinator seeks to determine if the person impacted wishes to make a formal complaint, and will assist them to do so, if desired.
  - If they do not wish to do so, the Title IX Coordinator determines whether to initiate a complaint because a violence risk assessment indicates a compelling threat to health and/or safety.
- If a formal complaint is received, the Title IX Coordinator assesses its sufficiency and works with the Complainant to make sure it is correctly completed.
- The Title IX Coordinator reaches out to the Complainant to offer supportive measures.
- The Title IX Coordinator works with the Complainant to ensure they are aware of the right to have an Advisor.
- The Title IX Coordinator works with the Complainant to determine whether the Complainant prefers a supportive and remedial response, an informal resolution option, or a formal investigation and grievance process.
  - If a supportive and remedial response is preferred, the Title IX Coordinator works with the Complainant to identify their wishes, assess the request, and implements accordingly. No Formal Grievance Process is initiated, though the Complainant can elect to initiate one later, if desired.
  - If an informal resolution option is preferred, the Title IX Coordinator assesses whether the complaint is suitable for informal resolution, and may seek to determine if the Respondent is also willing to engage in informal resolution.
  - If a Formal Grievance Process is preferred, the Title IX Coordinator determines if the misconduct alleged falls within the scope of Title IX:
    - If it does, the Title IX Coordinator will initiate the formal investigation and grievance process, directing the investigation to address:
      - an incident, and/or
      - a pattern of alleged misconduct, and/or
      - a culture/climate issue, based on the nature of the complaint.
    - If it does not, the Title IX Coordinator determines that Title IX does not apply and will “dismiss” that aspect of the complaint, if any. The Title IX Coordinator will then assess which policies may apply, if any, and may refer the matter for resolution under Process B. Please note that dismissing a complaint under Title IX is solely a procedural requirement under Title IX, and does not limit ATU’s authority to address a complaint with another appropriate process and remedy.

a. **Violence Risk Assessment**

   In many cases, the Title IX Coordinator may determine that a Violence Risk Assessment (VRA) should be conducted by the CARE Team as part of the initial assessment. A VRA can aid in nine (9) critical and/or required determinations, including:
   - Emergency removal of a Respondent on the basis of immediate threat to physical health/...
safety;

• Whether the Title IX Coordinator should pursue/sign a formal complaint absent a willing/able Complainant;
• Whether to put the investigation on the footing of incident and/or pattern and/or climate;
• To help identify potential predatory conduct;
• To help assess/identify grooming behaviors;
• Whether it is reasonable to try to resolve a complaint through informal resolution, and what modality may be most successful;
• Whether to permit a voluntary withdrawal by the Respondent;
• Assessment of appropriate sanctions/remedies (to be applied post-hearing); and/or
• Whether a Clery Act Timely Warning or campus ban is needed.

Threat assessment is the process of evaluating the actionability of violence by an individual against another person or group following the issuance of a direct or conditional threat. A VRA is a broader term used to assess any potential violence or danger, regardless of the presence of a vague, conditional, or direct threat.

VRAs require specific training and are typically conducted by psychologists, clinical counselors, social workers, case managers, law enforcement officers, student conduct officers, or other CARE Team (ATU’s behavioral intervention team) members. A VRA authorized by the Title IX Coordinator will occur in collaboration with the CARE Team. Where a VRA is required by the Title IX Coordinator, a Respondent refusing to cooperate may result in a charge of failure to comply within the appropriate student or employee conduct process.

A VRA is not an evaluation for an involuntary behavioral health hospitalization, nor is it a psychological or mental health assessment. A VRA assesses the risk of actionable violence, often with a focus on targeted/predatory escalations, and is supported by research from the fields of law enforcement, criminology, human resources, and psychology.

More about ATU’s process for VRA can be found below in Appendix B.

b. **Dismissal (Mandatory and Discretionary)**

ATU **must** dismiss a formal complaint or any allegations therein if, at any time during the investigation or hearing, it is determined that:

1. The conduct alleged in the formal complaint would not constitute sexual harassment as defined above, even if proved; and/or
2. The conduct did not occur in an employment or educational program or activity controlled by ATU (including buildings or property controlled by recognized student organizations), and/or ATU does not have control of the Respondent; and/or
3. The conduct did not occur against a person in the United States; and/or
4. At the time of filing a formal complaint, the Complainant is not participating in or attempting to participate in the education program or activity of ATU.

ATU **may** dismiss a formal complaint or any allegations therein if, at any time during the investigation or hearing:

1. A Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the formal complaint or any allegations therein; or
2. The Respondent is no longer enrolled in or employed by ATU; or

---

10 These dismissal requirements are mandated by the 2020 Title IX Regulations, 34 CFR Part 106.45.
3. Specific circumstances prevent ATU from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon any dismissal, ATU will promptly send written notice of the dismissal and the rationale for doing so to the parties on the same day.

This dismissal decision is appealable by any party under the procedures for appeal below. The decision not to dismiss is also appealable by any party claiming that a dismissal is required or appropriate. A Complainant who decides to withdraw a complaint may later request to reinstate it or refile it.

A complaint dismissed under Process A may be reviewed under an alternate ATU policy or process including Process B.

4. Counterclaims

ATU is obligated to ensure that the grievance process is not abused for retaliatory purposes. ATU permits the filing of counterclaims but uses an initial assessment, described above, to assess whether the allegations in the counterclaim are made in good faith. Counterclaims by a Respondent may be made in good faith, but are, on occasion, made for purposes of retaliation, instead. Counterclaims made with retaliatory intent will not be permitted.

Counterclaims determined to have been reported in good faith will be processed using the grievance procedures below. Investigation of such claims may take place after resolution of the underlying initial allegation, in which case a delay may occur.

Counterclaims may also be resolved through the same investigation as the underlying allegation, at the discretion of the Title IX Coordinator. When counterclaims are not made in good faith, they will be considered retaliatory and may constitute a violation of this Policy.

5. Right to an Advisor

The parties may each have an Advisor of their choice present with them for all meetings, interviews, and hearings within the resolution process, if they so choose. The parties may select whoever they wish to serve as their Advisor as long as the Advisor is eligible and available.

Choosing an Advisor who is also a witness in the process creates potential for bias and conflict-of-interest. A party who chooses an Advisor who is also a witness can anticipate that issues of potential bias will be explored by the hearing Decision-Maker(s).

ATU may permit parties to have more than one Advisor with a maximum of two Advisors allowed upon special request to the Title IX Coordinator. The decision to grant this request is at the sole discretion of the Title IX Coordinator and will be granted equitably to all parties. Only one of the Advisors may be designated to participate in the cross-examination.

a. Who Can Serve as an Advisor

The Advisor may be a friend, mentor, family member, attorney, or any other individual a party chooses to advise, support, and/or consult with them throughout the resolution process. The parties may choose Advisors from inside or outside of the ATU community.

The Title IX Coordinator will also offer to assign a trained Advisor for any party if the party so chooses. If the parties choose an Advisor from the pool available from ATU, the Advisor will be trained by ATU and be familiar with ATU’s resolution process.

11 This could include an attorney, advocate, or support person. The law permits one Advisor for each party (witnesses are not entitled to Advisors within the process, though they can be advised externally).

12 “Available” means the party cannot insist on an Advisor who simply doesn’t have inclination, time, or availability. Also, the Advisor cannot have institutionally conflicting roles, such as being a Title IX administrator who has an active role in the matter, or a supervisor who must monitor and implement sanctions.
If the parties choose an Advisor from outside the pool of those identified by ATU, the Advisor may not have been trained by ATU and may not be familiar with ATU policies and procedures. Parties also have the right to choose not to have an Advisor in the initial stages of the resolution process, prior to a hearing.

b. **Advisor’s Role in Meetings and Interviews**

The parties may be accompanied by their Advisor in all meetings and interviews at which the party is entitled to be present, including intake and interviews. Advisors should help the parties prepare for each meeting and are expected to advise ethically, with integrity, and in good faith.

ATU cannot guarantee equal Advisory rights, meaning that if one party selects an Advisor who is an attorney, but the other party does not or cannot afford an attorney, ATU is not obligated to provide an attorney.

c. **Advisors in Hearings/ATU-Appointed Advisor**

Under U.S. Department of Education regulations under Title IX, a form of indirect questioning is required during the hearing, but must be conducted by the parties’ Advisors. The individual party members are not permitted to directly question each other or any witnesses. If a party does not have an Advisor for a hearing, ATU will appoint a trained Advisor for the limited purpose of conducting any questioning of the other party or witnesses.

A party may reject this appointment and choose their own Advisor, but they may not proceed without an Advisor. If the party’s Advisor will not conduct questioning, ATU will appoint an Advisor who will do so thoroughly, regardless of the participation or non-participation of the advised party in the hearing itself. Extensive questioning of the parties and witnesses will also be conducted by the Decision-Maker(s) during the hearing.

d. **Pre-Interview Meetings**

Advisors may request to meet with the administrative officials conducting interviews/meetings in advance of these interviews or meetings. This pre-meeting allows Advisors to clarify and understand their role and ATU’s policies and procedures.

e. **Advisor Violations of ATU Policy**

All Advisors are subject to the same ATU policies and procedures, whether they are attorneys or not. Advisors are expected to advise their parties without disrupting proceedings. Advisors should not address ATU officials in a meeting or interview unless invited to (e.g., asking procedural questions). The Advisor may not make a presentation or represent their advisee during any meeting or proceeding and may not speak on behalf of the advisee to the Investigator(s) or other Decision-Maker(s) except during a hearing proceeding, during cross-examination.

The parties are expected to ask and respond to questions on their own behalf throughout the investigation phase of the resolution process. Although the Advisor generally may not speak on behalf of their advisee, the Advisor may consult with their advisee13, either privately as needed, or by conferring or passing notes during any resolution process meeting or interview. For longer or more involved discussions, the parties and their Advisors should ask for breaks to allow for private consultation.

Any Advisor who oversteps their role as defined by this Policy will be warned only once. If the Advisor continues to disrupt or otherwise fails to respect the limits of the Advisor role, the meeting will stop, or other appropriate measures implemented. Subsequently, the Title IX Coordinator will determine how to address the Advisor’s non-compliance and future role.

f. **Sharing Information with the Advisor**

13 Subject to the state law provisions or ATU policy above.
ATU expects that the parties may wish to have ATU share documentation and evidence related to the allegations with their Advisors. Parties may share this information directly with their Advisor or other individuals if they wish. Doing so may help the parties participate more meaningfully in the resolution process.

ATU also provides a consent form that authorizes ATU to share such information directly with their Advisor. The parties must either complete and submit this form to the Title IX Coordinator or provide similar documentation demonstrating consent to a release of information to the Advisor before ATU is able to share records with an Advisor.

If a party requests that all communication be made through their attorney Advisor, ATU may comply with that request at the discretion of the Title IX Coordinator.

g. **Privacy of Records Shared with Advisor**

Advisors are expected to maintain the privacy of the records shared with them. These records may not be shared with third parties, disclosed publicly, or used for purposes not explicitly authorized by ATU. ATU may seek to restrict the role of any Advisor who does not respect the sensitive nature of the process or who fails to abide by ATU’s privacy expectations.

h. **Expectations of an Advisor**

ATU generally expects an Advisor to adjust their schedule to allow them to attend ATU meetings when planned, but may change scheduled meetings to accommodate an Advisor’s inability to attend, if doing so does not cause an unreasonable delay. This process will not be delayed by the unavailability of an Advisor.

ATU may also make reasonable provisions to allow an Advisor who cannot attend in person to attend a meeting by telephone, video conferencing, or other similar technologies as may be convenient and available.

i. **Expectations of the Parties with Respect to Advisors**

A party may elect to change Advisors during the process and is not obligated to use the same Advisor throughout. The parties are expected to inform the Investigator(s) of the identity of their Advisor at least two (2) business days before the date of their first meeting with Investigators (or as soon as possible if a more expeditious meeting is necessary or desired).

The parties are expected to provide timely notice to the Title IX Coordinator if they change Advisors at any time. It is assumed that if a party changes Advisors, consent to share information with the previous Advisor is terminated, and a release for the new Advisor must be secured. Parties are expected to inform the Title IX Coordinator of the identity of their hearing Advisor at least two (2) business days before the hearing.

6. **Resolution Processes**

Resolution proceedings are private. All persons present at any time during the resolution process are expected to maintain the privacy of the proceedings in accordance with ATU policy. Although is there is an expectation of privacy around what Investigators share with parties during interviews, the parties have discretion to share their own knowledge and evidence with others if they so choose. ATU encourages parties to discuss any sharing of information with their Advisors before doing so.

a. **Informal Resolution**

Informal Resolution can include three different approaches:

- When the Title IX Coordinator can resolve the matter informally by providing supportive measures to remedy the situation.
- When the parties agree to resolve the matter through an alternate resolution mechanism.
including mediation, restorative practices, etc.

- When the Respondent accepts responsibility for violating policy, and desires to accept a sanction and end the resolution process.

To initiate Informal Resolution, a Complainant needs to submit a formal complaint, as defined above. A Respondent who wishes to initiate Informal Resolution should contact the Title IX Coordinator.

It is not necessary to pursue Informal Resolution first in order to pursue a Formal Grievance Process, and any party participating in Informal Resolution can stop the process at any time and begin or resume the Formal Grievance Process.

Prior to implementing Informal Resolution, ATU will provide the parties with written notice of the reported misconduct and any sanctions or measures that may result from participating in such a process, including information regarding any records that will be maintained or shared by ATU.

ATU will obtain voluntary, written confirmation that all parties wish to resolve the matter through Informal Resolution before proceeding and will not pressure the parties to participate in Informal Resolution.

b. Alternate Resolution Mechanism

Alternate Resolution is an informal mechanism, including mediation or restorative practices, etc. by which parties reach a mutually agreed upon resolution of an allegation. All parties must consent to the use of an Alternate Resolution mechanism.

The Title IX Coordinator may look to the following factors to assess whether Alternate Resolution is appropriate, or which form of Alternate Resolution may be most successful for the parties:

- The parties’ amenability to Alternate Resolution;
- Likelihood of potential resolution, taking into account any power dynamics between the parties;
- The parties’ motivation to participate;
- Civility of the parties;
- Results of a violence risk assessment/ongoing risk analysis;
- Disciplinary history;
- Whether an emergency removal is needed;
- Skill of the Alternate Resolution facilitator with this type of allegation;
- Complaint complexity;
- Emotional investment/capability of the parties;
- Rationality of the parties;
- Goals of the parties;
- Adequate resources to invest in Alternate Resolution (time, staff, etc.)

The ultimate determination of whether Alternate Resolution is available or successful is to be made by the Title IX Coordinator. The Title IX Coordinator maintains records of any resolution that is reached, and failure to abide by the resolution agreement may result in appropriate responsive/disciplinary actions. Results of complaints resolved by Informal Resolution or Alternate Resolution are not appealable.

c. Respondent Accepts Responsibility for Alleged Violations
The Respondent may accept responsibility for all or part of the alleged policy violations at any point during the resolution process. If the Respondent indicates an intent to accept responsibility for all of the alleged misconduct, the formal process will be paused, and the Title IX Coordinator will determine whether Informal Resolution can be used according to the criteria in that section above.

If Informal Resolution is applicable, the Title IX Coordinator will determine whether all parties and ATU are able to agree on responsibility, sanctions, and/or remedies. If so, the Title IX Coordinator implements the accepted finding that the Respondent is in violation of ATU policy and implements agreed-upon sanctions and/or remedies, in coordination with other appropriate administrator(s), as necessary.

This result is not subject to appeal once all parties indicate their written assent to all agreed upon terms of resolution. When the parties cannot agree on all terms of resolution, the Formal Grievance Process will resume at the same point where it was paused.

When a resolution is accomplished, the appropriate sanction or responsive actions are promptly implemented in order to effectively stop the harassment or discrimination, prevent its recurrence, and remedy the effects of the discriminatory conduct, both on the Complainant and the community.

d. Negotiated Resolution

The Title IX Coordinator, with the consent of the parties, may negotiate and implement an agreement to resolve the allegations that satisfies all parties and ATU. Negotiated Resolutions are not appealable.

7. Grievance Process Pool

The Formal Grievance Process relies on a pool of administrators (“the Pool”) to carry out the process. Members of the Pool are announced in an annual distribution of this Policy to all students, employees, prospective students, and prospective employees.

The list of Pool members and a description of the Pool can be found at http://atu.edu/titleix/pool.

a. Pool Member Roles

Members of the Pool are trained annually, and can serve in the following roles, at the direction of the Title IX Coordinator:

- To act as an Advisor to the parties
- To serve as a Decision-Maker regarding the complaint

b. Pool Member Appointment

The Title IX Coordinator, in consultation with the President, appoints the Pool, which acts with independence and impartiality. Although members of the Pool are typically trained in a variety of skill sets and can rotate amongst the different roles listed above in different cases, ATU can also designate permanent roles for individuals in the Pool, using others as substitutes or to provide greater depth of experience when necessary. This process of role assignment may be the result of particular skills, aptitudes, or talents identified in members of the Pool that make them best suited to particular roles.

c. Pool Member Training

The Pool members receive annual training jointly. This training includes, but is not limited to:

- The scope of ATU’s discrimination and harassment policy and procedures
- How investigation and hearings are conducted that protect the safety of Complainants and Respondents, and promote accountability
- Implicit bias

14 This does not preclude ATU from having all members of the Pool go through an application and/or interview/selection process.
• Disparate treatment and impact
• Reporting, confidentiality, and privacy requirements
• Applicable laws, regulations, and federal regulatory guidance
• How to implement appropriate and situation-specific remedies
• How to investigate in a thorough, reliable, and impartial manner
• How to uphold fairness, equity, and due process
• How to weigh evidence
• How to conduct questioning
• How to assess credibility
• Impartiality and objectivity
• Types of evidence
• Deliberation
• How to render findings and generate clear, concise, evidence-based rationales
• The definitions of all offenses
• How to apply definitions used by ATU with respect to consent (or the absence or negation of consent) consistently, impartially, and in accordance with policy
• How investigations and grievance process are conducted including hearings, appeals, and informal resolution processes
• How to serve impartially by avoiding prejudgment of the facts at issue, conflicts of interest, and bias
• Any technology to be used at a live hearing
• Issues of relevance of questions and evidence
• Issues of relevance to create an investigation report that fairly summarizes relevant evidence
• How to determine appropriate sanctions in reference to all forms of harassment, discrimination, and/or retaliation allegations
• Recordkeeping

Specific training is also provided for Appeal Decision-Makers, intake personnel, Advisors (who are ATU employees), Investigators, and Chairs. All Pool members are required to attend these trainings annually. The materials used to train all members of the Pool are publicly posted at http://atu.edu/titleix/pool.

d. **Pool Membership**

The Hearing Panel will have three (3) members. The composition of the Hearing Panel will be two (2) faculty or staff members and will be chaired by a representative from Student Affairs or Human Resources.

The Pool includes those representative who can rotate, upon appointment to serve in either the Advisor or Decision-Maker role.

Pool members are appointed for one-year terms which are renewable. Individuals who are interested in serving in the Pool are encouraged to contact the Title IX Coordinator.

8. **Formal Grievance Process: Notice of Investigation and Allegations**
The Title IX Coordinator will provide written notice of the investigation and allegations (the “NOIA”) to the Respondent upon commencement of the Formal Grievance Process. This facilitates the Respondent’s ability to prepare for the interview and to identify and choose an Advisor to accompany them. The NOIA is also copied to the Complainant, who is to be given advance notice of when the NOIA will be delivered to the Respondent. The NOIA will include:

- A meaningful summary of all of allegations,
- The identity of the involved parties (if known),
- The precise misconduct being alleged,
- The date and location of the alleged incident(s) (if known),
- The specific policies implicated,
- A description of the applicable procedures,
- A statement of the potential sanctions/responsive actions that could result,
- A statement that ATU presumes the Respondent is not responsible for the reported misconduct unless and until the evidence supports a different determination,
- A statement that determinations of responsibility are made at the conclusion of the process and that the parties will be given an opportunity to inspect and review all directly related and/or relevant evidence obtained during the review and comment period,
- A statement about ATU’s policy on retaliation,
- Information about the privacy of the process,
- Information on the need for each party to have an Advisor of their choosing and suggestions for ways to identify an Advisor,
- A statement informing the parties that ATU’s Policy prohibits knowingly making false statements, including knowingly submitting false information during the resolution process,
- Detail on how the party may request disability accommodations during the interview process,
- A link to ATU’s VAWA brochure;
- The name(s) of the Investigator(s), along with a process to identify, in advance of the interview process, to the Title IX Coordinator any conflict of interest that the Investigator(s) may have, and
- An instruction to preserve any evidence that is directly related to the allegations.

Amendments and updates to the NOIA may be made as the investigation progresses and more information becomes available regarding the addition or dismissal of various charges.

Notice will be made in writing and may be delivered by one or more of the following methods: in person, mailed to the local or permanent address(es) of the parties as indicated in official ATU records, or emailed to the parties’ ATU issued email or designated accounts. Once mailed, emailed, and/or received in-person, notice will be presumptively delivered.

9. Resolution Timeline

ATU will make a good faith effort to complete the resolution process within a sixty-to-ninety (60-90) business day time period, including appeal, which can be extended as necessary for appropriate cause by the Title IX Coordinator, who will provide notice and rationale for any extensions or delays to the parties as appropriate, as well as an estimate of how much additional time will be needed to complete the process.

10. Appointment of Investigators

Once the decision to commence a formal investigation is made, the Title IX Coordinator appoints an
Investigator(s) to conduct the investigation (typically using a team of two Investigators), usually within two (2) business days of determining that an investigation should proceed.

11. Ensuring Impartiality

Any individual materially involved in the administration of the resolution process, including the Title IX Coordinator, Investigator(s), and Decision-Maker(s) may neither have nor demonstrate a conflict of interest or bias for a party generally, or for a specific Complainant or Respondent.

The Title IX Coordinator will vet the assigned Investigator(s) to ensure impartiality by ensuring there are no actual or apparent conflicts of interest or disqualifying biases. The parties may, at any time during the resolution process, raise a concern regarding bias or conflict of interest, and the Title IX Coordinator will determine whether the concern is reasonable and supportable. If so, another Pool member will be assigned and the impact of the bias or conflict, if any, will be remedied. If the source of the conflict of interest or bias is the Title IX Coordinator, concerns should be raised with Dr. Keegan Nichols, Vice President for Student Affairs, at knichols@atu.edu.

The Formal Grievance Process involves an objective evaluation of all relevant evidence obtained, including evidence that supports that the Respondent engaged in a policy violation and evidence that supports that the Respondent did not engage in a policy violation. Credibility determinations may not be based solely on an individual’s status or participation as a Complainant, Respondent, or witness.

ATU operates with the presumption that the Respondent is not responsible for the reported misconduct unless and until the Respondent is determined to be responsible for a policy violation by the preponderance of the evidence standard.

12. Investigation Timeline

Investigations are completed expeditiously, normally within thirty (30) business days, though some investigations may take weeks or even months, depending on the nature, extent, and complexity of the allegations, availability of witnesses, police involvement, etc.

ATU will make a good faith effort to complete investigations as promptly as circumstances permit and will communicate regularly with the parties to update them on the progress and timing of the investigation.

13. Delays in the Investigation Process and Interactions with Law Enforcement

ATU may undertake a short delay in its investigation (several days to a few weeks) if circumstances require. Such circumstances include, but are not limited to: a request from law enforcement to temporarily delay the investigation, the need for language assistance, the absence of parties and/or witnesses, and/or accommodations for disabilities or health conditions.

ATU will communicate in writing the anticipated duration of the delay and reason to the parties and provide the parties with status updates if necessary. ATU will promptly resume its investigation and resolution process as soon as feasible. During such a delay, ATU will implement supportive measures as deemed appropriate.

ATU action(s) or processes are not typically altered or precluded on the grounds that civil or criminal charges involving the underlying incident(s) have been filed or that criminal charges have been dismissed or reduced.

14. Steps in the Investigation Process

All investigations are thorough, reliable, impartial, prompt, and fair. Investigations involve interviews with all relevant parties and witnesses; obtaining available, relevant evidence; and identifying sources of expert information, as necessary.

All parties have a full and fair opportunity, through the investigation process, to suggest witnesses and questions, to provide evidence and expert witnesses, and to fully review and respond to all evidence on the record.

The Investigator(s) typically take(s) the following steps, if not already completed (not necessarily in this order):

- Determine the identity and contact information of the Complainant
• In coordination with campus partners (e.g., the Title IX Coordinator), initiate or assist with any necessary supportive measures
• Identify policies implicated by the alleged misconduct and notify the Complainant and Respondent of all of the specific policies implicated
• Assist the Title IX Coordinator with conducting an initial assessment to determine if the allegations indicate a potential policy violation
• Commence an investigation by identifying issues and developing a strategic investigation plan, including a witness list, evidence list, intended investigation timeframe, and order of interviews for all witnesses and the parties
• Meet with the Complainant to finalize their interview/statement, if necessary
• Prepare the initial Notice of Investigation and Allegation (NOIA). The NOIA may be amended with any additional or dismissed allegations
  • Notice should inform the parties of their right to have the assistance of an Advisor, who could be a member of the Pool or an Advisor of their choosing present for all meetings attended by the party
• Provide each interviewed party and witness an opportunity to review and verify the Investigator’s summary notes (or transcript) of the relevant evidence/testimony from their respective interviews and meetings
• Make good faith efforts to notify the parties of any meeting or interview involving the other party, in advance when possible
• When participation of a party is expected, provide that party with written notice of the date, time, and location of the meeting, as well as the expected participants and purpose
• Interview available, relevant witnesses and conduct follow-up interviews as necessary
• Allow each party the opportunity to suggest witnesses and questions they wish the Investigator(s) to ask of the other party and witnesses, and document in the report which questions were asked, with a rationale for any changes or omissions.
• Complete the investigation without unreasonable deviation from the intended timeline
• Provide regular status updates to the parties throughout the investigation.
• Prior to the conclusion of the investigation, provide the parties and their respective Advisors (if so desired by the parties) with a list of witnesses whose information will be used to render a finding
• Write a comprehensive investigation report fully summarizing the investigation, all witness interviews, and addressing all relevant evidence. Appendices including relevant physical or documentary evidence will be included
• The Investigator(s) gather, assess, and synthesize evidence, but make no conclusions, engage in no policy analysis, and render no recommendations as part of their report
• Prior to the conclusion of the investigation, provide the parties and their respective Advisors (if so desired by the parties) a secured electronic or hard copy of the draft investigation report as well as an opportunity to inspect and review all of the evidence obtained as part of the investigation that is directly related to the reported misconduct, including evidence upon which ATU does not intend to rely in reaching a determination, for a ten (10) business day review and comment period so that each party may meaningfully respond to the evidence. The parties may elect to waive the full ten (10) business days. Each copy of the materials shared will be watermarked on each page with the role of the person receiving it
(e.g., Complainant, Respondent, Complainant’s Advisor, Respondent’s Advisor).

- The Investigator(s) may elect to respond in writing in the investigation report to the parties’ submitted responses and/or to share the responses between the parties for additional responses.
- The Investigator(s) will incorporate relevant elements of the parties’ written responses into the final investigation report, include any additional relevant evidence, make any necessary revisions, and finalize the report. The Investigator(s) should document all rationales for any changes made after the review and comment period.
- The Investigator(s) shares the report with the Title IX Coordinator for their review and feedback.
- The Investigator will incorporate any relevant feedback, and the final report is then shared with all parties and their Advisors through secure electronic transmission or hard copy at least ten (10) business days prior to a hearing. The parties are also provided with a file of any directly related evidence that was not included in the report.

15. **Role and Participation of Witnesses in the Investigation**

Witnesses (as distinguished from the parties) who are employees of ATU are expected to cooperate with and participate in ATU’s investigation and resolution process. Failure of such witnesses to cooperate with and/or participate in the investigation or resolution process constitutes a violation of policy and may warrant discipline. As part of the ATU community, students have a responsibility to cooperate with and/or participate in the investigation and resolution process. Failure to participate may hinder ATU’s ability to stop, remedy, and prevent the described forms of discrimination and harassment.

Although in-person interviews for parties and all potential witnesses are ideal, circumstances (e.g., study abroad, summer break, pandemic) may require individuals to be interviewed remotely. Skype, Zoom, FaceTime, WebEx, or similar technologies may be used for interviews if the Investigator(s) determine that timeliness or efficiency dictate a need for remote interviewing. ATU will take steps to reasonably ensure the security/privacy of remote interviews.

Witnesses may also provide written statements in lieu of interviews or choose to respond to written questions, if deemed appropriate by the Investigator(s), though not preferred. Witnesses are strongly encouraged to participate in the entire process. If a witness submits a written statement but is not present for cross-examination at a hearing, their written statement may not be used as evidence.

16. **Recording of Interviews**

No unauthorized audio or video recording of any kind is permitted during investigation meetings. If Investigator(s) elect to audio and/or video record interviews, all involved parties must be made aware audio and/or video recording.

