

England

Nursing and Healthcare in London

Dates: March 22 - March 29, 2025

Students will study the historical treatment of illness and injury as well as historical nursing figures in healthcare. Students will tour the Nightingale Museum, the old operating room theater, the medical district, and interview a practicing registered nurse in addition to touring other famous sites like Big Ben, St. Paul's Cathedral, London Science Museum, and the Royal College of Medicine and Covenant Garden.

Cost: \$5190

Faculty Leader

Dr. Cheryl Monfee
