

Get the app for **Benefit-ness** in just one step!

Blueprint Portal was designed with enhanced features to help members (like you) have easy access to health and wellness information, including claims costs and coverage information.

Download the Blueprint Portal app (available through the App Store and Google Play) to have your health plan always available on your phone.

What's new?

- A redesigned, mobile-first experience with quick access to the most important parts of your health plan
- A new claims view enhanced with near real-time claim status and a filter to help you find specific provider encounters or procedures
- Clear breakdown of claims details including your financial responsibility—you don't have to wait for your Explanation of Benefits to arrive to see what you owe

What's still available?

- Digital member ID cards and ability to send via email or fax
- Claims and benefit information
- Access your Personal Health Record
- One-tap connection to customer service by phone or email
- Access to CVS Caremark to view pharmacy information with prescription history and refill orders
- Find doctors, directions and contact information