17. **Evidentiary Considerations in the Investigation**

The investigation does not consider: 1) incidents not directly related to the possible violation, unless they evidence a pattern; 2) the character of the parties; or 3) questions and evidence about the Complainant’s sexual predisposition or prior sexual behavior, unless such questions and evidence about the Complainant’s prior sexual behavior are offered to prove that some-one other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant’s prior sexual behavior with respect to the Respondent and are offered to prove consent.

18. **Referral for Hearing**

Provided that the complaint is not resolved through Informal Resolution, once the final investigation report is shared with the parties, the Title IX Coordinator will refer the matter for a hearing.

The hearing cannot be less than ten (10) business days from the conclusion of the investigation—when the final investigation report is transmitted to the parties and the Decision-Makers—unless all parties and the Decision-
Makers agree to an expedited timeline.
The Title IX Coordinator will select appropriate Decision-Makers from the Pool.

19. Hearing Decision-Makers Composition

ATU will designate a three-member panel from the Pool, at the discretion of the Title IX Coordinator. One of the three (3) members will be appointed as Chair by the Title IX Coordinator.

The Decision-Maker(s) will not have had any previous involvement with the investigation. The Title IX Coordinator may elect to have an alternate from the Pool sit in throughout the hearing process in the event that a substitute is needed for any reason.

Those who have served as Investigators will be witnesses in the hearing and therefore may not serve as Decision-Makers. Those who are serving as Advisors for any party may not serve as Decision-Makers in that matter.

The Title IX Coordinator may not serve as a Decision-Maker or Chair in the matter but may serve as an administrative facilitator of the hearing if their previous role(s) in the matter do not create a conflict of interest. Otherwise, a designee may fulfill this role. The hearing will convene at a time determined by the Chair or designee.

20. Evidentiary Considerations in the Hearing

Any evidence that the Decision-Maker(s) determine(s) is relevant and credible may be considered. The hearing does not consider: 1) incidents not directly related to the possible violation, unless they evidence a pattern; 2) the character of the parties; or 3) questions and evidence about the Complainant’s sexual predisposition or prior sexual behavior, unless such questions and evidence about the Complainant’s prior sexual behavior are offered to prove that some-one other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant’s prior sexual behavior with respect to the Respondent and are offered to prove consent.

Previous disciplinary action of any kind involving the Respondent may be considered in determining an appropriate sanction upon a determination of responsibility, because ATU uses a progressive discipline system. This information is only considered at the sanction stage of the process, and is not shared until then.

The parties may each submit a written impact statement prior to the hearing for the consideration of the Decision-Maker(s) at the sanction stage of the process when a determination of responsibility is reached.

After post-hearing deliberation, the Decision-Makers render a determination based on the preponderance of the evidence, whether it is more likely than not that the Respondent violated the Policy as alleged.

21. Notice of Hearing

No less than ten (10) business days prior to the hearing, the Title IX Coordinator or the Chair will send notice of the hearing to the parties. Once mailed, emailed, and/or received in-person, notice will be presumptively delivered.

The notice will contain:

- A description of the alleged violation(s), a list of policies allegedly violated, a description of the applicable procedures, and a statement of the potential sanctions/responsive actions that could result.
- The time, date, and location of the hearing and a reminder that attendance is mandatory, superseding all other campus activities.
- Any technology that will be used to facilitate the hearing.
- Information about the option for the live hearing to occur with the parties located in separate rooms using technology that enables the Decision-Makers and parties to see and hear a party or witness answering questions. Such a request must be raised with the Title IX Coordinator at least five (5) business days prior
to the hearing.

- A list of all those who will attend the hearing, along with an invitation to object to any Decision-Maker on the basis of demonstrated bias. This must be raised with the Title IX Coordinator at least five (5) business days prior to the hearing.

- An invitation to each party to submit to the Chair the questions or topics (the parties and their Advisors) wish to ask or discuss at the hearing, so that the Chair can rule on their relevance ahead of time to avoid any improper evidentiary introduction in the hearing or provide recommendation for more appropriate phrasing. However, this advance review opportunity does not preclude the Advisors from asking at the hearing for a reconsideration based on any new information or testimony offered at the hearing. The Chair will document and share their rationale for any relevance determination.

- Notification in advance of the hearing of any witnesses that do not need to be present if the Chair has determined their testimony can be adequately summarized by the Investigator(s) in the investigation report or during the hearing and both parties are in full agreement.

- Information on how the hearing will be recorded and on access to the recording for the parties after the hearing.

- A statement that if any party or witness does not appear at the scheduled hearing, the hearing may be held in their absence, and the party’s or witness’s testimony and any statements given prior to the hearing will not be considered by the Decision-Makers. For compelling reasons, the Chair may reschedule the hearing.

- Notification that the parties may have the assistance of an Advisor of their choosing at the hearing and will be required to have one present for any questions they may desire to ask. The party must notify the Title IX Coordinator if they do not have an Advisor present. There are no exceptions.

- A copy of all the materials provided to the Decision-Makers about the matter, unless they have been provided already.

- An invitation to each party to submit to the Chair an impact statement pre-hearing that the Decision-Makers will review during any sanction determination.

- An invitation to contact the Title IX Coordinator to arrange any disability accommodations, language assistance, and/or interpretation services that may be needed at the hearing, at least seven (7) business days prior to the hearing.

Hearings for possible violations that occur near or after the end of an academic term (assuming the Respondent is still subject to this Policy) and are unable to be resolved prior to the end of term will typically be held immediately after the end of the term or during the summer, as needed, to meet the resolution timeline followed by ATU and remain within the 60-90 business day goal for resolution.

In these cases, if the Respondent is a graduating student, a hold may be placed on graduation and/or official transcripts until the matter is fully resolved (including any appeal). A student facing charges under this Policy is not in good standing to graduate.

22. Alternative Hearing Participation Options

If a party or parties prefer not to attend or cannot attend the hearing in person, the party should request alternative arrangements from the Title IX Coordinator or the Chair at least five (5) business days prior to the hearing.

The Title IX Coordinator or the Chair can arrange to use technology to allow remote testimony without compromising the fairness of the hearing. Remote options may also be needed for witnesses who cannot appear
in person. Any witness who cannot attend in person should let the Title IX Coordinator or the Chair know at least five (5) business days prior to the hearing so that appropriate arrangements can be made.

23. Pre-Hearing Preparation

The Chair, after any necessary consultation with the parties, Investigator(s) and/or Title IX Coordinator, will provide the names of persons who will be participating in the hearing, documentary evidence, and the final investigation report to the parties at least ten (10) business days prior to the hearing.

Any witness scheduled to participate in the hearing must have been first interviewed by the Investigator(s) or have proffered a written statement or answered written questions, unless all parties and the Chair assent to the witness’s participation in the hearing. The same holds for any evidence that is first offered at the hearing. If the parties and Chair do not assent to the admission of evidence newly offered at the hearing, at the discretion of the Chair, the hearing will either be recessed to allow all parties to review new information or may, in extreme circumstances, instruct that the investigation needs to be re-opened to consider that evidence. The Chair may also determine that the new information is not relevant, was not submitted in a timely manner, and may not be introduced. In which case, the hearing will continue.

The parties will be given a list of the names of the Decision-Makers at least five (5) business days in advance of the hearing. All objections to any Decision-Maker must be raised in writing, detailing the rationale for the objection, and must be submitted to the Title IX Coordinator as soon as possible and no later than two (2) days prior to the hearing. Decision-Makers will only be removed if the Title IX Coordinator concludes that their bias or conflict of interest precludes an impartial hearing of the allegation(s).

The Title IX Coordinator will give the Decision-Makers a list of the names of all parties, witnesses, and Advisors at least five (5) business days in advance of the hearing. Any Decision-Maker who cannot make an objective determination must recuse themselves from the proceedings when notified of the identity of the parties, witnesses, and Advisors in advance of the hearing. If a Decision-Maker is unsure of whether a bias or conflict of interest exists, they must raise the concern to the Title IX Coordinator as soon as possible.

During the ten (10) business day period prior to the hearing, the parties have the opportunity for continued review and comment on the final investigation report and available evidence. That review and comment can be shared with the Chair at the pre-hearing meeting or at the hearing and will be exchanged between each party by the Chair.

24. Hearing Procedures

At the hearing, the Decision-Makers have the authority to hear and make determinations on all allegations of discrimination, harassment, and/or retaliation and may also hear and make determinations on any additional alleged policy violations that have occurred in concert with the discrimination, harassment, and/or retaliation, even though those collateral allegations may not specifically fall within the Equal Opportunity, Harassment (Sexual Misconduct), and Nondiscrimination Policy and Procedures.

Participants at the hearing will include the Chair, any additional panelists, the Investigator(s) who conducted the investigation, the parties (or three (3) organizational representatives when an organization is the Respondent), Advisors to the parties, any called witnesses, and anyone providing authorized accommodations or assistive services.

The Chair will answer all questions of procedure. Anyone appearing at the hearing to provide information will respond to questions on their own behalf.

Witnesses will not be allowed in the hearing room until they are called to provide testimony or answer questions. The Chair will allow witnesses who have relevant information to appear at a portion of the hearing in order to respond to specific questions from the Decision-Makers and the parties and the witnesses will then be excused, unless the witness is also serving as an Advisor.

25. Joint Hearings

In hearings involving more than one Respondent or in which two (2) or more Complainants have accused the
same individual of substantially similar conduct, the default procedure will be to hear the allegations jointly. However, the Title IX Coordinator may permit the investigation and/or hearings pertinent to each Respondent to be conducted separately if there is a compelling reason to do so. In joint hearings, separate determinations of responsibility will be made for each Respondent with respect to each alleged policy violation.

26. **The Order of the Hearing – Introductions and Explanation of Procedure**
   The Chair explains the procedures and introduces the participants. The Chair then conducts the hearing according to the hearing script. At the hearing, recording, witness logistics, party logistics, curation of documents, separation of the parties, and other administrative elements of the hearing process are managed by a non-voting hearing facilitator appointed by the Title IX Coordinator. The hearing facilitator may attend to: logistics of rooms for various parties/witnesses as they wait; flow of parties/witnesses in and out of the hearing space; ensuring recording and/or virtual conferencing technology is working as intended; copying and distributing materials to participants, as appropriate, etc.

27. **Investigator Presents the Final Investigation Report**
   The Investigator(s) will then present a summary of the final investigation report, including items that are contested and those that are not, and will be subject to questioning by the Decision-Makers and the parties (through their Advisors). The Investigator(s) will be present during the entire hearing process, but not during deliberations.

   Neither the parties nor the Decision-Makers should ask the Investigator(s) their opinions on credibility, recommended findings, or determinations, and the Investigators, Advisors, and parties will refrain from discussion of or questions about these assessments. If such information is introduced, the Chair will direct that it be disregarded.

28. **Testimony and Questioning**
   Once the Investigator(s) present their report and are questioned, the parties and witnesses may provide relevant information in turn, beginning with the Complainant, and then in the order determined by the Chair. The parties/witnesses will submit to questioning by the Decision-Makers and then by the parties through their Advisors (“cross-examination”).

   All questions are subject to a relevance determination by the Chair. The Advisor, who will remain seated during questioning, will pose the proposed question orally, electronically, or in writing (orally is the default, but other means of submission may be permitted by the Chair upon request or agreed to by the parties and the Chair), the proceeding will pause to allow the Chair to consider it, and the Chair will determine whether the question will be permitted, disallowed, or rephrased.

   The Chair may explore arguments regarding relevance with the Advisors, if the Chair so chooses. The Chair may decide to call a recess to review relevancy and other arguments. During a recess, the Chair may choose to confer with the Title IX Coordinator. The Chair will then state their decision on the question for the record and advise the party/witness to whom the question was directed, accordingly. The Chair will explain any decision to exclude a question as not relevant, or to reframe it for relevance.

   The Chair will limit or disallow questions on the basis that they are irrelevant, unduly repetitious (and thus irrelevant), or abusive. The Chair has final say on all questions and determinations of relevance, subject to any appeal. The Chair may consult with legal counsel on any questions of admissibility. The Chair may ask Advisors to frame why a question is or is not relevant from their perspective but will not entertain argument from the Advisors on relevance once the Chair has ruled on a question.

   If the parties raise an issue of bias or conflict of interest of an Investigator or Decision-Maker at the hearing, the Chair may elect to address those issues, consult with legal counsel, and/or refer them to the Title IX Coordinator, and/or preserve them for appeal. If bias is not in issue at the hearing, the Chair should not permit irrelevant questions that probe for bias.

29. **Refusal to Submit to Cross-Examination and Inferences**
If a party or witness chooses not to submit to cross-examination at the hearing, either because they do not attend the meeting, or they attend but refuse to participate in questioning, then the Decision-Makers may not rely on any prior statement made by that party or witness at the hearing (including those contained in the investigation report) in the ultimate determination of responsibility. The Decision-Makers must disregard that statement. Evidence provided that is something other than a statement by the party or witness may be considered.

If the party or witness attends the hearing and answers some cross-examination questions, only statements related to the cross-examination questions they refuse to answer cannot be relied upon. However, if the statements of the party who is refusing to submit to cross-examination or refuses to attend the hearing are the subject of the allegation itself (e.g., the case is about verbal harassment or a quid pro quo offer), then those statements are not precluded from admission. Similarly, statements can be relied upon when questions are posed by the Decision-Maker(s), as distinguished from questions posed by Advisors through cross-examination.

The Decision-Makers may not draw any inference solely from a party’s or witness’s absence from the hearing or refusal to answer cross-examination or other questions.

If charges of policy violations other than sexual harassment are considered at the same hearing, the Decision-Makers may consider all evidence it deems relevant, may rely on any relevant statement as long as the opportunity for cross-examination is afforded to all parties through their Advisors, and may draw reasonable inferences from any decision by any party or witness not to participate or respond to questions.

If a party’s Advisor of choice refuses to comply with ATU’s established rules of decorum for the hearing, ATU may require the party to use a different Advisor. If an ATU-provided Advisor refuses to comply with the rules of decorum, ATU may provide that party with a different Advisor to conduct cross-examination on behalf of that party.

30. Recording Hearings

Hearings (but not deliberations) are recorded by ATU for purposes of review in the event of an appeal. The parties may not record the proceedings and no other unauthorized recordings are permitted.

The Decision-Makers, the parties, their Advisors, and appropriate administrators of ATU will be permitted to listen to the recording in a controlled environment determined by the Title IX Coordinator. No person will be given or be allowed to make a copy of the recording without permission of the Title IX Coordinator.

31. Deliberation, Decision-making, and Standard of Proof

The Decision-Maker will deliberate in closed session to determine whether the Respondent is responsible or not responsible for the policy violation(s) in question. A simple majority vote is required to determine the finding. The preponderance of the evidence standard of proof is used. The hearing facilitator may be invited to attend the deliberation by the Chair, but is there only to facilitate procedurally, not to address the substance of the allegations.

When there is a finding of responsibility on one or more of the allegations, the Decision-Makers may then consider the previously submitted party impact statements in determining appropriate sanction(s).

The Chair will ensure that each of the parties has an opportunity to review any impact statement submitted by the other party(ies). The Decision-Makers may – at their discretion – consider the statements, but they are not binding.

The Decision-Makers will review the statements and any conduct history provided by the Title IX Coordinator and will determine the appropriate sanction(s).

The Chair will then prepare a written deliberation statement and deliver it to the Title IX Coordinator, detailing the determination, rationale, the evidence used in support of its determination, the evidence not relied upon in its determination, credibility assessments, and any sanctions.

This report is typically three (3) to five (5) pages in length and must be submitted to the Title IX Coordinator within two (2) business days of the end of deliberations, unless the Title IX Coordinator grants an extension. If an
extension is granted, the Title IX Coordinator will notify the parties.

32. **Notice of Outcome**

Using the deliberation statement, the Title IX Coordinator will work with the Chair to prepare a Notice of Outcome. The Title IX Coordinator will then share the letter, including the final determination, rationale, and any applicable sanction(s) with the parties and their Advisors within three (3) business days of receiving the Decision-Makers’ deliberation statement.

The Notice of Outcome will then be shared with the parties simultaneously. Notification will be made in writing and may be delivered by one or more of the following methods: in person, mailed to the local or permanent address of the parties as indicated in official ATU records, or emailed to the parties’ ATU-issued email or otherwise approved account. Once mailed, emailed, and/or received in-person, notice will be presumptively delivered.

The Notice of Outcome will articulate the specific policy(ies) violated, including the relevant policy section, and will contain a description of the procedural steps taken by the ATU from the receipt of the misconduct report to the determination, including any and all notifications to the parties, interviews with parties and witnesses, site visits, methods used to obtain evidence, and hearings held.

The Notice of Outcome will specify the finding on each alleged policy violation; the findings of fact that support the determination; conclusions regarding the application of the relevant policy to the facts at issue; a statement of, and rationale for, the result of each allegation to the extent ATU is permitted to share such information under state or federal law; any sanctions issued which ATU is permitted to share according to state or federal law; and any remedies provided to the Complainant designed to ensure access to ATU’s educational or employment program or activity, to the extent ATU is permitted to share such information under state or federal law (this detail is not typically shared with the Respondent unless the remedy directly relates to the Respondent).

The Notice of Outcome will also include information on when the results are considered by ATU to be final, any changes that occur prior to finalization, and the relevant procedures and bases for any available appeal options.

33. **Sanctions**

Factors considered when determining a sanction/responsive action may include, but are not limited to:

- The nature, severity of, and circumstances surrounding the violation(s)
- The Respondent’s disciplinary history
- Previous allegations or allegations involving similar conduct
- The need for sanctions/responsive actions to bring an end to the discrimination, harassment, and/or retaliation
- The need for sanctions/responsive actions to prevent the future recurrence of discrimination, harassment, and/or retaliation
- The need to remedy the effects of the discrimination, harassment, and/or retaliation on the Complainant and the community
- The impact on the parties
- Any other information deemed relevant by the Decision-Makers

The sanctions will be implemented as soon as is feasible, either upon the outcome of any appeal or the expiration of the window to appeal without an appeal being requested.

The sanctions described in this Policy are not exclusive of, and may be in addition to, other actions taken or sanctions imposed by external authorities.

a. **Student Sanctions**

The following are the sanctions that may be imposed upon students or organizations singly or in
• **Warning:** A formal statement that the conduct was unacceptable and a warning that further violation of any ATU policy, procedure, or directive will result in more severe sanctions/responsive actions.

• **Probation:** A written reprimand for violation of institutional policy, providing for more severe disciplinary sanctions in the event that the student or organization is found in violation of any institutional policy, procedure, or directive within a specified period of time. Terms of the probation will be articulated.

• **Loss of Privileges:** Suspension or denial of rights and privileges for a designated period of time, and may include denial of specified social privileges, exclusion from co-curricular activities, exclusion from designated areas of campus, no-contact directives, and/or other measures deemed appropriate.

• **Monetary Fines:** A penalty imposed involving the collection of fees from the student.

• **Restitution:** Compensation for loss, injury, damage to or misappropriation of ATU property. This may take the form of appropriate service and/or monetary or material replacement.

• **Educational Sanctions:** Educational sanctions may be assigned that promote learning and understanding. These sanctions may be developed as necessary by a conduct body including, but not limited to:
  - Sponsorship of an education program;
  - Attendance at educational programs;
  - Requirement of members to complete educational training programs;
  - Attendance in conflict management training;
  - Educational service hours;
  - Attendance in ethics workshop/training;
  - Reflective exercises.

• **Discretionary Sanctions:** Work assignments, service to ATU, or other related sanctions.

• **Holds:** Withholding of grades, the right to register for classes, official transcript, and/or degree.

• **Housing Suspension:** Separation of the student from ATU housing for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

• **Housing Expulsion:** Permanent separation of the student from ATU housing.

• **University Suspension:** Termination of student status for a definite period of time and revocation of rights to be on campus for any reason or to attend ATU-sponsored events. Conditions for readmission may be specified. Students who return from suspension are automatically placed on probation for a definite period of time.

• **University Expulsion:** Permanent termination of student status and revocation of rights to be on campus for any reason or to attend ATU-sponsored events.

• **Loss of Scholarship:** Scholarships awarded by ATU or ATU-related programs may be partially or fully revoked.

• **Withholding Diploma:** ATU may withhold a student’s diploma for a specified period of time and/or deny a student participation in commencement activities if the student has an allegation pending or
as a sanction if the student is found responsible for an alleged violation.

- **Revocation of Admission or Degree**: ATU reserves the right to revoke admission or a degree previously awarded from ATU for fraud, misrepresentation, and/or other violation of ATU policies, procedures, or directives in obtaining admission or the degree, or for other serious violations committed by a student prior to graduation.

- **Organizational Sanctions**: Censure, Disciplinary Probation, Deferred Suspension, Disciplinary Suspension, Indefinite Dismissal, Restrictions, Educational Sanctions, Restitution, and Monetary Fines.

- **Other Actions**: In addition to or in place of the above sanctions, ATU may assign any other sanctions as deemed appropriate.

b. **Employee Sanctions**

Responsive actions for an employee who has engaged in harassment, discrimination, and/or retaliation include:

- Warning – Verbal or Written
- Performance Improvement/Management Process
- Required Counseling
- Required Training or Education
- Probation
- Loss of Annual Pay Increase
- Loss of Oversight or Supervisory Responsibility
- Demotion
- Suspension with pay
- Suspension without pay
- Termination

- **Other Actions**: In addition to or in place of the above sanctions, ATU may assign any other sanctions as deemed appropriate.

34. **Withdrawal or Resignation While Charges Pending**

   a. **Students**: If a student has an allegation pending for violation of the Equal Opportunity, Harassment (Sexual Misconduct), and Nondiscrimination Policy and Procedures, ATU may place a hold on a student’s ability to graduate and/or to receive an official transcript/diploma.

     Should a student decide to not participate in the resolution process, the process proceeds absent their participation to a reasonable resolution. Should a student Respondent permanently withdraw from ATU, the resolution process ends, as ATU no longer has disciplinary jurisdiction over the withdrawn student.

     However, ATU will continue to address and remedy any systemic issues, variables that may have contributed to the alleged violation(s), and any ongoing effects of the alleged harassment, discrimination, and/or retaliation. The student who withdraws or leaves while the process is pending may not return to ATU. Such exclusion applies to all campuses of ATU. A hold will be placed on their ability to be readmitted. They may also be barred from ATU property and/or events.

     If the student Respondent only withdraws or takes a leave for a specified period of time (e.g., one semester or term), the resolution process may continue remotely and, in the event the student is found responsible, that student is not permitted to return to ATU unless and until all sanctions have been satisfied.
b. Employees: Should an employee Respondent resign with unresolved allegations pending, the resolution process ends, as ATU no longer has disciplinary jurisdiction over the resigned employee. However, ATU will continue to address and remedy any systemic issues, variables that contributed to the alleged violation(s), and any ongoing effects of the alleged harassment or discrimination.

The employee who resigns with unresolved allegations pending is not eligible for rehire at ATU or any campus of ATU, and the records retained by the Title IX Coordinator and/or the Director of Human Resources and AA/EEO Officer will reflect that status.

All ATU responses to future inquiries regarding employment references for that individual will include that the former employee resigned during a pending disciplinary matter.

35. Appeals

Any party may file a request for appeal (“Request for Appeal”), but it must be submitted in writing to the Title IX Coordinator within five (5) days of the delivery of the Notice of Outcome.

Respondent is a student or non-faculty employee:

Student appeals will be decided by the Vice President for Student Affairs. Employee appeals will be decided by the appropriate Vice President or Athletic Director.

Respondent is a faculty member:

If the Respondent is a faculty member with tenure or with a special or probationary appointment, the procedures set forth in the Academic Termination Policies and Procedures section of the Faculty Handbook shall govern the Respondent’s appeal.

The Request for Appeal will be forwarded to the appropriate Appeal Decision-Maker(s) for consideration to determine if the request meets the grounds for appeal (a Review for Standing).

This review is not a review of the merits of the appeal, but solely a determination as to whether the request meets the grounds and is timely filed.

a. Grounds for Appeal

Appeals are limited to the following grounds:

a. Procedural irregularity that affected the outcome of the matter;

b. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and

c. The Title IX Coordinator, Investigator(s), or Decision-Makers had a conflict of interest or bias for or against Complainants or Respondents generally or the specific Complainant or Respondent that affected the outcome of the matter.

If any of the grounds in the Request for Appeal do not meet the grounds in this Policy, that request will be denied by the Appeal Decision-Maker(s) and the parties and their Advisors will be notified in writing of the denial and the rationale.

If any of the grounds in the Request for Appeal meet the grounds in this Policy, then the Appeal Decision-Maker(s) will notify the other party(ies) and their Advisors, the Title IX Coordinator, and, when appropriate, the Investigators and/or the original Decision-Makers.

The other party(ies) and their Advisors, the Title IX Coordinator, and, when appropriate, the Investigators and/or the original Decision-Makers will be mailed, emailed, and/or provided a hard copy of the request with the approved grounds and then be given three (3) business days to submit a response to the portion of the appeal that was approved and involves them. All responses will be forwarded by the Appeal Decision-Maker(s) to all parties for review and comment.

The non-appealing party (if any) may also choose to raise a new ground for appeal at this time. If so, that will be reviewed to determine if it meets the grounds of this Policy by the Appeal Decision-
Maker(s) and either denied or approved. If approved, it will be forwarded to the party who initially requested an appeal, the Investigator(s) and/or original Decision-Makers, as necessary, who will submit their responses in three (3) business days, which will be circulated for review and comment by all parties.

Neither party may submit any new requests for appeal after this time period. The Appeal Decision-Maker(s) will collect any additional information needed and all documentation regarding the approved grounds and the subsequent responses and will render a decision in no more than five (5) business days, barring exigent circumstances. All decisions apply the preponderance of the evidence standard.

A Notice of Appeal Outcome will be sent to all parties simultaneously including the decision on each approved ground and rationale for each decision. The Notice of Appeal Outcome will specify the finding on each ground for appeal, any specific instructions for remand or reconsideration, any sanctions that may result which ATU is permitted to share according to state or federal law, and the rationale supporting the essential findings to the extent ATU is permitted to share under state or federal law.

Notification will be made in writing and may be delivered by one or more of the following methods: in person, mailed to the local or permanent address of the parties as indicated in official ATU records, or emailed to the parties’ ATU-issued email or otherwise approved account. Once mailed, emailed and/or received in-person, notice will be presumptively delivered.

b. **Sanctions Status During the Appeal**

Any sanctions imposed as a result of the hearing are stayed during the appeal process. Supportive measures may be reinstated, subject to the same supportive measure procedures above.

If any of the sanctions are to be implemented immediately post-hearing, but pre-appeal, then emergency removal procedures (detailed above) for a hearing on the justification for doing so must be permitted within 48 hours of implementation.

ATU may still place holds on official transcripts, diplomas, graduations, and course registration pending the outcome of an appeal when the original sanctions included separation.

c. **Appeal Considerations**

- Decisions on appeal are to be deferential to the original decision, making changes to the finding only when there is clear error and to the sanction(s)/responsive action(s) only if there is a compelling justification to do so.
- Appeals are not intended to provide for a full re-hearing (de novo) of the allegation(s). In most cases, appeals are confined to a review of the written documentation or record of the original hearing and documentation regarding the specific grounds for appeal.
- An appeal is not an opportunity for the Appeal Decision-Maker to substitute their judgment for that of the original Decision-Makers merely because they disagree with the finding and/or sanction(s).
- The Appeal Decision-Maker may consult with the Title IX Coordinator on questions of procedure or rationale, for clarification, if needed. Documentation of all such consultation will be maintained.
- Appeals granted based on new evidence should normally be remanded to the original Investigator(s) and/or Decision-Makers for reconsideration.
- Once an appeal is decided, the outcome is final: further appeals are not permitted, even if a decision or sanction is changed on remand (except in the case of a new hearing). When appeals result in no change to the finding or sanction, that decision is final. When an appeal
results in a new finding or sanction, that finding or sanction can be appealed one final time on
the grounds listed above and in accordance with these procedures.

- In rare cases where a procedural error cannot be cured by the original Decision-Makers (as in
cases of bias), the appeal may order a new hearing with new Decision-Makers.
- The results of a new hearing can be appealed, once, on any of the three available appeal
grounds.
- In cases in which the appeal results in reinstatement to ATU or resumption of privileges, all
reasonable attempts will be made to restore the Respondent to their prior status, recognizing
that some opportunities lost may be irreparable in the short term.

36. Long-Term Remedies/Other Actions

Following the conclusion of the resolution process, and in addition to any sanctions implemented, the Title IX
Coordinator and/or the AA/EEO Officer may implement additional long-term remedies or actions with respect
to the parties and/or the campus community that are intended to stop the harassment, discrimination, and/or
retaliation, remedy the effects, and prevent reoccurrence.

These remedies/actions may include, but are not limited to:

- Referral to counseling and health services
- Education to the individual and/or the community
- Permanent alteration of housing assignments
- Permanent alteration of work arrangements for employees
- Provision of campus safety escorts
- Climate surveys
- Policy modification and/or training
- Provision of transportation accommodations
- Implementation of long-term contact limitations between the parties
- Implementation of adjustments to academic deadlines, course schedules, etc.

At the discretion of the Title IX Coordinator and/or the AA/EEO Officer, certain long-term support or measures
may also be provided to the parties even if no policy violation is found.

