Intercultural Understanding: Germany

Dates: May 19 - May 29, 2025

The Intercultural Understanding program will provide ATU students the opportunity to connect with students at THM, our partner university in Germany, both virtually and in person.

Students will travel to Germany to visit the THM campus and physically interact with the students that they met virtually.

This involves traveling throughout Germany and visiting several sites such as the Frankfurt Stock Exchange, the European Central Bank, and several sites in Munich

Cost: \$4000
