April 14, 2021 Agenda

Attending: Christine Austin, Brett Bruner, Matt Young, Shelly Daily, Gina Kraft, Shirley Bonner.

Absent: Dan Warwick, Matt Brown, Bill Moreland

Meeting convened at 10:00am

1. New Weave functionality

a) Demonstration

Amanda Gardner gave an overview of Curriculum Mapping in Weave, as well as the use of the different views now available to assist in planning measures to align with learning outcomes. Advised SLAC members to alert departments/degree programs that OAIE would be contacting them to assist with alignment of courses/PLOs for accurate curriculum mapping, but that OAIE would do initial work.

2. Ongoing Initiatives:

AAC&U High Impact Practices Assessment Institute - ATU Team selected for participation in summer 2021. Michael Bradley (Parks and Recreation), Nate Chapman (undergrad research), Dana Tribble (1st-year experience), Gaby Haulmark (study abroad/away), Angie Bell (College of Business internships/practica)

Team will be creating a plan for assessment of HIPs across the institution, as well as to become experts in the area of HIPs to act as resources.

b) Co-curricular Activities

Dr. Bruner and Dr. Austin to meet over the summer to identify areas of interaction between SA co-curricular activities and GE and academic co-curricular activities to assess on an institutional level.

3. Annual Assessment

SLAC members are asked to remind departmental assessment committees of the May 7 deadline for completing 2020 assessment plans.

Advised that all 2020 Assessment Plans for all degrees available and once complete the 2021 degree plan will be created based off of completed 2020.

4. Open Forum/Concerns

No concerns. All members thanked for their service during a chaotic year.