When no policy violation is found, the Title IX Coordinator and/or the AA/EEO Officer will address any remedies
to be provided by ATU to the Respondent to ensure no effective denial of educational access.

ATU will maintain the privacy of any long-term remedies/actions/measures, provided privacy does not impair
ATU’s ability to provide these services.

37. Failure to Comply with Sanctions and/or Interim and Long-term Remedies and/or Responsive Actions

All Respondents are expected to comply with the assigned sanctions, responsive actions, and/or corrective
actions within the timeframe specified by the final Decision-Makers, including the Appeal Decision-Maker.

Failure to abide by the sanction(s)/action(s) imposed by the date specified, whether by refusal, neglect, or any
other reason, may result in additional sanction(s)/action(s), including suspension, expulsion, and/or termination
from ATU.

A suspension will only be lifted when compliance is achieved to the satisfaction of the Title IX Coordinator or the
AA/EEO Officer.

38. Recordkeeping

ATU will maintain for a period of at least seven (7) years records of:
1. Each sexual harassment investigation including any determination regarding responsibility and any audio or audiovisual recording or transcript required under federal regulation;

2. Any disciplinary sanctions imposed on the Respondent;

3. Any remedies provided to the Complainant designed to restore or preserve equal access to ATU’s education program or activity;

4. Any appeal and the result therefrom;

5. Any Informal Resolution and the result therefrom;

6. All materials used to train Title IX Coordinators, Investigators, Decision-Makers, and any person who facilitates an Informal Resolution process. ATU will make these training materials publicly available on ATU’s website; and

7. Any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment, including:
   a. The basis for all conclusions that the response was not deliberately indifferent;
   b. Any measures designed to restore or preserve equal access to ATU’s education program or activity; and
   c. If no supportive measures were provided to the Complainant, document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

ATU will also maintain any and all records in accordance with state and federal laws.

39. Disabilities Accommodations in the Resolution Process

ATU is committed to providing reasonable accommodations and support to qualified students, employees, or others with disabilities to ensure equal access to ATU’s resolution process.

Anyone needing such accommodations or support should contact either Ashlee Leavell, Assistant Dean for Student Wellness and Deputy Title IX Coordinator, who coordinates services for students at sleavell8@atu.edu or Christina Stolarz, Director of Human Resources and AA/EEO Officer and Deputy Title IX Coordinator, who coordinates services for employees at cstolarz@atu.edu. These individuals will review the request and, in consultation with the person requesting the accommodation and the Title IX Coordinator, determine which accommodations are appropriate and necessary for full participation in the process.

40. Revision of this Policy and Procedures

This Policy and procedures supersede any previous policy(ies) addressing harassment, sexual misconduct, discrimination, and/or retaliation under Title IX and will be reviewed and updated annually by the Title IX Coordinator and the AA/EEO Officer. ATU reserves the right to make changes to this document as necessary, and once those changes are posted online, they are in effect.

During the resolution process, the Title IX Coordinator or the AA/EEO Officer may make minor modifications to procedures that do not materially jeopardize the fairness to be provided to any party, such as to accommodate summer schedules. The Title IX Coordinator and AA/EEO Officer may also vary procedures materially with notice (on the institutional website, with the appropriate effective date identified) upon determining that changes to law or regulation require policy or procedural alterations not reflected in this Policy and procedures.

If government laws or regulations change – or court decisions alter – the requirements in a way that impacts this document, this document will be construed to comply with the most recent government regulations or holdings.

This document does not create legally enforceable protections beyond the protection of the background state and federal laws which frame such policies and codes, generally.

This policy and procedures are effective August 14, 2020.

**APPENDIX B: VIOLENCE RISK ASSESSMENT (VRA)**

Threat assessment is the process of assessing the actionability of violence by an individual against another person or group following the issuance of a direct or conditional threat. A Violence Risk Assessment (VRA) is a broader term used to assess any potential violence or danger, regardless of the presence of a vague, conditional, or direct threat.

The implementation of VRAs require specific training and are typically conducted by psychologists, clinical counselors, social workers, case managers, law enforcement officers, student conduct officers, and/or other Behavioral Intervention Team (BIT) (sometimes also known as CARE teams) members.

A VRA occurs in collaboration with the BIT, CARE, and/or threat assessment team and must be understood as an ongoing process, rather than a singular evaluation or meeting. A VRA is not an evaluation for an involuntary behavioral health hospitalization, nor is it a psychological or mental health assessment.

A VRA assesses the risk of actionable violence, often with a focus on targeted/predatory escalations, and is supported by research from the fields of law enforcement, criminology, human resources, and psychology.

When conducting a VRA, the assessor(s) use an evidence-based process consisting of:

1. an appraisal of risk factors that escalate the potential for violence;
2. a determination of stabilizing influences that reduce the risk of violence;
3. a contextual analysis of violence risk by considering environmental circumstances, hopelessness, and suicidality; catalyst events; nature and actionability of threat; fixation and focus on target; grievance collection; and action and time imperative for violence; and
4. the application of intervention and management approaches to reduce the risk of violence.

To assess an individual’s level of violence risk, the Title IX Coordinator will initiate the violence risk assessment process through the CARE Team. The CARE Team will assign a trained individual(s) to perform the assessment, according to the specific nature of the Title IX case.

The assessor will follow the process for conducting a violence risk assessment as outlined in the CARE Team Policy and Procedures and will rely on a consistent, research-based, reliable system that allows the for the operationalization of the risk levels.
Some examples of formalized approaches to the VRA process include: The NaBITA Risk Rubric, The Structured Interview for Violence Risk Assessment (SIVRA-35), The Extremist Risk Intervention Scale (ERIS), Looking Glass, Workplace Assessment of Violence Risk (WAVR-21), Historical Clinical Risk Management (HCR-20), and MOSAIC.

The VRA is conducted independently from the Title IX process, free from outcome pressure, but is informed by it. The individual(s) conducting the assessment will be trained to mitigate any bias and provide the analysis and findings in a fair and equitable manner.

The CARE Team member(s) conducts a VRA process and makes a recommendation to the Title IX Coordinator as to whether the VRA indicates there is a substantial, compelling, and/or immediate risk to health and/or safety of an individual or the community.

APPENDIX C: PROCESS B
It is the policy of ATU to maintain a University community as a place of work and study for staff, faculty, and students free of harassment and discrimination. All staff, faculty, and students should be aware both that ATU is concerned and prepared to take action to prevent and correct such behavior.

ATU may use Process B of this Policy for all protected-class discrimination complaints, except for gender discrimination complaints that meet the qualifications to be heard under Process A in compliance with Title IX regulations published by the U. S. Department of Education in May 2020.

Please note the following:

• Process B is applicable for gender discrimination complaints when the Title IX Coordinator determines Process A is inapplicable, or offenses subject to Process A have been dismissed.

• If Process A is applicable, Process A must be applied in lieu of Process B.

• ATU can substitute any alternative process instead of Process B, if desired.

• In compliance with federal law, VAWA Section 304 requirements apply to Process B or any alternative process for reports that fall under VAWA.

• Title IX requirements outside of Section 106.30 (based on the original 1975 regulations, the 2001 Revised Guidance, etc.) may also be applicable to Process B.

PROCESS B
RESOLUTION PROCESS FOR ALLEGED VIOLATIONS OF THE POLICY ON EQUAL OPPORTUNITY, HARASSMENT (SEXUAL MISCONDUCT), AND NONDISCRIMINATION (KNOWN AS PROCESS “B”)

ATU will act on complaints of violation of the Equal Opportunity, Harassment (Sexual Misconduct), and Nondiscrimination Policy and Procedures that is received by the Title IX Coordinator and/or the AA/EEO Officer, as articulated in the process outlined in this document, Appendix C, known as “Process B.”

The procedures described below apply to allegations of harassment or discrimination on the basis of protected class status involving students, staff, faculty members, or third parties.

These procedures may also be used to address collateral misconduct arising from the investigation of or occurring in conjunction with harassing or discriminatory conduct (e.g., vandalism, physical abuse of another). All other allegations of misconduct unrelated to incidents covered by this Policy will be addressed through the procedures elaborated in the respective student, faculty, and staff handbooks.

1. **Initial Assessment**

Following an intake meeting with the Complainant, receipt of a written report, or receipt of a written complaint of an alleged violation of this Policy, the Title IX Coordinator and/or the AA/EEO Officer engages in an initial assessment, which is typically one (1) to five (5) business days in duration. The steps in an initial assessment may include:

- The Title IX Coordinator and/or the AA/EEO Officer reaches out to the Complainant to offer supportive measures.
- The Title IX Coordinator and/or the AA/EEO Officer informs the Complainant the opportunity to have an Advisor.
- The Title IX Coordinator and/or the AA/EEO Officer works with the Complainant to determine whether the Complainant prefers an Informal Resolution Process or a Formal Complaint Resolution Process.

**Complainant’s Initial Meeting with the Title IX Coordinator or AA/EEO Officer**

As soon as is practicable after receiving a complaint, the Title IX Coordinator or AA/EEO Officer will contact the Complainant to schedule an initial meeting. If the Complainant is not the alleged victim, the Title IX Coordinator or AA/EEO Officer also will contact the alleged victim as soon as possible to schedule an initial meeting. All mentions of the “Complainant” in items 1-7 of this subsection also apply to the alleged victim if the Complainant is not the alleged victim. At this initial meeting (or these initial meetings, in the case of a Complainant who is not the alleged victim), the Title IX Coordinator or AA/EEO Officer will, as applicable:

1. Provide the Complainant a copy of this Policy;
2. Request that the Complainant submit a written complaint which the Complainant may, if he or she agrees to disclose the information, provide details regarding the allegation, including the name of the accused individual and the date, location, and general nature of the alleged violation;
3. Explain avenues for Informal Resolution Process and Formal Complaint Resolution Process of the Complaint;
4. Explain the steps involved in an investigation;
5. Discuss confidentiality standards and concerns with the Complainant;
6. Determine whether the Complainant wishes to pursue a resolution (informal or formal) through ATU, or no resolution of any kind;
7. Discuss with the Complainant, as appropriate, possible supportive measures that can be provided to the Complainant, at no cost, during the pendency of the investigatory and resolution processes. ATU may implement such measures if requested, appropriate, and reasonably available, whether a complaint has been filed or not. Supportive measures may include, but are not limited to:
   a. issuing no-contact directives to prevent any contact between the Complainant, the Respondent, witnesses and/or third parties;
   b. providing the Complainant an escort to ensure that he or she can move safely between classes, work, and/or activities;
   c. changing a Complainant’s or a Respondent’s on-campus housing or dining, if any, to a different on-campus location and providing assistance from ATU support staff in completing the relocation;

---

24 If circumstances require, the President will designate another person to oversee the process below should an allegation be made about the Title IX Coordinator and/or AA/EEO Officer or should they be otherwise unavailable or unable to fulfill their duties.
d. arranging to dissolve a campus housing contract and offering a pro-rated refund;

e. changing work arrangements;

f. rescheduling class work, assignments, and examinations without penalty;

g. arranging for the Complainant to take an incomplete in a class; or

h. moving the Complainant or the Respondent from one class section to another without penalty;

i. permitting a temporary withdrawal from ATU;

j. providing alternative course completion options without penalty;

k. providing counseling services;

l. providing academic support services such as tutoring.

Respondent’s Initial Meeting with the Title IX Coordinator or AA/EEO Officer

If the Complainant wishes to pursue an informal or formal resolution through ATU or if the ATU otherwise deems that a further investigation is warranted, as soon as is reasonably practicable after the Title IX Coordinators or the AA/EEO Officer’s initial meeting with the Complainant (and if applicable, the alleged victim), the Title IX Coordinator or AA/EEO Officer will schedule an initial meeting with the Respondent. During the initial meeting with the Respondent, the Title IX Coordinator or the AA/EEO Officer will, as applicable:

1. Provide Respondent with a copy of the Complaint;

2. Provide Respondent with a copy of this Policy;

3. Explain the ATU’s procedures for Informal Resolution Process and Formal Complaint Resolution Process of the Complaint

4. Explain the steps involved in an investigation;

5. Discuss confidentiality standards and concerns with the Respondent;

6. Discuss non-retaliation requirements with the Respondent;

7. Discuss with the Respondent, as appropriate, possible supportive measures that can be provided, at no cost, during the pendency of the investigative and resolution processes. ATU may implement such measures if requested, appropriate, and reasonably available, whether a complaint has been filed or not. Supportive measures may include, but are not limited to:

   a. issuing no-contact directives to prevent any contact between the Complainant, the Respondent, witnesses and/or third parties;

   b. providing the Complainant an escort to ensure that he or she can move safely between classes, work, and/or activities;

   c. changing a Complainant’s or a Respondent’s on-campus housing or dining, if any, to a different on-campus location and providing assistance from ATU support staff in completing the relocation;

   d. arranging to dissolve a campus housing contract and offering a pro-rated refund;

   e. changing work arrangements;

   f. rescheduling class work, assignments, and examinations without penalty;

   g. arranging for the Complainant to take an incomplete in a class; or

   h. moving the Complainant or the Respondent from one class section to another without penalty;
i. permitting a temporary withdrawal from ATU;

j. providing alternative course completion options without penalty;

k. providing counseling services;

l. providing academic support services such as tutoring.

ATU provides two options for resolving matters of discrimination, harassment, and retaliation: an Informal Resolution Process and a Formal Complaint Resolution Process. An individual who believes that he or she has been subjected to discrimination, harassment, or retaliation and seeks to take action may use the Informal Resolution Process, the Formal Complaint Resolution Process, or both. The Informal Resolution Process and the Formal Complaint Resolution Process are not mutually exclusive and neither is required as a pre-condition for choosing the other. However, they cannot both be used at the same time.

The process followed considers the preference of the parties but is ultimately determined at the discretion of the Title IX Coordinator or the AA/EEO Officer. At any point during the initial assessment or formal investigation, if the Title IX Coordinator or the AA/EEO Officer determines that reasonable cause does not support the conclusion that this Policy has been violated, the process will end, and the parties will be notified.

The Complainant may request that the Title IX Coordinator or the AA/EEO Officer review the reasonable cause determination and/or re-open the formal investigation. This decision lies in the sole discretion of the Title IX Coordinator or the AA/EEO Officer, but the request is usually only granted in extraordinary circumstances.

2. **Violence Risk Assessment**

In some cases, the Title IX Coordinator and/or the AA/EEO Officer may determine that a Violence Risk Assessment (VRA) should be conducted by the CARE Team as part of the initial assessment. A VRA can aid in nine (9) critical and/or required determinations, including:

- Interim suspension of a Respondent who is a threat to health/safety;
- Whether the Title IX Coordinator and/or the AA/EEO Officer should pursue a Complaint absent a willing/able Complainant;
- Whether to put the investigation on the footing of incident and/or pattern and/or climate;
- To help identify potentially predatory conduct;
- To help assess/identify grooming behaviors;
- Whether a Complaint is amenable to informal resolution, and what modality may be most successful;
- Whether to permit a voluntary withdrawal by the Respondent;
- Assessment of appropriate sanctions/remedies;
- Whether a Clery Act Timely Warning or campus ban is needed.

More about the ATU’s process for VRA can be found in Appendix B.

3. **Resolution Options**

An individual who believes that he or she has been subjected to discrimination, harassment, or retaliation should contact the Title IX Coordinator and/or the AA/EEO Officer who will review the facts presented. The individual, if they are a faculty member, may additionally contact the Faculty Welfare Committee representative. No person shall be subject to restraints, interference, or reprisal for action taken in good faith to report or to seek advice in matters of discrimination, harassment, or retaliation.

**Informal Resolution Process.**
The Informal Resolution Process may be appropriate when the conduct complained of is not of a serious or repetitive nature and disciplinary action is not required to remedy the situation. As there is no formal investigation involved in the Informal Resolution Process, there is no imposition of discipline.

ATU methods for resolving complaints informally include, but are not limited to:

• Mediating between the Complainant and the Respondent;
• Aiding in the modification of the situation in which the offensive conduct occurred;
• Assisting a department or division with the resolution of a real or perceived problem; or
• Arranging for a documented meeting between the Respondent and an ATU official that involves, at a minimum, a discussion of the requirements of this Policy.

ATU will document any Informal Resolution Process. The documentation will be retained by the Title IX Coordinator and/or the AA/EEO Officer and, if a faculty member is involved, and so requests, the Faculty Welfare Committee representative. The documentation will be kept confidential to the extent permitted by law. If a complaint is filed in a faculty or staff’s permanent record, the faculty or staff member must be notified. An Informal Resolution Process is not a precondition for filing a formal written complaint.

**Formal Complaint Resolution Process.**

A Formal Complaint Resolution Process (including an investigation and hearing) can be pursued for any behavior for which the Respondent has not accepted responsibility that constitutes conduct covered by the Equal Opportunity, Harassment (Sexual Misconduct), and Nondiscrimination Policy and Procedures at any time during the process. The Formal Complaint Resolution Process starts with an investigation and concludes with a hearing. An individual who believes that he or she has been subjected to discrimination, harassment, or retaliation may submit a written formal complaint setting forth all facts to the Title IX Coordinator and/or the AA/EEO Officer who will assign an Investigator(s) to review the facts presented. The individual, if they are a faculty member, may also request that a copy of the complaint be sent to the Faculty Welfare Committee representative.

Proceedings are private. All persons present at any time during the resolution processes are expected to maintain the privacy of the proceedings in accord with ATU policy.

While there is an expectation of privacy around what is discussed during interviews, the parties have discretion to share their own experiences with others if they so choose, but are encouraged to discuss with their Advisors first before doing so.

If the Formal Complaint Resolution Process is initiated, the Title IX Coordinator or the AA/EEO Officer will provide written notification of the investigation to the parties at an appropriate time during the investigation. Typically, notice is given at least 48 hours in advance of an interview. Advanced notice facilitates the parties’ ability to identify and choose an Advisor, if any, to accompany them to the interview.

4. **Counterclaims**

Counterclaims by the Respondent may be made in good faith but are also sometimes made for purposes of retaliation. ATU is obligated to ensure that any process is not abused for retaliatory purposes.

ATU permits the filing of counterclaims, but uses the initial assessment, described above in this Policy, to assess whether the allegations are made in good faith. If they are, the allegations will be processed using the resolution procedures in Process B, typically after resolution of the underlying allegation.

A delay in the processing of counterclaims is permitted, accordingly. Occasionally, allegations and counterclaims can be resolved through the same investigation, at the discretion of the Title IX Coordinator or the AA/EEO Officer. When counterclaims are not made in good faith, they will be considered retaliatory, and may constitute a violation of this Policy.

5. **Advisors**
The parties may each have an Advisor\textsuperscript{25} of their choice present with them for all meetings and interviews within the resolution processes, if they so choose. The parties may select whomever they wish to serve as their Advisor as long as the Advisor is eligible and available\textsuperscript{26}.

Choosing an Advisor who is also a witness in the process creates potential for bias and conflict-of-interest. An Advisor cannot serve as a witness.

ATU may permit parties to have more than one (1) Advisor with a maximum of two (2) Advisors allowed upon special request to the Title IX Coordinator. The decision to grant this request is at the sole discretion of the Title IX Coordinator and will be granted equitably to all parties. Only one of the Advisors may be designated to participate in the cross-examination.

\textbf{a. Who Can Serve as an Advisor}

The Advisor may be a friend, mentor, family member, attorney, or any other individual a party chooses to advise, support, and/or consult with them throughout the resolution process. The parties may choose Advisors from inside or outside of the ATU community.

The Title IX Coordinator will also offer to assign a trained Advisor for any party if the party so chooses. If the parties choose an Advisor from the pool available from ATU, the Advisor will be trained by ATU and be familiar with ATU’s resolution process.

If the parties choose an Advisor from outside the pool of those identified by ATU, the Advisor may not have been trained by ATU and may not be familiar with ATU policies and procedures.

Parties also have the right to choose not to have an Advisor in the initial stages of the resolution process, prior to a hearing.

\textbf{b. Advisors in Hearings/ATU-Appointed Advisor}

Under U.S. Department of Education regulations applicable to Title IX, cross-examination is required during the hearing, but must be conducted by the parties’ Advisors. The parties are not permitted to directly cross-examine each other or any witnesses. If a party does not have an Advisor for a hearing, ATU will appoint a trained Advisor for the limited purpose of conducting any cross-examination.

A party may reject this appointment and choose their own Advisor, but they may not proceed without an Advisor. If the party’s Advisor will not conduct cross-examination, ATU will appoint an Advisor who will do so thoroughly, regardless of the participation or non-participation of the advised party in the hearing itself. Extensive questioning of the parties and witnesses will also be conducted by the Decision-Maker(s) during the hearing.

\textbf{c. Advisor’s Role}

The parties may be accompanied by their Advisor in all meetings and interviews at which the party is entitled to be present, including intake and interviews. Advisors should help the parties prepare for each meeting and are expected to advise ethically, with integrity, and in good faith.

ATU cannot guarantee equal Advisory rights, meaning that if one party selects an Advisor who is an attorney, but the other party does not or cannot afford an attorney, ATU is not obligated to provide an attorney.

\textbf{d. Pre-Interview Meetings}

Advisors may request to meet with the administrative officials conducting interviews/meetings in advance of these interviews or meetings. This pre-meeting allows Advisors to clarify and un-

---

\textsuperscript{25} This could include an attorney, advocate, or support person. The law permits one Advisor for each party (witnesses are not entitled to Advisors within the process, though they can be advised externally)

\textsuperscript{26} “Available” means the party cannot insist on an Advisor who simply doesn’t have inclination, time, or availability. Also, the Advisor cannot have institutionally conflicting roles, such as being a Title IX administrator who has an active role in the matter, or a supervisor who must monitor and implement sanctions.
e. **Advisor Violations of ATU Policy**

All Advisors are subject to the same ATU policies and procedures, whether they are attorneys or not. Advisors are expected to advise their parties without disrupting proceedings. Advisors should not address ATU officials in a meeting or interview unless invited to (e.g., asking procedural questions). The Advisor may not make a presentation or represent their advisee during any meeting or proceeding and may not speak on behalf of the advisee(s) or other Decision-Maker(s) except during a hearing proceeding, during cross-examination.

The parties are expected to ask and respond to questions on their own behalf throughout the investigation phase of the resolution process. Although the Advisor generally may not speak on behalf of their advisee, the Advisor may consult with their advisee, either privately as needed, or by conferring or passing notes during any resolution process meeting or interview. For longer or more involved discussions, the parties and their Advisors should ask for breaks to allow for private consultation.

Any Advisor who oversteps their role as defined by this Policy will be warned only once. If the Advisor continues to disrupt or otherwise fails to respect the limits of the Advisor role, the meeting will stop, or other appropriate measures implemented. Subsequently, the Title IX Coordinator will determine how to address the Advisor’s non-compliance and future role.

f. **Sharing Information with the Advisor**

ATU expects that the parties may wish to have ATU share documentation and evidence related to the allegations with their Advisors. Parties may share this information directly with their Advisor or other individuals if they wish. Doing so may help the parties participate more meaningfully in the resolution process.

ATU also provides a consent form that authorizes ATU to share such information directly with their Advisor. The parties must either complete and submit this form to the Title IX Coordinator or provide similar documentation demonstrating consent to a release of information to the Advisor before ATU is able to share records with an Advisor.

If a party requests that all communication be made through their attorney Advisor, ATU may comply with that request at the discretion of the Title IX Coordinator.

g. **Privacy of Records Shared with Advisor**

Advisors are expected to maintain the privacy of the records shared with them. These records may not be shared with third parties, disclosed publicly, or used for purposes not explicitly authorized by ATU. ATU may seek to restrict the role of any Advisor who does not respect the sensitive nature of the process or who fails to abide by ATU’s privacy expectations.

h. **Expectations of an Advisor**

ATU generally expects an Advisor to adjust their schedule to allow them to attend ATU meetings when planned, but may change scheduled meetings to accommodate an Advisor’s inability to attend, if doing so does not cause an unreasonable delay.

ATU may also make reasonable provisions to allow an Advisor who cannot attend in person to attend a meeting by telephone, video conferencing, or other similar technologies as may be convenient and available.

i. **Expectations of the Parties with Respect to Advisors**

A party may elect to change Advisors during the process and is not obligated to use the same Advisor throughout. The parties are expected to inform the Investigator(s) of the identity of their Advisor at least two (2) business days before the date of their first meeting with Investigators (or as

27 Subject to the state law provisions or ATU policy above.
soon as possible if a more expeditious meeting is necessary or desired). The parties are expected to provide timely notice to the Title IX Coordinator if they change Advisors at any time. It is assumed that if a party changes Advisors, consent to share infor-mation with the previous Advisor is terminated, and a release for the new Advisor must be se-cured. Parties are expected to inform the Title IX Coordinator of the identity of their hearing Advisor at least two (2) business days before the hearing.

6. Notice of Investigation and Allegations

The Title IX Coordinator or the AA/EEO Officer will provide written notice of the investigation and allegations (the “NOIA”) to the Respondent upon commencement of the Formal Com-plaint Resolution Process. This facilitates the Respondent’s ability to prepare for the interview and to identify and choose an Advisor to accompany them. The NOIA is also copied to the Complainant, who is to be given advance notice of when the NOIA will be delivered to the Respondent.

The NOIA will include:

- A meaningful summary of all of allegations,
- The identity of the involved parties (if known),
- The precise misconduct being alleged,
- The date and location of the alleged incident(s) (if known),
- The specific policies implicated,
- A description of the applicable procedures,
- A statement of the potential sanctions/responsive actions that could result,
- A statement that ATU presumes the Respondent is not responsible for the reported misconduct unless and until the evidence supports a different determination,
- A statement that determinations of responsibility are made at the conclusion of the process and that the parties will be given an opportunity to inspect and review all di-rectly related and/or relevant evidence obtained during the review and comment pe-riod,
- A statement about ATU’s policy on retaliation,
- Information about the privacy of the process,
- Information on the need for each party to have an Advisor of their choosing and sug-gestions for ways to identify an Advisor,
- A statement informing the parties that ATU’s Policy prohibits knowingly making false statements, including knowingly submitting false information during the resolution process,
- Detail on how the party may request disability accommodations during the interview process,
- A link to ATU’s VAWA brochure (if applicable);
- The name(s) of the Investigator(s), along with a process to identify, in advance of the interview process, to the Title IX Coordinator any conflict of interest that the Investi-gator(s) may have, and
- An instruction to preserve any evidence that is directly related to the allegations.

Amendments and updates to the NOIA may be made as the investigation progresses and more information becomes available regarding the addition or dismissal of various charges.

Notice will be made in writing and may be delivered by one or more of the following meth-ods: in person, mailed to the local or permanent address(es) of the parties as indicated in offi-cial ATU records, or emailed to the parties’ ATU issued email or designated accounts. Once mailed, emailed, and/or received in-person,
notice will be presumptively delivered.

7. **Resolution Timeline**

ATU will make a good faith effort to complete the resolution process within a sixty-to-ninety (60-90) business day time period, including appeal, which can be extended as necessary for appropriate cause by the Title IX Coordinator, who will provide notice and rationale for any extensions or delays to the parties as appropriate, as well as an estimate of how much additional time will be needed to complete the process.

8. **Ensuring Impartiality**

Any individual materially involved in the administration of the resolution process, including the Title IX Coordinator, the AA/EEO Officer, Investigator(s), and Decision-Maker(s) may neither have nor demonstrate a conflict of interest or bias for a party generally, or for a specific Complainant or Respondent.

The Title IX Coordinator or the AA/EEO Officer will vet the assigned Investigator(s) to ensure impartiality by ensuring there are no actual or apparent conflicts of interest or disqualifying biases. The parties may, at any time during the resolution process, raise a concern regarding bias or conflict of interest, and the Title IX Coordinator will determine whether the concern is reasonable and supportable. If so, another Pool member will be assigned and the impact of the bias or conflict, if any, will be remedied. If the source of the conflict of interest or bias is the Title IX Coordinator, concerns should be raised with Dr. Keegan Nichols, Vice President for Student Affairs, at knichols@atu.edu.

The Formal Complaint Resolution Process involves an objective evaluation of all relevant evidence obtained, including evidence which supports that the Respondent engaged in a policy violation and evidence which supports that the Respondent did not engage in a policy violation. Credibility determinations may not be based solely on an individual’s status or participation as a Complainant, Respondent, or witness.

ATU operates with the presumption that the Respondent is not responsible for the reported misconduct unless and until the Respondent is determined to be responsible for a policy violation by the preponderance of the evidence standard.

9. **Investigation Timeline**

Investigations are completed expeditiously, normally within thirty (30) business days, though some investigations may take weeks or even months, depending on the nature, extent, and complexity of the allegations, availability of witnesses, police involvement, etc.

ATU will make a good faith effort to complete investigations as promptly as circumstances permit and will communicate regularly with the parties to update them on the progress and timing of the investigation.

10. **Investigation**

A formal investigation will be initiated if the complaint articulates sufficient specific facts which, if determined to be true, would support a finding that this Policy was violated. The Title IX Coordinator and/or the AA/EEO Officer, will give the Respondent a copy of the complaint. The Respondent is also provided with an opportunity to respond to the Complaint within five (5) days of receipt by the Respondent.

