**SUBJECT:** FACULTY DEVELOPMENT GRANT REPORT  
**DATE:** 8/24/2009

---

In the spring of 2009, I was fortunate to be awarded a Faculty Development Grant to attend the Arkansas Association of Instructional Media Annual Conference in Rogers, AR where I gave 3 different presentations and was able to attend concurrent sessions given by experts in the fields of library media and instructional technology. I learned much from the sessions I attended and was able to help conference attendees with some of their problems. I was especially proud to be able to have attended when two of my students were awarded the two scholarships by AAIM. Their names are Josh Clemmer of Alma and Lisa Huelle from Russellville.

Please accept this as my grant report.
