## What do they mean?

Your Holland Codes allows you to match jobs based on your work interests.

There are six that fluctuate depending on growth and change.

### Enterprising: "The Persuaders"

- Enjoy selling and promoting, having power and status, giving talks and speeches, and leading groups.
- Enjoy influencing others and being in a leadership position.
- Often use their skills to influence others.
- Often enjoy discussing politics and competitive activities. Self-confident, talkative and energetic.

### Social: "The Helpers"

- Prefer to work with others with the team approach to problem solving.
- Enjoy teaching, caring for others, volunteering, mediating disputes, meeting new people, and working in groups.
- Highly verbal, express themselves well, and get along well in groups.
- Describe themselves as cooperative, friendly, and understanding.

### Artistic: "The Creators"

- Prefer to be expressive and like the opportunity to create new things and be innovative.
- Typically do not like structure or conformity.
- Prefer to use their imagination and be creative.
- Enjoy activities such as: writing, poetry, photography, designing, singing, acting, dancing, painting, attending theaters and exhibits, and reading.

### Conventional: "The Organizers"

- Prefer orderly, systematic work such as keeping records, and organizing written and numerical materials according to a plan.
- Like to see things run efficiently and smoothly.
- Pay attention to administrative details.
- Enjoy working with numbers, using a computer, keeping accurate records, and organizing.

### Realistic: "The Doers"

- Prefer to work with objects and things.
- Enjoy being physically active, repairing equipment, rebuilding cars, fixing electrical things, solving mechanical problems, playing sports, and working outdoors.
- Enjoy creating things with their hands and using tools and machines.
- May enjoy working with large, powerful machines like tractors. Prefer precision machinery such as X-ray or electronic equipment.

### Investigative: "The Thinkers"

- Have a strong desire to understand cause and effect and solve puzzles and problems.
- Often work in jobs that are scientific in nature. Their work often involves the analysis of data, using formulas, graphs and numbers.
- Enjoy using computers, solving math problems, interpreting formulas, and thinking abstractly.
- Prefer to work independently with minimum supervision.

# Personality Assessment

Personality Assessments aim to provide insight into how a person perceives and interacts with the world, how they make decisions, and how they respond to various situations and stimuli.

- Who are you?
- When are you most happy?
- What is your dream career?

## Personality Assessment

### YOUR RESULTS ⓘ

#### Your Personality Type

- You approach work and life with a positive concern about people.
- You like to work on projects with other people in a cooperative way.
- You recognize and appreciate the potential in everyone, and want to help them reach their full potential.
- You are flexible, spontaneous, and to keep your options open. You find it easy to adapt to changing situations.
- You like to come up with new ideas and ways of doing things. You enjoy projects that explore new concepts about human understanding, well-being and health of others.

#### Choosing Your Career:

People with your personality type are attracted to occupations where you can help people learn new skills, improve their psychological well being and their physical health. Examples of such occupations are found in the fields of counseling, teaching, health sciences, psychology, arts and literature.

YOUR RESULTS

Creative, Flexible, Caring, Supportive, Idealist

# Assessment Results Job Search

Use your Holland Code and career suggestions to search for jobs!

The collage features three overlapping screenshots of job search interfaces:

- O\*NET OnLine:** Shows the homepage with a search bar for "electrician", navigation links like "Find Occupations", and a sidebar with "Find Occupations" and "Advanced Searches" sections.
- Indeed:** Displays a search results page for "electrician" with 14,400 jobs found. Visible job listings include "USDA-ARS Internship on Desiccation Tolerance in Seeds" and "USFS Computational Science Support for Wildland Fire...".
- LinkedIn:** Shows a "Recommended for you" section with job suggestions such as "Literacy Facilitator" at Oak Creek-Franklin Joint School District, "Coaches and Black Belt Instructors" at Athletes in Motion, and "Substitute Teacher - E.W. Thompson School" at the State of Missouri.