Both the Complainant and the Respondent will be individually interviewed as a part of the investigation as will any witnesses or persons who have information related to the Complaint. Documents relevant to the Complaint will also be examined.

The Investigators typically take the following steps, if not already completed (not necessarily in this order):

- Determine the identity and contact information of the Complainant
- In coordination with campus partners (e.g., the Title IX Coordinator, AA/EEO Officer), initiate or assist with any necessary supportive measures
- Identify policies implicated by the alleged misconduct
• Assist the Title IX Coordinator or the AA/EEO Officer with conducting an initial assessment to determine if there is reasonable cause to believe the Respondent has violated policy
• If there is insufficient evidence to support reasonable cause, the process is closed with no further action
• Commence an investigation by developing a strategic investigation plan, including a witness list, evidence list, intended investigation timeframe, and order of interviews for all parties and witnesses
• Meet with the Complainant to finalize their statement, if necessary
• Prepare the initial Notice of Investigation and Allegation (NOIA) on the basis of the initial assessment. Notice may be one step or multiple steps, depending on how the investigation unfolds, and potential policy violations may be added or dropped as more is learned. Investigators will update the NOIA accordingly and provide it to the parties.
• Notice should inform the parties of their right to have the assistance of an Advisor appointed by ATU or other Advisor of their choosing present for all meetings attended by the advisee
• When formal notice is being given, it should provide the parties with a written description of the alleged violation(s), a list of all policies allegedly violated, a description of the applicable procedures, and a statement of the potential sanctions/responsive actions that could result
• Give an instruction to the parties to preserve any evidence that is directly related to the allegations
• Provide the parties and witnesses with an opportunity to review and verify the Investigator’s summary notes from interviews and meetings with that specific party or witness
• Make good faith efforts to notify the parties of any meeting or interview involving the other party, in advance when possible
• Interview relevant individuals and conduct follow-up interviews as necessary
• Allow each party the opportunity to suggest questions they wish the Investigator(s) to ask of the other party and witnesses
• Complete the investigation and without unreasonable deviation from the intended timeline
• Provide regular status updates to the parties throughout the investigation
• Prior to the conclusion of the investigation, summarize for the parties the list of witnesses whose information will be used to render a finding
• Write a comprehensive investigation report fully summarizing the investigation and all evidence
• Provide parties with a copy of the draft investigation report when it is completed, including all relevant evidence, analysis, credibility assessments, and recommended finding(s)
• Provide each party with a full and fair opportunity to respond to the report in writing within five (5) business days and incorporate that response into the report
• Investigators may choose to respond in writing to the responses of the parties, and/or to share the responses between the parties for their responses, while also ensuring that they do not create a never-ending feedback loop
• Gather, assess, and synthesize evidence without making a finding, conclusion, determination or recommendation
• Provide the final report to the Title IX Coordinator or the AA/EEO Officer

In the course of an investigation, ATU will attempt to maintain confidentiality for all parties involved. However, there can be no guarantee of confidentiality and anonymity based upon the course and scope of the complaint investigation.
Investigations are completed expeditiously, normally within thirty (30) business days, though some investigations take weeks or even months, depending on the nature, extent, and complexity of the allegations, availability of witnesses, police involvement, etc.

ATU will make a good faith effort to complete investigations as promptly as circumstances permit and will communicate regularly with the parties to update them on the progress and timing of the investigation.

ATU may undertake a short delay in its investigation (several days to weeks, to allow evidence collection) when criminal charges based on the same behaviors that invoke ATU’s resolution process are being investigated by law enforcement. ATU will promptly resume its investigation and resolution process once notified by law enforcement that the initial evidence collection process is complete.

ATU action(s) are not typically altered or precluded on the grounds that civil or criminal charges involving the underlying incident(s) have been filed or that criminal charges have been dismissed or reduced.

Investigations involve interviews with all relevant parties and witnesses, obtaining available, relevant evidence, and identifying sources of expert information, as necessary. Investigators do not meet with character witnesses.

All parties have a full and fair opportunity, though the investigation process, to suggest witnesses and questions, to provide evidence, and to fully review and respond to all evidence, on the record.

11. Additional Details of the Investigation Process
   a. Witness responsibilities
      Witnesses (as distinguished from the parties) who are students, staff, or faculty of ATU should cooperate with and participate in ATU’s investigation and resolution process. Failure to participate may hinder ATU’s ability to stop, remedy, and prevent the described forms of discrimination and harassment.

      While in-person interviews for parties and all potential witnesses are ideal, circumstances (e.g., study abroad, summer break, pandemic) may require individuals to be interviewed remotely. Skype, Zoom, FaceTime, WebEx, or similar technologies may be used for interviews if the Investigator(s) determine that timeliness or efficiency dictate a need for remote interviewing. ATU will take appropriate steps to reasonably ensure the security/privacy of remote interviews.

   b. Remote processes
      Parties and witnesses may be interviewed remotely by phone, video conferencing, or similar technologies if the Investigator(s) or Decision-Makers determine that timeliness or efficiency dictates a need for remote interviewing. Witnesses may also provide written statements in lieu of interviews, or respond to questions in writing, if deemed appropriate by the Investigator(s), though this approach is not ideal. Where remote technologies are used, ATU makes reasonable efforts to ensure privacy, and that any technology does not work to the detriment of any party or subject them to unfairness.

   c. Recording
      No unauthorized audio or video recording of any kind is permitted during the resolution process. If Investigator(s) elect to audio and/or video record interviews, all involved parties must be made aware of audio and/or video recording.

   d. Evidence
      Any evidence that the Decision-Maker(s) determine(s) is relevant and credible may be considered. The hearing does not consider: 1) incidents not directly related to the possible violation, unless they evidence a pattern; 2) the character of the parties; or 3) questions and evidence about the Complainant’s sexual predisposition or prior sexual behavior, unless such questions and evidence about the Complainant’s prior sexual behavior are offered to prove that someone other
than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant’s prior sexual behavior with respect to the Respondent and are offered to prove consent.

Previous disciplinary action of any kind involving the Respondent may be considered in determining an appropriate sanction upon a determination of responsibility, because ATU uses a progressive discipline system. This information is only considered at the sanction stage of the process.

The parties may each submit a written impact statement prior to the hearing for the consideration of the Decision-Maker(s) at the sanction stage of the process when a determination of responsibility is reached.

After post-hearing deliberation, the Decision-Makers render a determination based on the preponderance of the evidence, whether it is more likely than not that the Respondent violated the Policy as alleged.

e. **Character witnesses**

   The Investigator(s) do not meet with character witnesses.

12. **Referral for Hearing**

   Provided that the complaint is not resolved through Informal Resolution, once the final investigation report is shared with the parties, the Title IX Coordinator or the AA/EEO Officer will refer the matter for a hearing.

   The hearing cannot be less than ten (10) business days from the conclusion of the investigation –when the final investigation report is transmitted to the parties and the Decision-Makers–unless all parties and the Decision-Makers agree to an expedited timeline.

13. **Resolution Process Pool**

   The Formal Complaint Resolution Process relies on a pool of officials (“Pool”) to carry out the process. Members of the Pool are announced in an annual distribution of this Policy to all students, employees, prospective students, and prospective employees.

   The list of members and a description of the Pool can be found at https://www.atu.edu/titleix/pool.

   Members of the Pool are trained annually in all aspects of the resolution process and can serve in any of the following roles, at the direction of the Title IX Coordinator and the AA/EEO Officer:

   - To act as an Advisor to the parties
   - To serve as a Decision-Maker regarding the complaint

   The Title IX Coordinator and the AA/EEO Officer, in consultation with the President, appoints the Pool, which acts with independence and impartiality.

   Pool members receive annual training organized by the Title IX Coordinator and the AA/EEO Officer, including a review of ATU policies and procedures as well as applicable federal and state laws and regulations so that they are able to appropriately address allegations, provide accurate information to members of the community, protect safety, and promote accountability.

   The Pool members receive annual training jointly. This training includes, but is not limited to:

   - The scope of ATU’s discrimination and harassment policies and procedures
   - How investigation and hearings are conducted that protect the safety of Complainants and Respondents, and promote accountability
   - Implicit bias
   - Disparate treatment and impact
   - Reporting, confidentiality, and privacy requirements
   - Applicable laws, regulations, and federal regulatory guidance
• How to implement appropriate and situation-specific remedies
• How to investigate in a thorough, reliable, and impartial manner
• How to uphold fairness, equity, and due process
• How to weigh evidence
• How to conduct questioning
• How to assess credibility
• Impartiality and objectivity
• Types of evidence
• Deliberation
• How to render findings and generate clear, concise, evidence-based rationales
• The definitions of all offenses
• How to apply definitions used by ATU with respect to consent (or the absence or negation of consent) consistently, impartially, and in accordance with policy
• How investigations and grievance process are conducted including hearings, appeals, and informal resolution processes
• How to serve impartially, by avoiding prejudgment of the facts at issue, conflicts of interest, and bias
• Any technology to be use
• Issues of relevance of questions and evidence
• Issues of relevance to create an investigation report that fairly summarizes relevant evidence
• How to determine appropriate sanctions in reference to all forms of harassment and discrimination allegations

Specific training is also provided for Appeal Decision-Makers, intake personnel, and Advisors (who are ATU employees), Investigators, and Chairs. All Pool members are required to attend this annual training.

The Hearing Panel will have three (3) members. The composition of the Hearing Panel will be two (2) faculty or staff members and will be chaired by a representative from Student Affairs or Human Resources. The pool includes those representatives who can rotate, upon appointment to serve in either the Advisor or Decision-Maker role.

Pool members are usually appointed to one-year terms, which are renewable. Individuals who are interested in serving in the Pool are encouraged to contact the Title IX Coordinator or the AA/EEO Officer.

14. Hearing Panel Composition

ATU will designate a three-member panel from the Pool, at the discretion of the Title IX Coordinator or AA/EEO Officer. One of the three (3) members will be appointed as Chair by the Title IX Coordinator.

The Decision-Maker(s) will not have had any previous involvement with the investigation. The Title IX Coordinator or AA/EEO Officer may elect to have an alternate from the Pool sit in throughout the resolution process in the event that a substitute is needed for any reason.

Those who have served as Investigators will be witnesses in the hearing and therefore may not serve as Decision-Makers. Those who are serving as Advisors for any party may not serve as Decision-Makers in that matter.

The Title IX Coordinator or AA/EEO Officer may not serve as a Decision-Maker or Chair in the matter but may serve as an administrative facilitator of the hearing if their previous role(s) in the matter do not create a
conflict of interest. Otherwise, a designee may fulfill this role. The hearing will convene at a time determined by the Chair or designee.

15. **Evidentiary Considerations in the Hearing**

Any evidence that the Decision-Maker(s) determine(s) is relevant and credible may be considered. The hearing does not consider: 1) incidents not directly related to the possible violation, unless they evidence a pattern; 2) the character of the parties; or 3) questions and evidence about the Complainant’s sexual predisposition or prior sexual behavior, unless such questions and evidence about the Complainant’s prior sexual behavior are offered to prove that some-one other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant’s prior sexual behavior with respect to the Respondent and are offered to prove consent. Previous disciplinary action of any kind involving the Respondent may be considered in deter-mining an appropriate sanction upon a determination of responsibility, because ATU uses a progressive discipline system. This information is only considered at the sanction stage of the process.

The parties may each submit a written impact statement prior to the hearing for the consider-ation of the Decision-Maker(s) at the sanction stage of the process when a determination of responsibility is reached. After post-hearing deliberation, the Decision-Makers render a determination based on the preponderance of the evidence, whether it is more likely than not that the Respondent vio-lated the Policy as alleged.

16. **Notice of Hearing**

No less than ten (10) business days prior to the hearing, the Title IX Coordinator, AA/EEO Of-ficer or the Chair will send notice of the hearing to the parties. Once mailed, emailed, and/or received in-person, notice will be presumptively delivered.

The notice will contain:

- A description of the alleged violation(s), a list of policies allegedly violated, a descrip-tion of the applicable procedures, and a statement of the potential sanc-tions/responsive actions that could result.
- The time, date, and location of the hearing and a reminder that attendance is manda-ry, superseding all other campus activities.
- Any technology that will be used to facilitate the hearing.
- Information about the option for the live hearing to occur with the parties located in separate rooms using technology that enables the Decision-Makers and parties to see and hear a party or witness answering questions. Such a request must be raised with the Title IX Coordinator at least five (5) business days prior to the hearing.
- A list of all those who will attend the hearing, along with an invitation to object to any Decision-Maker on the basis of demonstrated bias. This must be raised with the Title IX Coordinator or the AA/EEO Officer at least five (5) business days prior to the hearing.
- An invitation to each party to submit to the Chair the questions or topics (the parties and their Advisors) wish to ask or discuss at the hearing, so that the Chair can rule on their relevance ahead of time to avoid any improper evidentiary introduction in the hearing or provide recommendation for more appropriate phrasing. However, this ad-advance review opportunity does not preclude the Advisors from asking at the hearing for a reconsideration based on any new information or testimony offered at the hearing. The Chair will document and share their rationale for any relevance determination.
- Notification in advance of the hearing of any witnesses that do not need to be present if the Chair has determined their testimony can be adequately summarized by the In-vestigator(s) in the
investigation report or during the hearing and both parties are in full agreement.

- Information on how the hearing will be recorded and on access to the recording for the parties after the hearing.
- A statement that if any party or witness does not appear at the scheduled hearing, the hearing may be held in their absence, and the party’s or witness’s testimony and any statements given prior to the hearing will not be considered by the Decision-Makers. For compelling reasons, the Chair may reschedule the hearing.
- Notification that the parties may have the assistance of an Advisor of their choosing at the hearing and will be required to have one present for any questions they may desire to ask. The party must notify the Title IX Coordinator or the AA/EEO Officer if they do not have an Advisor, and ATU will appoint one. Each party must have an Advisor present. There are no exceptions.
- A copy of all the materials provided to the Decision-Makers about the matter, unless they have been provided already.
- An invitation to each party to submit to the Chair an impact statement pre-hearing that the Decision-Makers will review during any sanction determination.
- An invitation to contact the Title IX Coordinator or AA/EEO Officer to arrange any disability accommodations, language assistance, and/or interpretation services that may be needed at the hearing, at least seven (7) business days prior to the hearing.

Hearings for possible violations that occur near or after the end of an academic term (assuming the Respondent is still subject to this Policy) and are unable to be resolved prior to the end of term will typically be held immediately after the end of the term or during the summer, as needed, to meet the resolution timeline followed by ATU and remain within the 60-90 business day goal for resolution.

In these cases, if the Respondent is a graduating student, a hold may be placed on graduation and/or official transcripts until the matter is fully resolved (including any appeal). A student facing charges under this Policy is not in good standing to graduate.

In hearings involving more than one Respondent or in which two (2) or more Complainants have accused the same individual of substantially similar conduct, the default procedure will be to hear the allegations jointly.

However, the Title IX Coordinator may permit the investigation and/or hearings pertinent to each Respondent to be conducted separately if there is a compelling reason to do so. In joint hearings, separate determinations of responsibility will be made for each Respondent with respect to each alleged policy violation.

17. Hearing Procedures

At the hearing, the Decision-Makers have the authority to hear and make determinations on all allegations of discrimination, harassment, and/or retaliation and may also hear and make determinations on any additional alleged policy violations that have occurred in concert with the discrimination, harassment, and/or retaliation, even though those collateral allegations may not specifically fall within the Equal Opportunity, Harassment (Sexual Misconduct), and Nondiscrimination Policy and Procedures.

Participants at the hearing will include the Chair, any additional panelists, the Investigator(s) who conducted the investigation, the parties (or three (3) organizational representatives when an organization is the Respondent), Advisors to the parties, any called witnesses, and anyone providing authorized accommodations or assistive services.

The Chair will answer all questions of procedure. Anyone appearing at the hearing to provide information will respond to questions on their own behalf.

The Chair will allow witnesses who have relevant information to appear at a portion of the hearing in order
to respond to specific questions from the Decision-Makers and the parties and will then be excused.

18. **Joint Hearings**

In hearings involving more than one Respondent or in which two (2) or more Complainants have accused the same individual of substantially similar conduct, the default procedure will be to hear the allegations jointly.

However, the Title IX Coordinator may permit the investigation and/or hearings pertinent to each Respondent to be conducted separately if there is a compelling reason to do so. In joint hearings, separate determinations of responsibility will be made for each Respondent with respect to each alleged policy violation.

19. **The Order of the Hearing – Introductions and Explanation of Procedure**

The Chair explains the procedures and introduces the participants. The Chair then conducts the hearing according to the hearing script. At the hearing, recording, witness logistics, party logistics, curation of documents, separation of the parties, and other administrative elements of the hearing process are managed by a non-voting hearing facilitator appointed by the Title IX Coordinator. The hearing facilitator may attend to: logistics of rooms for various parties/witnesses; flow of parties/witnesses in and out of the hearing space; ensuring recording and/or virtual conferencing technology is working as intended; copying and distributing materials to participants, as appropriate, etc.

20. **Investigator Presents the Final Investigation Report**

The Investigator(s) will then present a summary of the final investigation report, including items that are contested and those that are not, and will be subject to questioning by the Decision-Makers and the parties (through their Advisors). The Investigator(s) will be present during the entire hearing process, but not during deliberations.

Neither the parties nor the Decision-Makers should ask the Investigator(s) their opinions on credibility, recommended findings, or determinations, and the Investigators, Advisors, and parties will refrain from discussion of or questions about these assessments. If such information is introduced, the Chair will direct that it be disregarded.

21. **Testimony and Questioning**

Once the Investigator(s) present their report and are questioned, the parties and witnesses may provide relevant information in turn, beginning with the Complainant, and then in the order determined by the Chair. The parties/witnesses will submit to questioning by the Decision-Makers and then by the parties through their Advisors (“cross-examination”).

All questions are subject to a relevance determination by the Chair. The Advisor, who will remain seated during questioning, will pose the proposed question orally, electronically, or in writing (orally is the default, but other means of submission may be permitted by the Chair upon request or agreed to by the parties and the Chair), the proceeding will pause to allow the Chair to consider it, and the Chair will determine whether the question will be permitted, disallowed, or rephrased.

The Chair may explore arguments regarding relevance with the Advisors, if the Chair so chooses. The Chair may decide to call a recess to review relevancy and other arguments. During a recess, the Chair may choose to confer with the Title IX Coordinator. The Chair will then state their decision on the question for the record and advise the party/witness to whom the question was directed, accordingly. The Chair will explain any decision to exclude a question as not relevant, or to reframe it for relevance.

The Chair will limit or disallow questions on the basis that they are irrelevant, unduly repetitious (and thus irrelevant), or abusive. The Chair has final say on all questions and determinations of relevance, subject to any appeal. The Chair may consult with legal counsel on any questions of admissibility. The Chair may ask advisors to frame why a question is or is not relevant from their perspective but will not entertain argument from the advisors on relevance once the Chair has ruled on a question.
If the parties raise an issue of bias or conflict of interest of an Investigator or Decision-Maker at the hearing, the Chair may elect to address those issues, consult with legal counsel, and/or refer them to the Title IX Coordinator, and/or preserve them for appeal. If bias is not in issue at the hearing, the Chair should not permit irrelevant questions that probe for bias.

22. **Refusal to Submit to Cross-Examination and Inferences**

If a party or witness chooses not to submit to cross-examination at the hearing, either because they do not attend the meeting, or they attend but refuse to participate in questioning, then the Decision-Makers may not rely on any prior statement made by that party or witness at the hearing (including those contained in the investigation report) in the ultimate determination of responsibility. The Decision-Makers must disregard that statement. Evidence provided that is something other than a statement by the party or witness may be considered.

If the party or witness attends the hearing and answers some cross-examination questions, only statements related to the cross-examination questions they refuse to answer cannot be relied upon. However, if the statements of the party who is refusing to submit to cross-examination or refuses to attend the hearing are the subject of the allegation itself (e.g., the case is about verbal harassment or a quid pro quo offer), then those statements are not precluded from admission. Similarly, statements can be relied upon when questions are posed by the Decision-Maker(s), as distinguished from questions posed by Advisors through cross-examination.

The Decision-Makers may not draw any inference solely from a party’s or witness’s absence from the hearing or refusal to answer cross-examination or other questions.

If charges of policy violations other than sexual harassment are considered at the same hearing, the Decision-Makers may consider all evidence it deems relevant, may rely on any relevant statement as long as the opportunity for cross-examination is afforded to all parties through their Advisors, and may draw reasonable inferences from any decision by any party or witness not to participate or respond to questions.

If a party’s Advisor of choice refuses to comply with ATU’s established rules of decorum for the hearing, ATU may require the party to use a different Advisor. If an ATU-provided Advisor refuses to comply with the rules of decorum, ATU may provide that party with a different Advisor to conduct cross-examination on behalf of that party.

23. **Respondent Accepts Responsibility for Alleged Violation(s)**

At any time prior to the date of his or her designated hearing, the Respondent may elect to acknowledge his or her actions and take responsibility for the alleged conduct. In such a situation, the Title IX Coordinator or the AA/EEO Officer will propose sanction(s). If the Complainant and the Respondent agree to such proposed sanction(s), then the complaint will be resolved without a hearing and without any further rights of appeal by any party. If either the Complainant or the Respondent objects to such proposed sanction(s), then the Hearing Board will convene for the exclusive purpose of determining a sanction, which determination may be subject to appeal as outlined in this Policy.

24. **Decision**

The Decision-Maker will deliberate in closed session to determine whether the Respondent is responsible or not responsible for the policy violation(s) in question. A simple majority vote is required to determine the finding. The preponderance of the evidence standard of proof is used. The hearing facilitator may be invited to attend the deliberation by the Chair, but is there only to facilitate procedurally, not to address the substance of the allegations.

When there is a finding of responsibility on one or more of the allegations, the Decision-Makers may then consider the previously submitted party impact statements in determining appropriate sanction(s).

The Chair will ensure that each of the parties has an opportunity to review any impact statement submitted by the other party(ies). The Decision-Makers may – at their discretion – consider the statements, but they
are not binding.

The Decision-Makers will review the statements and any conduct history provided by the Title IX Coordinator and/or the AA/EEO Officer and will determine the appropriate sanction(s).

The Chair will then prepare a written deliberation statement and deliver it to the Title IX Co-ordinator or AA/EEO Officer, detailing the determination, rationale, the evidence used in support of its determination, the evidence disregarded, credibility assessments, and any sanctions.

This report typically should not exceed three (3) to five (5) pages in length and must be submitted to the Title IX Coordinator or AA/EEO Officer within two (2) business days of the end of deliberations, unless the Title IX Coordinator or AA/EEO Officer grants an extension. If an extension is granted, the Title IX Coordinator or AA/EEO Officer will notify the parties.

25. Notice of Outcome

Using the deliberation statement, the Title IX Coordinator or the AA/EEO Officer will work with the Chair to prepare a Notice of Outcome. The Title IX Coordinator or AA/EEO Officer will then share the letter, including the final determination, rationale, and any applicable sanction(s) with the parties and their Advisors within three (3) business days of receiving the Decision-Makers’ deliberation statement.

The Notice of Outcome will then be shared with the parties simultaneously. Notification will be made in writing and may be delivered by one or more of the following methods: in person, mailed to the local or permanent address of the parties as indicated in official ATU records, or emailed to the parties’ ATU-issued email or otherwise approved account. Once mailed, emailed, and/or received in-person, notice will be presumptively delivered.

The Notice of Outcome will identify the specific policy(ies) reported to have been violated, including the relevant policy section, and will contain a description of the procedural steps taken by the ATU from the receipt of the misconduct report to the determination, including any and all notifications to the parties, interviews with parties and witnesses, site visits, methods used to obtain evidence, and hearings held.

The Notice of Outcome will specify the finding on each alleged policy violation; the findings of fact that support the determination; conclusions regarding the application of the relevant policy to the facts at issue; a statement of, and rationale for, the result of each allegation to the extent ATU is permitted to share such information under state or federal law; any sanctions issued which ATU is permitted to share according to state or federal law; and any remedies provided to the Complainant designed to ensure access to ATU’s educational or employment program or activity, to the extent ATU is permitted to share such information under state or federal law (this detail is not typically shared with the Respondent unless the remedy directly relates to the Respondent).

The Notice of Outcome will also include information on when the results are considered by ATU to be final, any changes that occur prior to finalization, and the relevant procedures and bases for any available appeal options.

26. Sanctions

Factors considered when determining any sanction(s)/responsive action(s) may include, but are not limited to:

- The nature, severity of, and circumstances surrounding the violation
- An individual’s disciplinary history
- Previous allegations or allegations involving similar conduct
- The need for sanctions/responsive actions to bring an end to the discrimination, harassment, and/or retaliation
- The need for sanctions/responsive actions to prevent the future recurrence of discrimination,
The need to remedy the effects of the discrimination, harassment, and/or retaliation on the Complainant and the community

• The impact on the parties

• Any other information deemed relevant by the Title IX Coordinator

The sanction(s) will be implemented as soon as is feasible. The sanctions described in this Policy are not exclusive of, and may be in addition to, other actions taken, or sanctions imposed by outside authorities.

a. **Student Sanctions**

The following are the sanctions that may be imposed upon students or organizations singly or in combination:

• **Warning**: A formal statement that the conduct was unacceptable and a warning that further violation of any ATU policy, procedure, or directive will result in more severe sanctions/responsive actions.

• **Probation**: A written reprimand for violation of institutional policy, providing for more severe disciplinary sanctions in the event that the student or organization is found in violation of any institutional policy, procedure, or directive within a specified period of time. Terms of the probation will be articulated.

• **Loss of Privileges**: Suspension or denial of rights and privileges for a designated period of time, and may include denial of specified social privileges, exclusion from co-curricular activities, exclusion from designated areas of campus, no-contact directives, and/or other measures deemed appropriate.

• **Monetary Fines**: A penalty imposed involving the collection of fees from the student.

• **Restitution**: Compensation for loss, injury, damage to or misappropriation of ATU property. This may take the form of appropriate service and/or monetary or material replacement.

• **Educational Sanctions**: Educational sanctions may be assigned that promote learning and understanding. These sanctions may be developed as necessary by a conduct body including, but not limited to:
  > Sponsorship of an education program;
  > Attendance at educational programs;
  > Requirement of members to complete educational training programs;
  > Attendance in conflict management training;
  > Educational service hours;
  > Attendance in ethics workshop/training;
  > Reflective exercises.

• **Discretionary Sanctions**: Work assignments, service to ATU, or other related sanctions.

• **Holds**: Withholding of grades, the right to register for classes, official transcript, and/or degree.

• **Housing Suspension**: Separation of the student from ATU housing for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

• **Housing Expulsion**: Permanent separation of the student from ATU housing.
• **University Suspension:** Termination of student status for a definite period of time and revocation of rights to be on campus for any reason or to attend ATU-sponsored events. Conditions for readmission may be specified. Students who return from suspension are automatically placed on probation for a definite period of time.

• **University Expulsion:** Permanent termination of student status and revocation of rights to be on campus for any reason or to attend ATU-sponsored events.

• **Withholding Diploma:** ATU may withhold a student’s diploma for a specified period of time and/or deny a student participation in commencement activities if the student has an allegation pending or as a sanction if the student is found responsible for an alleged violation.

• **Revocation of Admission or Degree:** ATU reserves the right to revoke admission or a degree previously awarded from ATU for fraud, misrepresentation, and/or other violation of ATU policies, procedures, or directives in obtaining admission or the degree, or for other serious violations committed by a student prior to graduation.

• **Organizational Sanctions:** Censure, Disciplinary Probation, Deferred Suspension, Disciplinary Suspension, Indefinite Dismissal, Restrictions, Educational Sanctions, Restitution, and Monetary Fines.

• **Other Actions:** In addition to or in place of the above sanctions, ATU may assign any other sanctions as deemed appropriate.

b. **Employee Sanctions**

Responsive actions for an employee who has engaged in harassment, discrimination, and/or retaliation include:

• **Warning – Verbal or Written**
• **Performance Improvement/Management Process**
• **Required Counseling**
• **Required Training or Education**
• **Probation**
• **Loss of Annual Pay Increase**
• **Loss of Oversight or Supervisory Responsibility**
• **Demotion**
• **Suspension with pay**
• **Suspension without pay**
• **Termination**

• **Other Actions:** In addition to or in place of the above sanctions, ATU may assign any other sanctions as deemed appropriate.

27. **Withdrawal or Resignation While Charges are Pending**

Students: If a student has an allegation pending for violation of the Equal Opportunity, Harassment (Sexual Misconduct), and Nondiscrimination Policy and Procedures, ATU may place a hold on a student’s ability to graduate and/or to receive an official transcript/diploma.

Should a student decide to not participate in the resolution process, the process proceeds absent their participation to a reasonable resolution. Should a student Respondent permanently withdraw from ATU, the
resolution process ends, as ATU no longer has disciplinary jurisdiction over the withdrawn student. However, ATU will continue to address and remedy any systemic issues, variables that may have contributed to the alleged violation(s), and any ongoing effects of the alleged harassment, discrimination, and/or retaliation. The student who withdraws or leaves while the process is pending may not return to ATU. Such exclusion applies to all campuses of ATU. A hold will be placed on their ability to be readmitted. They may also be barred from ATU property and/or events.

If the student Respondent only withdraws or takes a leave for a specified period of time (e.g., one semester or term), the resolution process may continue remotely and that student is not permitted to return to ATU unless and until all sanctions have been satisfied.

During the resolution process, ATU may put a hold on a responding student’s transcript.

Employees: Should an employee Respondent resign with unresolved allegations pending, the resolution process ends, as ATU no longer has disciplinary jurisdiction over the resigned employee.

However, ATU will continue to address and remedy any systemic issues, variables that contributed to the alleged violation(s), and any ongoing effects of the alleged harassment or discrimination.

The employee who resigns with unresolved allegations pending is not eligible for rehire at ATU or any campus of ATU, and the records retained by the Title IX Coordinator and/or the Director of Human Resources and AA/EEO Officer will reflect that status.

All ATU responses to future inquiries regarding employment references for that individual will include that the former employee resigned during a pending disciplinary matter.

28. Appeals

Any party may file a request for appeal (“Request for Appeal”), but it must be submitted in writing to the Title IX Coordinator or the AA/EEO Officer within five (5) business days of the delivery of the written finding of the Decision-Maker(s). Any party may appeal the findings only under the grounds described below.

**Respondent is a student or non-faculty employee:**

Student appeals will be decided by the Vice President for Student Affairs or Chief Student Officer. Employee appeals will be decided by the appropriate Vice President or Athletic Director.

**Respondent is a faculty member:**

If the Respondent is a faculty member with tenure or with a special or probationary appointment, the procedures set forth in the Academic Termination Policies and Procedures section of the Faculty Handbook shall govern the Respondent’s appeal.

The Request for Appeal will be forwarded to the appropriate Appeal Decision-Maker(s) for consideration to determine if the request meets the grounds for appeal (a Review for Standing).

Appeals are limited to the following grounds:

a. Procedural irregularity that affected the outcome of the matter;

b. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and

c. The Title IX Coordinator, Investigator(s), or Decision-Makers had a conflict of interest or bias for or against Complainants or Respondents generally or the specific Complainant or Respondent that affected the outcome of the matter.

If any of the grounds in the Request for Appeal do not meet the grounds in this Policy, that request will be denied by the Appeal Decision-Maker(s) and the parties and their Advisors will be notified in writing of the denial and the rationale.

If any of the grounds in the Request for Appeal meet the grounds in this Policy, then the Appeal Decision-
Maker(s) will notify the other party(ies) and their Advisors, the Title IX Co-ordinator, and, when appropriate, the Investigators and/or the original Decision-Makers.

The other party(ies) and their Advisors, the Title IX Coordinator, and, when appropriate, the Investigators and/or the original Decision-Makers will be mailed, emailed, and/or provided a hard copy of the request with the approved grounds and then be given three (3) business days to submit a response to the portion of the appeal that was approved and involves them. All responses will be forwarded by the Appeal Decision-Maker(s) to all parties for review and comment.

The non-appealing party (if any) may also choose to raise a new ground for appeal at this time. If so, that will be reviewed for standing by the Appeal Decision-Maker(s) and either denied or approved. If approved, it will be forwarded to the party who initially requested an appeal, the Investigator(s) and/or original Decision-Makers, as necessary, who will submit their responses in three (3) business days, which will be circulated for review and comment by all parties.

Neither party may submit any new requests for appeal after this time period. The Appeal Decision-Maker(s) will collect any additional information needed and all documentation regarding the approved grounds and the subsequent responses and will render a decision in no more than five (5) business days, barring exigent circumstances. All decisions apply the preponderance of the evidence standard.

A Notice of Appeal Outcome will be sent to all parties simultaneously including the decision on each approved ground and rationale for each decision. The Notice of Appeal Outcome will specify the finding on each ground for appeal, any specific instructions for remand or reconsideration, any sanctions that may result which ATU is permitted to share according to state or federal law, and the rationale supporting the essential findings to the extent ATU is permitted to share under state or federal law.

Notification will be made in writing and may be delivered by one or more of the following methods: in person, mailed to the local or permanent address of the parties as indicated in official ATU records, or emailed to the parties’ ATU-issued email or otherwise approved account. Once mailed, emailed and/or received in-person, notice will be presumptively delivered.

Any sanctions imposed as a result of the hearing are stayed during the appeal process. Supportive measures may be reinstated, subject to the same supportive measure procedures above.

If any of the sanctions are to be implemented immediately post-hearing, then emergency removal procedures (detailed above) for a hearing on the justification for doing so must be permitted within 48 hours of implementation.

ATU may still place holds on official transcripts, diplomas, graduations, and course registration pending the outcome of an appeal when the original sanctions included separation.

**Appeal Considerations.**

- Decisions on appeal are to be deferential to the original decision, making changes to the finding only when there is clear error and to the sanction(s)/responsive action(s) only if there is a compelling justification to do so.
- Appeals are not intended to provide for a full re-hearing (de novo) of the allegation(s). In most cases, appeals are confined to a review of the written documentation or record of the original hearing and documentation regarding the specific grounds for appeal.
- An appeal is not an opportunity for the Appeal Decision-Maker to substitute their judgment for that of the original Decision-Makers merely because they disagree with the finding and/or sanction(s).
- The Appeal Decision-Maker may consult with the Title IX Coordinator on questions of procedure or rationale, for clarification, if needed. Documentation of all such consultation will be maintained.
• Appeals granted based on new evidence should normally be remanded to the original Investigator(s) and/or Decision-Makers for reconsideration.

• Once an appeal is decided, the outcome is final: further appeals are not permitted, even if a decision or sanction is changed on remand (except in the case of a new hearing). When appeals result in no change to the finding or sanction, that decision is final. When an appeal results in a new finding or sanction, that finding or sanction can be appealed one final time on the grounds listed above and in accordance with these procedures.

• In rare cases where a procedural error cannot be cured by the original Decision-Makers (as in cases of bias), the appeal may order a new hearing with a new Decision-Makers.

• The results of a new hearing can be appealed, once, on any of the three available appeal grounds.

• In cases in which the appeal results in reinstatement to ATU or resumption of privileges, all reasonable attempts will be made to restore the Respondent to their prior status, recognizing that some opportunities lost may be irreparable in the short term.

29. **Long-Term Remedies/Actions**

Following the conclusion of the resolution process, and in addition to any sanctions implemented, the Title IX Coordinator and/or the AA/EEO Officer may implement long-term remedies or actions with respect to the parties and/or the campus community to stop the harassment, discrimination, and/or retaliation; remedy its effects; and prevent its reoccurrence. These remedies/actions may include, but are not limited to:

- Referral to counseling and health services
- Education to the community
- Permanent alteration of housing assignments
- Permanent alteration of work arrangements for employees
- Provision of campus safety escorts
- Climate surveys
- Policy modification
- Provision of transportation accommodations
- Implementation of long-term contact limitations between the parties
- Implementation of adjustments to academic deadlines, course schedules, etc.

At the discretion of the Title IX Coordinator and/or the AA/EEO Officer, long-term remedies may also be provided to the Complainant even if no policy violation is found.

When no policy violation is found, the Title IX Coordinator or the AA/EEO Officer will address any remedies to be provided by ATU to the Respondent.

30. **Failure to Complete Sanctions/Comply with Interim and Long-term Remedies/Responsive Actions**

All Respondents are expected to comply with conduct sanctions, responsive actions, and corrective actions within the timeframe specified.

Failure to abide by the sanction(s)/action(s) imposed by the date specified, whether by refusal, neglect, or any other reason, may result in additional sanction(s)/responsive/corrective action(s), including
suspension, expulsion, and/or termination from ATU.
A hold will only be lifted when compliance is achieved to the satisfaction of the Title IX Coordinator or the AA/EEO Officer.

31. Recordkeeping
ATU will maintain for a period of at least seven years records to Complaints filed under Process B. ATU will also maintain any and all records in accordance with state and federal laws.

32. Disabilities Accommodation in the Resolution Process
ATU is committed to providing reasonable accommodations and support to qualified students, employees, or others with disabilities to ensure equal access to the resolution process at ATU.
Anyone needing such accommodations or support should contact either Ashlee Leavell, Assistant Dean for Student Wellness and Deputy Title IX Coordinator, who coordinates services for students at sleavell8@atu.edu or Christina Stolarz, Director of Human Resources and AA/EEO Officer and Deputy Title IX Coordinator, who coordinates services for employees at csto-larz@atu.edu. These individuals will review the request and, in consultation with the person requesting the accommodation, and the Title IX Coordinator, determine which accommodations are appropriate and necessary for full participation in the process.

33. Revision
These policies and procedures will be reviewed and updated annually by the Title IX Coordinator and the AA/EEO Officer. ATU reserves the right to make changes to this document as necessary and once those changes are posted online, they are in effect.
The Title IX Coordinator or the AA/EEO Officer may make minor modifications to these procedures that do not materially jeopardize the fairness to be provided to any party, such as to accommodate summer schedules.
The Title IX Coordinator of the AA/EEO Officer may also vary procedures materially with notice (on the ATU website, with the appropriate effective date identified) upon determining that changes to law or regulation require policy or procedural alterations not reflected in this Policy and procedure.
Procedures in effect at the time of the resolution will apply to resolution of incidents, regardless of when the incident occurred.
If government regulations change in a way that impacts this document, this document will be construed to comply with the most recent government regulations.
This document does not create legally enforceable protections beyond the protection of the background state and federal laws which frame such policies and codes, generally.
This Policy was implemented on August 14, 2020.

Appendix D: Suggested Actions for Victims of Sexual Assault
If you have experienced a form of sexual misconduct, please consider your options. ATU’s first priority is to help you take steps to address your safety, medical needs, and emotional well-being. You are encouraged to take the following actions, as applicable, regardless of whether you have made a decision about whether to pursue a complaint at ATU or criminal charges.

1. Ensure Your Physical Safety.
   You may seek help from local law enforcement agencies by dialing 911.

2. Seek Medical Assistance and Treatment.
   Local options for medical care include the ATU Health and Wellness Center, Saint Mary’s Regional Medical Center in Russellville, and Mercy Hospital in Ozark. Even if you do not believe you have urgent medical needs, it is crucial that you obtain medical attention as soon as possible after experiencing sexual
misconduct to determine the possibilities of physical injury and to prevent or treat sexually transmitted infections.

The Health and Wellness Center at Arkansas Tech University can help survivors of sexual misconduct sort through their feelings and begin the recovery process. The professionals at Counseling Services are trained to provide crisis intervention on short term and emergency issues. Counseling Services can also provide referral services for outside providers, law enforcement, and Title IX. Staff in the Health and Wellness Center can provide:

- Counseling services (free for all students)
- Sexually transmitted infection testing and treatment
- Women’s health services

Saint Mary’s Regional Medical Center in Russellville and Mercy Hospital in Ozark offer many services 24/7 for survivors of sexual and interpersonal violence such as:

- Prevention and treatment of sexually transmitted infections as well as pregnancy prevention.
- Forensic evidence collection such as DNA and injury documentation.
- Screening for the presence of sedative drugs such as Rohypnol or GHB (date-rape drugs).

If you choose to have forensic evidence collected at a hospital, it is important to do so within 72-120 hours of an assault. Even if you do not want to file charges at the time, by having evidence collected, you keep your options open. There is a window of time after an assault to collect evidence, and having evidence collected does not mean you have to want to press charges or even make up your mind about what you want to do. It means that if you decide a few days, weeks, or months later that you want to report the assault to law enforcement, the physical evidence has been preserved.

Some general guidelines for evidence collection:

- You may want to shower, bathe, brush your teeth, smoke, change your clothes, or clean the area where the assault occurred. Try to avoid these things before having evidence collected if possible, but an evidence collection kit can still be completed if you have already done any or all of these things.
- If you have already changed clothes, take what you were wearing at the time of the assault to the hospital in a paper (not plastic) bag.
- Save any forms of communication or documents that might be helpful in an investigation. This may include text messages, emails, messages on social media like Instagram, Facebook, and Snapchat, pictures, etc.
- If you are unsure about the identity of your assailant, write down everything you are able to remember about that person, including a physical description and any information you remember about the person’s identity.

The ATU Health and Wellness Center can assist victims sort through their feelings and begin the recovery process. The professionals in Counseling Services are trained to provide crisis intervention on short term and emergency issues. Counseling Services can also provide referral services for outside providers and law enforcement. Counseling is free of charge to all students. In some instances, the law may require the disclosure of information shared by students with counselors. However, absent a legal mandate to the contrary, Counseling Services are strictly confidential, are not part of students’ ATU records, and will not be reported to other ATU personnel.

You are encouraged to report incidents of sexual assault to ATU’s Title IX Coordinator or other designated University individuals or offices as outlined in the Sexual Misconduct Policy and Procedures (even if you have filed a report directly with law enforcement). Further information about how to report sexual assault is provided in the Sexual Misconduct Policy and Procedures. ATU staff in the Title IX Office can help you access resources and can provide you with support and information, including information on the ATU’s procedures for investigating and addressing instances of sexual assault.

Article IV: Adjudication of Student Misconduct and Appeals Process

A. Filing Complaints
   1. Any member of the University community may file a complaint against a student for alleged violations of the Student Code of Conduct.
   2. Complaints alleging a violation of the Student Code of Conduct should be submitted as soon as possible after the incident.
   3. Complaints shall be prepared in writing and directed to the Student Conduct Administrator. The Student Conduct Administrator is Amy N. Pennington, AVP/Dean of Students and Title IX Coordinator, Doc Bryan Student Services Center, Suite 233, apennington@atu.edu. Complaints may also be made online by utilizing the incident report form on the Student Conduct website https://cm.maxient.com/reportingform.php?ArkansasTechUniv
   4. The Student Conduct Administrator or designee will assign the case to a conduct advisor to investigate and initiate the conduct process.

B. Preliminary Conference
   1. The conduct advisor will present all charges, supporting documentation and meeting notification to the respondent in written form sent to the address listed in OneTech, via Tech email, via hand-delivery by university employees or delivered to the residence hall room of the respondent. This shall constitute full and adequate notice. The failure of a student to provide an address change or forwarding address, or the refusal or inability to accept the mailed notice, shall not constitute good cause for failure to comply with the notification.
   2. The respondent shall meet with the conduct advisor in a preliminary conference.
   3. The conduct advisor will review the charges and supporting documentation, advise the respondent of due process rights, and explain the Student Code of Conduct adjudication process during the preliminary conference.
   4. The conduct advisor shall offer the respondent an opportunity to informally resolve the alleged violation.
      a. The informal resolution process involves a review of the incident and discussion of the possible sanction(s).
      b. If the respondent accepts responsibility for the violation and the resolution offered by the conduct advisor, the respondent and the conduct advisor shall complete an informal resolution agreement, which shall include information regarding the violations for which the respondent has been found responsible, the resulting sanctions, and signature (when applicable) of both the respondent and conduct advisor.
      c. When the respondent agrees to take responsibility for the violation and the sanction recommended by the conduct advisor, the case will be settled and there shall be no subsequent proceedings.
      d. The respondent has three (3) business days from the date of signing the informal resolution agreement to reconsider the agreement and request a formal hearing.
      e. If the respondent wishes to request a formal hearing, he or she shall file a request for a formal hearing by notifying the Student Conduct Administrator in writing.
f. The outcome of an informal resolution cannot be contested after three (3) business days.

g. The outcome of a formal hearing shall replace any agreements made during the informal resolution.

h. If the charges cannot be settled by mutual consent of the respondent and the conduct advisor, if the respondent maintains innocence, or the respondent fails to attend the preliminary conference, the case will be forwarded to the Student Conduct Administrator for referral to a conduct body for a formal hearing.

i. A formal hearing shall be set to occur no less than five (5) business days and no more than ten (10) business days after the Student Conduct Administrator refers the case for a formal hearing. Time limits for scheduling of formal hearings may be adjusted at the discretion of the Student Conduct Administrator.

5. The conduct advisor may later serve in the same matter as a member of the conduct body.

6. The respondent may request one change in the date and time of the preliminary conference by requesting the change 24 hours prior to the scheduled conference by contacting the Conduct Advisor.

7. Failure of the respondent to attend the preliminary conference will result in a formal hearing being scheduled.

C. Formal Hearing

If the charges cannot be settled by mutual consent of the respondent and the conduct advisor or if the respondent maintains innocence, the Student Conduct Administrator will refer case to the Student Affairs Conduct Board to adjudicate the case in a formal hearing.

Composition of the Student Affairs Conduct Board

This conduct body is assigned to conduct formal hearings involving alleged violations of the Student Code of Conduct that cannot be settled during a preliminary conference. The conduct board is composed of the following members, appointed by the Student Conduct Administrator: One (1) student representing membership from the following groups: Student Government Association, IFC/Panhellenic, Residence Hall Association, Gold Cabinet, or the Student Activities Board; One (1) Resident Assistant; Two (2) Students at-large; One (1) Residence Life staff member; One (1) Student Affairs staff member. The Student Conduct Administrator or designee will serve as the chairperson. The Student Affairs Conduct Board will hear the case and determine the appropriate sanction(s). All participants are bound to confidentiality in accordance with the federal Family Educational Rights and Privacy Act (FERPA). Students serving on the Student Affairs Conduct Board must be full-time, in good academic standing, and demonstrate satisfactory conduct history.

Hearing Guidelines

1. Hearings shall normally be conducted in private.

2. The complainant, the respondent, and their advisors (if any), shall be allowed to attend the entire portion of the student conduct hearing at which information is received excluding deliberation. Admission of any person to the hearing who is not a party or potential witness shall be at the discretion of the conduct body and/or the chairperson of the conduct body.

3. In hearings involving more than one respondent, the Student Conduct Administrator or designee may at his or her sole discretion permit the hearings concerning each respondent to be conducted separately or jointly.

4. The complainant and the respondent have the right to be assisted by any advisor they choose, at their own expense. The complainant and/or respondent is responsible for presenting his or her own information. Advisors are not permitted to speak or to participate directly in any student conduct hearing. The complainant and respondent must notify the Student Conduct Administrator who they are bringing at least 72 hours prior to the hearing. A complainant and respondent should select as an advisor, a person whose schedule allows attendance at the scheduled date and time of the student conduct hearing; delays will not normally be allowed due to the scheduling conflicts of an advisor.

5. The complainant, the respondent, and the conduct body shall have the privilege of presenting witnesses, subject to the right of cross examination by the conduct body.
6. The complainant, the respondent, and the conduct body may arrange for witnesses to present pertinent information to the Student Affairs Conduct Board. Witnesses will provide information to and answer questions from the Student Affairs Conduct Board. The complainant and respondent will not be allowed to directly cross-examine each other or witnesses. Requested witnesses must be provided to the Student Conduct Administrator at least 72 hours prior to the hearing.

7. Pertinent records, exhibits, and written statements may be accepted as evidence for consideration by the conduct body at the discretion of the chairperson. This information must be provided to the Student Conduct Administrator at least 72 hours prior to the hearing.

8. All procedural questions are subject to the final decision of the chairperson of the conduct body.

9. After the portion of the hearing concludes in which all pertinent information has been received and the respondent, complainant, and witnesses are dismissed, the conduct body shall determine by majority vote whether the respondent has violated each section of the Student Code of Conduct in which the respondent is charged and determine the sanction(s), if any.

10. The determination of the conduct body shall be made on the preponderance of the evidence standard of proof, whether it is more likely than not that the respondent violated the Student Code of Conduct.

11. Formal rules of process, procedure, and/or technical rules of evidence, such as applied in criminal or civil court, are not used in the Student Affairs Conduct Board proceedings.

12. There shall be a single verbatim record, such as a digital recording, of all hearings before the Student Affairs Conduct Board, not including deliberations. The recording shall be the property of the University.

13. If the respondent does not appear before the conduct body for the formal hearing, the information in support of the charges shall be presented and considered in absentia.

14. The conduct body may accommodate concerns for the personal safety, well-being, retaliation, and/or fears of the confrontation of the complainant, respondent, and/or other witnesses during the formal hearing by providing a visual screen and/or by permitting participation by telephone, video conferencing, or by other means at the discretion of the Student Conduct Administrator or designee.

15. After the formal hearing, the Student Conduct Administrator will advise the respondent in writing of the determination of the conduct body and any imposed sanction. Each record of any disciplinary process or sanction imposed under the Student Code of Conduct involving a respondent and any alleged victim may constitute an educational record the release of which is governed by FERPA.

D. Sanctions

1. The following sanctions may be imposed singularly or in combination upon any student found to have violated the Student Code Conduct:
   a. **Warning.** A formal statement that the conduct was unacceptable and a warning that further violation of any ATU policy, procedure, or directive will result in more severe sanctions/responsive actions.
   b. **Probation.** A written reprimand for violation of institutional policy, providing for more severe disciplinary sanctions in the event that the student or organization is found in violation of any institutional policy, procedure, or directive within a specified period of time. Terms of the probation will be articulated.
   c. **Loss of Privileges.** Suspension or denial of rights and privileges for a designated period of time, and may include denial of specified social privileges, exclusion from co-curricular activities, exclusion from designated areas of campus, no-contact directives, and/or other measures deemed appropriate.
   d. **Monetary Fines.** A penalty imposed involving the collection of fees from the student.
   e. **Restitution.** Compensation for loss, injury, damage to or misappropriation of ATU property. This may take the form of appropriate service and/or monetary or material replacement.
f. **Educational Sanctions.** Educational sanctions may be assigned that promote learning and understanding. These sanctions may be developed as necessary by a conduct body including, but not limited to:
   i. Sponsorship of an educational program;
   ii. Attendance at educational programs;
   iii. Requirement of members to complete educational training programs;
   iv. Attendance in conflict management training;
   v. Educational service hours;
   vi. Attendance in ethics workshop/training;
   vii. Reflective exercises;
   viii. Research exercises.

g. **Discretionary Sanctions.** Work assignments, service to ATU for other related sanctions. Students who violate the alcohol/drug policies may be subject to completion of alcohol and other drug education programs.

h. **Holds.** Withholding of grades, right to register for classes, official transcript, and/or degree.

i. **Loss of Scholarship.** Scholarships awarded by the University or University-related programs may be partially or fully revoked.

j. **Housing Suspension.** Separation of the student from ATU housing for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

k. **Housing Expulsion.** Permanent separation of the student from ATU housing.

l. **University Suspension.** Termination of student status for a definite period of time and revocation of rights to be on campus for any reason or to attend ATU-sponsored events. Conditions for readmission may be specified. Students who return from suspension are automatically placed on probation for a definite period of time.

m. **University Expulsion.** Permanent termination of student status and revocation of rights to be on campus for any reason or to attend ATU-sponsored events.

n. **Revocation of Admission and/or Degree.** ATU reserves the right to revoke admission or a degree previously awarded from ATU for fraud, misrepresentation, and/or other violation of ATU policies, procedures, or directives in obtaining admission or the degree, or for other serious violations committed by a student prior to graduation.

2. Tech may withhold awarding a degree otherwise earned until the completion of the process set forth in the Student Code of Conduct, including the completion of all sanctions imposed, if any. Students who fail to complete the assigned sanction(s) will have a disciplinary hold placed on their student account which may prevent registration activities. The hold is removed when sanctions are complete.

3. A disciplinary sanction becomes part of the student’s permanent academic record as set forth. A student’s permanent academic record includes any disciplinary sanction that comprises:
   a. University Suspension
   b. Expulsion
   c. Any revocation of degree

4. Other than University suspension, University expulsion, and revocation of degree, disciplinary sanctions shall not be made part of the student’s permanent academic record, but shall become part of the student’s conduct
record. Upon graduation and application to the Student Conduct Administrator, the student’s confidential record may be expunged of disciplinary actions other than University housing expulsion, University suspension, University expulsion, or revocation of degree. Requests for expungement should be made in writing to the Student Conduct Administrator.

5. More than one of the sanctions listed above may be imposed for any single violation.

6. Additional sanctions beyond those listed in this section of the Student Code of Conduct may be imposed upon RSOs. Please see Article III, Section 9.

E. Interim Suspension
In certain circumstances, the Student Conduct Administrator or designee, may impose a University or residence hall suspension prior to the formal hearing before a conduct body.

1. Interim suspension may be imposed only:
   a. to ensure the safety and well-being of members of the University community or preservation of University property;
   b. to ensure the student’s own physical or emotional safety and well-being; or
   c. if the student poses a definite threat of disruption of, or interference with, the normal operations of the University.

2. During the interim suspension the respondent shall be denied access to University housing and/or to the campus (including classes) and/or all other University activities or privileges for which the student might otherwise be eligible, as the Student Conduct Administrator or designee may determine to be appropriate.

3. The interim suspension does not replace the outlined conduct process, which shall proceed on the normal schedule, up to and through a formal hearing, if required.

F. Appeals
Appeal of the decision of the Student Affairs Conduct Board may be made in writing to Dr. Keegan Nichols, Vice President for Student Affairs, located in Student Affairs, Doc Bryan Student Affairs Center, Suite 202, (479) 968-0238, knichols@atu.edu within five (5) business days of notification of the decision. The only basis for appeal shall be:

1. Alleged failure of the Student Affairs Conduct Board to follow procedures set forth in the Student Code of Conduct; or

2. Consideration of new evidence that was not reasonably available at the time of the hearing before the Student Affairs Conduct Board.

If an appeal is upheld, the review of the case may result in a modified sanction or the case may be remanded to the Student Affairs Conduct Board for a new hearing. If the appeal is denied, the sanction imposed by the Student Affairs Conduct Board shall be immediately implemented.

Sanctions issued following the Student Affairs Conduct Board hearing shall not be implemented until all appeals have been either exhausted or voluntarily waived.

Article V: Classroom Provisions
While Student Affairs is generally responsible for addressing student conduct, classroom management and behaviors not otherwise in violation of the Student Code of Conduct are under the jurisdiction of the responsible faculty member. This section describes the expectations of Tech and references those procedures related to student conduct in the classroom.

A. Academic Policies
The undergraduate and graduate catalogs address regulations and procedures regarding academic policies at Tech. Each student should read and understand these sections of the catalog.
B. Class Absences
The policy of the University in regard to class absences is that regular class attendance is essential and that students, in their own interest, are therefore responsible for attending all classes in which they are enrolled. For electronically delivered classes, where physical attendance is not a reasonable requirement, equivalent on-line interaction must be documented in lieu of attendance. Absence/participation policies and procedures are applicable both to regular terms and to the summer sessions.

Attendance policies are set forth by each individual instructor and will be announced at the beginning of the course. When participation in a University related function requires missing class, the student should, when possible, notify the instructor(s) prior to the absence. Absences due to sickness, accident, or death in the family should be explained to each instructor by the student. For absences of more than five (5) successive days which by their nature, such as an emergency, make it difficult for the student to contact the instructor(s), the student may contact Amy N. Pennington, AVP/Dean of Students and Title IX Coordinator, located in Student Affairs, Doc Bryan Student Services Center, Suite 233, (479) 968-0239, apennington@atu.edu, for assistance in notifying instructors.

Classroom attendance policy:
1. Control of class attendance is vested in the teacher who has the responsibility for clearly defining in each course, early in the semester, the standards and procedures in regard to regularity and punctuality of class attendance;
2. Students will not be penalized by their instructors for class absences that result from participation in officially sanctioned University activities. It is the responsibility of students to present to their instructors notice and verification of authorized participation in such activities. Individual instructors retain the authority to determine how students in their classes will avoid academic penalties for the resulting absences;
3. Before invoking the most severe penalty for unsatisfactory class attendance or non-attendance, dropping a student from a course with a grade of "WN" (withdraw for non-attendance), the instructor is obligated to notify the student, in writing, that an additional absence would result in this penalty. The WN may also be awarded by an instructor to a student who does not participate in an online course as required by Federal Financial Aid guidelines;
4. A student accumulating an excessive number of unjustifiable absences or non-attendance in an audited course may be administratively withdrawn at the request of the instructor;
5. The action of dropping a student from a course for excessive absences or non-attendance becomes final when the instructor reports this action in writing to the Registrar's Office. The student who chooses to protest such action as unjustified has recourse through the grievance procedure for appeal of an academic grade.

C. Undergraduate Student Academic Grievance Procedure

Appeal of Academic Course Grade
This section describes the process for an academic grade appeal for undergraduate students. The relevant policy for grade appeal by graduate students can be found in the Graduate Catalog.

The assessment of the quality of a student’s academic performance is solely and properly one of the major responsibilities of university faculty members. A grade appeal is not appropriate when a student simply disagrees with the faculty member’s judgment about the quality of the student’s work. Grade appeals should be based on problems of process and not on differences in opinion concerning academic performance. A student who is uncertain about whether or not a grade should be appealed or who needs additional information about the grade appeal process can contact the department head’s office (or dean’s office should the instructor be the department head). This policy is implemented within the college that administratively houses the department through which the course was offered, irrespective of a student’s major or class standing.

The grade appeal process is designed to give the student an opportunity to correct an injustice. Disagreement or dissatisfaction with a faculty member’s professional evaluation of coursework is not the basis for a grade appeal. It should only be utilized when the student contends that the final grade assigned for the course by the instructor is a
result of procedural/calculation error, a result of prejudice, or is arbitrary and/or capricious. Arbitrary and/or capricious here implies that,

1. The student has been assigned a grade on the basis of something other than their performance in the course; or
2. Standards utilized in determining final course grade were not evenly applied to all students in the course; or
3. The grade is based on standards that are unannounced or are substantially different and unreasonable departures from those articulated in the course syllabus at the beginning of the course.

The burden of proof is always on the student appellant to prove that a change of grade is an appropriate action in their case.

Informal
In all cases, the student must begin a grade appeal process informally with the instructor involved to attempt to resolve the disagreement in a cooperative atmosphere. The student must explain their position to the instructor and attempt to understand the justification for the grade assigned by the instructor. The purpose of the meeting is to reach a mutual understanding of the student’s situation and the instructor’s actions and to resolve differences in an informal and cooperative manner. If the student and instructor cannot, after consultation, reach a satisfactory resolution, the student may begin a formal grade appeal process based on procedural/calculation error, prejudice, or an arbitrary and/or capricious assertion.

Formal
The following apply to the formal appeal process for an academic final course grade assigned by an instructor and challenged by a student that has failed to reach a resolution during the informal process.

1. Appeal of a final course grade must be made by the student directly affected and must be made immediately following the conclusion of the course. Immediately, here, means before the beginning of another semester or summer term.
2. All appeals of a grade must begin with the student making a written appeal to the instructor involved and explaining the nature of the problem and the student’s desired resolution. In the case of an instructor who has terminated his/her association with the University, the appeal would begin with the department head or to the dean of the college if the department head should be the instructor involved. Appeals must be presented in writing and contain the following information:
   a. A listing of the student name, course prefix, number, section, semester term/year and instructor of course;
   b. A clear concise statement describing the specific supporting evidence of arbitrary and/or capricious grading as defined above must be provided. It is very important that the basis of the appeal is clearly understood;
   c. A brief summary of the prior informal attempts to resolve the matter and the results of those previous discussions; and
   d. A specific statement of the action or resolution sought.

The instructor (or department head/dean) will have 10 business days to provide a written response to the student appellant. If the instructor is a department head who has left the University and the dean determines no grade change is warranted, the appeals process is completed.

3. If the appeal is not resolved in the previous step, within 5 business days of the date of the written response from the instructor, the student wishing further consideration would take the issue and documents to the head of the department in which the course is taught, or to the dean of the college if the department head should be the instructor involved. The department head (or dean) will review the case and make a judgment on the appeal to determine if a change of grade is warranted. The department head (or dean) will provide a written notice to the instructor and student appellant of their decision within 10 business days of receiving the documents from the
student appellant. If the instructor is a department head and the dean determines no grade change is warranted, the appeals process is completed.

4. If the student wishes further consideration after the previous step, within 5 business days of the date of the written response from the department head, the student may appeal to the dean of the college offering the course only if the student has new evidence pertaining directly to their case that was not reasonably available at the time of the initial appeal or contends that the procedures outlined here were not followed. The student would submit a written formal presentation of the case, with all related supporting documents, to the dean. Should the dean determine that there is no new relevant evidence or that procedures were properly followed, the appeals process is completed and the student appellant will be notified in writing within 5 business days. If the dean agrees that there is new relevant evidence or that procedures were not followed, an ad hoc hearing committee will be appointed. The committee will be composed of three faculty members from the college in which the course is offered, or two from the college and one from the student’s major department, if that department is not in the same college as that in which the course is offered. The committee members will be appointed by the dean(s) of the college(s) involved. The committee will review the documents and can then either reject the appeal on the basis of its content or proceed to investigate further. The committee will have full cooperation of all parties in gathering information and conducting interviews for the hearing. Once an issue is before the committee, the committee shall have the authority to recommend a lower grade, recommend a higher grade, or recommend no change of a grade. Review by the committee should be completed within 15 business days of the submission of the written presentation of the case to the dean by the student appellant. The committee recommendation will be conveyed to the dean of the college in which the course is offered. The dean would inform the student appellant, instructor, department head, and registrar of any grade change for the course if applicable. The dean’s determination is final.

Appeal of an Academic Undergraduate Program Dismissal

The following apply for an undergraduate student appeal of program dismissal having been made by an academic department. The procedure for a graduate student appeal of program dismissal is outlined in the Graduate Catalog.

1. Appeal of a program dismissal must be made by the student directly affected and must be made immediately following the departmental decision to the department head. Immediately, here, means within 10 business days of the date of the dismissal notification.

2. It is very important that the basis of the appeal is clearly understood. Appeals must be presented in writing and contain the following information:
   a. A clear concise statement about the student’s desire and motivation for reinstatement must be provided;
   b. A brief summary of any prior informal attempts to resolve the matter and the results of those previous discussions; and
   c. A specific statement of the action or resolution sought.

3. If the student wishes further consideration after the previous step, within 5 business days of the date of the written response from the department head, the student may appeal to the dean of the college in which the academic program department is housed only if the student has new evidence pertaining directly to their case that was not reasonably available at the time of the initial appeal or contends that the procedures outlined here were not followed. The student would submit a written formal presentation of the case, with all related supporting documents, to the dean. Should the dean determine that there is no new relevant evidence or that procedures were properly followed, the appeals process is completed and the student appellant will be notified in writing within 5 business days. If the dean agrees that there is new relevant evidence or that procedures were not followed, an ad hoc hearing committee will be appointed. The committee will be composed of three faculty members from the college in which the academic program is administered. The committee will select its own
chairperson. The committee will review the documents and can then either reject the appeal on the basis of its content or proceed to investigate further. The committee will have full cooperation of all parties in gathering information and conducting interviews for the hearing. The committee shall have the authority to recommend that the student be retained in the program or confirm the original dismissal decision of the department. Review by the committee should be completed within 15 business days of the submission of the written presentation of the case to the dean by the student appellant. The committee recommendation will be conveyed to the dean of the college who will notify the department head and student appellant in writing of the committee’s decision.

Other Academic Grievances
Other grievances relating to an instructor will proceed through an appeal to the department head, dean of the college, and Vice President for Academic Affairs. The Vice President for Academic Affairs will evaluate the grievance to determine if the charge and evidence warrants initiating proceedings against the instructor under the appropriate provisions in the "Regulations on Academic Freedom and Tenure" approved by the Board of Trustees.

D. Academic Integrity Policy

1. The Preamble
A university exists for the purpose of educating students and granting degrees to all students who complete graduation requirements. Therefore, Arkansas Tech University requires the highest standards of academic integrity and conduct from all students. Students at Arkansas Tech University will refrain from committing any of the violations of academic integrity as detailed below. Further, Arkansas Tech University expects that all classes maintain an academic and courteous atmosphere. Both the professor and students are responsible for creating an environment that enables all students to reach their academic potential. The classroom is under the control of the professor who will give students a statement of his or her classroom expectations and policies in a syllabus at the beginning of the semester. The term “classroom” as used in this Academic Integrity Policy includes face-to-face, hybrid and online classes. It is not restricted to classrooms on or off campus but also includes playing fields and laboratories, as well as University computer areas on or off campus as well as field trips associated with class-related matters. Students will conduct themselves in a non-disruptive and civil manner when attending classes and other events associated with Arkansas Tech University.

2. Types of Academic Integrity Violations
A violation of academic integrity refers to various categories of inappropriate academic behavior with respect to a course. Students must refrain from cheating, plagiarism, fabrication, impersonation, forgery, collusion and/or other dishonest practices. Below are common examples of unacceptable academic behavior.

   Cheating on an examination, quiz, report, or assignment involves any of several categories of dishonest activity. Examples of cheating include, but are not limited to:

   • copying from the examination or quiz of another student;
   • using classroom notes, messages, or crib sheets in any format (paper or electronic) which gives the student extra help on the exam or quiz, and which were not approved by the instructor of the class;
   • obtaining advance copies of exams or quizzes;
   • soliciting of unethical academic services, including purchasing of research papers, essays, or any other scholastic endeavor; and
   • using the same paper to fulfill requirements in several classes without the consent of the professors teaching those classes.

   Plagiarism is stealing the ideas, data, tables, graphs, artistic works, or writing of another person and using them as one’s own. This includes not only passages, but also sentences and phrases incorporated in the student’s written work without acknowledgment to the true author. Any paper written by cutting and pasting from the Internet or any other source is plagiarized. Slight modifications in wording do not change the fact that the sentence or phrase is plagiarized. Acknowledgment of the source of ideas must be made through a recognized footnoting or citation format
Plagiarism includes recasting the phrase or passage in the student’s own words of another’s ideas that are not considered common knowledge. Acknowledgment of source must be made in this case as well.

Collusion is the act of collaborating with one or more students or others on coursework (i.e., a test, assignments, paper, etc.) when the professor has not expressly approved collaboration or group work on the assignment. Individual coursework is to be entirely the work of the student submitting it for a grade. When a student submits work that was produced through collaboration with others without the authorization of the instructor as the individual student’s own work and performance, this is a violation of academic integrity.

Impersonation, fabrication, and forgery are all violations of academic integrity. Impersonation is assuming a student’s identity with the intent to provide an advantage for the student academically. Fabrication and forgery are “to fake; forge (a document signature, etc.),” particularly the faking or forging of the information or signature on course assignments. Examples of impersonation include but are not limited to hiring a substitute to take an exam, write a paper, or complete some other course assignment.

Examples of academic fabrication and forgery include but are not limited to:
- furnishing false information, data, or research findings on coursework;
- failing to identify yourself honestly in the context of an academic obligation;
- fabricating or altering information or data and presenting it as legitimate;
- providing false or misleading information to an instructor or any other University official;
- forging an instructor’s signature on a letter of recommendation or any other document;
- submitting an altered transcript of grades to or from another institution or employer;
- putting your name on another person’s exam or assignment; and
- altering a previously graded exam or assignment for purposes of a grade appeal or of gaining points in a re-grading process.

3. Classroom Behavior

Each member of the Arkansas Tech University community is obliged to conduct her/himself in a non-disruptive manner in the classroom. If a student is being disruptive, the instructor will address the situation, discussing behavioral expectations moving forward, and emphasize possible consequences for failing to comply. If the disruptive behavior persists, the student may be suspended on an interim basis from the class. Instructors may report excessive and/or repeated disruptive behavior through the Procedures for Addressing Violations of Academic Integrity and Classroom Behavior. This process includes an appeals process students may use to challenge perceived violations or excessive penalties. Students who exhibit disruptive behavior may also be referred to the Department of Student Conduct (see Article III, Section C of the Arkansas Tech University Student Handbook).

If a classroom incident constitutes an emergency (e.g., any immediate threat to life and/or property) and requires an immediate response from police, fire or emergency medical services, please call 911.

E. Procedures for Addressing Violations of Academic Integrity and Classroom Behavior

Since allegations of a violation of academic integrity may have serious consequences, below are the procedures for reporting allegations, the administrative procedure for processing alleged violations, and a statement of institutional penalties that may be applied on top of the instructor’s academic penalty in those cases where violations occurred.

1. Principles
   1. Arkansas Tech University promotes a culture of academic integrity and professionalism that enhances the quality of an Arkansas Tech degree.
   2. The process for reporting and adjudicating an allegation of academic dishonesty should be fair and just for all involved.
   3. Faculty members have sole purview for any academic sanction administered if a violation of the academic integrity policy is found to have occurred.
4. Arkansas Tech supports educational, not solely punitive, measures for addressing violations of the academic integrity policy.

2. Reporting Procedure
   1. If any instructor, student, or staff member has compelling facts and evidence an individual has violated any category of academic integrity, that instructor, student, or staff member must report the suspected violation(s) to Academic Affairs using the Arkansas Tech University “Academic Integrity Referral” form found at: https://cm.maxient.com/reportingform.php?ArkansasTechUniv&layout_id=4
   2. Upon receipt of an allegation, Academic Affairs will either create a file for the student if it is a first time offense or add the report to an existing file for the individual if one already exists.

3. Administrative Procedure
   1. Within three business days of receiving a reported violation of academic integrity, Academic Affairs will notify:
      a. The instructor of record for the course, the Department Head and Dean. They will be supplied the report, the evidence and the number of allegations and proven violations of academic integrity or disruptive classroom behavior by the student.
      b. The student of the alleged violation, the report and evidence.
         NOTE: A course withdrawal or drop by the student that occurs after a reported violation of academic integrity or classroom behavioral conduct may not be honored. If a violation is determined to have occurred, the student may be reinstated if the penalty is an “F” in the course.
   2. Upon notification of an alleged violation, the student has five business days to schedule a meeting with the instructor to resolve the allegation. If the instructor is unreachable, the student should arrange within this timeframe a meeting with the instructor’s Department Head or Dean.
      a. If the student fails to respond to the instructor (or Department Head or Dean) within five business days of notification, this is taken as tacit acceptance that the violation occurred. After five business days, the instructor informs Academic Affairs, his/her Department Head, and Dean that the student has failed to request a meeting. The instructor may apply the academic penalty as prescribed in his/her course syllabus. Academic Affairs may also apply additional institutional penalties based on the number and severity of the violation.
      b. If the student does request a meeting within five business days, the instructor (or Department Head or Dean, if necessary) and student will meet (either face-to-face, by conference call or using other electronic means) to attempt to resolve the allegation. This meeting may result in one of the following:
         1. The student provides explanation and evidence to the satisfaction of the instructor that no violation occurred. The instructor informs Academic Affairs, his/her Department Head, and Dean that the allegation against the student has been resolved and no penalties will be assessed.
         2. The instructor educates the student on what qualifies as a violation of the policy and the student accepts that he/she violated it. The instructor may apply the academic penalty as prescribed in the course syllabus, which may include a final grade of “F” that would override the student’s course drop or withdrawal if such has occurred. Academic Affairs may also apply additional institutional penalties based on the number and severity of the violation.
            NOTE: If the student feels the instructor’s academic penalty is excessive or unfair, he/she should refer to the Student Handbook, Article V: Classroom Provisions, Section C: Student Academic Grievance Procedure, on how to appeal it.
         3. The student and the instructor are unable to resolve the issue. The student then has three business days from the meeting to file an appeal with Academic Affairs. Academic Affairs
then forwards the case to the Academic Affairs Appeals Committee Chair for resolution. 

c. If neither the individual nor the instructor acknowledge the report and/or take action to resolve it within the **five business days**, Academic Affairs follows up with the Department Head and/or Dean to get acknowledgment of the report and resolution of the allegation by the student and/or instructor.

3. For cases where the student appeals the allegation to the Academic Appeals Committee, the Chair will provide the Academic Appeals Committee with the original report and evidence provided by the reporting party, any report and evidence supplied by the instructor, as well as the appeal and explanation by the student. The committee will decide whether the facts merit investigation. If so, the Academic Appeals Committee will appoint from its body a subcommittee to investigate and recommend action. The Chair forms the subcommittee of at least three members (two students and a faculty member) who will be responsible for investigating the case. The Chair will provide the subcommittee with the original report and evidence provided by the reporting party, any report and evidence supplied by the instructor, as well as the appeal and explanation by the student. Upon conclusion of its investigation, the subcommittee reports its findings and recommendation to the Chair of the Academic Appeals Committee. The Chair then shares the subcommittee’s recommendation with the full Academic Appeals Committee, who make the final decision on the appeal. The Chair will report the full committee’s decision to Academic Affairs. Academic Affairs then contacts all parties as follows:

a. If the decision is that no violation has occurred, Academic Affairs notifies the individual, as well as the instructor, his/her Department Head and Dean to that effect. No penalties are assessed against the student.

b. If the decision is that a violation of the policy occurred, Academic Affairs notifies the student, as well as the instructor, his/her Department Head and Dean to that effect. The instructor may apply the academic penalty as prescribed in the course syllabus, which may include a final grade of “F” that would trump the student’s course drop or withdrawal if such has occurred. Academic Affairs may also apply additional institutional penalties based on the number and severity of the violation. Academic Affairs updates the file for the individual as appropriate and the issue is resolved.

4. The procedural process for violations of academic integrity for Graduate Students can be found in the Graduate Catalog in the Academic Information Section located at this website: [http://www.atu.edu/academics/catalog-graduate/academic_info.html](http://www.atu.edu/academics/catalog-graduate/academic_info.html).

**F. Penalties for Violations of Academic Integrity and Classroom Behavior**

1. Arkansas Tech University respects the right of the instructor of record for the course to determine and apply all academic sanctions for violations of academic integrity. The classroom is under the control of the instructor, who will give students a statement of his/her classroom expectations and policies in a syllabus at the beginning of the semester. Typical penalties can include, but are not limited to giving an ‘F’ on a particular quiz or exam, giving an ‘F’ on a term paper or other written work, or giving the student an ‘F’ or ‘W’ for the course. Instructors may also have different penalties depending on the number and severity of violations.

2. As an institution, Arkansas Tech University may deem it necessary to apply additional sanctions beyond the academic penalties imposed through the course. Examples of the types of penalties Arkansas Tech may choose to apply include but are not limited to required completion of academic integrity training, as well as disciplinary probation, suspension or expulsion from the university. Any institutional penalties that may be applied will vary based on the number and severity of violations. Below is the general rubric Academic Affairs will follow when applying an institutional penalty.

a. First Offense: If an institutional penalty is applied, generally this will involve required training on academic integrity and acceptable academic practices and behaviors. However, the severity of the violation may justify probation or even suspension from the university.

   i. **Note:** The academic integrity course or training is to be completed within two business weeks.
of notification by Academic Affairs that it is required. Failure to complete the course in this timely fashion may result in a hold being placed on the individual’s account by the Registrars. It will not be removed until the training is completed. Also, any costs for the course or training must be paid by the student.

b. Second Offense: For a second offense, additional training on acceptable academic practices and behaviors may be required, as well as disciplinary probation. However, the severity of the violation may entail suspension or even expulsion from the university.

c. Third Offense: For a third offense the individual has already had two courses on academic training and incurred disciplinary probation. The minimum penalty is now suspension. However, the severity of the violation along with the multiple infractions may result in expulsion from the university.

d. Fourth Offense: For a fourth offense, the individual will be expelled from the university.

**Article VI: Interpretation and Revision**

A. Any question of interpretation or application of the Student Code of Conduct shall be referred to the Student Conduct Administrator or designee for a final determination in his or her sole discretion.

B. The Student Code of Conduct shall be reviewed at minimum every two (2) years under the direction of the Student Conduct Administrator. Previous review: August 2020.
POLICY

Communications Privacy Policy
Act 1799 of 2003 requires all institutions of higher education adopt an Electronic Communication Privacy policy governing electronic communications originated or received by a faculty member, staff member, or a student that is transmitted over the institution’s computer network system. Electronic communication includes any electronic mail message transmitted through the international network of interconnected government, educational, and commercial computer networks, and includes messages transmitted from or to any address affiliated with an Internet site. The complete policy may be found at https://support.atu.edu/link/portal/16084/16101/Article/428/Electronic-Communication-Privacy-Policy.

Consensual Relations Policy
Sexual relations between employees and those with whom they also have an academic evaluative or supervisory relationship are fraught with the potential for exploitation. The respect and trust accorded a professor or staff member by a student, as well as the power exercised by the professor, or other staff member, in an academic or evaluative role, make voluntary consent by the subordinate suspect. Even when both parties have previously consented, circumstances could change and conduct that was once welcome could become unwelcome and the development of a sexual relationship renders both the employee and the institution vulnerable to possible later allegations of sexual harassment in light of the significant power differential that exists between individuals in unequal positions.

In their relationships with students, members of the faculty, as well as employees whose position may be perceived as one of authority, are expected to be aware of their professional responsibilities and to avoid apparent or actual conflicts of interest, favoritism, or bias. When a sexual relationship exists, effective steps should be taken to ensure unbiased evaluation or supervision takes place.

An employee, whether faculty or staff, should not develop a dating or sexual relationship with a student whenever the employee is in a “position of authority”, real or perceived, over that student. An employee is in a “position of authority” whenever he or she is that student’s teacher, or when the employee is either evaluating or supervising the student. This includes resident assistants and students over whom they have direct responsibility. The “position of authority” may also include formally advising the student or when that student is a major in the employee’s department or college.

A supervisor, whether faculty or staff, should also not develop a dating or sexual relationship with an employee when the supervisor has a “position of authority”, real or perceived, with respect to the employee.

Should a dating or sexual relationship develop or exist, the person with the greater position of authority must consult with an appropriate supervisor immediately. Failure to self-report such relationships may result in disciplinary action. The supervisor, with advice from University Counsel, shall develop a mechanism to ensure that objective evaluation is achieved, that conflicts of interest are avoided, and that the interest of the other individual and University are fully protected. This will likely result in the removal of the employee from the supervisory or evaluative responsibility, or shift the individual out of being supervised or evaluated by someone with whom they have a consensual relationship.

Affirmative Action Policy
Arkansas Tech University will provide equal opportunity in employment to all persons. This applies to all phases of the personnel process, including recruitment, hiring, placement, promotion, demotion, separation, transfer, training, compensation, discipline, and all other employment terms, conditions, and benefits. Arkansas Tech University prohibits discrimination based on race, color, religion, national origin, sex, age, disability, genetic information, or veteran status.

Arkansas Tech University will provide a copy of this policy to all applicants for employment. All faculty and staff will be notified annually of the policy. Further, Arkansas Tech University will consider through a designated grievance procedure the complaints of any person who feels that he or she has been discriminated against on the basis of race, color, religion, national origin, sex, age, disability, genetic information, or veteran status.

Arkansas Tech University will have an Affirmative Action Plan that contains a set of specific and result-oriented procedures to apply every good faith effort to achieve prompt and full utilization of minorities, women, those with disabilities, or veterans at all levels and all segments of its workforce where deficiencies exist. Additionally, Arkansas
Tech University will continually monitor and evaluate its employment practices to ensure that they are free of bias or discrimination based upon race, color, religion, national origin, sex, age, disability, genetic information, or veteran status. A copy of the Affirmative Action Plan, including specific responsibilities and provisions for implementation and compliance, will be made available upon request.

Responsibility for implementation and compliance with this Affirmative Action policy has been delegated to the Affirmative Action officer, Christina Stolarz, Director of Human Resources, AA/EEO Officer, cstolarz@atu.edu.

Complaints
Complaints from students, faculty, staff, alumni, and others may be filed with the Division of Student Affairs or with the involved department. If filed with Student Affairs, when appropriate, a complaint will be referred to the department involved. Complaints are not considered official unless they are written. University officials who receive written general complaints from students will document the complaints using the guidelines in the Faculty/Staff General Student Compaint Resolution Log Procedure.

Contact Student Affairs, Doc Bryan Student Services Center, Suite 233, for further information.

For grades, course work, and other academic program related issues, students should follow the Student Academic Grievance Procedure in this handbook. For other conditions affecting a student’s academic performance or learning environment, students should follow the Student Non-academic Grievance Procedure.

Student Non-Academic Grievance Procedure
Any alleged non-academic grievance (hereinafter referred to as “grievance”) which a student may have regarding a University employee, an institutional regulation and/or the interpretation and application of such regulation may be considered under this procedure. Grievance procedures are of both an informal and formal nature, and the informal means should be exhausted before filing a formal grievance.

Informal Grievance Procedure
The procedure for an informal grievance is as follows:

1. The person should first discuss his or her grievance with the person responsible for the action, interpretation, or application leading to the problem.

2. If the grievance remains unresolved, the complainant may discuss it with the appropriate supervisory official.

3. If the circumstances of the grievance prevent the use of the above listed steps, or if the appropriate official does not resolve the grievance within five (5) business days, the complainant may discuss the grievance with the administrative head of that portion of the institution out of which the problem arose. In all cases, this should be one of the Vice Presidents or the Director of Athletics.

4. If the grievance resulted from a violation of stated ATU policy or procedure, the administrative head shall take immediate steps to enforce the stated policy or procedure and resolve the grievance.

5. If the grievance involves questions of opinion not covered in stated policies, the administrative head shall counsel with the complainant and departmental official(s) to resolve the grievance if possible.

Formal Grievance Procedure
When a grievance has not been resolved by informal means, the student may submit a written request to the appropriate administrative head to have the grievance considered by a formal grievance committee. In no case will such a request be granted prior to five (5) business days after an informal grievance has been initiated and the appropriate administrative head notified.

1. A request for a formal grievance hearing should include the written nomination of one member of the Student Affairs staff and one employee from the administrative area involved. (The second nomination may come from any administrative area by mutual agreement of the student and the administrative head.)

2. The administrative head will select two (2) of the three (3) students on the Student Affairs Committee to complete
the committee, which will be chaired by the administrative head, who will not vote, but only coordinate the hearing.

3. The Vice President for Student Affairs, or designee, shall serve as secretary and advisor to the committee, but will not vote.

4. The grievance committee will hear the grievance with such witnesses and evidence as it deems germane and shall present its recommendations in writing to the administrative head within three (3) business days of the hearing. The administrative head will render a decision within three (3) business days. Copies of the findings, recommendation, and decision will be made available to all parties.

5. The decision of the administrative head may be appealed in writing to the President, with a copy to the administrative head, within ten (10) business days of receipt of the decision.

6. The decision of the President shall be final and binding.

ADHE requires the certified institution to make a decision on the student grievance following the institution's public policy.

Inquiries into student grievances must be limited to AHECB certified (under Arkansas Code §6-61-301) courses/degree programs and institutions and to matters related to the criteria for certification.

Within 20 days of completing the institution's grievance procedures, the student may file the complaint in writing with the ICAC Coordinator, Arkansas Department of Higher Education, 114 East Capitol, Little Rock, AR 72201.

The grievant must provide a statement from the institution verifying that the institution's appeal process has been followed. ADHE will notify the institution of the grievance within 15 days of the filing. Within 10 days after ADHE notification, the institution must submit a written response to ADHE. Other action may be taken by ADHE as needed.

Bicycles, Skates, Skateboards, and Hoverboards
All individuals using bicycles, skates, and skateboards are expected to use the equipment in a manner which is appropriate, considerate of others and of University property. Individuals who use the equipment recklessly or without care of others and University property will be confronted, documented, and addressed through the provisions in the Student Code of Conduct.

Individuals are prohibited from engaging in tricks (sliding, grinding, jumps, etc.) anywhere on University property which
includes stairs, steps, railing, benches, and entrances to buildings. Loitering or "sessioning" in these areas for the purpose of attempting tricks or stunts is strictly prohibited and will be confronted and dealt with through the Student Code of Conduct.

Furthermore, the use of bicycles, skates, and skateboards inside of campus buildings, including the residence halls, is strictly prohibited. Bicycles must be stored in bike racks located throughout the campus and should not be brought into the buildings. Skateboards must be picked up and carried when within campus buildings. Skates must be removed before entering campus buildings.

The campus should be maintained as a safe and beautiful environment for everyone. Reckless behavior which is defined as actions which endanger individuals and property should not be undertaken. It should be noted that the use of these items, in themselves, involves an assumption of personal risk. Persons who use them are personally liable for their actions.

There are numerous dangers associated with the possession and use of self-balancing scooters, commonly referred to as hoverboards. These dangers include, without limitation, leaking fluid, excessive heat, sparking, smoke, and fire. The National Fire Protection Association and U.S. Consumer Product Safety Commission are investigating hazards associated with self-balancing scooters/hoverboards.

In response to these safety concerns, the University has instituted a ban on the possession, use, or storage of self-balancing scooters/hoverboards inside Arkansas Tech University buildings and facilities (Russellville campus, Ozark campus, and all auxiliary locations). Please note that this prohibition against self-balancing scooters/hoverboards includes all residential facilities so as to comply with fire protection and prevention initiatives.

**Freedom of Association**

Arkansas Tech University campuses shall not deny a student organization any benefit or privilege that is available to any other student organization or otherwise discriminate against an organization based on the expression of that organization.

“Student organization”, as that phrase is used in this policy, means an officially recognized group at a state-supported institution of higher education or a group seeking official recognition, composed of admitted students that receive or are seeking to receive benefits through the state-supported institution of higher education.
Student Use of University Space – Office of Events

The Office of Events provides the college with a comprehensive, transparent scheduling process. Institutional scheduling policies and guidelines establish that all university space is centrally scheduled to make efficient use of university resources.

The intent of this policy is to:

1. Establish consistent scheduling policies and priorities.
2. Establish and communicate the clear, consistent processes for facility usage outside of regularly scheduled classes.
3. Minimize scheduling conflicts through defined categories and priority scheduling.

Certain designated Arkansas Tech University facilities may be used by internal or external individuals, groups or organizations, as well as affiliated groups of the University.

The following factors will be considered in the scheduling of any campus event:

- Required logistical, material and technical support is available.
- The event should be within the scope and parameters of the intended use of the desired facilities. Required staffing and technical support for the event must be available.
- The proposed event fits into the scheduled use of facilities and campus-wide operations.
- Permitting efficient operation of our facilities is of paramount concern. Proposed events should not impede, inconvenience or displace academic activity or in any way compromise daily University functions. In order to ensure that events maintain public safety, the scheduling of facilities will be managed to minimize spatial conflict and overcrowding of campus resources.

Prior to submitting a request for use of University space, external speakers who wish to use university facilities must be sponsored by a registered student organization or university academic or administrative unit. To allow for appropriate administrative planning process and supports to be put in place, advance registration of at least three weeks is required. Entities or individuals registering events should identify whether the event is likely to be a target of disruption, threats, violence, or other acts of intimidation. Please note that registration with the Office of Event Management is a first step to allow evaluation of safety risks, and not actual permission for the event.

Spaces that are available for reservation include:

1. Academic and Non-Academic Facility Space. Spaces are available for reservation with varying room sizes, audio/visual capabilities as well as seating, table, and configuration options. These spaces are traditionally used for meetings, programs, presentations, socials, and other similar events.
2. Athletic Space. These spaces are generally used for activities such as summer camps. All athletic reservation space will have athletic priority before any other reservations can be made.
3. Outdoor Event Space. Areas located throughout campus are available for reservation with varying sizes to accommodate the needs of the users. These spaces are traditionally used for events, programs, and socials that would be well suited for large and open outside venues.
4. Freedom of Expression. Arkansas Tech University recognizes and supports the rights of the members of the campus community and visitors to speak in public and demonstrate in a lawful manner in outdoor areas of campus. Detailed information on these areas is found in the Student Handbook under Freedom of Expression.

All prospective users of campus facilities must submit requests thru the Office of Events submission form (preferred method), office email (events@atu.edu), or by phone at (479) 964-0583 ext. 2502 to determine space availability. All student organizations must submit their requests thru their RSO page using theLink. It is important to understand you are submitting a REQUEST. Reservation of space and event approvals is not guaranteed for every request.
The Office of Events can serve each group only to the extent that information is supplied through the request. Please be accurate, complete, and timely in requesting room reservations, set ups, and additional audio visual equipment if needed. Office of Events will assign rooms and space according to the most appropriate use of the area requested as identified in the reservation process. The demands on the facility as well as the size of your event will be considered in determining space assignments.

Approval and confirmation by the Office of Events must be received before an event is planned or publicized. Once approved, the event will then be assigned to the proper venue event coordinator to assist you with all your final planning needs. If the event is a Summer Camp or Conference you will be referred to the Office of Camps and Conferences after approval of your event to follow and complete your registration process. To learn more see the ATU Camps and Conferences Procedure Manual for ATU Camps and Conferences.

The Office of Events recommends reservations for campus facilities be received by the least ten (10) business days in advance of the planned event for internal campus requests and at least twenty (20) business days in advance for external requests. Proposed events of significant scale may require additional lead time. The Office of Events will review submissions within three (3) business days. The Office of Events will make every effort to get the event approved if submitting after the deadline date, if space and resources is available. If the event request form is submitted within 24 hours of the event there is no guarantee that it will be approved.

Reservations can be made up to one year in advance for non-academic space that is made available under this policy. Academic spaces may be available after the class schedules have been established for each semester (October 1/ April 1). University Supported or Registered Student Organizations are able to reserve University facilities for events until 5 p.m. on the last day of class each semester, providing the event has been approved via the proper process. Registered Student Organizations are able to reserve facilities for the upcoming academic year beginning on May 15 annually.

A space may be placed on hold for ten (10) business days. Groups requesting a hold on a space will receive an email listing the space as “on hold”. **Holds will be released after two weeks if not confirmed.** If a room “on hold” is requested by another group for the same date, the Office of Events will contact the group holding the room to either confirm the reservation or release the room within two (2) business days.

A cancellation due to inclement weather must be made at least four (4) hours before the event. Inclement weather is defined as any weather event that would reasonably prohibit the safe facilitation of the scheduled event to include, but not limited to, rain, lighting, wind, snow or ice. If Arkansas Tech University closes because of inclement weather the event will be cancelled. Please contact the Office of Events to reschedule.

Uses of Arkansas Tech University spaces and grounds are divided into three categories:

**Category 1- Arkansas Tech University event**
Administration, Faculty, Staff, University Supported Organizations and Registered Student Organizations. An “event” is defined as any university activity that is not a regularly scheduled academic class or intercollegiate athletic event. The reserving department or organization must be the user of the space and present at the event. Students who are not members of a Registered Student Organization may request space for such purposes as required for their academic classes (projects, study sessions, etc.) and students with the intent to explore the creation of a new Registered Student Organization are eligible to make reservations in certain non-academic facilities and designated outdoor spaces. There is no charge for facility fees but the user may be responsible for any direct expenses including personnel and equipment rental.

**Category 2- Arkansas Tech University Co-Sponsored events**
University Co-Sponsored Events are academic programs, conferences and/or meetings involving two entities- a University school, academic department, administrative unit or student organization and an outside organization, such as a professional association, in which the University holds membership or maintains a relationship that directly benefits the University community. An individual faculty, staff, or student membership in an organization does not necessarily make an event of that organization an integral part of the University’s mission.

The following criteria must be met in order for the event to be considered co-sponsored:
1. Support from an appropriate academic dean or vice president to ensure that the University’s educational mission is properly maintained. Co-sponsorship will be established after receipt and approval of a letter written by the department chair or director.

2. The on-campus department will provide an ATU contact/coordinator for the event.

3. A member of the on-campus department must be on-site at all times.

4. In order to minimize liability risks, the University may also require a Certificate of General Liability Insurance depending on the nature of the activity and at the University’s discretion.

5. All co-sponsored conferences and events must have the University name and logo on all conference materials, including all marketing and pre-conference publications. Publications should also be pre-approved by the Office of Marketing and Communications.

Because the event will be co-sponsored by the University there is no charge for facility fees but the user may be responsible for any direct expenses including personnel and equipment rental.

**Category 3- External**

External events are campus events for groups or individuals that exist primarily outside of the organizational structure of Arkansas Tech University. External events can be located at: Doc Bryan Student Services Multipurpose Room 242, W.O. Young Ballroom, Chambers West Dining Room, Williamson Dining Room, and at Lake Point Conference Center. To have an event on campus interested parties need to:

- Review the Office of Events policies and guidelines.
- Provide full disclosure of necessary details pertaining to the event being planned on campus.

External events will be charged full facility fees according to the University’s Facilities Fee Schedule and will also be responsible for any direct expenses or associated costs. Category 3 users may be required to provide the University with a certificate of general liability insurance not less than $100,000 per occurrence and $300,000 in the aggregate. Depending on the nature of the activity and at the University’s discretion, this amount may increase. The certificate of insurance must name Arkansas Tech University as additional insured and specify the date(s) of the covered event.

The facility fee represents a “four walls” rental, or basic use of space. Other fees may be assessed for staffing, technical support or use of equipment.

Food, beverage and catering services may only be obtained through the University’s recognized food service provider. Arkansas Tech University’s food service provider, Chartwells, has exclusive domain over food service activity on the Arkansas Tech University Russellville campus. Lake Point Conference Center has its own in house Chef and any food or beverage service will be provided by the Center. No outside catering is allowed.

All members of the University community, lessees of University facilities and guests are required to comply with federal, state, and local laws regarding the possession, consumption and distribution of alcoholic beverages.

All students, employees, and visitors who park a motor vehicle on campus must have a parking permit at all times. These permits can be obtained by the Arkansas Tech Department of Public Safety.

Special event parking that attracts off campus visitors (non students / non employees of ATU), should be coordinated at least five (5) business days in advance with the Arkansas Tech Department of Public Safety. Students and employees of ATU must always display a valid parking permit and park in their designated areas, even while attending events on campus.

For events expecting a large audience, there will be hourly charges for a University Police officer. The number of personnel will be determined by the Arkansas Tech Department of Public Safety. There is a minimum of 4 hours per officer. The Arkansas Tech DPS should be contacted ten (10) business days in advance. Any event over 200 people in attendance, a minimum of 2 officers will be present. Also for any events that run after midnight there will be at a minimum of 2 officers for the event.

The use of the name Arkansas Tech University, for purposes other than to indicate the location of the event, must
be approved in advance by the Office of Marketing and Communications. Permission to use the University’s name or images, when granted, shall include the understanding that such permission does not involve, expressly or by implication, any endorsement or sponsor relations with Arkansas Tech University. In cases where a sponsor relationship between the University and the organization does not exist, this relationship shall be clearly set forth in all applicable documentation.

Requests for the use of campus space for the purpose of filming or photography requires the approval of the Office of Marketing and Communications.

The Office of the Registrar maintains the schedule of all classroom activity connected with Arkansas Tech University academic programs and has first priority with regard to Arkansas Tech University space. The Office of Events has the authority for booking event space not related to regularly scheduled classes.

**Priority in the event of a scheduling conflict is as follows:**

1. Academic use to support the on-going instructional program of the institution
2. University use
   a. Office of the President
   b. Vice Presidents or Athletic Director
   c. Faculty
   d. Staff
   e. University Supported Organizations
   f. University Registered Student Organizations
3. University Co-Sponsored Event
4. External events

In the event that the Office of Events feels it must deny a request for the use of campus facilities, the Director of the Office of Events will document the reason for such denial and the requestor will be notified.

Events will not be scheduled for external entities during periods when the university is closed or observed holidays. The exception is the events planned in celebration of the Martin Luther King, Jr. holiday. The university is not considered closed on weekends.

If it is necessary to cancel a reservation, the requesting party should notify the Office of Events at least two (2) business days prior to the reservation. Once it has been cancelled in the Office of Events the assigned venue event coordinator will be notified. Cancellations can be submitted via email, in person, or online through the cancellation form.

Office of Events holds the right to cancel any reservation thirty (30) days prior to the event in order to meet the needs of the University.

No organization may request a location for another organization’s use. Event requests must be submitted by the intending organization and are not allowed to be transferred between organizations.

Events/activities may not block or impede hallway or emergency exits of the free flow of intended building or campus traffic. All exit lights are not to be tampered with in any way.

The number of participants for an event cannot exceed room or facility capacities as established by the fire marshal. The organization/department must take proper care of the building and its equipment and is responsible for leaving the room clean and in the same condition as when the event started. The space should be free and clear of all trash and debris, and all decorative materials removed. The user and/or his organization are solely responsible for any damage, loss, accidents or injuries to persons or property that are a result or arise out of the use of Arkansas Tech University facilities and agrees to indemnify and hold Tech harmless from any claims, lawsuits, or grievances that arise from user/organizations use of the premises. All users are responsible for the conduct of their members and guests.
Meeting rooms will be in an “As Is” set up unless other arrangements are requested and approved by the venue event coordinator assigned to your event.

Nothing is to be taped, tacked, nailed or otherwise adhered to the walls in any manner. Confetti, glitter, streamers, and candles are prohibited in meeting rooms. No open flames (including candles) are allowed.

Animals, other than those trained to assist the disabled, are not permitted in University facilities (Jerry excluded).

Effective, March 12, 2018, Maximum Capacity Visitor (MCV) days: Three main categories of campus visitors typically comprise MCV days - prospective high school students and their parents, private industry, and conference/special event attendees. Examples of MCV days are Move-In, Time Out for Tech, and Career Fairs. On MCV days, the Young Ballroom, BazTech, Chambers Cafeteria West Dining Hall, Ross Pendergraft Library the Student Services Conference Center (Ozark campus) are the primary facilities where these events are located. For visitor convenience, the Chambers Cafeteria parking lot and/or the west parking lot adjacent to the Ozark Student Services Conference Center (“West”) have been completely blocked off to allow visitor permitted parking only. For purposes of safety, ease of direction, and to avoid undue congestion, it is our recommendation that the university parking regulations be amended to provide that on days that are designated by the Executive Council as MCV days, beginning at midnight the day before the event, the Chambers Cafeteria and West parking lots, will be unavailable until 5:00 p.m. on the day of the MCV.

ON-CAMPUS LIVING

Guide to Residence Hall Living

Residence Life Staff

The Department of Residence Life utilizes a variety of staff members to provide our students with a safe, friendly and educational living environment that provides the best environment for student success.

In addition to our seven Main Office staff in Doc Bryan, we have three Area Coordinators (ACs), one Coordinator of Student and Guest Services, all full-time, master’s degree earned, professional live-on staff members. Our Coordinators supervise our Resident Directors and Student Staff to ensure the best possible service to the residents in the halls.

Our Resident Directors (RD) are graduate students who have been trained to provide the necessary leadership, supervision, and problem solving skills to their area. Our RDs are committed to providing a positive living environment for our students and implementing a variety of strategies to ensure student success. These live-in staff members have direct supervision over our Student Staff and are responsible for the daily operations of our residence halls. Our RDs are viewed as valuable resources not only by the residents but also by our Residence Life Department as a whole.

Our student staff will be one of the first students you will meet when you arrive at Arkansas Tech. Our student are specially trained to work with the residents. They are responsible for developing a sense of community amongst residents. Each student staff has met special criteria (2.5 Semester GPA/2.5 cumulative GPA or better, residence hall living experience, and is in good standing with the University) and has been trained to best promote community development. In conjunction with the Residence Hall Association and Hall Council, the RA will hold meetings, remotely or in-person, throughout the year to keep students up to date on campus and residence life events and to discuss community concerns. They will encourage campus and community engagement to enhance the student’s academic and social experience outside of the classroom. They are also a resource person for the residents and are available to assist them in any and all facets of their college experience. In the event that virtual support is needed each role is structured and trained to provide the necessary support to provide impactful student outreach services virtually. Each student staff position is further explained below.

The Resident Assistant (RA) is the community facilitator living with the students. The RA is a current student that is specially trained to work with the residents. They are responsible for developing a sense of community on the floor. The RA is responsible for administrative work on the floor, and acts as a mentor and advisor to their residents. In cooperation with the students, the RA enforces the policies and procedures in the residence halls. They are also a resource person for the residents and are available to assist them in any and all facets of their college experience.

The Community Assistants (CA) focus on academic initiatives and our Living and Learning Communities with our first year students. They offer support and mentorship to students in their transition to college life. CAs will act as a liaison for our academic partner within each of our LLCs and work to put on engaging activities.

The Ambassador will assist with the front desk operations within the Residence Life office. They welcome potential students and give guided tours of our residence halls. Ambassadors will answer phone calls and escort our campus partners to access the halls. The offer overall customer services to current and future students and families.

Building Managers (BM) assist with operational oversight of their assigned area by making sure desks are being maintained both remotely and in person, being available and ready to serve students, assist with facility issues and concerns during regular operating hours and in an after hours on call system, assist with maintaining residence hall keys for their specific area on a regular basis and the Residence Life key office, and fulfillment of other administrative tasks to ensure the student and guest experience.

The Desk Assistant (DA) will assist in the operation of the hall/area desk. They help residents who are locked out of their room or check out or need to check out equipment. DAs will also be a resource for residents of their building.

Our Housekeeping and Maintenance Staff work within the Facilities Management Department to ensure that residents have clean and well maintained areas in which to live and learn. However, each resident is responsible for cleaning their own room as well as their own bathroom areas in those halls that provide private, suite style and semi-private bathrooms.
We hope that you will take time to get to know your residence hall staff. They are all anxious to assist you in any way possible. If you are interested in joining our staff, talk to your current RA or inquire in the Department of Residence Life.

### Residence Hall Living

At Tech, we believe living on campus is a valuable and important part of your college experience which encourages growth, development, and maturity. Activities and programs are planned to assist you in adjusting to the Tech community and to foster personal growth through student engagement. The Tech residential experience will help you meet new people, develop your leadership skills and empower you to become part of the campus community.

Students who take part in one of our many residential opportunities are more likely to get involved in campus organizations, join in a part of the many campus activities, and have a greater sense of belonging to the Tech community. It is because of these factors that we have a strong commitment to offering the best living environment to our students. As a result of our programs’ success on the overall student experience, our housing policy requires students between the ages of 18 and 21 years old to live on campus until they have earned 60 credit hours.

We know that each student has their own unique interests and needs. That is why, in an effort to accommodate our students, we offer a variety of living options. Everything from a traditional campus hall environment to suite-style living, as well as sorority housing to apartment-style housing for our upperclassmen, which is available in one of our 14 campus communities.
On-Campus Residency Requirements:
Single students between the ages of 18 and 21, and with fewer than 60 earned credit hours of college work, who are Russellville campus students are required to live on campus, as space permits, in University owned housing facilities. These students are required to purchase a meal plan unless living in the University Commons Apartments or Vista Place. Exemptions to the On-Campus Residency Requirement include: students living with immediate family (Mother, Father, or Legal Parental Guardian) within 30 miles driving distance of the Russellville, Arkansas campus, married students, or students with dependent children. Students under the age of 18 must sign the Arkansas Tech University Waiver and Release of Liability for a Minor Living on Campus prior to being allowed to sign a housing contract and live in On-Campus housing. The Arkansas Tech University Waiver and Release of Liability for a Minor Living on Campus is available through the Department of Residence Life at http://www.atu.edu/reslife/. Students age 17 or under on or after January 1, of the current year academic term are not permitted to live in University owned housing facilities.

Ozark Campus Students and On-Campus Residency:
Ozark campus students, may live on campus at the Russellville campus. However, Ozark campus students are not required to live on campus. To be eligible for on campus housing, Ozark campus students must meet unconditional admission requirements to Arkansas Tech University or be accepted into the technical phase of the Occupational Therapy Assistant or Medical Assisting programs.

Ozark campus students who meet the aforementioned requirements, will be assessed the following additional fees because they are optioning into living on-campus.

1. Health and Wellness ($8.50 per credit hour)
2. Student Support Fees ($2.50 per credit hour)
3. Orientation ($100.00 flat fee) New students only

Eligibility
To be eligible to be a Resident in University residential housing, a person must carry a meal plan (for residents of University Commons Apartments and Vista Place; a meal plan is optional) and be enrolled in, and remain enrolled in a minimum of nine (9) undergraduate semester hours each semester or a minimum of six (6) graduate hours each semester. The University reserves the right not to contract with persons who are currently violating or have previously violated the terms and conditions of a housing contract or other University rules or regulations, or who have a past due balance with the University. All residents living in the halls are required to pay a one time pre-payment of $100.00.

To be eligible to be a Resident in the University Commons Apartments or Vista Place Apartments, a person must be enrolled in, and remain enrolled in a minimum of nine (9) undergraduate semester hours each semester or a minimum of six (6) graduate hours each semester. Initial preference for University Commons Apartment assignments will be given to those students who have earned a minimum of thirty (30) credit hours of college work and have a minimum (2.5) cumulative grade point average. The University reserves the right not to contract with persons who are currently violating or have previously violated the terms and conditions of a housing contract or other University rules or regulations, or who have a past due balance with the University. The maximum number of persons occupying an apartment shall be no more than four (4) persons in a four-bedroom apartment, and no more than two (2) persons in a two-bedroom apartment. No other occupants are permitted. Residents of the Apartments are required to pay a $250.00 security deposit.

Housing Contract
Your housing contract is a legal document, and it is binding for the entire academic year. Please read the contract carefully before signing. Rental insurance is highly recommended for each residential student to obtain on their own and is separate from the university. Withdrawal from the University does not automatically terminate your housing contract, neither does removal from housing for conduct policy violations, nor does loss of any scholarship and/or financial aid. Room and Board charges will continue to accumulate until an official check-out has been completed. Check-out is complete when all belongings have been removed from the residence hall, the residence hall room is cleaned by the
student, related keys are returned, and a staff member has completed the necessary check-out paperwork with your
signature. Prior to your check out you must communicate with your Resident Director to file appropriate paperwork.
If there is sufficient demand and available space, students needing break housing may be (at the discretion of the
Department of Residence Life) accommodated at a daily rate in a designated housing facility.

**Meal Plans/Board**
Residents are required to purchase a meal plan unless living in the University Commons Apartments or Vista Place.
Residents select their meal plan in the housing portal. Should a resident fail to select a meal plan in the housing portal,
the resident will automatically be placed on meal plan A. Residents have until the 5th day of class each semester to
change their meal plans. Residents will not be allowed to change their meal plan after 5:00 p.m. on the 5th day of class
for the semester. Meal plans will begin on the official day of move into the residential communities (Not including early
arrival dates) and end on the Tuesday before graduation. Meal plans are non-transferable. Meal plans are operated
separately from the Department of Residence Life. Therefore, any inquiries for meal plans should be directed to
Administrative Services, Browning Hall, 1st Floor East, Russellville, AR 72801, (479) 968-0697.

**Check-In/Check-Out Procedures**
Check-in and check-out procedures are crucial. The instructions posted at the beginning and ending of each semester
should be followed. If these instructions are not followed, disciplinary action may be taken.

**Move-In**
For Fall/Spring Move-In refer to our Move-In Guide for more information.

**Check-In**
Please report to the lobby/clubhouse in your residence hall or designated space for your hall according to the move-in
guide. A member of the residence hall staff, who will assist you through the check-in process, will meet you there. You
will fill out all check-in paperwork, keys will be issued to you, and finally you will complete a room condition report (RCR)
on Roompact. Please be sure to take an adequate amount of time filling out the room condition report to avoid any
charges being assessed to your student account.

**Check-Out**
To check-out, you will need to schedule a time with the Resident Assistant to inspect your room. This must be done 24
hours prior to departure each semester. Before your scheduled appointment, move out all personal items, clean your
room thoroughly, which includes sweeping and/or mopping the floor. The room should be arranged in the original setup.
The Resident Assistant will then check your room for any damages. You will be billed for any damages, missing keys or
cleaning costs. Students are required to vacate their rooms within 24 hours after their last final examination. Residents
who have a final exam on the last day must check-out no later than 9:00 p.m. on the last day of finals. Exceptions are
made for graduating seniors and students who are participating in graduation exercises. Students who meet these criteria must fill out the
proper paperwork with the Department of Residence Life to receive special permission to remain on campus. Students
who check-out improperly may be assessed a fine. Improper check-out applies to improper room changes, failure to
return keys, failure to sign paperwork for room departure, failure to check-out at vacation times or at the end of
the semester and for checking out late.

Abandon property left in the room/suite/apartment by a vacating resident will be removed at the resident’s expense.
The vacating resident will be sent written or e-mail notice to the listed address and given 30 days thereafter to claim the
items. If no response is received within the 30 day deadline, the University will dispose of these items by donating them
to a local charity. Removal and storage fees may be charged to the resident’s account. Minimum charge, regardless of
number of items $45.00.

**Room Consolidation**
Students who are in a non paid single room may be subject to the room consolidation process. Information will be sent
to the students that are involved in the process. However, the University reserves the right to make and alter the student assignment and roommate assignments.

**Roommates**

One of the most significant relationships you will develop on campus is the one with your roommate. Whether you know your roommate ahead of time or not, the development of this relationship is key in creating a positive environment to live and learn in the residence halls. Students are required to complete and follow the roommate agreement. Policies are in place to ensure the agreed upon terms are upheld. We want you to have the best experience possible on campus, so here are a few tips that will help cultivate a good relationship with your roommate. Before you arrive, use our roommate matching software on the housing portal. This process will allow you to connect with other residents who have similar interests and potentially find the best fit for you. Once you and your roommate arrive on campus, consider the following:

- Using our online roommate agreement form on Roompact, sit down with your roommate during the first few days and decide how to handle setting and turning off the alarm, discuss anticipated normal bedtime, sleeping habits (darkness, radio to sleep by, etc.) study patterns (music and TV on during study time), and feelings on food in the room.
- Divide all cleaning responsibilities.
- Find out how your roommate feels about lending things to other people such as clothes, money, cars, etc.
- Discuss how to handle visitors. If you have a roommate with friends who like to stay up late or socialize, you may be in a situation where a compromise will need to be negotiated.
- Respect your roommate as an individual. Don’t depend on him/her to satisfy all of your emotional and social needs. Make other friends too.
- Always discuss issues and concerns with your roommate directly. The best advice we can offer is to be courteous, thoughtful, and considerate to your roommate. Please keep in mind these basic rights of a roommate:
  - The right to live in a clean building and room
  - The right to expect that a roommate will respect one’s personal belongings
  - The right to read and study without undue interference
  - The right to sleep without undue disturbance from noise, roommate’s guests, etc.
  - The right to free access to one’s room and facilities without pressure from a roommate
  - The right to personal privacy
  - The right to be free from fear or intimidation and physical or emotional harm
  - The right to have guests during visitation hours with the expectations that guests are to respect the rights of the host’s/hostesses roommate or other hall residents
  - The right to have reasonable cooperation of the use of the amenities in the room

If you encounter a difficult or uncomfortable situation with your roommate, and have discussed the matter with that person, without resolution, please contact your Resident Assistant for help. The Resident Assistant can help you work out those challenges in a professional way and provide you with guidance and helpful suggestions. The next step is working with your building Resident Director to facilitate conversations between you and your roommate.

Any arrangements set out in your roommate agreement may be considered policy for your shared space, so long as those arrangements are not in disagreement with policies set out in the Student Handbook, and violations of the roommate agreement may result in disciplinary action.

**Emergency Procedures**

An Emergency Procedure Guide is provided in every residence hall room and apartment and can be found on the wall
near the entry door. The Emergency Procedure Guide is property of the University and must remain in the assigned location in the room or apartment except when being used for reference or in case of emergency. Removal of or damage to the Emergency Procedure Guide may result in disciplinary action.

**Maintenance Request Procedures**

If a student has a maintenance request or other concerns regarding the physical upkeep of their room (plumbing problem, broken heater, etc.) they can complete an on-line work request. Students can submit their concern by going to the ResLife web-page at [https://www.atu.edu/reslife/resources.php](https://www.atu.edu/reslife/resources.php) and clicking on the “Maintenance Request” link. If a serious maintenance concern arises after 5:00 p.m. or during the weekend, the student should submit a work request and contact their Resident Assistant, Resident Director or the front desk staff via phone.

It is important that you report problems before they become an emergency by providing specific details regarding your need / issue. For example:

1. Your bathtub draining slowly vs. your bathtub has standing water and won’t drain at all.
2. The pipe under the sink dripping vs. the pipe has been leaking for a month and now has a steady stream of water.

**On-Duty Personnel**

A member of the Department of Residence Life Staff is on duty at all times. If you have a security, maintenance or other concern from 8:00 a.m. until 5:00 p.m., Monday through Friday, please call the Department of Residence Life at (479) 968-0376.

After 5:00 p.m. and on weekends, there is a Resident Assistant on duty in each facility. Go to [www.atu.edu/reslife](http://www.atu.edu/reslife) to view the on duty telephone number for each residence hall.

**In case of any emergency please dial 911.**

**Public Safety**

The Arkansas Tech University Department of Public Safety is charged with maintaining order and enforcing the rules and regulations of the University. The responsibilities of the office include such duties as patrolling the campus, enforcing parking and traffic regulations, investigating accidents and reported incidents, and providing security for the University.

The Department of Public Safety has the same enforcement powers as other state law enforcement agencies. Should an emergency situation arise, please contact emergency personnel immediately by dialing 911. To report a non-emergency situation to Public Safety, you may reach them by dialing (479) 968-0222.

**Traffic Regulations**

A revised brochure listing traffic regulations is distributed at the time of hangtag purchase. Additional copies are available at the Department of Public Safety. Information regarding ticket appeals may be obtained from the Department of Public Safety. It is the responsibility of any student moving from one living unit to another living unit to exchange their hangtag to match their new parking zone.

**Insurance**

Many homeowners’ insurance policies cover students’ belongings while away at college. We recommend that you check with your family and insurance agent to verify that coverage exists for your personal belongings while living on campus.

If you do not have coverage, information on a low cost insurance program can be obtained through the Department of Residence Life or by calling The National Student Services Inc. at 1-(800) 256-6774. Arkansas Tech University is NOT responsible for personal property that is lost, stolen, or damaged in any Residence Life facility.

**Fire**

Should the fire alarm in your residence hall be activated, every resident is required to evacuate the building immediately using the nearest stairwell or exit. Do not use elevators. Upon moving into your residence hall, please review all
emergency evacuation plans posted throughout the building. In the event of a fire, please keep the following tips in mind while evacuating the building:

- Feel the door from top to bottom
- If the door is cool, crouch low and open the door slowly
- If visibility permits, exit by using the stairwells
- Remember to stay as low as possible, crawling if necessary when smoky conditions exist
- If you encounter heavy smoke in a stairwell, go back and use another set of stairs
- If trapped in a room take the following steps:
  - If possible, call 911 and report your situation
  - Wedge wet towels or clothing under the door jamb to keep smoke out
  - Keep a soaked towel over your head
  - Stay low, try to breathe fresh air near the window
  - Open window and signal firemen with a sheet or blanket

Failure to evacuate the building during an emergency or while the alarm is sounding will result in disciplinary action.

**Tornadoes**
In Arkansas, tornadoes generally occur during the months of March through September, but can occur anytime. Be alert for these danger signs: severe thunderstorms with frequent lightning, hail, roaring noise, funnel clouds, heavy rain, strong winds, and loss of electricity. A tornado watch indicates that conditions are conducive to the development of a tornado. If a tornado develops the local office of the National Weather Service will issue a warning bulletin to local authorities as well as the local media (TV networks and radio stations). ATU is located in Pope County. When a tornado watch is issued, students are not required to seek shelter. A tornado warning is issued when a tornado has been sighted or detected by radar. Residents must seek shelter immediately. You will be alerted about severe weather, even during evening and night hours. Please follow the recommended procedures listed below when seeking shelter:

- Go to the lowest possible floor
- Stay away from windows and do not open any windows
- If possible, go to an area that is reinforced (i.e. a bathroom or shower stall)
- If time allows, get a mattress/pillow to help shelter from flying debris
- Stay in a crouched position until you have been cleared to return to your room

**Nuclear One Warning**
In the event of an emergency at Arkansas Nuclear One, the emergency warning system will sound. You will hear a steady siren signal from the central Russellville area. The warning system is tested at noon each Wednesday, the same siren activates during a tornado warning. Radio stations will broadcast information regarding evacuation procedures. Arkansas Tech University is located in Zone H – which evacuates to Morrilton High School. An evacuation map with additional information is available in Student Affairs in the Doc Bryan Student Services Building.

**School Closings and Updated Emergency Information**
The best place for emergency notifications is the Arkansas Tech University ALERT System. All students are automatically enrolled into the ATU Alert system. This system allows ATU to disseminate mass notification messages via text, phone call, and email, as well as alert boxes and desktop computers physically connected to the ATU Network. Tests are done on this system every semester.

The next best place for emergency information/school closings is [www.atu.edu](http://www.atu.edu). Other media outlets as listed below
Residence Life Services

Safety and Security Checks
The residence hall staff will conduct safety and security checks at least once per semester in all Residence Life facilities. These inspections are to insure that room smoke detectors are in proper working order, University policies are being followed, window locks are working, and that there are no other hazards present. Advance notice of 24 hours will be given prior to conducting safety and security checks.

Air Conditioning
All of the residence halls are air conditioned. In halls without window units the air conditioning is turned off in the fall semester as temperatures drop and turned on again in the spring semester. The Department of Residence Life along with the Facilities Management will determine these shut-off and start-up times based on the stabilization of nighttime weather temperatures.

Laundry Services
Washers and dryers are provided in every residence hall. The cost to operate the machines is included in your housing fees. Please do not overload the washers and dryers. If the machines fail to function properly, please contact your Resident Assistant and/or submit a laundry machine service request at http://www.atu.edu/reslife/current-residents.php. High efficiency detergent is recommended. Our Caldwell and Gregory Laundry Services has many convenient features to help you monitor your laundry. Check out the website following the link above.

Front Desk Operations
Most halls have front desk services to assist students with a variety of needs. Items available at the front desk include games and activity check-out, equipment check-out, and general information. The front desk is staffed daily from 8 a.m. - 10 p.m.

Service or Assistance Animals Accommodations
Residents requiring aid by a service or assistance animal must be registered at Disability Services. Residents receiving this accommodation must comply with the terms and conditions of the University Service and Assistance Animal Policy.

**National Residence Hall Honorary**

The John Tucker Chapter of the National Residence Hall Honorary (NRHH) is comprised of the top 1% of student leaders living in the residence halls. NRHH is a student-led organization which focuses on recognizing students and staff members within the residence halls, fostering leadership skills in students who live in the residence halls, participating in community service projects to assist in the holistic development of students, as well as, promoting academic success of members.

To be eligible for NRHH, students must have a cumulative GPA of a 2.5 or above and have lived in the residence halls for at least one semester. Students must be nominated by Resident Assistants, Resident Directors, Area Coordinators, or members of the Residence Hall Association (RHA), or members of the National Residence Hall Honorary (NRHH) in order to apply for NRHH membership. Nominations and applications for new members are accepted every fall and spring. Please see your hall staff for more information on NRHH.

**Residence Hall Association**

The Residence Hall Association (RHA) is an on-campus organization that advocates for all students who live in the residence halls. Serving as the governing body of each individual hall on campus, RHA is the voice for students residing in residential facilities, these leaders play vital roles in transforming their community socially and educationally. Each community on campus has a hall council which sends a representative to the RHA general body meetings to share hall updates, programs, needs, and more. The hall council serves the community similar to a state government leadership and RHA is similar to a federal government leadership. In addition to serving students on campus, RHA represents the institution both regionally and nationally at conferences to share successful programming ideas and present best practices to other institutions. Signature programs include: Late Night Breakfast and Battle of the Halls. Signature Collaborations: Summer Send Off and Martin Luther King Jr. Pack Shack. RHA executive officer position elections are held late in the spring semester and are open to all students who have resided on campus and will reside on campus the upcoming academic year. Positions within individual Hall Councils are filled during fall elections each year and are open to all residents living within that hall. Interested persons are always welcome. RHA is centralized around four main goals: (1) to promote a positive living and learning environment, (2) to serve as a liaison and advocate between Hall Councils, Registered Student Organizations, university administration, and the Department of Residence Life, (3) to conduct campus wide programs, (4) and to act as a governing body over all residence halls and each Hall Council.

**Rules and Regulations for all Residence Life Facilities**

In addition to the rules and regulations listed below, Residents are responsible for observing all other University policies, regulations, guidelines as well as all regulations outlined in the Student Code of Conduct, the University catalog, and local, state, and federal laws. In addition, residents of University Commons Apartments will also be responsible for knowing and abiding by the University Commons Rules and Regulations. Areas of campus are under video surveillance.

**Alcohol**

Use, possession, and/or distribution of alcohol, alcohol containers (empty or populated), being present at a gathering
in which a reasonable person would be aware alcohol is present and/or passive participation, and illegal substances or public intoxication are strictly prohibited. This regulation pertains to any person, regardless of age, student status, or position held within or outside of the University. To avoid any possible misunderstandings, empty alcohol containers (including boxes) are not permitted in Residence Life facilities.

Discovery of alcohol will require immediate disposal of the beverage in your presence by a Public Safety Officer as well as disciplinary action.

Students requiring staff or medical assistance due to alcohol consumption may be subject to disciplinary action.

**Bicycles/Motorcycles**

Students are permitted to bring only one (1) bicycle to campus. Any bike possessed or operated on campus must have a valid permit affixed and must be parked at a bike rack, locked and operable. The Department of Residence Life recommends that all bicycles are locked securely with a high quality “U-Lock”. Bicycles are not to be parked inside buildings. Riding bicycles, skateboards and roller skates indoors is prohibited.

Bike permits can be obtained at no cost at the Department of Public Safety. Bikes may be impounded for lack of registration, no current permit affixed, improper storage, or for being inoperable. Bicycles attached to meters, signs, trees, light poles, stairwells, posts or any area other than a bike rack will be impounded and fees assessed. The Arkansas Tech University Bicycle Registration Policy can be found at [http://www.atu.edu/psafe/docs/arkansastechbicyclepolicy.pdf](http://www.atu.edu/psafe/docs/arkansastechbicyclepolicy.pdf).

Motorcycles and mopeds may not be stored in any housing facility and should be parked in designated parking areas.

**Building Entry/Room Entry and Building Security**

For your safety and security all residence halls are locked 24 hours a day, 7 days a week. Residents should always carry their keys and ID cards with them. Keeping the doors locked is important. Residents should never open the doors for strangers or leave outside doors propped open. Students found propping open doors or breaching the hall security will face disciplinary action (including, but not limited to, sharing keys, access cards, etc.)

Entering or exiting through windows is prohibited. Residents and guests are to enter and exit through designated entrances only. Propping doors open, including entry, hallway, and room doors, or tampering with door closing or locking mechanisms is strictly prohibited. Students who engage in propping doors will be subject to disciplinary action.

**Check-in/Check-out Procedures**

Check-in and check-out procedures are crucial. The instructions posted at the beginning and ending of each semester should be followed. If these instructions are not followed, disciplinary action may be taken or improper move charges may be assessed.

To check-in, please report to the lobby in your residence hall or community center location for your residential location. A member of the residence hall staff, who will assist you throughout the check-in process, will meet you here. You will fill out all check-in paperwork, keys will be issued to you, and finally you will complete a room condition report. Please be sure to take an adequate amount of time filling out the room condition report to avoid any charges being assessed to your student account.

To check-out, you will need to schedule a time with the Resident Assistant to inspect your room. Before your scheduled appointment, move out all personal items, clean your room thoroughly, which includes sweeping and/or mopping the floor. The room should be arranged in the original set-up. The Resident Assistant will then check your room for any damages. You will be billed for any damages or cleaning costs.

**Common Areas/Public Areas**

Personal belongings are not to be left in the bathrooms, kitchens, studies, lounges, hallways, stairwells, or any other public areas due to health and safety concerns. Any personal items found in these areas will be removed. The University is not responsible for items left in common areas.

Rowdy activity, wrestling, running, excessive noise, outdoor games and use of mobile recreational devices are not permitted in hallways or public areas due to disturbance and safety of other residents.
Wireless Internet

Wireless Internet is provided in each residence hall room and apartment. Cable splitters, hubs, routers, or other devices that are not provided by the university and alter wireless service or the campus network is prohibited. In addition, residents are required to use surge protectors when operating personal computers in their room. Residents must abide by the University Computer Usage Policies.

For more information about computer policies and requirements please visit http://www.atu.edu/resnet/. Residents are required to use surge protectors when operating personal computers in their rooms. Wireless routers and wireless printers are prohibited in the residence halls. All University Computer Usage policies are enforced within the student’s residence hall rooms.

Damage Costs and Insurance

Residents are held financially responsible for any damage that occurs in either public or private areas of Residence Life facilities. Residents will complete a room condition report (RCR) when they check into their room. This report records in detail the condition of the room at the time of check-in. Rooms are checked against this record at the time of check out. Students will be held liable for any damages, lost property, or unusual service to their rooms caused by accident, neglect, or intent. When two residents occupy the same room and the University cannot ascertain responsibility for damage or loss in the room, the cost will be divided equally between the residents of the room. Charges will be posted to the students account within 30 days of the checkout date/semester end.

When damages occur in the public areas of a building, all residents of that building can be held liable for the repair cost or fines. If the damage occurs on a specific floor or wing, the cost will be divided by the number of residents on that wing or floor and billed to their account. Should the Department of Residence Life deem that the damage cannot be attributed strictly to a specific wing or floor, the damage will be divided amongst the residents of the building and billed directly to their student account.

Students may appeal damage charges in writing to housing@atu.edu within 30 days of notification. Appeals should include the full name of the student, T number, date of charge, amount of charge, and what is being appealed along with any rationale and/or evidence. The Appeal Committee will review the appeal and make a determination. Nonpayment of debts incurred from, but not limited to, lost keys and service fees may result in withholding of academic records. A list of typical damage charges is available at https://www.atu.edu/reslife/resources.php (select Damage Charge Structure)

The University is not responsible for personal property which is lost, stolen, or damaged in Residence Life facilities. It is recommended that students purchase insurance to protect personal items if they are not covered by family insurance.

Room doors should be locked at all times.

Decorations

Your residence hall room will serve as your home away from home. Students are encouraged to decorate their rooms and make them as comfortable and cozy as they would like. However, there are a few restrictions when it comes to decorating the room. Posters may be hung on the walls, but no nails, hooks or screws may be used. Use only white Sticky Tack to avoid any damage that may occur when using heavy tape, such as double-sided tape. Residents will be held responsible for wall damage caused by any wall hangings, including damage caused by removal of white Sticky Tack. Decorations may not hang from the ceiling or any exposed pipes and should cover no more than 25% of wall or door surfaces. Items hanging from exposed pipes is considered a fire safety violation. Residents may not mount televisions or other electronic equipment to the walls or ceilings in residence hall rooms or apartments. Painting and using contact paper is also prohibited. At no time are cut, live (natural) trees permitted due to the fire hazard they create.

Drugs and Narcotics

Illegal drugs, including the use, possession, manufacturing, distribution, or being found under the influence of marijuana, inhalants, narcotics or other controlled substances and paraphernalia, except as expressly permitted by law, are prohibited. Improper use, possession, or distribution of legal drugs and/or prescription drugs without a prescription is prohibited.

Use or possession of marijuana, including medical marijuana used or prescribed under the Arkansas Medical Marijuana
Amendment of 2016, is strictly prohibited on campus. Any such use or possession is a violation of the Student Code of Conduct. Specifically, Act 740 of 2017 provides that the Arkansas Medical Marijuana Amendment of 2016 does not permit a person to possess, smoke, or otherwise engage in the medical use of marijuana on the grounds of a college or university. The University may notify parents or guardians of students under age 21 who are found to be in violation of this policy.

**Electrical Appliances and Kitchenettes**
Small microwaves (700 watt or less) are allowed in every housing facility. Refrigerators, 5 cubic feet or less, are allowed in the individual rooms of the residence halls. For your convenience we have partnered with Collegiate Concepts Inc. to provide optional refrigerator rental for an additional fee. For rental information go to [www.collegefridge.com](http://www.collegefridge.com) or call (888) 929-0806.

Kitchenettes are provided in some of the residence halls. Students should use extreme caution when cooking and never leave cooking food unattended. Residents taking advantage of these facilities are responsible for keeping these areas clean and neat.

**Failure to Comply**
Failure to comply with a request by an authorized university official including student staff or law enforcement officers acting in performance of their duties, including failure of a student to present his/her university identification card upon request or failure of a student to comply with an established roommate agreement may also result in disciplinary action.

**Fire Safety**
Fires and open flames are prohibited in residence halls and apartments. Fires caused through negligence may result in disciplinary action and damage charges. Students should use extreme caution when cooking and never leave cooking food unattended.

Smoking in a University owned housing facility is considered a fire safety violation. Candles (lit or unlit), incense, and open flame decorations are fire hazards and are not allowed in any housing facility. Burning such items in your residence hall or apartment is strictly prohibited. Candle warmers are not permitted; however, scented wax warmers using a low-wattage light bulb (such as “Scentsy” warmers) are permitted. Failure to observe this policy will result in disciplinary action.

Activating the fire alarms, panic alarm system or the Emergency Blue Light system under false pretenses or tampering with fire safety equipment is a state and local violation of the law. This includes but is not limited to tampering with, damaging, or disabling smoke alarms, fire extinguishers, sprinkler heads, and fire door closing mechanisms. Disciplinary action, as well as criminal action, may be taken against individuals who violate this policy.

A fire drill is conducted at least once per semester for each Residence Life facility. All persons in the building must participate in the fire drill and evacuate the building. Residents who do not comply with this regulation are subject to disciplinary action. Students should consider any fire alarm real and evacuate the building immediately.

**Firearms, Explosives, Weapons**
Unless otherwise permitted by law, use, possession, storage, or distribution of firearms, rifles, shotguns, pistols, explosive materials (including fireworks), archery equipment, ammunition/bullets, or any other weapons or dangerous instrumentality on the campus is prohibited and can result in immediate interim suspension of the student. This includes, but is not limited to, knives (with blades larger than 3 inches in length), blow guns, sling shots, BB guns, paintball guns, airsoft guns, swords, pellet guns, toy guns, water guns, Nerf guns, and any other object used or threatened to be used as a weapon in which serious injury does or could result. Students owning firearms and/or other prohibited hunting materials should make arrangements for storage of these weapons off campus.

Effective September 1, 2017, provided that the concealed carry licensee has the enhanced carry endorsement/training required by Act 562 of 2017, and subject to the limitations in Act 859 of 2017 (i.e. designated collegiate athletic events and/or discipline or grievance meetings or hearings), carrying a concealed handgun in the buildings or on the grounds owned or leased by Arkansas Tech University is permitted.
Pursuant to A.C.A. 5-73-322(d), the storage of a handgun by any person, concealed carry licensee or not, in a university-operated student dormitory or residence hall is prohibited under A.C.A. 5-73-119(c).

Pursuant to A.C.A. 5-73-306, a concealed carry licensee may have a concealed handgun in a locked and unattended vehicle when the vehicle is in a university parking lot.

**Furniture**
No furniture, including mattresses, may be removed from any room. TV cables or any electrical wiring may not be moved or altered in any way. Waterbeds are not permitted in Residence Life facilities. This includes manufactured and homemade models. Homemade lofts are not permitted in any Residence Life facility. For your convenience we have partnered with Collegiate Concepts Inc. to provide optional loft rental for an additional fee. For rental information, go to [www.collegiateconcepts.com](http://www.collegiateconcepts.com)

**Grills**
For fire and safety reasons barbecue grills of any kind are not permissible inside resident rooms or apartments, on balconies, or in entryways to the hall or apartment complex.

Students may use grills in outdoor common areas at least 25 feet away from the building or other facilities. Grills must not be left unattended. After grilling, students must clean the grill, remove any coals, and allow the grill to cool completely before storing. Students may not store lighter fluid, charcoal that is presoaked with lighter fluid, or other flammable materials within the residence hall or apartment.

Some halls have a grill available for the use of residents. Contact your hall office for more details.

**Harassment**
Harassment, defined as unwelcome conduct that is severe and pervasive and substantially interferes with the learning, working, or living environment, and which would detrimentally affect a reasonable person under the circumstances, is prohibited. Harassment is extreme, outrageous, or persistent acts or communications that are intended or reasonably likely to harass, intimidate, or humiliate another. **Keys and Lockouts**
Residents are responsible for the use and control of their room/hall keys. Please keep doors locked at all times. It is prohibited for students to lend room/hall keys and/or personal ID to others. Lost keys must be reported to the Resident Director immediately. Residents who lose their key will be assessed a replacement charge. Keep your keys with you at all times. If a lock out occurs, contact the Resident Assistant, Student Staff, or Resident Director on duty. Key duplication is prohibited and will result in disciplinary action.

Residents may call a Residence Life staff member for assistance when locked out of their room, suite, or apartment. Lockout charges will be assessed to the student’s account according to the table of fees available at [www.atu.edu/reslife](http://www.atu.edu/reslife).

Students may appeal lockout charges via email to the Marketing and Assignments Coordinator within 30 days of notification. Appeals should include the full name of the student, T-number, date of charge, amount of charge, and what is being appealed along with any rationale and/or evidence. The Marketing and Assignments Coordinator will review the appeal and make a determination within 14 days.

**Musical Instruments/Music**
Musical instruments, as well as radios and stereos, must be utilized in a manner that does not disturb other residents. Cooperation with courtesy hours and/or quiet hours is fully expected.

**Noise and Disruption and Finals Week/Quiet Week**
Each student has the right to sleep or study without unreasonable restriction in his/her own room at any time during the day or night. Excessive noise and disruption will not be tolerated in Residence Life facilities. If noise level should become excessive, you will be required to lower the volume. Additionally, students who opt to bring oversized speakers which
create a continual noise disruption into Residence Life facilities will be given the opportunity to remove those speakers. Should they fail to do so, the Department of Residence Life reserves the right to confiscate the speakers.

**Quiet Hours:** Quiet hours are in effect from 11 p.m. - 11 a.m. Sunday through Thursday and from 11 p.m. - 1 p.m. Friday and Saturday.

**Courtesy Hours:** Courtesy hours are in effect when quiet hours are not. During courtesy hours residents are expected to keep noise down so it may not be heard more than 2 doors down or outside the apartment in the University Commons and Vista Place as to not create excessive noise in the hallways, common areas and outside the buildings.

Prolonged or excessive noise that may disturb the rights, comfort or convenience of other residents may be considered a policy violation. Noise from a room should not be heard more than two doors down the hallway or two doors down in a breezeway.

Each semester beginning two days prior to starting final exams, 24-hour quiet time goes into effect. This policy will remain in effect until the last scheduled exam.

**Roommate Agreement**

(A) Inhospitable Living Environment – If residents find their current living environment unsuitable in meeting their academic and personal needs and a roommate mediation has been attempted, it is that resident’s responsibility to work with their RA and/or RD to initiate a room transfer process. Residents’ behaviors designed to make their living environment difficult or challenging for roommate(s) in hopes roommate(s) will transfer rooms are unacceptable and will result in conduct action.

(B) Existing Spaces – If a space exists within a resident’s room/suite/townhome/apartment, it must remain clean, locked, and vacant so that another resident can move into that space with limited notice (in case of emergencies) or 24-hour notice during a room transfer process. Residents who occupy a ‘vacant’ space within their unit, make their residential space (room, suite, and/or apartment) unappealing/attractive for potential roommates, and/or attempt to deter potential roommates from moving into that space are subject to conduct action.

(C) Failure to Follow a Roommate Agreement – In the process of generating a roommate agreement with a Residence Life staff member, all roommates are agreeing to each item stated on the agreement. Failing to follow this agreement will result in conduct action, up to and including a required room transfer or license/lease agreement cancellation for one or all residents involved.

**Parking**

Residents must park in the space designated for their residence hall. Residents are not allowed to park in the spaces reserved for the Resident Directors or Area Coordinators. Parking regulations as outlined by the Department of Public Safety must be followed. Parking regulations can be found at [http://www.atu.edu/psafe/park-info.php](http://www.atu.edu/psafe/park-info.php).

**Passive Participation**

Residents are obligated to remove themselves from situations where a policy violation and/or illegal activity is occurring and to contact Residence Life staff about the situation. Residents present may be held responsible for the violation.

**Pets**

Dogs, cats, birds, rodents, reptiles, amphibians, fish, or other animals are not permitted at or in University Housing Facilities. Guests may not bring dogs, cats, birds, rodents, reptiles, amphibians, fish, or other animals. Strays should not be encouraged to remain in the area. Any dogs, cats, birds, rodents, reptiles, amphibians, fish, or other animals found in University Housing Facilities will be presumed to be a stray and may be removed. Residents requiring aid by a service or assistance animal must be registered at Disability Services. Residents receiving this accommodation must comply with the terms and conditions of the University Service and Assistance Animal Policy.

Residents found with an illegal pet will face a monetary fine, with additional billing as needed to restore the unit to an occupiable state (determined by ATU) which may include (but is not limited to) carpet and/or furniture replacement, and repainting. Additional disciplinary sanctions may be applied. Second time violators of the pet policy will be removed
from on-campus housing. All current occupants of apartments or suites found with an illegal pet, or related pet paraphernalia (food and water dishes, toys, litter boxes, etc.) will be held responsible for the illegal pet. Residents are responsible for settling “ownership” and pet responsibility issues between themselves. Residence Life will not decide where the pet has been and where it has not. The entire unit may be deep cleaned (at a minimum) at the residents’ expense. All residents are responsible for what occurs in their living space. Any pet “reappearances” will be subject to additional charges and possible contract revocation. “Just Visiting” is not permitted. Illegal pets are not allowed in Residence Life facilities at any time.

For information on approved assistance and service animals in university-owned housing facilities, see the Service and Assistance Animal Policy.

UL approved appliances with fully enclosed heating elements and/or electrical wiring are permitted.

Lighting and appliance wiring should not exceed one extension cord per electrical outlet. Use of multiple socket plugs, running extension cords under carpeting and direct splicing in the electrical outlet are prohibited. Extension cords must be UL approved. The possession, use, or storage of self-balancing scooters/hoverboards inside Arkansas Tech University buildings and facilities is prohibited.

Property Abandonment
Items left in the room/suite/apartment by a vacating resident will be removed at the resident’s expense. The vacating resident will be sent written or e-mail notice to the listed address and given 30 days thereafter to claim the items. If no response is received within the 30 day deadline, the University will dispose of these items by donating them to a local charity. Removal and storage fees may be charged to the resident’s account. Minimum charge, regardless of number of items $45.00.

Solicitation
For the protection and privacy of residents and to prevent the interruption of studies, no door-to-door activity (canvassing, solicitation, sales, proselytizing, etc.) for any purpose unrelated to the management of the residence hall is allowed, unless the Department of Residence Life has granted permission. If you encounter such activity, contact a staff member immediately.

Due to limited space, storage of room furniture is not permitted in the residence hall, nor is residence hall furniture permitted to be stored off-campus. Students who leave the residence hall/University Commons apartments must remove all belongings. Failure to remove all items from any Residence Life facility may result in a charge to the owners
of the personal items. The hall staff will store personal belongings that are left for forty-eight (48) hours after the halls officially close. After this time, the items will be discarded.

Theft
Theft or illegal possession of any property belonging to the University, a member of the University community, or of any campus visitor is subject to disciplinary action. Theft should be reported to the Department of Public Safety or a Residence Life staff member immediately.

Tobacco Products/Smoking
The use of any tobacco product, including, but not limited to, smoking, dipping, chewing, or the use of electronic cigarettes or vapor pens (with or without tobacco products) is prohibited on campus. Students may face disciplinary action if there is reasonable evidence of use within the residence hall, including but not limited to the presence of cigarette butts, ashes, or a receptacle containing waste products of tobacco use.

Trash and Cleanliness

The Role of Registered Student Organizations

Co-curricular programs and organizations provide opportunities for students to develop friendships, learn new skills, and practice leadership and group development skills. There are more than 100 Registered Student Organizations (RSOs) representing many areas of interest in the following categories: Academic/Professional, Fine Arts, Fraternity/Sorority, Honorary, Multicultural, Recreational, Religious, Special Interest, and Student Governance. It is well documented that students who are involved in campus activities of their choice are more likely to complete their educational goals.

The overall goal of RSOs at the University is to provide students additional educational tools which will assist them: function successfully in their chosen occupational fields; achieve a greater cultural appreciation; achieve greater personal happiness and self-satisfaction; and develop the concepts of responsibility and service to others.

Operating on the basis of voluntary participation and self-government, RSOs are an integral part of the University community and as such are obligated to contribute to the scholastic attainment and general development of the individual student. Skills and experiences obtained through memberships in RSOs serve as a valuable supplement to the formal curricula. Organizations applying for registration by the University will be evaluated in view of the manner in which their constitutional objectives support the stated role of RSOs at Arkansas Tech University.

The RSO handbook can be located at: http://www.atu.edu/rso/forms_manuals.php

General Requirements

General requirements for RSOs are as follows:

1. Individual students and student groups are responsible for conducting their activities in a manner consistent with all regulations and standards aligned with the Student Code of Conduct at Arkansas Tech University.

2. No organization shall require of its members any activity incompatible with scholastic attainment or acceptable general development. In particular, hazing in any form is prohibited. No student or group of students will be permitted to use mental, verbal, or physical violence against, or in any way jeopardize the health, scholastic standing, or civil liberties of another student or University personnel.

3. On or off-campus activities which are sponsored or affiliated with a University RSO must be approved by Campus Life.

4. Each organization has the right to elect and expel its own members and is accountable for members’ acts committed on behalf of the organization.

5. Each organization which desires to be registered by Arkansas Tech University and which desires to use the facilities and services of the University must obtain approval in the manner described in the following paragraphs.

**University Supported Organizations**
Four RSOs are directly supported by student activities fees. The organizations are listed below.

- **Student Government Association.** The Student Government Association (SGA) is the overall student governing body at Arkansas Tech University and serves as an intermediary between the faculty/administration and the student body in the interest of student welfare. SGA represents all students and serves as their communication link to the various components of the campus. SGA operates under a constitution adopted by the student body. It is organized for students, and students are encouraged to attend the meetings and go to SGA for assistance in any aspect of student life. The current constitution is available upon request at the SGA Office in the Student Involvement Center, Doc Bryan.

  SGA has standing and ad hoc committees. For more information, please visit SGA's page on theLink.

  All weekly general meetings are open to the public.

- **Student Activities Board.** The Student Activities Board is committed to promoting student success and enhancing the campus community by providing enjoyable, engaging, and creative activities for the student body. SAB fulfills this mission by serving in an advisory capacity to the designated SAB Advisor(s), suggesting, planning and implementing events, cultivating student involvement in SAB, and by collaborating with other organizations at the University.

  Students interested in joining SAB as a General Member are encouraged to pick up an application in Doc Bryan Student Services Center, Suite 233. General Members of SAB agree to effectively assist with and attend at least one SAB event per month, or to take on an alternate responsibility approved by the SAB Advisor or Executive Board Member. General members are encouraged to attend SAB volunteer meetings whenever possible in order to suggest ideas, offer feedback, and to offer support for events.

  SAB Executive Board positions include President and four (4) or five (5) Directors. These positions are open each spring and include a stipend. Any University student in good disciplinary and academic standing may apply for SAB Executive Board positions. The President position requires two (2) semesters of experience with SAB, but other Executive Board positions do not require prior SAB experience.

  SAB activities can vary widely, but typical activities include comedians, magicians, musicians, game shows, social events, movies, etc.

- **GOLD Cabinet.** GOLD Cabinet is responsible for the design, coordination, and execution of On Track. In addition to browsing events and organizations on theLink, students will engage in working towards a goal to achieve a certain connection or involvement on campus. GOLD Cabinet also recognizes student leadership through the GOLD Leader of the Month program and issues funding to eligible Registered Student Organizations for organizational operations, programming, and other qualifying expenses.

The GOLD Cabinet oversees the Organization Aid program. The funding is designed to assist RSOs at Arkansas Tech. The goal of this program is to foster diversity and support students in their efforts to enhance their organizations, their members, the student body, or Tech. Applications are accepted on theLink.

**Residence Hall Association.** Living in the residence halls automatically makes you a member of the Residence Hall Association (RHA). RHA is a student-led organization made up of representatives from every Residence Life facility. This group is dedicated to improving the quality of life in all housing facilities through programs and services. RHA serves as a liaison between students and administrators to facilitate changes that students want and to help resolve issues that develop on campus.

The goals of the Residence Hall Association are to unite all the residence halls to further the common interests of campus living groups; to promote better relations and communication between campus residences and other elements of the University community; to coordinate and encourage activities between residence halls; and to represent the interests of the students living on campus. Representatives for the Residence Hall Association come from each halls individual Hall Government. See your hall staff for more information on becoming involved in your Hall Government and RHA.
